TITLE 03
CHAPTER 04**

16.03.04 - RULES GOVERNING THE FOOD STAMP PROGRAM IN IDAHO

000. LEGAL AUTHORITY.

The Idaho Legislature has granted the Department of Health and Welfare authority to enter into contracts and agreements with the Federal government to carry out the purposes of any Federal acts pertaining to public assistance or welfare services. The Department of Health and Welfare has authority to make rules governing the administration and management of the Department's business, pursuant to Sections 56-203 and 39-106(1)(a), Idaho Code. (6-1-94)

001. TITLE, SCOPE, AND PURPOSE.

These rules contain the requirements for application and eligibility for the Food Stamp Program, administered in Idaho by the Department of Health and Welfare for the United States Department of Agriculture. The purpose of the Food Stamp Program is to raise the nutritional level among low-income households whose limited food purchasing power contributes to hunger and malnutrition among members of such households. The process of determining the need for and the level of assistance is the certification procedure. The purpose of these rules is to provide the regulatory basis for that procedure. These rules are to be cited, in full, as Idaho Department of Health and Welfare Rules, IDAPA 16.03.04, "Rules Governing the Food Stamp Program in Idaho". (6-1-94)

002. DEFINITIONS.

For the Food Stamp Program, the following definitions apply: (6-1-94)

When all household members are under the age of eighteen (18) one (1) household member must sign for all household members. (4-5-00)

Immigration status is proved by INS. INS will compare the evidence to their Alien Status Verification Index (ASVI) to verify the immigration status of the legal non-citizen. (7-1-98)

01. Proof Of Immigration Status. Legal non-citizens must present proof of immigration status for

each legal non-citizen member. (7-1-99)

02. Time Limits For Providing Legal Non-Citizen Documents. Allow legal non-citizens ten (10) days to provide legal non-citizen status documents. The ten (10) day period starts the date legal non-citizen status documents are requested. If the ten (10) day period ends before the thirtieth day after application, do not certify the household until it provides the documents. If the ten (10) day period ends beyond the thirtieth day after application, do not delay benefits for the remaining household members, if the household is otherwise eligible. Provide benefits no later than the thirtieth day. If the legal non-citizen status documents are not provided by the end of ten (10) days, the legal non-citizen member must be classified as an ineligible legal non-citizen. (7-1-98)

03. Failure To Provide Legal Non-Citizen Documents. If a household says it is unable or unwilling to provide legal non-citizen status documents for a legal non-citizen household member, the legal non-citizen member must be classified as an ineligible legal non-citizen. (7-1-98)

04. Proof Of Immigration Status. The documents provided by the household for members identified as legal non-citizens are submitted to INS for proof. The proof is completed by use of SAVE. Primary and secondary methods of proof are described below: (7-1-98)

a. Primary proof. Primary proof is telephone access to the INS files. This method uses the Alien Status Verification Index (ASVI). The Alien indicator (A) plus the seven (7) or eight (8) numbers shown on the original document is used to access the ASVI file. (6-1-94)

b. Secondary proof. Secondary proof is sending photo copies of the original immigration documents and a Document Verification Request Form (G-845) to INS for proof. Notify the participant before getting secondary proof. Secondary proof is used if any of the conditions in Subsections 206.04.b.i. through 206.04.b.v. apply: (3-15-02)

i. Primary proof instructs the Department to "Institute Secondary Verification". (7-1-99)

ii. No record is found through the primary proof system. (7-1-99)

iii. The Department has accepted non-INS documents determined to be reasonable evidence of legal non-citizen immigration status. (7-1-99)

iv. The Department has determined documents presented by the legal non-citizen are questionable. (7-1-99)

v. An Alien (A) Number is not on an INS document. Information in the record is not consistent and more proof is needed. (7-1-99)

c. The Department must accept participation in another program as proof of citizenship or non-citizen national status, if verified for that program. (3-15-02)

d. If the household cannot get proof of citizenship or non-citizen national status, and has a reasonable explanation why proof is not available, accept a signed statement, under penalty of perjury, from a third party. The statement must give a reasonable basis for personal knowledge that the member is a U.S. citizen or non-citizen national. The signed statement must contain a warning of the penalties for helping someone commit fraud. (3-15-02)

05. Secondary Proof Requirement. If primary proof fails to verify legal non-citizen status, the secondary proof procedure must be completed before the Department denies Food Stamps based solely on legal non-citizen status. (7-1-99)

06. Legal Non-Citizen Status Not Proved. A legal non-citizen whose status is not proved by INS or a third party statement of U.S. citizenship or non-citizen national status, must be considered an ineligible legal non-citizen. (3-15-02)

07. Documentation Provided Late. If the legal non-citizen later provides documentation of legal non-

citizen status, and other household members get Food Stamps, act on the information by submitting it to INS for proof. Once the eligible legal non-citizen status is verified add the legal non-citizen. Add the legal non-citizen the month after the participant provides documentation of legal non-citizen status to the Department, not the month after INS verifies the status. If the Food Stamp case is not open, the legal non-citizen must re-apply. (7-1-99)

207. INELIGIBLE NON-CITIZEN STATUS.

If legal non-citizen status cannot be proved or ineligible non-citizen status is proved, the non-citizen is not eligible for Food Stamps. Ineligible non-citizens include, but are not limited to, non-citizens entering the country illegally to seek employment, non-citizen visitors, tourists, diplomats, and persons temporarily attending school in the United States with no intention of abandoning their foreign residence. A non-citizen is ineligible, until he provides acceptable proof, unless meeting a condition in Subsections 207.01 through 207.03. (3-15-02)

01. Status Submitted To INS For Verification. If the Department submits a copy of a document, provided by the household, to INS for verification, the Department cannot delay, deny, reduce, or end the person's eligibility for Food Stamps based on immigration status. (3-15-02)

02. Request Submitted To SSA For Number Of Quarters Of Work Credited. The applicant or Department submitted a request to SSA for data on the number of quarters of work credited to the person. SSA responds that the person has fewer than forty (40) quarters. The person provides proof that SSA is conducting research to see if it can credit more quarters. If SSA says the number of credited qualifying quarters is under investigation, the Department must certify the person pending the results. The certification can last up to six (6) months from the date of the original determination of insufficient quarters. (3-15-02)

03. Request Submitted To Federal Agency For Proof Of Eligible Alien Status. The applicant or the Department submits a request to a Federal agency for proof of eligible alien status. The Department must certify the person pending the results of the investigation. The certification can last up to six (6) months from the date of the original request for proof. (3-15-02)

In joint custody situations, children may move from one (1) parent's home to the other parent's home on a regular schedule during the month. For an applicant, the three (3) consecutive months begin the first full month of benefits. For a participant, the three (3) consecutive months begin the month following the month the participant no longer meets the work requirements. A person is eligible for the additional three (3) consecutive months only once in a thirty-six (36) month period. (5-3-03)

266. HOUSEHOLD MEMBER LEAVES DURING A PENALTY PERIOD.
When the household member who committed a voluntary quit or reduction in hours penalty leaves the household, the penalty follows the household member who caused it. (5-3-03)

267. GOOD CAUSE FOR VOLUNTARILY QUITTING A JOB OR REDUCING WORK HOURS.
If a household member voluntarily quits a job, determine if the quit was for good cause. All facts and circumstances submitted by the household and the employer must be considered. Good cause includes the reasons listed below: (10-1-02)T

- 09. Temporary Pattern Of Employment.** Person leaves a job where workers move from one (1) employer to another, such as migrant farm labor or construction work. Households may apply for benefits between jobs, when work is not yet available at the new site. Even though the new employment has not actually begun, the previous quit is with good cause if it is the pattern of that type of employment. (6-1-94)
- 268. PROOF OF JOB QUIT OR REDUCTION OF WORK HOURS.**
Request proof if the household's job quit or reduction of work hours is questionable. The household is responsible for providing proof. If the household cannot get timely proof, offer assistance. Proof includes, but is not limited to, contacts with the previous employer or union organizations. If the employer cannot be contacted or the employer will not provide the information try to get the proof from a third party. In some cases, the household and the Department cannot prove the circumstances of the quit. This may occur because the employer cannot be located or refused to cooperate. This may include quits due to employer discrimination or unreasonable employer demands. In cases where proof of the voluntary quit cannot be obtained, the household must not be denied Food Stamps on the basis of a voluntary quit or reduction of work hours. If a household member refuses, without good cause, to provide enough information to determine voluntary quit or work reduction, a penalty must be imposed. Impose the appropriate quit or reduction penalty. (4-5-00)
- 269. EXPLANATION OF PENALTIES FOR QUITTING JOB OR REDUCTION OF WORK HOURS.**
Explain voluntary quit or reduction of work hours penalties to the applicant household at application. Explain the penalties imposed if a household member quits a job or reduces hours of work to less than thirty (30) hours a week without good cause. (4-5-00)
- 270. PENALTY FOR APPLICANT QUITTING A JOB OR REDUCING WORK HOURS.**
If the Department determines a voluntary quit or reduction of work hours was not for good cause, the member who quit is not eligible for a ninety (90) day penalty period. The penalty period begins the date the household member quit. The applicant household must be told the job quit and work reduction penalty information listed below: (4-5-00)
- 01. Denial Reason.** The household must be informed of the reason for the Food Stamp denial for the

member. (4-5-00)

02. Sanction Period. The household must be informed of the proposed voluntary quit or work reduction sanction period. (7-1-98)

03. Fair Hearing. The household must be informed of the right to a fair hearing. (6-1-94)

04. Right To Reapply. The household must be informed of the right to reapply after the ninety (90) day penalty period. (3-15-02)

271. PENALTY FOR RECIPIENT QUITTING A JOB OR REDUCING WORK HOURS.

If the Department determines a member of the household voluntarily quit a job or reduced work hours, the penalty listed in Subsection 271.01 must be imposed. Food Stamps must end, beginning the first month after timely notice. The household must be told the information listed in Subsections 271.02 through 271.06 within ten (10) calendar days of the voluntary quit or reduction in work ruling. When determining the penalty to impose, previous sanctions for noncompliance with JSAP and work registration requirements must be considered. Previous penalties for applicant voluntary quit or work reduction must also be considered. (3-15-02)

01. Sanction Period. The member who quit or reduced work hours is excluded as a household member. The person is not eligible for the greater of the penalty periods listed below or until he meets one (1) of the conditions to end the penalty. (3-15-02)

a. First quit or reduction. The later in time the person returns to work or increases work hours or one (1) month. (3-15-02)

b. Second quit or reduction. The later in time the person returns to work or increases work hours or three (3) months. (3-15-02)

c. Third quit or reduction and subsequent quit or reduction. The later in time the person returns to work or increases work hours or six (6) months. (3-15-02)

02. Closure Reason. The household must be informed of the reason for the closure. (6-1-94)

03. Sanction Notice. The household must be informed of the proposed sanction period. (4-5-00)

04. Sanction Start. The household must be informed the sanction will begin the first month after timely notice. (6-1-94)

05. Actions To End Sanction. The household must be informed of the actions the household can take to end the sanction. (6-1-94)

06. Fair Hearing. The household must be informed of the right to a fair hearing. (6-1-94)

272. VOLUNTARY QUIT OR REDUCTION OF WORK HOURS DURING THE LAST MONTH OF THE CERTIFICATION PERIOD.

If the Department determines a member of the household voluntarily quit a job or reduced work hours, without good cause, in the last month of the certification period the voluntary quit or work reduction penalty is imposed. (7-1-98)

01. No Reapplication. If the household does not apply for recertification in the last month of the certification the appropriate penalty is imposed. Begin the penalty the first month after the last month of the certification. The penalty is in effect should the household apply during the penalty period. (7-1-98)

02. Reapplication. If the household does apply for recertification in the last month of the certification period, the person quitting work or reducing hours is ineligible. The penalty is imposed, beginning the first month after the last month of the certification period. (4-5-00)

273. VOLUNTARY QUIT OR REDUCTION OF WORK HOURS NOT FOUND UNTIL THE LAST MONTH OF THE CERTIFICATION PERIOD.

The Department may find a household member voluntarily quit a job or reduced work hours, without good cause, before the last month of the certification period. If the voluntary quit or reduction is not found until the last month of the certification, the voluntary quit or reduction penalty must be determined. (4-5-00)

274. PENALTY FOR VOLUNTARY QUIT OR REDUCTION OF WORK HOURS NOT FOUND UNTIL THE LAST MONTH OF THE CERTIFICATION PERIOD.

An overpayment claim is filed for Food Stamps if the household or a member of the household was not eligible because of a voluntary quit or reduction of work. The claim begins the month after the month the quit or reduction occurred. If the household or household member received benefits for less than the penalty period after the month of the quit, a claim is established for the benefits received. The penalty is imposed for the remaining months in the penalty period. The total period covered by the claim and the penalty period must equal the appropriate penalty period. The period begins the month after the month the quit or work reduction occurred and continues for the appropriate penalty period. (7-1-98)

275. ENDING VOLUNTARY QUIT OR REDUCTION OF WORK HOURS PENALTY.

Eligibility may be reestablished before the end of the penalty period for an otherwise eligible household member when he meets the conditions in Subsection 275.01 of this rule. Eligibility may be reestablished after a voluntary quit or work reduction penalty period has elapsed for an otherwise eligible household member when he meets a condition in Subsection 275.02 of this rule. (5-3-03)

01. Ending Voluntary Quit Or Reduction Penalty Before The End Of The Penalty Period. If the penalized household member becomes exempt from JSAP requirements, his eligibility for Food Stamps may be reestablished. The voluntary quit penalty does not end if the penalized household member becomes exempt due to application or receipt of Unemployment Insurance. (5-3-03)

02. Ending Voluntary Quit Or Reduction Penalty After Penalty Period. (5-3-03)

a. Household member gets a job. If the penalized household member gets a new job comparable in salary or hours to the job he quit, his eligibility for Food Stamps may be reestablished. A comparable job may entail fewer hours or a lower net salary than the job which was quit. To be comparable, the hours for the new job cannot be less than thirty (30) hours per week and the salary or earnings for the new job cannot be less than Federal minimum wage multiplied by thirty (30) hours per week. (5-3-03)

b. Household member increases hours to more than thirty (30) hours per week. If the penalized household member's hours of work are restored to the average number of hours per week before reduction, his eligibility for Food Stamps may be reestablished. (5-3-03)

276. FAILURE TO COMPLY WITH A REQUIREMENT OF ANOTHER MEANS - TESTED PROGRAM.

Food Stamps must not increase when a failure to comply causes other means-tested benefits to decrease. Benefits from means-tested programs like TAFI may decrease due to failure to comply with a program requirement. Food Stamp benefits must not increase because of this income loss. If a reduction in benefits from another means- tested program occurs, verify the reason for the reduction. If the reason for the reduction cannot be verified, document the case record to reflect the good faith effort to verify the information. (10-1-02)T

277. PENALTY FOR FAILURE TO COMPLY WITH A REQUIREMENT OF ANOTHER MEANS - TESTED PROGRAM.

To prevent an increase in Food Stamp benefits, penalties will be applied to a Food Stamp case for failure to comply with a requirement of another means-tested program such as TAFI. When a Food Stamp recipient fails to comply with a requirement of the TAFI program, count that portion of the benefit decrease attributed to the TAFI penalty. Conditions for ending the penalty are listed in Subsections 277.01 through 277.03 of this rule. (10-1-02)T

01. Time-Limited TAFI Penalty. If the TAFI penalty is time-limited, end the FS penalty when the TAFI penalty is ended. (7-1-98)

02. Lifetime TAFI Penalty. If the TAFI penalty is a lifetime penalty, apply the FS penalty for a length of time to match the remaining months of TAFI eligibility for the household. End the FS penalty if the household subsequently reapplies for TAFI and is denied for a reason other than the noncompliance that caused the TAFI penalty. (7-1-98)

03. Member Who Caused The TAFI Penalty Leaves The Household. End the FS penalty when the member who caused the TAFI penalty leaves the household. (7-1-98)

278. COOPERATION IN ESTABLISHMENT OF PATERNITY AND OBTAINING SUPPORT.

Action on applications must not be delayed pending receipt of IEVS data. If IEVS data requiring further proof is received, before application approval, the proof must be obtained and resolved before approving the application. If an applicant household cannot provide an SSN at application, IEVS data must be used as soon as possible after the SSN is known. IEVS data must be used for all household members, eligible, excluded or disqualified. (6-1-94)

410. USE OF IEVS INFORMATION FOR RECIPIENT HOUSEHOLDS.

Action on IEVS must be taken so that the case action is completed within forty-five (45) days of receipt of the IEVS

data. The forty-five (45) day limit may be exceeded only if case action cannot be completed because data requested from collateral sources is not received. Case actions are listed below: (6-1-94)

413. -- 414. (RESERVED).

415. EDUCATIONAL INCOME.

Educational income includes deferred repayment educational loans, grants, scholarships, fellowships, and veterans' educational benefits. The school attended must be a recognized institution of post secondary education, a school for the handicapped, a vocational education program, or a program providing completion of a secondary school diploma, or equivalent. Title IV and BIA educational income is excluded. Expenses may be deducted from educational income not excluded. Proof of expenses must be provided. Educational income is computed using steps in Subsections 415.01 through 415.06. (6-1-94)

- 01. Step 1.** Determine available income received for education. Exclude Title IV and BIA educational income. (6-1-94)
- 02. Step 2.** Deduct the amount for origination fees and insurance premiums from any educational

loans. (6-1-94)

03. Step 3. Deduct the largest amounts used for or earmarked as an allowance. The allowance is determined by the school, institution, or program. Do not deduct an allowance for living expenses. Deductible allowances are: (6-1-94)

a. Tuition allowance. (6-1-94)

b. Mandatory fees allowance. This includes rental or purchase of equipment, materials, and supplies related to the course of study. (6-1-94)

c. Books, supplies, and transportation allowance. (6-1-94)

04. Step 4. Deduct personal expenses incidental to attending the school, institution, or program. The expenses are determined by the school. Do not deduct living expenses. (6-1-94)

05. Step 5. Deduct a child care allowance as determined by the school, institution, or program. (6-1-94)

06. Step 6. The remaining income is counted in the Food Stamp budget by prorating it over the period of intended use. (6-1-94)

416. -- 425. (RESERVED).

426. SELF-EMPLOYMENT INCOME.

Net self-employment income is computed by subtracting allowable business expenses from self-employment earnings. Actual, not rounded, figures are used. (6-1-94)

427. WHEN SELF-EMPLOYMENT INCOME MUST BE AVERAGED OVER TWELVE MONTHS.

Self-employment income, even if received within a short period, must be averaged over a twelve (12) month period if it is the household's annual support. The self-employment income, if it is considered annual support by the household, must be averaged over a twelve (12) month period, even if the household gets income from other sources in addition to self-employment. Self-employment income received on a monthly basis, which is a household's annual support, is averaged over a twelve (12) month period. (6-1-94)

428. AVERAGING SEASONAL SELF-EMPLOYED INCOME.

Seasonal self-employed households get income from self-employment during part of the year. Self-employment income intended to meet the household's needs for only part of the year must be averaged over the period of time the income is intended to cover. (6-1-94)

429. WHEN SELF-EMPLOYMENT INCOME MUST BE PROJECTED.

If the household has a large increase or decrease in self-employment income, the self-employment income must not be averaged using past income. The Department must project self-employment income for the coming year using Subsections 429.01 through 429.03. Add the net self-employment income to any other earned income received by the household. (6-1-94)

01. Step 1. (6-1-94)

a. Self-employed less than one (1) year: If a self-employment enterprise has been in existence for less than a year, the income is averaged over the period the business has been in operation. If no income fluctuations are expected, the average monthly amount is projected for the coming year. (6-1-94)

b. Self-employed for a short time: If the business has been in operation for less than a year and there is not enough information to make a projection, the household may be certified for less than a year. When the business has been in operation long enough to establish an average income, a new projection may be made. (6-1-94)

02. Step 2 - Costs. Subtract the cost of producing the self-employment income. The cost of producing

the self-employment income is calculated by projecting the monthly costs of producing the self-employment income. (6-1-94)

03. Step 3 - Capital Gains. Capital gains are the increase in value of an asset between the time it is bought and the time it is sold. Add capital gains the household predicts it will get in the next twelve (12) months from self-employment assets. (6-1-94)

a. Start projecting capital gains the date the application is filed. (6-1-94)

b. Divide the yearly total projected capital gains by twelve (12). The monthly amount is used during the next twelve (12) months. (6-1-94)

c. A new average monthly amount must be calculated for this twelve (12) month period if the capital gains changes. (6-1-94)

04. Step 4 - Add Capital Gains. Add the projected monthly capital gains to the projected self-employment income. (6-1-94)

430. COMPUTING SELF-EMPLOYMENT INCOME.

Procedures and rules for computing self-employment income are listed in Subsections 430.01 through 430.04. Self-employment income of households owning and operating a commercial boarding house is computed using Subsections 430.01 through 430.04. Add the net self-employment income to any other earned income received by the household. (6-1-94)

01. Step 1 - Add Self-Employment Income. For the self-employment income period, add all gross self-employment income. (6-1-94)

02. Step 2 - Add Self-Employment Capital Gains. Capital gains are the increase in value of an asset between the time it is bought and the time it is sold. Capital gains include profit from the sale or transfer of capital assets used in self-employment. Calculate capital gains using the Federal income tax method. Count the full amount of the capital gains as income for Food Stamps. (3-15-02)

03. Step 3 - Subtract Costs. Subtract the cost of producing the self-employment income. The household must have proof of costs. Allowable costs of producing self-employment income include, but are not limited to: (6-1-94)

a. The cost of labor paid to nonhousehold members. (6-1-94)

b. The cost of stock. (6-1-94)

c. The cost of raw material. (3-15-02)

d. The cost for rent and utilities, advertising, shipping and legal fees. (6-1-94)

e. The cost of seed and fertilizer. (6-1-94)

f. Interest paid to purchase income-producing property, including real estate. (6-1-94)

g. Insurance premiums. (6-1-94)

h. Taxes paid on income-producing property. (6-1-94)

i. Transportation, when a vehicle is an integral part of business activity. (6-1-94)

j. Payments on the principal of the purchase price of income-producing real estate and capital assets, equipment, machinery, and other durable goods. (3-15-02)

- 04. Costs of Doing Business.** The following items are not allowed as costs of doing business: (6-1-94)
- a.** Net losses from previous periods. (6-1-94)
 - b.** Federal, State, and local income taxes. (6-1-94)
 - c.** Money set aside for retirement. (6-1-94)
 - d.** Work-related personal expenses such as transportation to and from work. (6-1-94)
 - e.** Depreciation. (6-1-94)
 - f.** Any costs exceeding the payment a household gets from a boarder for lodging and meals. (3-15-02)

05. Step 4 - Average Income. Divide the self-employment income by the number of months the income will be averaged. (6-1-94)

431. COMPUTING NON-COMMERCIAL BOARDER INCOME.

Income received from boarders, by a household not owning and operating a commercial boarding house, is computed using Subsections 431.01 through 431.03. Add the net self-employment income from the boarder to any other earned income received by the household. (6-1-94)

01. Step 1 - Add Income. Add income from the boarder. Income from boarders includes all direct payments to the household for room and meals. Income includes contributions to the household's shelter expenses if paid directly to the household. Shelter expenses paid directly by boarders to someone outside the household are not income to the household. (6-1-94)

02. Step 2 - Subtract Costs. Subtract cost of doing business. Cost is computed by: (6-1-94)

- a.** Using the amount of the thrifty food plan for a household size equal to the number of boarders. (6-1-94)
- b.** If the actual cost exceeds the thrifty food plan, count the actual documented cost of providing room and meals. If actual costs are used, only separate and identifiable costs of providing room and meals to boarders are counted. (6-1-94)
- c.** If the cost of doing business exceeds the payment the household receives from the boarder for lodging and meals, the negative balance must not be applied to other income. (6-1-94)

03. Step 3 - Use Remaining Income. The remaining income is used in computing Food Stamp benefits. (6-1-94)

432. AVERAGING FARM SELF-EMPLOYMENT INCOME.

To be a self-employed farmer, the farmer must get or expect to get annual gross income of one thousand dollars (\$1000) or more from farming. Self-employed farmers will have their income and income-producing expenses averaged over a twelve (12) month period. This average monthly income is used to compute the amount of the Food Stamp benefits. If the average income does not reflect actual income due to a large increase or decrease in business, the farm self-employment income must be calculated based on expected earnings. For a cash crop farmer, use the gross amount from the most recent crop sale. (6-1-94)

433. OFFSETTING FARM SELF-EMPLOYMENT LOSSES.

If a farmer's cost of producing self-employment income results in a loss, the loss must be subtracted from other countable income in the household. First, subtract the loss from non-farm self-employment income. If any loss remains, subtract the remaining loss from the total of earned income. If any loss remains, subtract the remaining loss from the total of unearned income. Net losses from the self-employment income of a farmer are prorated over the year. (6-1-94)

434. TERMINATION OF FARM SELF-EMPLOYMENT INCOME.

Where a farmer stops a farming operation during a certification period, remove the annualized income, expenses and loss for the remaining months in the certification period. (6-1-94)

435. -- 499. (RESERVED).

500. FOOD STAMP BENEFIT DETERMINATION.

Food Stamp benefits are determined at application, recertification, and when a change is reported. Benefit determination requires two separate actions. First, determine if the household is eligible for Food Stamps. Second, if the household is eligible, compute the Food Stamp issuance. Use the household's projected resources, income, expenses, and household composition to determine eligibility and Food Stamp amount. Use the household's past and current income, resources, expenses, and household composition to project future circumstances. (6-1-94)

501. INITIAL CHANGES IN FOOD STAMP CASE.

Act on changes in household circumstances found during the application or the initial interview. (6-1-94)

01. Anticipated Changes. A household can be eligible in the application month, but not eligible the month after the application month because of expected changes in circumstances. The household may not be eligible for the application month, but eligible for the next month. The same application form is used for the denial and the next month's eligibility determination. (6-1-94)

02. Food Stamps For The Application Month. The household's Food Stamp issuance for the application month may differ from its issuance in later months. (6-1-94)

03. Food Stamp Issuance Changes. The household's Food Stamp issuance may vary month to month, within the certification period, to reflect expected changes. (6-1-94)

04. Change Before Certification. If a household reports a change in household circumstances before certification and the Department can act on the change, include the reported information in determining Food Stamp eligibility and amount. (6-1-94)

05. Change After Certification. If a household reports a change after the certification and too late to be included in the budget for the next month, make the change as soon as possible. The change must be made no later than the second month after it is reported. Notice of the change must be given to the Food Stamp household. (6-1-94)

502. EARNED INCOME WHEN A HOUSEHOLD MEMBER TURNS AGE EIGHTEEN.

When a child attending elementary or secondary school turns age eighteen (18), count earned income received or expected by that person the month after he turns eighteen (18). (7-1-98)

503. -- 507. (RESERVED).

508. PROJECTING MONTHLY INCOME.

Income is projected for each month. Past income may be used to project future income. Changes expected during the certification period must be considered. Criteria for projecting monthly income is listed below: (6-1-94)

01. Income Already Received. Count income already received by the household during the month. If the actual amount of income from any pay period is known, use the actual pay period amounts to determine the total month's income. Convert the actual income to a monthly amount if a full month's income has been received or is expected to be received. If no changes are expected, use the known actual pay period amounts for the past thirty (30) days to project future income. (6-1-94)

02. Anticipated Income. Count income the household and the Department believe the household will get during the remainder of the certification period. If the exact income amount is uncertain or unknown, that portion must not be counted. If the date of receipt of income cannot be anticipated for the month of the eligibility determination, that portion must not be counted. If the income has not changed and no changes are anticipated, use the income received in the past thirty (30) days as one indicator of anticipated income. If changes in income have

occurred or are anticipated, past income cannot be used as an indicator of anticipated income. If income changes and income received in the past thirty (30) days does not reflect anticipated income, the Department can use the household income received over a longer period to anticipate income. If income changes seasonally, the Department can use the household income from the last season, comparable to the certification period, to anticipate income.

(6-1-94)

03. Full Month's Income Not Expected. (10-1-94)

a. Ongoing income is income from an ongoing source. Ongoing income has been received in the past and is expected to be received in the future. If a full month's income is not expected from an ongoing source, count the amount of income expected for the month: (10-1-94)

i. If the actual amount of income is known, use the actual income. (10-1-94)

ii. If the actual amount of income is unknown, project the expected income. (10-1-94)

iii. Convert the income to a monthly amount. (10-1-94)

b. If income is from a new source and a full month's income is not expected, count the actual amount of income expected for the month. Do not convert the new source of income to a monthly amount. (10-1-94)

c. If income is from a terminated source and no additional income is expected in a future month from this source, count the actual income received during the month. Do not convert the terminated source of income. (10-1-94)

d. If a full month's income is not expected from a new or terminated source of income, count the amount of income expected for the month: (10-1-94)

i. If the actual amount of income is known, use the actual known income. (10-1-94)

ii. If the actual amount of income is unknown, project the income. (10-1-94)

iii. Do not convert the income to a monthly amount if a full month's income from a new or terminated source is not expected. (10-1-94)

04. Income Paid On Salary. Income received on salary, rather than an hourly wage, is counted at the expected monthly salary rate. (6-1-94)

05. Income Paid At Hourly Rate. Compute anticipated income paid on an hourly basis by multiplying the hourly pay by the expected number of hours the client will work in the pay period. Convert the pay period amount to a monthly amount. (6-1-94)

06. Fluctuating Income. When income fluctuates each pay period and the rate of pay remains the same, average the income from the past thirty (30) days to determine the average pay period amount. Convert the average pay period amount to a monthly amount. (6-1-94)

07. Converting Income To A Monthly Amount. If a full month's income is expected, but is received on other than a monthly basis, convert the income to a monthly amount using one of the formulas below: (6-1-94)

a. Multiply weekly amounts by four point three (4.3). (6-1-94)

b. Multiplying bi-weekly amounts by two point one five (2.15). (6-1-94)

c. Multiplying semi-monthly amounts by two (2). (6-1-94)

d. Use the exact monthly income if it is expected for each month of the certification period. (6-1-94)

509. TYPES OF INCOME TO BE AVERAGED.

Types of income to be averaged are listed below. Income for a destitute migrant/seasonal farm worker household is not averaged. (6-1-94)

01. Self-Employment Income. Average self-employment income. (6-1-94)

02. Contract Income. Average contract income over the period of the contract, if not received on an hourly or piecework basis. Households with averaged contract income include school employees, share croppers and farmers. These households do not include migrants or seasonal farm workers. (6-1-94)

03. Scholarships Or Education Loans. Average scholarship, deferred educational loan, or other educational grant income, after exclusions, over the period of intended use. Scholarships or education loans may cover part of a month. A partial month is counted as a whole month to determine the period of intended use. (6-1-94)

a. If education benefits are received in the middle of the coverage period average them over the entire period, after deducting allowable expenses. Count the average monthly amount for only the remaining months in the period covered. No overissuance exists for the previous months. (6-1-94)

b. If education costs are incurred and verified after the first month of the school term, average the expenses over the entire period of intended use. Deduct only the average monthly amount for the remaining months in the period of intended use. (6-1-94)

04. Income Received Less Often Than Monthly. When receipt of income is less often than monthly, the anticipated income can be averaged over the period intended to cover to determine the average monthly income. (6-1-94)

510. COMPUTING AVERAGED INCOME.

To average income use the steps in Subsections 510.01 through 510.02. (6-1-94)

01. Step 1. Determine the household's expected income. (6-1-94)

02. Step 2. Divide the total income by the number of months used to compute the average income. The period does not need to be the same as the certification period. (6-1-94)

511. PROJECTING PUBLIC ASSISTANCE (PA) HOUSEHOLD INCOME.

The income of PA households is projected as described below: (6-1-94)

01. Head Of PA Unit Moves Out. Do not count PA income in a Food Stamp household in a month when the head of the PA unit moves out. (6-1-94)

02. Entire PA Unit Moves Out. Do not count PA income in a Food Stamp household in a month when an entire PA unit moves out. (6-1-94)

03. PA Member Moves In Or Out. Do not prorate PA income when a PA Food Stamp household changes because a PA member moves in or out. (6-1-94)

04. PA Member Disqualified. Do not prorate PA income when a PA Food Stamp household changes because any PA member becomes disqualified for Food Stamps. (6-1-94)

05. Supplemental PA Payments. Do not count as income retroactive supplemental PA payments received for a prior month. Retroactive PA payments are lump sum payments. No overissuance exists for the month of receipt. (6-1-94)

06. Current PA Income. Count the current month's PA income. (6-1-94)

512. SPECIAL CASES FOR COUNTING INCOME.

Special cases for counting income are listed below: (6-1-94)

01. Wages Held At The Request Of Employee. Wages held at the request of the employee are income in the month the wages would have been paid by the employer. (6-1-94)

02. Garnishments Held By Employer. Garnishments withheld by an employer are income in the month the wages would have been paid. (6-1-94)

03. Wages Held By Employer, Other Than Garnishment And Employee Request. Wages held by the employer, even if in violation of law, are not counted as income. (6-1-94)

04. Advances On Wages. Advances on wages will count as income if the household reasonably expects the advance to be paid. (6-1-94)

05. Varying Payment Cycles. Households getting unearned or earned income on a recurring monthly or semi-monthly basis do not have varying income merely because mailing or payment cycles cause additional payments to be received in a month. The income is counted for the month it is intended. (7-1-98)

06. Nonrecurring Lump Sum Payments And Capital Gains. Nonrecurring lump sum payments must not be counted as income. Nonrecurring lump sum payments are counted as a resource starting in the month received. Nonrecurring lump sum payments include capital gains from the sale or transfer of securities, real estate, or other real property held as an investment for a set period of time. The capital gains are income only if the assets were used in self-employment. (6-1-94)

07. PA Entitlement. If a household intentionally fails to comply with a means-tested program, a penalty may be imposed and benefits reduced to collect the means-tested program overpayment. Means-tested programs include PA. Count the full amount of means-tested benefits the household is entitled to, not the reduced amount caused by the failure to comply. (10-1-02)T

513. -- 530. (RESERVED).

531. COMPUTING GROSS INCOME.

Compute gross Food Stamp income by performing the steps in Subsections 531.01 through 531.06. (6-1-94)

01. Step 1. Project wages and salaries for the month for each household member. Do not count excluded income. (6-1-94)

a. Add wages and salaries for the household. (6-1-94)

b. Add net self-employment income. (6-1-94)

02. Step 2. Subtract any loss from a farmer's self-employment income. (6-1-94)

03. Step 3. Project unearned income, including educational income, for the month for each household member. Do not count excluded income. Add unearned income for the household. (6-1-94)

04. Step 4. Add unearned income to earned income. (6-1-94)

05. Step 5. Subtract any remaining loss from a farmer's self-employment income. (6-1-94)

06. Step 6. The income remaining is gross income for Food Stamp eligibility. (6-1-94)

532. GROSS INCOME LIMIT.

Households exceeding the gross income limit for the household size are not eligible, unless they are categorically eligible or have an elderly or disabled member. Categorically eligible households are exempt from gross and net income limits. All members of categorically eligible households must be approved for TAFI, AABD, or SSI. Households with elderly or disabled household members are exempt from the gross income limit. Gross income limits are listed in Table 532.

533. INCOME DEDUCTIONS.

A household is entitled to a deduction when it gets a bill or, if there is no bill, when the payment is due. Only the deductions listed below must be taken from household's gross income: (6-1-94)

01. Standard Deductions. The standard deductions are controlled by Federal law. The monthly amounts are specified in Title 7 United States Code Section 1414. Current deductions may be found at: http://www.fns.usda.gov/fsp/rules/Memo/02/FY02_Allot_Deduct.htm. (10-1-02)T

02. Earned Income Deduction. The earned income deduction is twenty percent (20%) of gross earned income. (6-1-94)

03. Excess Medical Deduction. The excess medical deduction is nonreimbursed medical expenses more than thirty-five dollars (\$35) per household per month. The household member must be either age sixty (60) or older or disabled to get this deduction. Special diets are not deductible. (6-1-94)

04. Dependent Care Deduction. The dependent care deduction each month is dependent care expenses up to a maximum of two hundred dollars (\$200) per dependent child under age two (2) and one hundred seventy-five dollars (\$175) for any other dependent. The care must be needed for a household member to accept, continue, or seek employment, or attend school or training for employment. (9-1-94)

05. Child Support Deduction. The child support deduction is the legally obligated child support amount the household pays, or expects to pay, on behalf of a non-household member. (7-1-97)

06. Shelter Costs. The monthly shelter cost over fifty percent (50%) of the household's income after all other deductions is the excess shelter cost. (10-1-02)T

534. AVERAGING PERIODIC DEDUCTIONS.

Infrequent, changing, or one time only deductions for medical, child support, shelter or child care are averaged. Averaging deductible expenses and procedures are listed below: (7-1-97)

01. Averaging Infrequent Expenses. Households can have infrequent expenses averaged forward over the interval between scheduled billings. If there is no scheduled interval, expenses are averaged over the intended coverage period. (6-1-94)

02. Averaging Fluctuating Expenses. Households can have fluctuating expenses averaged over the certification period in which they are billed. (6-1-94)

03. Averaging One Time Only Expenses. One time only expenses can be averaged over the certification period in which they are billed. One time only expenses can be used as a one time deduction for one month. One time only expenses can be averaged over the remaining months in the certification period. Expenses averaged over the remaining certification period begin the month the change will become effective. (6-1-94)

04. Predicting Future Expenses. Predicted expenses must be based on the most recent month's bills, unless changes are expected to occur. (6-1-94)

05. Converting Expenses To Monthly Figures. Whenever an expense is billed on other than a monthly basis convert the expense to a monthly amount. (6-1-94)

a. Multiply weekly amounts by four point three (4.3). (6-1-94)

b. Multiply bi-weekly amounts by two point one five (2.15). (6-1-94)

c. Multiply semi-monthly amounts by two (2). (6-1-94)

d. Use a monthly figure if it can be predicted for each month of the certification period. (6-1-94)

e. The method used to compute monthly expenses must be documented. (6-1-94)

06. Averaging One-Time Medical Expenses For Households Certified For Twenty-Four Months. Households with one-time medical expenses, and certified for twenty-four (24) months, have the option of: (3-15-02)

a. Deducting the expense for one (1) month. (3-15-02)

b. Averaging the expense over the remainder of the first twelve (12) months of the certification period. (3-15-02)

c. Averaging the expense over the remaining months in the twenty-four (24) month certification period. (3-15-02)

535. MEDICAL DEDUCTIONS.

Medical costs over thirty-five dollars (\$35), for elderly or disabled household members, must be deducted from the household income. Medical deductions are listed below. If an agreement is made between the medical provider and the client to pay a bill in monthly amounts, count the monthly agreement amount. The agreement may be oral or written. The agreement must be made before the initial bill becomes due. The agreement must indicate a specific amount due each month. The specified amount is the monthly expense. If there is no agreement, amounts from past billing periods are not deductible. The amounts are not deductible, even if the past debt is in the current bill and actually paid by the household. (6-1-94)

01. Medical And Dental Services. Services must be performed by licensed practitioners, physicians, dentists, podiatrists, or other qualified health professionals. Other qualified health professionals include registered nurses, nurse practitioners, licensed physical therapists and licensed chiropractors. (6-1-94)

02. Psychotherapy And Rehabilitation Services. Services must be performed by licensed psychiatrists, licensed clinical psychologists, licensed practitioners, physicians or other qualified health professionals. (6-1-94)

03. Hospital Or Outpatient Treatment. Hospital or outpatient treatment includes costs for hospital, nursing care, State licensed nursing home care, and care to a person immediately before entering a hospital or nursing home. (6-1-94)

- 04. Prescription Drugs.** Prescription drugs and prescribed over-the-counter medication including insulin. (6-1-94)
- 05. Medical Supplies And Sickroom Equipment.** Medical supplies and sickroom equipment including rental or other equipment. (6-1-94)
- 06. Health Insurance.** Health and hospitalization insurance premiums. These do not include health and accident policies payable in a lump sum for death or dismemberment. These do not include income maintenance policies to make mortgage or loan payments while a beneficiary is disabled. (6-1-94)
- 07. Medicare Premiums.** Medicare premiums related to coverage under Title XVIII of the Social Security Act. (6-1-94)
- 08. Cost-Sharing Or Spend-Down Expenses.** Cost-sharing or spend-down expenses incurred by Medicaid recipients. (6-1-94)
- 09. Artificial Devices.** Dentures, hearing aids, and prostheses. (6-1-94)
- 10. Guide Dog.** Costs for buying and caring for any animal trained and routinely used to help a disabled person. Deductions include costs for dog food, training, and veterinarian services. (6-1-94)
- 11. Eyeglasses.** Costs for eye examinations and prescribed eyeglasses. (6-1-94)
- 12. Transportation And Lodging.** Reasonable transportation and lodging costs to get medical services. (6-1-94)
- 13. Attendant Care.** Attendant care costs necessary due to age, disability, or illness. If attendant care costs qualify for both the medical and dependent care deductions, treat the cost as a medical expense. (6-1-94)
- 14. Attendant Meals.** Deduct one hundred nineteen dollars (\$119) per month if the household provides most of the attendant's meals. (7-1-97)

536. DEPENDENT CARE DEDUCTIONS.

A household can get a deduction for the costs of dependent care. The care of a dependent must be necessary for job search, employment, or training. The maximum deductible amount each month is two hundred dollars (\$200) per dependent child under age two (2) and one hundred seventy-five dollars (\$175) for any other dependent. If a child in the household reaches his second birthday during the certification period, adjust the dependent care deduction the month after the child turns age two (2). The dependent care costs must be deducted from income. The dependent care must meet the criteria listed below: (3-15-02)

- 01. Employment.** To accept employment or continue employment. (6-1-94)
- 02. Job Search.** To look for work. Person does not need to be subject to job search requirements. (6-1-94)
- 03. Training Or Education.** To attend training or to pursue education. The training or education must be preparation for employment. (6-1-94)

537. DEPENDENT CARE RESTRICTIONS.

Dependent care restrictions are listed below: (6-1-94)

- 01. Care By Household Member.** Dependent care cannot be deducted if the care is provided by another household member. (6-1-94)
- 02. In-Kind Payment.** Dependent care cannot be deducted if the payment is in-kind, such as food or exchanges for shelter. (6-1-94)

03. Vendor Payment. Dependent care cannot be deducted if paid by vendor payment. (6-1-94)

04. Education Exclusion. Dependent care cannot be deducted if income for dependent care is excluded from educational income. (6-1-94)

05. Spouse Can Give Care. Dependent care cannot be deducted if the spouse in the home is physically capable of the dependent care and is not working, seeking work, or registered for work. (6-1-94)

06. Dependent Care Repaid. Dependent care cannot be deducted if repaid under a Federal child care program. Federal programs include At Risk, Child Care Development Block Grant Act of 1990, Transitional Child Care Program, or Title IV-A of the Social Security Act child care payments. (6-1-94)

538. CHILD SUPPORT DEDUCTIONS.

Effective October 1, 1995, a child support deduction is allowed for a household paying or expecting to pay legally obligated child support to or for a person living outside the household. The child support deduction must reflect the child support the household pays or expects to pay during the certification period, rather than the obligated amount. The child support deduction applies to child support payments outlined in Subsections 538.01 through 538.04.

(7-1-98)

01. Monthly Child Support. Monthly legally obligated child support payments or portions of monthly legally obligated child support payments made to or for a person living outside the household. (7-1-98)

02. Health Insurance. Health insurance payments the noncustodial parent is legally obligated to make to obtain coverage for a nonhousehold child. (7-1-97)

03. Payments Representing Child Support. Payments representing child support to or for a person living outside the household. The payments must be legally obligated as ordered by a court or administrative authority. (7-1-98)

04. Arrearages. Child support payments made for prior months are arrearages. Monthly child support arrearage payments made to or for a person living outside the household are allowed. Monthly child support payments are counted for the month of payment, not for arrearages, unless the household can prove otherwise. (7-1-98)

539. CALCULATION OF CHILD SUPPORT DEDUCTION.

The household's child support payment history is used to determine the child support payment allowed. Use Subsections 539.01 and 539.02 to calculate the child support payment deduction. (7-1-98)

01. Payments Made In Each Of The Three Most Recent Months. If legally obligated child support or child support arrearage payments have been made in each of the three (3) most recent months and no income reduction is expected, average the child support or child support arrears amounts for the three (3) months. If the household has paid the monthly obligated child support or arrears for the current month, include the current month in the three (3) month period. Otherwise, average the three (3) prior months' child support. Do not include arrearages collected by tax intercept in the average. Anticipate changes in the legal obligation or other changes that would affect the payment. If obligated child support or arrearage payments have been made in the most recent three (3) months, and a change in income occurs, determine whether reduced child support is expected. Base the child support deduction on what the household expects to pay, after reviewing household income and expenses with the household. If no child support payments can be made, do not allow a child support deduction. (7-1-98)

02. Payments Not Made In Each Of The Last Three Months. If child support or child support arrearage payments have not been made in each of the last three (3) months, anticipate future payments based on household circumstances. Base the child support deduction on what the household expects to pay, after reviewing the household's income and expenses with the household. If no child support or arrears payments can be made, do not allow a child support deduction. If at the last certification the child support deduction was based on the amount the household expected to pay and no child support was paid, do not allow a child support deduction for the new certification unless there is a change in income that would enable the household to make child support payments.

Base the child support deduction on what the household expects to pay, after reviewing income and expenses with the household. (7-1-98)

540. -- 541. (RESERVED).

542. COSTS ALLOWED FOR SHELTER DEDUCTION.

Shelter costs are current charges for the shelter occupied by the household. Shelter costs include costs for the home temporarily not occupied because of employment or training away from home or illness. The costs allowed for the shelter deduction are listed below: (6-1-94)

- 01. House Payments.** Mortgages, second mortgages, mortgage fees and land payments. (6-1-94)
- 02. Rent.** Rent and space rent. (6-1-94)
- 03. Condominium Fees.** The entire condominium fee, including fees for maintenance of the structure and the grounds. (3-30-01)
- 04. Loan Payments.** Loan repayments for the purchase of a mobile or motor home, including interest. (6-1-94)
- 05. Taxes And Insurance.** Property taxes, state, and local assessments and insurance on the structure. (6-1-94)
- 06. Utilities.** Costs of heating, cooling, cooking fuel, electricity, the basic service fee for one (1) telephone (including wire maintenance fees, subscriber line charges, relay center surcharges, and 911 fees), water, sewer, garbage and trash collection, well installation and maintenance, septic tank system installation and maintenance, and fees for initial utility installation. One-time deposits cannot be included. (3-15-02)
- 07. Vehicle Payments.** Payments for vehicles used as the primary residence for the household. (6-1-94)
- 08. Costs For Home Repairs.** Nonreimbursable costs to repair a home damaged or destroyed by a natural disaster such as a fire or flood or earthquake. (6-1-94)
- 09. Home Temporarily Not Occupied.** Shelter costs for the home temporarily not occupied because of employment or training away from home or illness. This shelter cost may be in addition to the shelter cost for the home the household currently occupies. Shelter costs for the home temporarily not occupied because of abandonment caused by a natural disaster or casualty loss. This shelter cost may be in addition to the shelter cost for the home the household currently occupies. For shelter deduction for a vacated home: (6-1-94)
 - a.** The household must intend to return. (6-1-94)
 - b.** Current occupants must not be claiming Food Stamp shelter costs. (6-1-94)
 - c.** The home must not be leased or rented. (6-1-94)

543. STANDARD UTILITY ALLOWANCE (SUA).

The shelter deduction is computed using the SUA or actual utility costs. The Standard Utility Allowance (SUA) can be used instead of actual costs of heating, cooling, cooking fuel, electricity, the basic service fee for one (1) telephone, water, sewer and garbage collection. The SUA is two hundred forty-four dollars (\$244). The household must be told if actual utility costs exceed the SUA, the actual costs can be used if the household proves these costs. To qualify for the SUA, households must receive direct or indirect energy assistance payments made under the Low Income Home Energy Assistance Act of 1981 (LIHEAP); or meet the conditions in Subsections 543.01 through 543.06 of this rule. (10-1-02)T

- 01. Primary Heating Or Cooling System.** The household must have a primary heating or cooling system to qualify for the SUA. A primary heating system is a central heating system, or space heating stove, used to

heat the living quarters of the home. A cooling system is a central air conditioning system or a room air conditioner. The household must have out-of-pocket heating or cooling costs billed on a regular or irregular basis. The heating or cooling costs must be separate from rent or mortgage payments. This includes households in private rental housing, billed by their landlords for individual usage or charged a flat rate, separately from rent. If not billed regularly for heating or cooling costs, the household must be otherwise Food Stamp eligible between billing periods. (3-15-02)

02. Cooling Costs. If the household claims cooling costs, the household must have either an air conditioning system or a room air conditioner to qualify for the SUA. (3-15-02)

03. Heating Costs. If the household claims heating costs, the household must have expenses for a primary source of heat. Households buying wood for their primary source of heat may get the SUA. Cutting their own wood for the primary source of heat does not qualify a household for the SUA. Supplemental heat sources like, space heaters, electric blankets, cook stoves and a secondary heat source like a fireplace do not qualify households for the SUA. (3-15-02)

04. Energy Assistance Excluded From Income. If the household gets direct or indirect energy assistance that is excluded from income, the household gets the SUA if the amount of the expense exceeds the amount of the assistance. (3-15-02)

05. Energy Assistance Not Excluded From Income. If a household gets energy assistance that is not excluded from income, the household must also have out-of-pocket heating or cooling costs to get the SUA. (3-15-02)

06. Occupied And Unoccupied Home. A household with both an occupied home and an unoccupied home, is limited to one (1) SUA. (3-15-02)

544. ACTUAL UTILITY COSTS.

The shelter deduction is computed using the SUA or actual utility costs. Actual utility costs are described below: (6-1-94)

01. Actual Utility Costs. If a household is not entitled to claim the SUA or does not wish to claim the SUA, the household can claim actual utility expenses for excess utility costs or utility costs it pays separately, including secondary heat sources. Charges for heating and cooling costs, except the costs of cutting their own wood, may be claimed as actual expenses by the household. (6-1-94)

02. Not Claiming SUA. For households not claiming the SUA, the Department can predict utility costs based on last year's bills from the same period, updated by overall price increases. If only the most recent bill is available, utility increases or decreases can be based on utility company estimates for the household's dwelling and utilities. An average of past expenses from the last several months must not be used to predict utility costs. Costs of heating, cooling, cooking fuel, electricity, the basic service fee for one telephone, water, sewer, and garbage and trash collection are allowed. (6-1-94)

545. SWITCHING BETWEEN ACTUAL AND SUA.

Households must be told they can switch between actual utilities and the SUA. Households can switch at recertification. Households can switch between standard and actual utilities when the household moves from one (1) residence to another. Households can switch between standard and actual utilities when their type of utilities change. (7-1-98)

546. SHARED UTILITY EXPENSES.

The SUA must be prorated among some households sharing utility costs as listed in Subsections 546.01 through 546.02. (3-15-02)

01. Utility Expenses Shared With Persons Not In The Food Stamp Household. Prorate the SUA, if the Food Stamp household lives with and shares heating and cooling expenses with another individual, another household, or both. Use the actual utility costs paid by households or household members if the prorated share cannot be determined. The actual utility costs must not exceed the total utility costs of the residence. (3-15-02)

02. Utility Expenses Shared With Ineligible Persons. Do not prorate the SUA, if all persons sharing utility expenses with the Food Stamp household are excluded from the household only because they are Food Stamp ineligible. Allow the Food Stamp household the entire SUA. (3-15-02)

547. COSTS NOT ALLOWED FOR THE SHELTER DEDUCTION.

The costs listed below are not allowed in computing the shelter deduction. (6-1-94)

- 01. Utility Deposit.** Fees for a one (1) time utility deposit. (6-1-94)
- 02. Rental Deposit.** Damage or advance deposits on rentals. (6-1-94)
- 03. Past Due Rent.** Payments made to pay past due rent. (6-1-94)
- 04. Wood Cutting.** The cost to cut the household's own wood for heating. (6-1-94)
- 05. Furniture Rental.** Rental furniture fees. (6-1-94)
- 06. Personal Insurance.** Insurance on furniture or personal belongings. (6-1-94)
- 07. Vehicle Not Used As Residence.** Payments or gasoline costs on vehicles used only for recreation. (6-1-94)
- 08. Repairs Not Paid By Household.** Costs for repairing or replacing shelter paid by private or public agencies, insurance companies, or any other source. (6-1-94)
- 09. Shelter Not Paid By Household.** Shelter paid by a vendor or employer. (6-1-94)
- 10. Utility Cost Paid by Utility Payment.** Utility costs paid entirely by HUD or FmHA negative utility payment. (8-1-94)

548. COMPUTING THE SHELTER DEDUCTION.

The shelter deduction is computed as listed below: (6-1-94)

- 01. Household With Elderly Or Disabled Member.** If the household has an elderly or disabled member, deduct the monthly shelter cost exceeding fifty percent (50%) of the household's income after all other deductions. (6-1-94)
- 02. Household With No Elderly Or Disabled Member.** If the household does not have an elderly or disabled member, deduct the excess of fifty percent (50%) of the household's income, after all other deductions, up to the maximum limit as specified in Title 7 United States Code Section 2014. (4-5-00)

549. NET INCOME LIMIT TEST.

Categorically eligible households do not have a net income limit. For all other households, including those with an elderly or disabled household member, compare the net income to the net income eligibility limit for that size household. This comparison must be completed for initial eligibility and when income changes. When the household income changes to a different income eligibility limit, apply the different limit. If the net income of the household exceeds the net income limit the household is not eligible for Food Stamps, unless categorically eligible. Net income limits are listed in Table 549.

551. ROUNDING FOOD STAMP PAYMENT.

Income and deductions are not rounded in determining gross or net income. Only the final Food Stamp amount is rounded. (6-1-94)

552. -- 561. (RESERVED).

562. PRORATING INITIAL MONTH'S BENEFITS.

The initial month is the first month an applicant household is certified for Food Stamps. Except for migrant and seasonal farm worker households, an initial month follows any period the household does not get Food Stamps. For migrant and seasonal farm workers, the initial month follows a period of more than one (1) calendar month the household does not get Food Stamps. For the purposes of the migrant and seasonal farmworker provision, if a member leaves the previously certified household and a new case is established for that member's new household, the application month for the new household is an initial month. Food Stamps for the initial month are based on the day in the month the household applies. Food Stamps are based on the date of release from a public institution if a prerelease application is filed. Prorating is based on a thirty (30) day calendar month. Benefits are prorated from the application date to the end of the month. (7-1-98)

563. FOOD STAMP PRORATING FORMULA.

Determine the prorated Food Stamp amount using the steps listed in Subsections 563.01 through 563.05. (7-1-97)

- 01. Step 1.** Subtract the application date (1 through 30) from 31. If the application date is the thirty-first day of the month, use thirty (30). (7-1-97)
- 02. Step 2.** Divide the amount in Step 1 by thirty (30). (7-1-97)
- 03. Step 3.** Multiply the monthly Food Stamp benefit by the amount in Step 2. (7-1-97)
- 04. Step 4.** If the difference in Step 3 ends in one (1) through ninety-nine (\$.99) cents, round down to the lower dollar. (7-1-97)
- 05. Step 5.** If the amount in Step 4 is for the initial month, and is less than ten dollars (\$10), benefits must not be issued. (7-1-97)

564. BENEFITS AFTER THE INITIAL MONTH.

After the initial month, benefits must be issued as described below. (6-1-94)

01. One And Two Person Households. All eligible one (1) and two (2) person households must receive a minimum allotment of ten dollars (\$10). (6-1-94)

02. Three Or More Person Household. (6-1-94)

a. All eligible households with three (3) or more members entitled to one dollar (\$1), must receive two dollars (\$2). (6-1-94)

b. All eligible households with three (3) or more members entitled to three dollars (\$3), must receive four dollars (\$4). (6-1-94)

c. All eligible households with three (3) or more members entitled to five dollars (\$5), must receive six dollars (\$6). (6-1-94)

03. Not Categorically Eligible. All households, except categorically eligible households, must be denied if the household's net income exceeds the level at which benefits are issued. (6-1-94)

565. FOOD STAMP BENEFITS FOR CATEGORICALLY ELIGIBLE HOUSEHOLD.

Categorically eligible households with one (1) or two (2) household members are eligible to get at least ten dollars (\$10) of Food Stamps, regardless of net income. Categorically eligible households with three (3) or more household members are eligible for Food Stamps, but do not get Food Stamps if the net income is too high. (10-1-94)

566. -- 573. (RESERVED).

574. BENEFITS FOR PREVIOUSLY DISQUALIFIED HOUSEHOLD MEMBERS.

The resources, income, and deductions of a previously ineligible household member must be determined. Add a previously disqualified household member the month following the last month in the sanction. The disqualification must have been due to an intentional program violation (IPV), work registration or Job Search Assistance Program (JSAP) sanction, voluntary quit or reduction of work hours, failure to comply with the SSN requirement, or ineligible legal non-citizen status. The person's resources, income, and deductions are counted the month the person is added to the household. Prorate benefits from the date the ABAWD becomes Food Stamp eligible by reaching eighty (80) hours by working, participating in a work program, or combining work and work programs. (3-15-02)

575. ADDING PREVIOUSLY INELIGIBLE STUDENT.

If the household member has been ineligible due to student status, add the eligible person the month following the month the household reports the change. (6-1-94)

576. CERTIFICATION PERIODS.

A certification period must be assigned for each household. Households must be assigned the longest certification period possible based on expected household circumstances. At the end of each certification period, entitlement to Food Stamps ends. Further eligibility starts only upon recertification based upon a newly completed application, an interview and verification. Benefits cannot be continued beyond the end of a certification period without a new determination of eligibility. (6-1-94)

01. First Month Of Certification. The first month the household is eligible is the first month in the certification period for initial applicants. Upon recertification, a new certification period begins. (6-1-94)

02. Elderly Or Disabled Households. Households in which all adult members are elderly or disabled, with stable income, must be certified for up to twenty-four (24) months. (3-15-02)

03. Farmworker Households. Annual certification periods will be assigned to farmworkers who receive their annual salaries on a scheduled monthly basis. The income must not change as the amount of work changes. (6-1-94)

04. Self-Employed For At Least One Year. Self-employed households, working as self-employed for at least one (1) year, will be certified up to twelve (12) months. Income must be readily predictable and household circumstances must not be likely to change. (6-1-94)

05. Self-Employed For Less Than One Year. Households, self-employed less than one (1) year, will be certified up to six (6) months. Households self-employed for less than one (1) year are assigned a certification period to bring the household into the annual cycle. (6-1-94)

06. Financial And Medical Assistance Households. Households in which all adult members receive AABD, AABD-related Medicaid, or SSI will be assigned certification periods coinciding with the other program's review. To align the Food Stamp certification with the redetermination date for the AABD, AABD-related Medicaid or SSI program, the household's Food Stamp certification can be shortened or extended when the AABD, AABD-related Medicaid, or SSI application is initially approved. The Food Stamp certification period for these households may be extended up to twenty-four (24) months. The household must be notified of changes in the length of the certification period. (3-15-02)

07. Households Eligible For A Child Support Deduction. Households eligible for a child support deduction with no record of regular child support or arrearage payments will be certified up to three (3) months. Households eligible for a child support deduction with a record of regular child support or arrearage payments will be certified for at least six (6) months, but no more than twelve (12) months. These requirements do not apply to households assigned certification periods under Subsections 576.02, 576.04, 576.05, and 576.06. (3-15-02)

08. Households Granted Separate Household Status. Households consisting of a parent and that parent's children who have been granted separate household status will be assigned a certification period up to six (6) months. Financial and medical assistance households granted separate household status must be assigned certification periods up to six (6) months. (9-1-94)

09. Stable Households. Households with stable income or work records, except self-employed and farmworker households, are certified for at least six (6) months, but no more than twelve (12) months. The household should expect no major changes in income, deductions, or household composition. (3-15-02)

10. Stable Homeless Households. Households in which all members are homeless, whose living arrangements reflect a stable living situation must be certified for at least six (6) months, but no more than twelve (12) months. Stable living situations include living with another household. Living in transitional housing is not a stable living situation. (3-15-02)

11. Unstable Households. Households will be certified for one (1) or two (2) months, when the household has an ABAWB member, cannot predict its future circumstances, or when frequent changes in income or household status is expected. Households must be certified for the period the household can predict its circumstances, household status, and household income. Migrant and seasonal farmworkers, whose income is subject to large fluctuations during the work season will be certified for one (1) to two (2) months. The income fluctuation may be due to uncertainty of continuous employment, or due to bad weather, or other circumstances. (3-15-02)

12. Residents Of Alcohol And Drug Abuse Centers. Residents of alcohol and drug abuse centers may be certified for periods of one (1) to six (6) months depending on the length of the treatment or rehabilitation program. (6-1-94)

13. Certifications After The Fifteenth Of The Month. Households eligible for a certification period of three (3) or fewer months must have their certification period increased by one (1) month if the application is approved after the fifteenth (15th) day of the application month and the household's circumstances warrant the longer period. (6-1-94)

577. LENGTHENING THE CERTIFICATION PERIOD.

The certification period can be lengthened, after the household is certified. The total certification period cannot exceed twenty-four (24) months for a household of elderly or disabled members, and twelve (12) months for other households. Send the household notice of the new certification period ending date. (3-15-02)

589. -- 600. RESERVED).

601. REPORTING REQUIREMENTS AND RESPONSIBILITIES.

Changes in a household's circumstances, during the certification period, must be used to redetermine eligibility and benefit level. The household must report and verify changes in circumstances within time limits. Changes may be reported by phone, by mail or directly to the Department. The Department must act on household changes that affect eligibility and/or benefit level. (6-1-94)

602. HOUSEHOLD MUST PROVIDE PROOF.

The household must furnish proof to support its statements and resolve inconsistent information. Proof can be provided in person, by mail, or by an authorized representative. Reasonable proof includes information to verify reported changes. If the household finds it difficult or impossible to get the proof, the Department must offer help to get the proof. (6-1-94)

603. PERSON OUTSIDE HOUSEHOLD FAILS TO PROVIDE PROOF--CHANGES.

Food Stamps cannot be closed solely because a person outside the household fails to provide requested proof. The Department will attempt to get another source of proof if a person outside the household did not provide requested proof. Disqualified household members are not persons outside the household. (6-1-94)

604. -- 610. (RESERVED).

611. REPORTING PROCEDURES.

Households must report changes in circumstances within ten (10) days of the date the change becomes known to the household. At the initial interview and at recertification, inform the household to report changes. Inform the household of change reporting requirements. Give the household a written explanation of change report information. Explain to the household reporting forms and how to complete them. Explain verification requirements. Tell the household the toll free number to call to get help to complete the report. Provide help to households completing or filing change report forms if adult members are mentally or physically handicapped or lacking in reading or writing skills. If changes occur after the certification interview, but before the Notice of Decision is sent, the household must report changes within ten (10) days of the Notice of Decision date. Changes are counted as reported the day the Field Office gets the report. Changes are counted as reported the day the client has personal or telephone contact with the Field Office. (7-1-99)

01. Must Not Impose Added Reporting Requirements. The Department must not require additional household reporting not listed in these rules. (6-1-94)

02. Report Form. The Department must give households a Change Report Form at certification, at recertification, when the household reports a change and when the household requests the form. (7-1-99)

03. Reporting Methods. Changes can be reported by telephone, personal contact, or mail. Changes can be reported by a household member or authorized representative. (6-1-94)

04. Failure To Report. If Food Stamps are overissued because a household fails to report required changes, a Claim Determination must be prepared. A person can be disqualified for failure to report a change if he commits an Intentional Program Violation. (7-1-99)

612. HOUSEHOLD MUST REPORT CHANGES.
Households must report any changes listed below: (6-1-94)

01. Household Composition. Households must report when a person enters or leaves the Food Stamp household. (7-1-97)

02. Residence. Households must report residence changes and resulting shelter cost changes. (6-1-94)

03. Subsidized Rent. Households must report any change in subsidized rent. (7-1-99)

04. Unearned Income. Households must report changes in an unearned income source. Households must report changes in unearned gross monthly income of twenty-five dollars (\$25) or more, except changes in TAFI or AABD grants. This includes vendor payments and reimbursements. (7-1-98)

05. Earned Income. Households must report a change in an earned income source. Households must report a change in hourly rate or salary. Households must report a change from part-time to full-time work or full-time to part-time work. Work of less than thirty (30) hours weekly is part-time work. Thirty (30) or more hours weekly is full-time work. (7-1-94)

06. Vehicles. Households must report any change in the number or type of licensed vehicles. (6-1-94)

07. Resources. Households must report changes in cash on hand, stocks, bonds, savings, and bank accounts combining to reach or exceed two thousand dollars (\$2,000). (6-1-94)

08. Child Support. Households must report changes in legal obligations. Legal obligations include but are not limited to changes in the child support amount or the child reaches an age at which child support is no longer legally obligated. (7-1-98)

09. ABAWDs Work Hours. If total work or work program hours drop below eighty (80) hours per month, ABAWDs must report the change to the Department, within ten (10) days of the date of change. (3-15-02)

613. DEPARTMENT MUST TAKE ACTION ON CHANGES.
The Department must act when changes are reported or become known to the Department. (6-1-94)

01. Documentation. Changes must be documented in the case record, even if there is no change in the Food Stamp amount. (6-1-94)

02. Change Report Form. A new Change Report Form (HW 0594 or HW 0586) must be given or sent to the household when a change is reported. (6-1-94)

03. Receipt Of Report Notice. The Department must notify the household when the report is received. A Notice of Decision meets this requirement, when notifying the household of a benefit determination. (6-1-94)

04. Proof. Give the household a written request for proof. The household must be told failure to provide the proof will result in decreased or stopped benefits. The Department must document how the request for proof was made. (3-15-02)

05. Unclear Information. If unable to readily determine the effect of a change on the household's benefit amount, issue a written request clearly advising the household of proof it must provide or actions it must take, to clarify its circumstances. Allow ten (10) days for the household to respond, either by telephone or correspondence. (3-15-02)

614. CHANGES IN INCOME, HOUSEHOLD COMPOSITION, OR ASSETS.

If a client reports a change in income, household composition, or assets resulting in excess resources, request proof of the change. If the household provides the proof by the requested date, provide notice and end or adjust benefits. If the household does not provide proof, send a closure notice. If the household then provides proof before the first day of the month the case would close, benefits must be continued, adjusted, or ended. The Department must give adequate notice to adjust or end benefits. (6-1-94)

615. CHANGES IN SHELTER, DEPENDENT CARE, CHILD SUPPORT OR MEDICAL EXPENSES.

If a client reports a change in shelter, dependent care, child support or questionable medical expenses, the Department must request proof of the change. If the household provides the proof by the requested date, notice must be sent and benefits adjusted. If the household does not provide the proof and the change would result in decreased benefits, no deduction is allowed. If the change would result in an increase in benefits, but the household does not provide proof, the deduction is not increased. The deduction remains at the amount verified before the change. Proof of anticipated medical expenses is not required provided the client has informed the Department of the expense and the expense is not questionable. Act on a medical change learned from a source other than the household only if the change can be made without contact with the household for further information or proof. Do not act on a medical change learned from a source other than the household if not verified upon receipt or if contact with the household for proof is necessary. (7-1-97)

616. DECREASES OR CLOSURE OF FOOD STAMPS.

If a change results in a decrease or closure of Food Stamps, the Department must provide notice. The notice must be sent within ten (10) days of the date the change is reported. The change must be effective the first month following timely notice, unless the change does not require ten (10) day advance notice. If the household does not respond to the request for proof, or does respond but refuses to provide sufficient information or fails to provide required proof of a change affecting eligibility by the requested date, send a closure notice. The notice must explain the reason for the closure. The notice must advise the household of the need to submit a new application if it wishes to continue participating in the program. If the household fails to provide required proof of a change affecting Food Stamp amount by the requested date, and the change would result in decreased benefits, no deduction is allowed or benefits are decreased. If the household provides the change verification after the date requested, act on the change as if it was an increase. The effective date of the change is the month after the month the change is verified. (3-15-02)

617. INCREASES IN FOOD STAMPS.

If a change results in an increase in Food Stamps, the Department must allow the household ten (10) days to provide proof. The increase must be handled as follows: (6-1-94)

01. Proof Provided Within Ten Days. If the household provides proof within ten (10) days of reporting the change, act on the change the month after the change was reported, not from the date proof was provided. Make the change effective the next regular Food Stamp issuance. For changes reported after the 20th of the month, issue a supplement for the next month. Issue the supplement no later than the 10th of the next month. If the change is reported and verified after EPICS cut off date, the change must be made by the second monthly Food Stamp issuance after the change is reported. (7-1-97)

02. No Proof Of Eligibility Change. If the household fails to provide proof of a change affecting eligibility, Food Stamps must be closed. Changes in income or household composition are changes affecting eligibility. Changes in assets causing resources to exceed the limits are changes affecting eligibility. (6-1-94)

03. No Proof Of Benefit Level Change. If the household fails to provide proof of a change increasing the benefit level, the change is not allowed. The deduction remains at the amount already verified. Changes in shelter

costs, dependent care costs, or medical costs affect benefit level. (6-1-94)

04. Proof Provided After Ten Days. If the household fails to show proof within ten (10) days of reporting the change, but shows the proof later, increase benefits the month after the month proof is provided. (6-1-94)

618. FOOD STAMP INCREASE DUE TO ADDITION OF HOUSEHOLD MEMBER.

If a change results in a Food Stamp increase due to an added household member, the increase must be made the month following the month the change is reported, if proof is provided within ten (10) days of the Department's request. Make the change effective the next regular Food Stamp issuance. For changes reported after the 20th of the month, issue a supplement for the next month. Issue the supplement no later than the 10th of the next month. (7-1-97)

619. FOOD STAMP INCREASE DUE TO DECREASED INCOME.

If a change results in a Food Stamp increase, due to a fifty dollar (\$50) or more decrease in the household's gross income, the increase must be made the month following the month the change is reported, if proof is provided within ten (10) days of the Department's request. Make the change effective the next regular Food Stamp issuance. For changes reported after the 20th of the month, issue a supplement for the next month. Issue the supplement no later than the 10th of the next month. (7-1-97)

620. REFUSAL TO COOPERATE.

If the Department determines a household refused to cooperate in establishing eligibility, the household's eligibility must end. Refusal to cooperate includes, but is not limited to, a refusal to act without good cause or in a timely manner. Refusal to cooperate includes willful misrepresentation. Notify the household of refusal to cooperate with a Notice of Decision. If the household fails to cooperate, as opposed to refuses to cooperate, do not deny the household. Assist the household in obtaining necessary proof of eligibility. (3-15-02)

621. TAFI OR AABD HOUSEHOLD REPORTING CHANGES.

If a change requires a reduction or ending TAFI or AABD and Food Stamp benefits, and the Department can determine Food Stamp benefits, the Department will issue a Notice of Decision for both AABD and Food Stamps or TAFI and Food Stamps. If the household timely requests a fair hearing and continued benefits Food Stamps continue pending the hearing. The household must reapply if certification expires before the hearing is complete. If Food Stamps increase due to lowering or ending TAFI or AABD, issue the TAFI or AABD notice of adverse action, but do not increase Food Stamps until the household decides if it will appeal the action. If the household appeals and TAFI or AABD is continued, continue Food Stamp benefits at the old level. If the household does not appeal, change Food Stamps after notice. The time limit to act on changes increasing Food Stamps must be calculated from the date the TAFI or AABD Notice of Decision expires. (7-1-98)

622. CHANGE ENDS TAFI OR AABD INCOME.

A change ending a household's income from TAFI or AABD during the certification period may affect Food Stamp eligibility. Do not close a household's Food Stamp benefits just because of a TAFI or AABD closure. Close Food Stamps only if the household fails to satisfy the eligibility requirements for Food Stamps. If the household appeals and TAFI or AABD is continued, continue Food Stamps at the same level. If a TAFI or AABD notice is not required or the household does not appeal, send a notice explaining the household's benefits will end due to changes which may affect eligibility and/or benefit level. A notice must be sent to the household when Food Stamp benefits change because of a TAFI or AABD change. If TAFI or AABD ends and they remain Food Stamp eligible, advise the household of the work registration requirements. When the certification is shortened to reflect changes, the certification period must not end earlier than the month after the notice is issued, allowing adequate time to send a notice and for the household to timely reapply. (3-15-02)

623. FAILURE TO TAKE PROMPT ACTION.

If the Department is unable to make a change in Food Stamp eligibility or issuance and an overissuance results, a Claim Determination (HW 0560) form must be prepared. If the Department fails to act on a change that increases household benefits, restore lost benefits. (6-1-94)

624. -- 628. (RESERVED).

629. NOTICE OF LOWERING OR ENDING BENEFITS.

Households must be sent a Notice of Decision when Food Stamps are ended or reduced, unless notice is not required under these rules. (6-1-94)

630. ADEQUATE NOTICE.

Adequate notice is a written statement telling the household the action the Department is taking. The notice must tell the reasons for the action and the rules supporting the action. The notice must advise the household of the right to a hearing. All notices must be adequate. If Food Stamps are reduced, the household must receive the notice on or before the first day of the month the action is effective. If Food Stamps are ended, the household must receive the notice on or before the first day of the month the action is effective. (7-1-99)

631. TIMELY NOTICE.

Notices must be sent within the time limits listed in these rules. Advance notice is mailed at least ten (10) days before the effective date of the action. (6-1-94)

632. TEN DAY ADVANCE NOTICE NOT REQUIRED.

Ten (10) day advance notice is not required, when the conditions listed below are met. Adequate notice must be given. (6-1-94)

01. Statement Of Household. The Department gets a clear, written, signed statement from the household. Food Stamps can be ended or reduced from the facts given in the household statement. (6-1-94)

02. Food Stamps Reduced After Closure Notice. The household is sent a notice of closure because it did not provide requested proof. The household provides the proof before the first day of the month of closure. If the proof results in reduced Food Stamps, the reduced benefits are issued. Ten (10) day advance notice of the reduction is not required. (6-1-94)

03. Food Stamps Closed Or Reduced Because of Intentional Program Violation (IPV) Penalty. The Department must impose the IPV penalty the first of the month after the month it gives written notice to the client. Ten (10) day advance notice is not required. (7-1-97)

633. NOTICE OF CHANGES NOT REQUIRED.

Notice to individual Food Stamp households is not required when the conditions listed in Subsection 633.01 below are met. Mass notice must be given in some situations, as listed in Subsection 633.02 below: (4-5-00)

01. Waiver By The Household. A household member or authorized representative provides a written statement requesting closure. The person gives information causing reduction or an end to benefits and states, in writing, they know adverse action will be taken. The person acknowledges in writing continuation of benefits is waived, if a fair hearing is requested. (4-5-00)

02. Mass Change. Mass changes include: (6-1-94)

a. Changes in the income limit tables. (6-1-94)

b. Changes in the issuance tables. (6-1-94)

c. Changes in Social Security benefits. (6-1-94)

d. Changes in SSI payments. (6-1-94)

e. Changes in TAFI or AABD grants. (7-1-98)

f. Changes caused by a reduction, suspension, or cancellation of Food Stamps ordered by the Secretary of USDA. (6-1-94)

g. When it performs mass changes, the Department notifies Food Stamp households of the mass change by one of the following methods: (6-1-94)

- i. Media notices. (6-1-94)
 - ii. Posters in the Food Stamp offices and issuance locations. (6-1-94)
 - iii. A general notice mailed to households. (6-1-94)
- 03. Mass Changes In TAFI Or AABD.** When a mass change to TAFI or AABD causes a Food Stamp change, use the following criteria: (7-1-98)
- a. If the Department has thirty (30) days advance notice of the TAFI or AABD mass change, Food Stamps must be adjusted the same month as the change. (7-1-98)
 - b. If the Department does not have advance notice, Food Stamp benefits must be changed no later than the month after the TAFI or AABD mass change. (7-1-98)
 - c. Ten (10) day advance notice to Food Stamp households is not required. Adequate notice must be sent to Food Stamp households. (6-1-94)
 - d. If a household requests a fair hearing because of an issue other than mass change, continue Food Stamps. (6-1-94)
- 04. Notice Of Death.** Notice is not required when the Department learns of the death of all household members. (6-1-94)
- 05. Move From Project Area.** Notice is not required when the household moves from the project area. (6-1-94)
- 06. Completion Of Restored Benefits.** Notice is not required when an increased allotment, due to restored benefits, ends. The household must have been notified in writing when the increase would end. (6-1-94)

704. -- 714. (RESERVED).

715. WAIVED HEARINGS.

Persons accused of an IPV may waive their right to an administrative disqualification hearing by completing and signing a Waiver of Disqualification Hearing. The steps needed to waive the hearing are listed below: (7-1-98)

01. Review Of Evidence. The Department must be sure the evidence warrants scheduling a disqualification hearing before giving household members, suspected of an IPV, the waiver option. Household circumstances must be reviewed by the Examiner assigned the case and a program supervisor or designee. (6-1-94)

02. Advance Notice. If the reviewers determine a waiver is proper, each household member suspected of IPV must be mailed or given a Waiver of Disqualification Hearing. The following information must be entered on the waiver form: (7-1-98)

- a.** The accused member's name and address. (6-1-94)
- b.** The case name and number. (6-1-94)
- c.** Select the penalty violation box. (6-1-94)
- d.** The date the waiver must be received to avoid a hearing. The household member has thirty (30) days to return the form. (6-1-94)
- e.** The hearing schedule information. (6-1-94)
- f.** The telephone number, person and Field Office to contact for information. (6-1-94)

716. DISQUALIFICATION AFTER WAIVED HEARING.

Persons waiving their right to an IPV administrative disqualification hearing must have penalties imposed. The steps to impose disqualification penalties are listed below: (6-1-94)

01. Member Disqualified. If the household member signs, completes, and returns the waiver form within thirty (30) days, the household member must be disqualified. The Food Stamp disqualification period begins the first month after the month the member gets written notice of disqualification. (6-1-94)

02. Disqualification Notice. To start the disqualification, the Department must send a completed Notice of Disqualification (HW 0541) to the disqualified member and remaining household members. The Department must send a completed Demand Letter for Overissuance and Repayment Agreement (HW 0544) to the disqualified member. (6-1-94)

03. Penalty Continued. Once a disqualification penalty has been imposed against a household member getting Food Stamps, the disqualification period continues without stopping until completed, regardless of the member's eligibility. (6-1-94)

717. COURT REFERRALS.

Procedures for court referrals are listed below: (6-1-94)

01. Referred Cases. The Department must refer persons suspected of getting large amounts of Food Stamps by committing an IPV. The Department must refer persons suspected of committing more than one (1) act of IPV. (6-1-94)

02. Referral To Department Fraud Unit. The Department refers appropriate IPV cases to the Department Fraud Unit. The Fraud Unit investigates the case to determine if it should be prosecuted. If the referral is determined fitting for prosecution, the Department will refer the case to the prosecuting authority. (6-1-94)

03. Impose Court Penalties. The Department must disqualify a person found guilty of IPV by a court for the length of time specified by the court. The disqualified member's household will remain responsible for the overissuance, resulting from the disqualified member's IPV, regardless of the household's eligibility. If the court fails to specify a period, use the IPV penalty periods specified in Section 701 unless they are contrary to the court order. (7-1-98)

04. Penalty Start Date. Once a disqualification penalty has been imposed against a household member, the disqualification period continues without stopping until completed, regardless of the member's eligibility. If disqualification is ordered but a start date is not specified, start the disqualification period: (6-1-94)

a. Within forty-five (45) days of the date the disqualification was ordered. (7-1-98)

b. The date the court found the person guilty of civil or criminal intentional program violation. (7-1-98)

c. Once a disqualification penalty has been imposed against a household member, the disqualification period continues without stopping until completed, regardless of the member's eligibility. (7-1-98)

05. Notice Of Disqualification. The disqualification period must begin within forty-five (45) days of the date of the court ordered disqualification. If there is no court ordered disqualification, disqualify the person within forty-five (45) days of the date the court found the person guilty. The Department must: (6-1-94)

a. Send a Notice of Disqualification (HW 0541) to the disqualified member and the remaining household members if the court finds the member committed an IPV. (6-1-94)

b. Give written notice to the household member before the disqualification, if possible. (6-1-94)

c. Tell the member the disqualification period and the date the disqualification will take effect. (6-1-94)

06. Notice To Other Household Members. The Department must give written notice to the remaining household members. The notice must state the amount of Food Stamps they will get during the period of

disqualification or the household must reapply because the certification expired. (6-1-94)

07. Demand For Repayment. The Department must send the household a written Demand Letter for Overissuance and Repayment Agreement (HW 0544). (6-1-94)

718. DEFERRED ADJUDICATION.

Deferred Adjudication is an out-of-court settlement between the accused IPV member and the prosecutor. Terms of the settlement are listed below: (6-1-94)

01. Deferred Judgement Conditions. Guilt is not decided by the court because the accused person has met the terms of a court order or an agreement with the prosecutor. (6-1-94)

02. Agreement With Prosecutor. If the Department has an agreement with the prosecutor, the prosecutor may defer adjudication. The prosecutor must agree to give advance written notice to the member stating the consequences of consenting to disqualification. (6-1-94)

03. Notice To Food Stamp Member. If the prosecutor decides deferred adjudication is fitting, the household member suspected of IPV must be mailed or presented with a Deferred Adjudication Disqualification Consent Agreement (HW 0546). The prosecutor must enter the following information on the form: (6-1-94)

a. The accused member's name and address. (6-1-94)

b. The case name and number. (6-1-94)

c. The date the agreement must be received by the prosecutor to avoid court action. (6-1-94)

d. Check the penalty violation box. (6-1-94)

04. Impose Penalties. The Department must disqualify a person found guilty of IPV by an out-of-court settlement. The disqualified member's household will remain responsible for the overissuance resulting from the disqualified member's IPV, regardless of the household's eligibility. If the prosecutor fails to specify a period, use the IPV penalty periods as specified in Section 701 unless they are contrary to the court order. The disqualified member's household will remain responsible for the overissuance resulting from the disqualified member's IPV, regardless of the household's eligibility. (7-1-98)

05. Disqualification Period. The period of disqualification must begin within forty-five (45) days of the date the member signed the Deferred Adjudication Disqualification Consent Agreement (HW 0546). The period of disqualification must begin as agreed upon with the Prosecutor. Once a disqualification penalty is imposed against a member, the period continues uninterrupted regardless of the household's eligibility. The disqualified member's household continues to be responsible for overissuance repayment resulting from the disqualified member's IPV regardless of the household's eligibility. (7-1-97)

06. Notice Of Disqualification. The Department must provide a completed Notice of Disqualification (HW 0541) before the disqualification to the disqualified member and remaining household members. The Department must provide a Demand Letter for Overissuance and Repayment Agreement (HW 0544). (6-1-94)

719. (RESERVED).

720. CLAIMS DISCHARGED BY BANKRUPTCY.

The Department will act for FCS in bankruptcy proceedings against households owing claims. The Department may file proofs of claims, objections to discharge, exceptions, petitions and any other documents, motions, or objectives FCS might have filed. Upon receiving notice a household has filed for bankruptcy, the Department must perform steps listed below: (7-1-98)

01. Suspend Collection Activity. The Department must suspend all collection action, including recoupment. (6-1-94)

02. Consult Court. The Department must consult with the court if there is doubt about the status of the filing or to clarify the status. The Department must advise the court of the claim and if the claim is for an IPV. IPV claims may not be dischargeable in a bankruptcy proceeding. (6-1-94)

03. Collect Claim. The Department must resume or start collection action after the final court action. (6-1-94)

04. Forward Collections. The Field Office must forward amounts collected to the Bureau of Financial Services. The Field Office must send a photocopy to the Bureau of Welfare Programs. (6-1-94)

721. (RESERVED).

722. INTERSTATE CLAIMS COLLECTION.

If a household owes a claim and moves from one State to another, the first State should start or continue collection action. The first State has the initial opportunity to collect. The receiving State should take collection action if the first State fails to act. The receiving State should contact the first State to be sure the first State does not intend to pursue collection. The State share of claims collected is kept by the State making the collection. (6-1-94)

723. -- 727. (RESERVED).

728. FOOD STAMP REDUCTION, SUSPENSION, OR CANCELLATION.

Food Stamps for all Food Stamp households must be reduced, suspended, or cancelled, if ordered by the USDA Secretary to comply with Section 18 of the Food Stamp Act of 1977. Reduced Food Stamps are computed using the thrifty food plan amounts and are reduced by a percentage defined by FCS. Food Stamp reduction, suspension, and cancellation rules are described below: (7-1-98)

01. Reducing Food Stamps. FCS will notify the Department of the effective date of reduction and of the thrifty food plan reduction percentage. The Department must: (7-1-98)

a. Act immediately to carry out the reduction. (6-1-94)

b. Guarantee one (1) and two (2) person households a minimum benefit of ten dollars (\$10) unless the reduction is ninety percent (90%) or more of total projected monthly benefits. (6-1-94)

c. Notify Field Offices of the effective date and reduction percentage. (6-1-94)

02. Notice To Households. Reductions, suspensions, or cancellations are mass changes. Individual notice is not required. (6-1-94)

03. Restoring Lost Benefits. Households whose Food Stamps are reduced or cancelled under this section are not entitled to restoration of benefits. Reductions or cancellations of Food Stamps may be ordered restored by the USDA Secretary. (6-1-94)

04. Effects On Certification. Field Offices must continue to accept and process expedited service applications, regular applications, and recertifications to determine eligibility, and to assign certification periods during a reduction, suspension, or cancellation. (6-1-94)

05. Food Stamps For Eligible Households. If a reduction is in effect, compute Food Stamps by reducing the thrifty food plan amount for the eligible household's size by the percentage ordered by FCS. Then deduct thirty percent (30%) of the household's net Food Stamp income from the thrifty food plan amount. (7-1-98)

06. Suspension Or Cancellation. If a suspension or cancellation is in effect, no Food Stamps are to be issued to the applicant. (6-1-94)

07. Expedited Services. If expedited services are allowed in reduction, suspension, or cancellation months: (6-1-94)

- a. Process applications during reduction months and apply the reductions as instructed. (6-1-94)
 - b. Process applications during suspension months and suspend Food Stamps until the suspension ends. (6-1-94)
 - c. Process applications during cancellation months. The deadline for processing is two (2) days or the end of the application month, whichever is later. Suspend Food Stamps until the cancellation ends. (6-1-94)
- 08. Hearings.** Any household whose allotment was reduced, suspended, or cancelled under this section can request a fair hearing. (6-1-94)

729. -- 733. (RESERVED).

734. TRANSFERS OF CASE RECORDS.

Procedures for transfer of case records from one Field Office to another include time requirements and authorization. (6-1-94)

01. Time Requirements For Processing Transfers. Process transfers as soon as possible, but not later than thirty (30) days after the household tells the Department it has moved. (6-1-94)

02. Authorization For Transfer. When a household moves from one Field Office area to another, the receiving Field Office must authorize the case record transfer. The sending Field Office must start the automated transfer. (6-1-94)

735. FOOD STAMP HOUSEHOLDS THAT MOVE.

When a Food Stamp household moves, the sending and receiving Field Offices must transfer the case record and change the Food Stamp delivery address. (6-1-94)

01. Responsibilities Of Sending Field Office. If a household reports its move, or plan to move, to another area, the sending Field Office must take steps to transfer the case. Duties of the sending Field Office are listed below: (6-1-94)

- a. Record New Address. Record the household's new address in the case record and in EPICS. (6-1-94)
- b. Advise Household. Give the household the address and telephone number of the receiving Field Office. If the request for case record transfer is not received within thirty (30) days of the date the client was told to contact the receiving office, Food Stamps must end. Advise the household to:
 - i. Contact the new Field Office at once. (6-1-94)
 - ii. Report their new address and living arrangements. (6-1-94)
 - iii. Allow the new Field Office time to authorize and request transfer of the case record. (6-1-94)
 - iv. Contact the new Field Office or the sending Field Office will act to end Food Stamps. (6-1-94)

02. Transfer Of Case Record. When the receiving Field Office requests a case file, the sending Field Office must send the file. The sending Field Office must forward the case record to the receiving office within two (2) working days. The case record transfer must include all past and current eligibility and overissuance collection records. (6-1-94)

03. Ending Benefits. If the case record was not requested by the thirtieth day after the household said they were moving, Food Stamps must be ended. The sending Field Office must send a Notice of Decision to the household's last known address. The sending Field Office must end the household's Food Stamps. (6-1-94)

04. Responsibilities Of Receiving Field Office. When a Field Office learns a household has moved to

its area, the receiving Field Office must request the case record within two (2) working days. The receiving office must show the household's new address in the case record. The receiving office must review the household's eligibility and benefit level. The office must review the case not later than thirty (30) days after the household's transfer request. (6-1-94)

736. -- 749. (RESERVED).

750. SPECIAL HOUSEHOLDS.

Some households have special conditions for getting Food Stamps. Sections 751 through 849 are rules for households with special conditions. (6-1-94)

751. BOARDERS.

Boarders are persons, or groups of persons, living with others. Boarders pay for meals and lodging. Boarders must pay an amount equal to or greater than the thrifty food plan for meals. Rules for Food Stamp boarders are listed below: (6-1-94)

01. Boarder Status. (6-1-94)

a. Boarder status must not be given to parents and children. (6-1-94)

b. Boarder status must not be given to spouses living together. (6-1-94)

c. Boarders are not eligible for Food Stamps as a separate household. (6-1-94)

02. Boarder Included With Food Stamp Household. Boarders may be included in the Food Stamp household providing board. The Food Stamp household must request the boarder be included. The household must be otherwise eligible. (6-1-94)

03. Foster Children. Foster children are boarders. Foster care payments and guardianship payments are not income for Food Stamps if the foster child does not get Food Stamps as part of the household. If the household requests the foster child be included in the Food Stamp household, foster care payments and guardianship payments are counted. (4-5-00)

04. Foster Adults. Foster adults are boarders. Foster care payments are not income for Food Stamps if the foster adult does not get Food Stamps as part of the household. If the household requests the foster adult be included in the Food Stamp household, the foster care payments are counted. (6-1-94)

05. Meal Compensation. Boarder status must be given to persons paying a reasonable monthly amount for meals. (6-1-94)

a. Payments for more than two (2) meals a day must equal or exceed the thrifty food plan for the boarder household size. (6-1-94)

b. Payments for two (2) meals or less per day must equal or exceed two-thirds (2/3) of the thrifty food plan for the boarder household size. (6-1-94)

06. Nonboarder Status. A person paying less than a reasonable amount for meals is a member of the household providing board. (10-1-94)

07. Income From Boarders. If the boarder is not a Food Stamp household member: (6-1-94)

a. The meals and lodging payment is self-employment income for the Food Stamp household. (6-1-94)

b. The boarder's income and resources are not counted for the Food Stamp household. (6-1-94)

752. STRIKERS.

Households with strikers are not eligible to get Food Stamps, unless the household was eligible the day before the strike. (6-1-94)

01. Persons Counted As Strikers. A striker is a household member involved in a strike or work stoppage by employees. Strikes include stoppage due to an expired collective bargaining agreement, a slowdown of operations, or an interruption caused by employees. (6-1-94)

02. Persons Not Counted As Strikers. Persons locked out of their work place, because the employer closed operations due to a strike, are not strikers. Persons exempt from work registration the day before the strike, for reasons other than employment, are not strikers. Persons unable to work due to other striking employees are not strikers. Persons, not part of the striking unit, who do not cross a picket line for fear of personal injury or death, are not strikers. (6-1-94)

03. Calculating Striker Food Stamps. Households with striking members are eligible, if the household was eligible for Food Stamps the day before the strike and is otherwise eligible at application. To determine eligibility and benefits use steps in Subsections 752.03.a. through 752.03.d. (6-1-94)

a. Step 1. Consider the day before the strike as the application date. (6-1-94)

b. Step 2. Compare the striker's income for the calendar month before the strike to the striker's current income. Add the higher of the two (2) incomes to the current income of nonstriking members. (6-1-94)

c. Step 3. Do not increase the Food Stamp issuance if the increase is due to the striking members decrease in income because of the strike. (6-1-94)

d. Step 4. Calculate the deductions for the application month, as for any other household. (6-1-94)

753. SPONSORED LEGAL NON-CITIZENS.

Sponsored legal non-citizens are lawfully admitted for permanent United States residence, as defined in Sections 101(a)(15) and 101(a)(20) of the Immigration and Nationality Act. A sponsor executes an affidavit of support or similar agreement on behalf of legal non-citizen, as a condition of the legal non-citizen's entry or admission into the United States as a permanent resident. The income and resources of the sponsor will be deemed until the legal non-citizen becomes a naturalized citizen or until he has worked forty (40) qualifying quarters of coverage under Title II of the Social Security Act, or the sponsor dies. A qualifying quarter includes a quarter worked by the legal non-citizen's parent while the legal non-citizen was under eighteen (18) and a quarter worked by the legal non-citizen's spouse during marriage if the legal non-citizen remains married to the spouse or the spouse is deceased. Any quarter after January 1, 1997 in which a legal non-citizen received any Federal means-tested benefit is not counted as a qualifying quarter. (3-15-02)

754. DEEMING INCOME AND RESOURCES TO SPONSORED LEGAL NON-CITIZEN.

Income and resources of the sponsor are deemed available to the legal non-citizen. If the sponsor lives with his spouse, the spouse's income and resources are also deemed available to the legal non-citizen. The income and resources are deemed, even if the sponsor and spouse were married after the sponsor signed the sponsorship agreement. The Department counts income and resources deemed to the legal non-citizen toward Food Stamp eligibility and issuance level of the legal non-citizen's household. Subsections 754.01 and 754.02 of these rules list the steps for deeming income and resources from a sponsor to the legal non-citizen. (3-15-02)

01. Deeming Income From A Sponsor Who Signed An Affidavit Of Support. (3-15-02)

a. Step 1. Compute the total monthly income of the sponsor and spouse when the legal non-citizen applies or is recertified. If the legal non-citizen has already reported under TAFI sponsored legal non-citizen rules use the TAFI reported gross income information. (7-1-98)

b. Step 2. Subtract the twenty percent (20%) earned income deduction from the earned income of the sponsor and spouse. (3-15-02)

c. Step 3. Compute the sponsor's household size. Count the sponsor, the spouse and persons claimed by them as dependents for Federal income tax. (6-1-94)

d. Step 4. Find the Food Stamp gross monthly income limit for the sponsor's household size. The household size includes the sponsor, his spouse, and any dependents claimable by the sponsor for Federal income tax purposes. (3-15-02)

e. Step 5. Subtract the Food Stamp gross monthly income limit for the sponsor's household from the remainder in Step 2. (6-1-94)

f. Step 6. The income remaining after Step 5 is deemed to the legal non-citizen household. (7-1-98)

g. Step 7. The sponsor may actually pay the legal non-citizen more income than deemed in Step 6. Any income the sponsor pays the legal non-citizen, exceeding the income deemed in Step 6, is also counted for Food Stamps. (7-1-98)

h. Step 8. If the legal non-citizen can verify his sponsor sponsors other legal non-citizens, divide the deemed income by the number of legal non-citizens applying for or getting Food Stamps. Deem all income and resources to the legal non-citizen until verification is provided. (7-1-98)

02. Deeming Resources From A Sponsor Who Signed An Affidavit Of Support. (3-15-02)

a. Step 1. Compute the resources of the sponsor and his spouse. Use the TAFI reported resource information if the legal non-citizen has already reported under TAFI sponsored legal non-citizen rules. (7-1-98)

b. Step 2. Subtract one thousand five hundred dollars (\$1,500) from the total resources of the sponsor and spouse computed in Step 1. (3-15-02)

c. Step 3. The resources remaining after Step 2 are deemed to the legal non-citizen household. (7-1-98)

d. Step 4. If the legal non-citizen can verify his sponsor sponsors other legal non-citizens, divide the deemed resources by the number of legal non-citizens applying for or getting Food Stamps. Deem all income and resources to the legal non-citizen until verification is provided. (7-1-98)

755. DEEMING INCOME AND RESOURCES FROM A LEGAL NON-CITIZEN'S NEW SPONSOR.

If the legal non-citizen reports a change in sponsors, the Department computes the deemed income and resources again, using information from the new sponsor. The Department deems the new sponsor's income and resources for the remainder of the period specified in Section 753. (3-15-02)

756. EXCEPTIONS TO SPONSOR DEEMING.

Exceptions to sponsor deeming are listed in Subsections 756.01 through 756.03. (3-15-02)

01. Legal Non-Citizen Whose Sponsor Signed An Affidavit Of Support. A legal non-citizen whose sponsor signed an affidavit of support is exempt from deeming if: (3-15-02)

a. The legal non-citizen is a member of the sponsor's Food Stamp household. (7-1-99)

b. The legal non-citizen is sponsored by an organization or group. (7-1-99)

c. The legal non-citizen is not required to have a sponsor under the Immigration and Nationality Act. This includes a refugee, asylee, deportee, parolee or Cuban or Haitian entrant. (7-1-99)

02. Battered Legal Non-Citizen Whose Sponsor Signed An Affidavit Of Support. For sponsor deeming, a battered legal non-citizen includes the non-citizen and the child of the non-citizen. The non-citizen or child must be battered in the U.S. by a spouse, parent, or member of the family in the same household. The non-citizen must not participate in, or acquiesce to, the battering of the child. (3-15-02)

a. A battered legal non-citizen whose sponsor signed an affidavit of support is exempt from the sponsor deeming requirement for one (1) year, if the need for Food Stamps is connected to the battery and the legal non-citizen no longer lives with the batterer. (3-15-02)

b. The exemption from the sponsor deeming requirement can exceed more than one (1) year if the legal non-citizen demonstrates the battery has been recognized in an order of a judge or by the INS and the need for Food Stamps is connected to the battery. (7-1-99)

03. Indigent Legal Non-Citizen Whose Sponsor Signed An Affidavit Of Support. A non-citizen is indigent if the Department determines he is unable to obtain food and shelter without receiving Food Stamps. For an indigent non-citizen, the Department counts only the income and resources actually provided by the sponsor and spouse who signed an affidavit of support. Only actual income and resources are counted for one (1) year after the indigent determination is made. (3-15-02)

757. SPONSORED LEGAL NON-CITIZEN'S RESPONSIBILITY.

The legal non-citizen and legal non-citizen's spouse are responsible for getting the sponsor to cooperate with the Department in determining Food Stamp eligibility. The legal non-citizen and legal non-citizen's spouse are responsible for providing the information and proof to determine the income and resources of the sponsor and sponsor's spouse. The legal non-citizen and legal non-citizen's spouse are responsible for providing information and proof to determine if the sponsor sponsors other legal non-citizens and how many. (7-1-98)

758. VERIFICATION FROM SPONSORED LEGAL NON-CITIZEN.

The legal non-citizen and legal non-citizen's spouse must give the Department proof listed below: (7-1-98)

01. Sponsor's Income And Resources. Income and resources proof for the sponsor and spouse. (6-1-94)

02. Number Of Legal Non-Citizens Sponsored. The total number of other legal non-citizens the sponsor sponsors. (7-1-98)

03. INS Status. The Immigration and Nationality Act document under which the legal non-citizen was admitted. (7-1-98)

04. Entry Date. The date of the legal non-citizen's entry or status as a lawful permanent resident. (7-1-98)

05. Birth Information. The legal non-citizen's date and place of birth, and registration number. (7-1-98)

06. Sponsor's Dependents. The number of Federal income tax dependents of the sponsor and spouse. (6-1-94)

07. Sponsor Data. The name, address, and telephone number of the sponsor. (6-1-94)

08. Suspect Data. Any information determined questionable. (6-1-94)

759. SPONSORED LEGAL NON-CITIZEN INELIGIBLE UNTIL PROOF PROVIDED.

If proof is not received, the legal non-citizen and his spouse are ineligible for Food Stamps. Eligibility of remaining household members must be determined. Consider the ineligible legal non-citizen and his spouse as disqualified household members. Do not count the deemed income and resources of the sponsor and sponsor's spouse. If the proof is later provided, act on the information as a reported change in household composition. (7-1-98)

760. OVERISSUANCE DUE TO INCORRECT SPONSOR DATA.

The sponsor who signed an affidavit of support between February 1, 1983 and December 18, 1997 and sponsored legal non-citizen are both liable for repayment of overissuances caused by incorrect sponsor data, unless the sponsor had good cause. Good cause exists unless the sponsor gives false statements or willfully withholds data. The sponsor

may have a fair hearing to contest the fault and liability. If the sponsor had good cause or was without fault for incorrect data, the legal non-citizen's household is solely liable for the overissuance repayment. If the sponsor did not have good cause, start a claim against the sponsor, the legal non-citizen's household, or both. Claims may be started against both parties at the same time. Start a claim against the party most likely to repay the claim first. If the first party fails to respond to the demand letter within twenty (20) days, start a claim against the other party. Identify the claim as either an IHE or IPV claim. (7-1-99)

761. COLLECTING CLAIMS AGAINST SPONSORS WHO SIGNED AN AFFIDAVIT OF SUPPORT BETWEEN FEBRUARY 1, 1983 AND DECEMBER 18, 1997.

Start collection by sending a demand letter to the sponsor. The demand letter must include the amount owed, the reason for the claim, and the repayment options. The demand letter must tell the sponsor he will not have to repay, if he can show he did not give false statements or withhold information about his circumstances. Collection action may be stopped if documentation is obtained showing the sponsor cannot be located. Collection action may be stopped if the cost of collection exceeds the amount to be recovered. If the sponsor responds to the demand letter, collect a lump sum cash payment if the sponsor can pay the claim at one (1) time. If the sponsor cannot pay by lump sum, negotiate a monthly repayment schedule. Sponsor repayments must be recorded in the case file and identified as either an IHE or IPV claim. (7-1-99)

762. COLLECTING CLAIMS AGAINST SPONSORED LEGAL NON-CITIZENS.

Collect claims against sponsored legal non-citizens with a sponsor who signed an affidavit of support between February 1, 1983 and December 18, 1997 using procedures listed below. Take action to collect, whether or not the legal non-citizen household currently gets Food Stamps. (7-1-99)

01. IHE Determined. An IHE results if information provided about the sponsor or sponsor's spouse was wrong because the household misunderstood or failed to provide data. Start a claim against the legal non-citizen's household. (7-1-98)

02. IPV Determined. An IPV results if information provided about the sponsor or sponsor's spouse was incorrect because the household concealed or provided false information. Start a claim against the legal non-citizen's household. (7-1-98)

03. IPV Referral. Pursue an IPV if enough evidence exists to show information from the sponsor or the sponsor's spouse was false or concealed through misrepresentation or willful withholding by the legal non-citizen. Handle the claim as an IHE until the IPV decision is made. Start a claim against the legal non-citizen's household. (7-1-98)

763. REIMBURSEMENT FOR BENEFITS RECEIVED.

A sponsor who signed an affidavit on or after December 19, 1997 must reimburse the Department for the amount of Food Stamps received by the sponsored legal non-citizen.
