Sanctions against such permit holder, whether civil, administrative, or criminal shall lie, and acceptance of the permit shall constitute a waiver of any defenses by permit holder based upon the fact that the permit holder is not, technically, a licensee. The Alcohol Beverage Control Bureau may withdraw a temporary permit it has issued pursuant to this rule at any time without hearing or notice. (3-31-95)

05. Product Replacement and Credit. Any beer or wine products removed from the licensed retailer's premises by a wholesaler/distributor for quality control or public health shall not be considered to be a violation of Section 23-1033 or 23-1325, Idaho Code, which prohibit aid to the retailer or of Sections 23-1031 or 23-1326, Idaho Code, which prohibit extension of credit to a retailer, if: (8-1-95)

The credit shall be redeemed on subsequent alcoholic beverage purchases by the retailer; or (8-1-95)

d. In the case of a licensed establishment which is in operation no less than two (2) months and no more than nine (9) months of each year, prior to its period of closure, it is apparent that product will become outdated or spoiled before the date of re-opening, a wholesaler/distributor may remove product from the retailer's premises and may give a credit to the retailer. Such credit shall be redeemed on subsequent alcoholic beverage purchases by the same retailer. (8-1-95)

e. Credit given to a retailer, as authorized herein, shall be given for the amount paid by the retailer at the time of purchase of the product being removed by the wholesaler/distributor. (8-1-95)

(Section 23-908(1), Idaho Code). (7-1-93)

013. PRIORITY LISTS.

01. Priority Lists for Incorporated City Liquor Licenses. The Alcohol Beverage Control Bureau shall maintain a priority list of applicants for those cities in which no incorporated city liquor license is available. A separate list shall be maintained for each city. A person, partnership, or corporation desiring to be placed on a priority list shall file a completed application for an incorporated city liquor license, accompanied by payment of one-half (1/2) of the annual license fee. Such application need not show any particular building or premises upon which the liquor is to be sold, nor that the applicant is the holder of any license to sell beer. Priority on the list shall be determined by the earliest application, each succeeding application shall be placed on the list in the order received. (3-31-95)

02. Written Notification. When an incorporated city liquor license becomes available Alcohol Beverage Control shall offer it in writing to the applicant whose name appears first on the priority list. If the applicant does not notify the Alcohol Beverage Control Bureau in writing within ten (10) days of receipt of the notice of his intention to accept the license, the license shall be offered to the next applicant in priority. An applicant accepting the license shall have a period of ninety (90) days from the date of receipt of Notice of License Availability in which to complete all requirements necessary for the issuance of the license. Provided, however, that upon a showing of good cause the Director of the Idaho State Police may extend the time period in which to complete the necessary requirements for a period not to exceed sixty (60) days. (3-31-95)

03. Refusal to Accept Offer of License or Failure to Complete Application for License. An applicant refusing a license offered under this rule or an applicant who fails to complete his application may have his name placed at the bottom of the priority list upon his request. Should the applicant holding first priority refuse or fail to accept the license or to complete the application within the time specified, the applicant shall be dropped from the priority list, the deposit refunded, and the license offered to the applicant appearing next on the list. (7-1-93)

04. Limitations on Priority Lists. An applicant for a place on an incorporated city liquor license priority list may not execute an inter vivos transfer or assignment of his place on the priority lists. For the purposes of this rule, "inter vivos transfer or assignment" shall mean the substitution of any individual; partnership; corporation, including a wholly owned corporation; organization; association; or any other entity for the original applicant on the waiting list. An attempt to assign inter vivos a place on an incorporated city liquor license priority list shall result in the removal of the name of the applicant from the lists. An applicant, however, may assign his or her place on an alcoholic liquor license priority list by devise or bequest in a valid will. A place on an incorporated city liquor license priority list becomes part of an applicant's estate upon his or her death. (7-1-93)

05. Priority Lists Where Licenses Are Available. The Alcohol Beverage Control Bureau shall not maintain a list for a city in which a liquor license is available, nor for a city that does not permit retail sale of liquor. If, prior to the promulgation of this rule, the Alcohol Beverage Control Bureau has maintained a priority list for any such city, the list shall be abolished and all license fees returned to the respective applicants. (3-31-95)

014. CONDUCT OF LICENSED PREMISES.
