TITLE 03
CHAPTER 22**

16.03.22 - RULES FOR LICENSED RESIDENTIAL OR ASSISTED LIVING FACILITIES IN IDAHO

000. LEGAL AUTHORITY.

Pursuant to Sections 39-3305, 39-3371, 39-3505, and 39-3561, Idaho Code, the Idaho Board of Health and Welfare is authorized to adopt and enforce rules and standards designed to protect the health, safety, and individual resident's rights and to ensure the provision of adequate nutrition, supervision, meaningful life activities, and therapeutic recreational activities for residents being served in residential care facilities. (3-10-00)

001. TITLE AND SCOPE.

01. Title. These rules are to be cited as Idaho Department of Health and Welfare Rules, IDAPA 16.03.22, "Rules for Licensed Residential or Assisted Living Facilities in Idaho". (5-3-03)

02. Scope. The purpose of a licensed residential or assisted living facility in Idaho is to provide a humane, safe, and home-like living arrangement for individuals with a mental illness, developmental disability, physical disability, or who are elderly. The facilities shall be operated and staffed by individuals who have the knowledge and experience required to provide safe and appropriate services to all residents of the facility. The administrators shall protect the rights and provide appropriate services to meet the needs of the individual residents as determined by the uniform assessment instrument and the negotiated service agreement for both state clients and private pay residents. The state will encourage the development of facilities tailored to the needs of individual populations which operate in integrated settings in communities where sufficient supportive services exist to provide the resident, if appropriate, an opportunity to work and be involved in recreation and education opportunities alongside people who do not have a mental illness, developmental disability, physical disability, or who are not elderly. The licensing agency shall be responsible for monitoring and enforcing the provisions of this chapter. This responsibility includes, but is not limited to, licensing facilities, monitoring the condition of the facility administering a uniform assessment instrument for state clients, and taking enforcement actions. Nothing in this chapter is intended to reduce or eliminate any duty of the Department or any other public or private entity for provision of services for any resident. (5-3-03)

002. (RESERVED).

003. ADMINISTRATIVE APPEALS.

All contested cases shall be governed by the provision of IDAPA 16.05.03, "Rules Governing Contested Case Proceedings and Declaratory Rulings". (3-10-00)

004. EXEMPTIONS.

The provisions of these rules do not apply to any of the following: (3-10-00)

01. Health Facility. The provisions of these rules do not apply to hospitals, nursing facilities, intermediate care facilities for mentally retarded persons, or any other health facility as defined by Title 39, Chapter 13, Idaho Code. (3-10-00)

02. Alternate Living Arrangements. The provisions of these rules do not apply to any house, institution, hotel, congregate housing project, retirement home, or other similar place that is limited to providing one (1) or more of the following: housing, meals, transportation, housekeeping, or recreational and social activities, or that have residents independently accessing supportive services from an entity approved to provide such services in Idaho and holding no legal ownership interest in the entity operating the facility. (3-10-00)

03. Relatives. The provisions of these rules do not apply to any arrangement for the receiving and care of persons by a relative, except when the caretaker is paid for the care through a state or federal program, in which case the caretaker relative and the care setting must meet the requirements of the program that funds the care. (3-10-00)

04. Similar. The provisions of these rules do not apply to any facility exempted by the Director.

(3-10-00)

005. WAIVERS.

Waivers may be granted by the Department provided the following criteria are met: (3-10-00)

01. Written Request. A written request for waiver must be sent to the licensing agency. The request must include, but is not limited to, the following: (3-10-00)

a. Reference to the section of the rules for which the waiver is requested; (3-10-00)

03. Continuing Temporary Waivers. The appropriateness of continuing a waiver shall be reviewed by the licensing agency during the annual survey. If the facility administrator wishes to continue the waiver, an annual request must be submitted to the Department in writing. (3-10-00)

04. Permanent Waiver. A permanent waiver may be granted provided the provisions of Subsections 005.01.a. through 005.01.c. are met. (3-10-00)

05. Decision to Grant a Variance. The decision to grant a waiver shall not be considered as precedent or be given any force or effect in any other proceeding. (3-10-00)

006. SERVICES.

Supportive services shall be provided according to the resident's individual negotiated service agreement. (3-10-00)

007. POLICY.

Many of the residents of facilities are unable to assess situations or respond quickly to emergencies. The residents' safety is dependent upon properly designed and constructed buildings with provisions for the prevention and detection of fires to include alarm and extinguishment systems. Individuals who understand operating and maintenance procedures are essential. The residents' welfare is dependent upon care, attention, motivation, and advice delivered at the proper time by skilled people. Every person or organization operating a facility must take responsibility for the safety and well-being of those in their care. (3-10-00)

g. The facility has one (1) or more major deficiencies. A major deficiency is a deficiency that endangers the health or safety or welfare of any resident; (3-10-00)

h. An accumulation of minor violations that taken as a whole would constitute a major deficiency as noted in Subsection 931.02.g.; (3-10-00)

i. Repeat violations of any requirement of these rules or of the Idaho Code; (3-10-00)

j. The facility lacks adequate personnel, as required by these rules or as directed by the Department, to properly care for the number and type of residents residing at the facility; and (3-10-00)

932. ENFORCEMENT REMEDY OF INJUNCTION.

Notwithstanding any other remedy at law, the Director may seek an injunction in the name of the state against any person or governmental unit to enjoin the establishment, conduct, management, or operation of a facility in violation of the provisions of this chapter. See Sections 39-3358, 39-3380, 39-3558, and 39-3570, Idaho Code. (3-10-00)

933. -- 949. (RESERVED).

Nothing contained in Section 150 shall limit the right of any facility owner to sell, lease, mortgage, or close any facility in accordance with all applicable laws. (3-10-00)

951. NOTICE OF ENFORCEMENT REMEDY.

The Department shall give notice of the imposition of any remedy described in this chapter after the facility is afforded any allowable reviews or hearings as follows: (3-10-00)

01. Notice to Facility. The Department shall give notice to the facility in writing, transmitted in a manner which shall reasonably ensure timely receipt by the facility such as certified mail or personal delivery; and (3-10-00)

02. Notice to Public. The Department shall give notice to the public by transmitting printed notices to the facility. The facility shall post all notices where they can reasonably be expected to be read by the facility's residents or their representatives, including, but not limited to, exits and common areas. The notices shall remain in place until all remedies are officially removed by the licensing agency. Failure of a facility to comply with notice posting requirements shall constitute a Class B deficiency; and (3-10-00)

03. Notice to The Ombudsman. The Department shall give notice to the state Ombudsman for the elderly; and (3-10-00)

04. Notice to The Resident's Attending Physicians or Authorized Providers. The Department shall give notice to the attending physician or authorized provider of each resident affected by a finding of substandard quality of care; and (5-3-03)

05. Notice to The Professional Licensing Boards. The Department shall give notice to professional licensing boards, as appropriate; and (3-10-00)

06. Failure to Effect Notice. Failure of the Department to effect notice as required in Section 951 through Subsection 951.06 shall not be grounds for the facility to contest any action taken under this chapter. (3-10-00)

952. -- 969. (RESERVED).

970. PROCEDURE FOR HEARINGS FOR ENFORCEMENT ACTIONS AGAINST A LICENSE.

01. Facility Notification. Immediately upon the decision to implement an enforcement action to include denial of license, the licensing agency shall notify the applicant or administrator in writing by certified mail or by personal service of its decision to implement an enforcement action against the license and the reason for the enforcement action. (3-10-00)

02. Administrative Review. The notification of denial or revocation shall also offer the applicant or the administrator the opportunity to request an administrative review. Should the facility wish to contest imposition of a remedy, other than a plan of correction and except as provided in Subsections 927.05 and 928.04, a written request for administrative review must be received by the Department within fourteen (14) calendar days of the facility's receipt of notice of imposition of the remedy. The request shall state the grounds for its contention that the imposition of a remedy is in error. (3-10-00)

a. During this conference, the position of the Department and the facility may be discussed and if possible an alternative to revocation or denial developed. (3-10-00)

b. The Department shall transmit printed notice of administrative review to the facility. Such notices shall set forth date, time and location whenever the facility has requested and been granted a review on imposition of a remedy. The facility shall post all notices so provided. The notices shall be placed in areas readily accessible and visible to residents and their representatives. (3-10-00)

c. The Department shall issue a written decision within fourteen (14) calendar days of the completion of the facility's receipt of the administrative review. The review shall be made solely on the basis of the licensing agency recommendation, the survey report, the statement of deficiencies, any documentation the facility submits to the Department at the time of its request, and information received as a result of the administrative review process. For the purposes of such review, a hearing shall not be held and oral testimony shall not be taken. (3-10-00)

d. If the facility fails to file a timely request, the decision to impose a remedy or remedies shall become final and no further hearing or judicial review shall be available. (3-10-00)

03. Administrative Hearing. Should the facility wish to appeal the administrative review decision for remedies described in Section 150 through 150.01 subject to the limitations therein, it may request an administrative hearing in accordance with the provisions of IDAPA 16.05.03, Section 311, et seq., "Rules Governing Contested Case Proceedings and Declaratory Rulings". The scope of the administrative hearing shall be limited to issues raised and meaningfully addressed in the administrative review. (3-10-00)

a. If the Department has imposed temporary management pursuant to the provisions of Section 928 or imposed either of the remedies specified in Subsection 150.01.e., the facility shall be entitled to a hearing which shall commence not less than five (5) nor more than ten (10) calendar days after the facility's receipt of notice of imposition of said remedy or remedies. No administrative review shall be conducted in such cases and no request for hearing shall be required. A facility may waive its right to a hearing by written notice to the licensing agency. (3-10-00)

b. Except in the cases of appointment of a temporary manager, unless the Department has determined that immediate jeopardy to the health or safety of a facility's residents exists, transfer of residents of a facility or payment of civil monetary penalties, the imposition of remedies shall not be stayed during the pendency of any hearing. (3-10-00)

971. TRANSFER OF RESIDENTS.

The Department may transfer residents from a facility to an alternative placement on the following grounds: (3-10-00)

01. Violation of Rules. As a result of a violation of a provision of the rules or standards, the facility is unable or unwilling to provide an adequate level of meals, lodging, personal assistance, or supervision to persons residing in the facility at the time of the violation. (3-10-00)

02. Violation of Resident's Rights. A violation of a resident's rights provided in Sections 39-3316, 39-3387, 39-3516, 39-3576, or a combination, Idaho Code. (3-10-00)

03. Exceed Licensed Bed Capacity. The number of residents currently in the facility exceeds the number of residents the facility is licensed to serve. (3-10-00)

04. Unlicensed. The facility is operating without a license. (3-10-00)

05. Imminent Danger. A violation of a provision of this chapter or applicable rules or standards results in conditions that present an imminent danger. (3-10-00)

972. -- 995. (RESERVED).

996. ADMINISTRATIVE PROVISIONS.

Contested case appeals are governed by IDAPA 16.05.03, Section 311 et seq., "Rules Governing Contested Case Proceedings and Declaratory Rulings". (3-10-00)

997. CONFIDENTIALITY OF RECORDS.

Any disclosure of information obtained by the Department is subject to the restrictions contained in IDAPA 16.05.01, "Use and Disclosure of Department Records". (3-10-00)
