b. Ground water recharge is not an ultimate use and no variable fee shall be payable for water claimed for ground water recharge purposes. (7-1-93)

d. No variable fee shall be payable for minimum by-pass flows. (7-1-93)

06. Multiple Purpose Claims. If a claimant claims more than one (1) purpose of use on a single claim, the variable fee will be the total of the variable fees payable for each purpose of use. (7-1-93)

a. Example 5: A claimant files a claim for twenty (20) cfs of water, which is first used for power purposes in a plant with a one hundred fifty (150) kilowatt capacity, and is then used for irrigation of one thousand (1,000) acres of land. When a payment due is received prior to the fourteenth (14th) day before the due date, interest will be recalculated based on the amount of interest accrued daily from the day after receipt of the next previous payment to and including the date the early payment is received. Any overpayment resulting from the recalculation of interest due will be applied to the principal amount due the following year, unless the early payment is the last payment, in which case any overpayment will be refunded to the claimant. (7-1-93)

05. Late Payments. (7-1-93)

a. When a payment due is not received by the 14th day following the due date, interest will accrue daily on the amount due from the day after the due date to and including the date the payment is received at the annual interest rate set forth at Section 42-1414, Idaho Code. When the payment due is received, it will be applied first to interest (including late interest) and then to principal, and the next year's payment will be recalculated accordingly, unless the late payment is the last payment due. If the late payment is the last payment due, the director will send a notice of balance due by regular mail to the claimant at the most recent address shown by department records, stating that the balance will be due within thirty (30) days of the date the notice is mailed. 06. Splitting Extended Payment Plans. (7-1-93)

a. When a single extended payment plan is established that covers more than one (1) claim, the extended payment plan may later be split into two (2) extended payment plans, each of which covers a portion of the claims previously covered by the single extended payment plan. If the claims covered by an extended payment plan created by the split would not have qualified for an extended payment plan at the time the claims were filed, the entire balance for the claims covered by the extended payment plan created by the split will be due at the time the extended payment plan is split. (7-1-93)

b. A single claim may not be split into two (2) extended payment plans unless the water right claimed has been split by conveyance to different owners. If the portion of the claim covered by an extended payment plan created by the split would not have qualified for an extended payment plan at the time the claim was filed, the entire balance of the fee for that portion of the claim will be due at the time the extended payment plan is split. (7-1-93)

c. When a single extended payment plan has been established that covers more than one (1) claim, the claimant may choose to pay the balance on less than all of the claims, leaving the balance on the remaining claims to be paid on the extended payment plan, unless the remaining claims would not have qualified for an extended payment plan at the time of filing. (7-1-93)

07. Partial Payments. (7-1-93)

a. Partial payments (payment of less than the full amount due on an extended payment) will be applied first to interest due and any remainder will be applied to principal. (7-1-93)

b. Partial payments on extended payment plans covering more than one (1) claim will be divided among the claims in proportion to the amount due on each claim, except as provided in Rule Subsections 040.07.c. and 040.07.d. (7-1-93)

c. When a single extended payment plan has been established that covers more than one (1) claim, the claimant may choose to make a payment on less than all of the claims, and allow the other claims to be rejected and returned, if the claims on which a payment is made would have qualified for an extended payment plan at the time of filing. (7-1-93)

d. When a single extended payment plan has been established that covers more than one (1) claim, the claimant may choose to pay the balance on less than all of the claims, and allow the other claims to be rejected and returned. (7-1-93)

No refund shall be made if the total fee as recalculated is less than the total fee paid at the time the claim was filed. (7-1-93)

02. Determining Eligibility. The amendment fee shall not be included for purposes of determining eligibility for an extended payment plan, and the amendment fee may not be included in an extended payment plan. (7-1-93)
