01. Applicability. This rule shall apply to any health benefit plan provided on a group basis, which: (4-5-00)

A carrier providing coverage to such an employer shall, within sixty (60) days of becoming aware that the employer has more than fifty (50) eligible employees but no later than the anniversary date of the employer's health benefit plan, notify the employer that the protections provided under the Act and this Rule shall cease to apply to the employer if such employer fails to renew its current health benefit plan or elects to enroll in a different health benefit plan. (7-1-98)

05. Employer Subsequently Becomes a Small Employer. 022. -- 027. (RESERVED).

028. TRANSITION FOR ASSUMPTIONS OF BUSINESS FROM ANOTHER CARRIER.

01. Conditions for Transfer or Assumption of Entire Insurance Obligation. A small employer carrier shall not transfer or assume the entire insurance obligation and/or risk of a health benefit plan covering a small

a. The transaction received any necessary approval of the insurance supervisory official of the state of domicile of the assuming carrier; (1-25-95)

b. The transaction received any necessary approval of the insurance supervisory official of the state of domicile of the ceding carrier; and, (1-25-95)

c. The transaction otherwise meets the requirements of Section 028. (1-25-95)

02. Time Frame for Filing Plan to Assume or Cede Entire Insurance Obligation. A carrier domiciled in this state that proposes to assume or cede the entire insurance obligation and/or risk of one or more small employer health benefit plans from another carrier shall make a filing for approval with the Director at least sixty (60) days prior to the date of the proposed assumption. The Director may approve the transaction if the Director finds that the transaction is in the best interests of the individuals insured under the health benefit plans to be transferred and is consistent with the purposes of the Act and this Rule. The Director shall not approve the transaction until at least thirty (30) days after the date of the filing; except that, if the ceding carrier is in hazardous financial condition, the Director may approve the transaction as soon as the Director deems reasonable after the filing. (1-25-95)

03. Filing Requirements. The filing required under Subsection 028.02 shall: (1-25-95)

a. Describe the class of business (including any eligibility requirements) of the ceding carrier from which the health benefit plans will be ceded; (1-25-95)

b. Describe whether the assuming carrier will maintain the assumed health benefit plans as a separate class of business (pursuant to Subsection 028.08 or will incorporate them into an existing class of business (pursuant to Subsection 028.09). c. Describe whether the health benefit plans being assumed are currently available for purchase by small employers; (1-25-95)

d. Describe the potential effect of the assumption, if any, on the benefits provided by the health benefit plans to be assumed; (1-25-95)

e. Describe the potential effect of the assumption, if any on the premiums for the health benefit plans to be assumed; (1-25-95)

f. Describe any other potential material effects of the assumption on the coverage provided to the small employers covered by the health benefit plans to be assumed; and (1-25-95)

g. Include any other information required by the Director. (1-25-95)

04. Requirements for Informational Filings in Each State in Which There are Small Employer Health Benefit Plans. A small employer carrier required to make a filing under Subsection 028.02 shall also make an informational filing with the Insurance Supervisory Official of each state in which there are small employer health benefit plans that would be included in the transaction. The informational filing to each state shall be made concurrently with the filing made under Subsection 028.02 and shall include at least the information specified in Subsection 028.03 for the small employer health benefit plans in that state. (1-25-95)

05. Other Provisions and Conditions to be Considered in the Transfer and Assumption of the Entire Insurance Obligation. A small employer carrier shall not transfer or assume the entire insurance obligation and/or risk of a health benefit plan covering a small employer in this state unless it complies with the following provisions: (1-25-95)

a. The carrier has provided notice to the Director at least sixty (60) days prior to the date of the

proposed assumption. The notice shall contain the information specified in Subsection 028.03 for the health benefit plans covering small employers in this state. (1-25-95)

b. If the assumption of a class of business would result in the assuming small employer carrier being out of compliance with the limitations related to premium rates contained in Section 41-4706(1)(a), Idaho Code, the assuming carrier shall make a filing with the Director pursuant to Section 41-4706(3), Idaho Code, seeking suspension of the application of Section 41-4706(1)(a), Idaho Code. (1-25-95)

c. An assuming carrier seeking suspension of the application of Section 41-4706(1)(a), Idaho Code, shall not complete the assumption of health benefit plans covering small employers in this state unless the Director grants the suspension requested pursuant to Subsection 028.05.b. (1-25-95)

d. Unless a different period is approved by the Director, a suspension of the application of Section 41-4706(1)(a), Idaho Code, shall, with respect to an assumed class of business, be for no more than fifteen (15) months and, with respect to each individual small employer, shall last only until the anniversary date of such employer's coverage (except that the period with respect to an individual small employer may be extended beyond its first anniversary date for a period of up to twelve (12) months if the anniversary date occurs within three (3) months of the date of assumption of the class of business). (1-25-95)

06. Exceptions to Ceding or Assumption of Business. Except as provided in Subsection 028.02, a small employer carrier shall not cede or assume the entire insurance obligation and/or risk for a small employer health benefit plan unless the transaction includes the ceding to the assuming carrier of the entire class of business within Idaho which includes such health benefit plan. (1-25-95)

07. Requirements for Ceding Less Than an Entire Class of Business. A small employer carrier may cede less than an entire class of business to an assuming carrier if: (1-25-95)

a. One (1) or more small employers in the class have exercised their right under contract to reject, either directly or by implication, the ceding of their health benefit plans to another carrier. In that instance, the transaction shall include each health benefit plan in the class of business except those health benefit plans for which a small employer has rejected the proposed cession; or (1-25-95)

b. After a written request from the transferring carrier, the Director determines that the transfer of less than the entire class of business is in the best interests of the small employers insured in that class of business. (1-25-95)

08. Separate Class of Business. Except as provided in Subsection 028.09, a small employer carrier that assumes one (1) or more health benefit plans from another carrier shall maintain such health benefit plans as a separate class of business. (1-25-95)

09. Provisions for Exceeding the Maximum Number of Classes of Business. A small employer carrier that assumes one or more health benefit plans from another carrier may exceed the limitation contained in Section 41-4705(2), Idaho Code, (relating to the maximum number of classes of business a carrier may establish) due solely to such assumption for a period of up to fifteen (15) months after the date of the assumption, provided that the carrier complies with the following provisions: (1-25-95)

a. Upon assumption of the health benefit plans, such health benefit plans shall be maintained as a separate class of business. During the fifteen-month (15) period following the assumption, each of the assumed small employer health benefit plans shall be transferred by the assuming small employer carrier into a single class of business operated by the assuming small employer carrier. The assuming small employer carrier shall select the class of business into which the assumed health benefit plans will be transferred in a manner such that the transfer results in the least possible change to the benefits and rating method of the assumed health benefit plans. (1-25-95)

b. The transfers authorized in Subsection 028.09.a. shall occur with respect to each small employer on the anniversary date of the small employer's coverage, except that the period with respect to an individual small employer may be extended beyond its first anniversary date for a period of up to twelve (12) months if the anniversary date occurs within three (3) months of the date of assumption of the class of business. (1-25-95)

c. A small employer carrier making a transfer pursuant to Subsection 028.09.a. may alter the benefits of the assumed health benefit plans to conform to the benefits currently offered by the carrier in the class of business into which the health benefit plans have been transferred. (1-25-95)

d. The premium rate for an assumed small employer health benefit plan shall not be modified by the assuming small employer carrier until the health benefit plan is transferred pursuant to Subsection 028.09.a. Upon transfer, the assuming small employer carrier shall calculate a new premium rate for the health benefit plan from the rate manual established for the class of business into which the health benefit plan is transferred. In making such calculation, the risk load applied to the health benefit plan shall be no higher than the risk load applicable to such health benefit plan prior to the assumption. (1-25-95)

e. During the fifteen-month (15) period provided in this Subsection, the transfer of small employer health benefit plans from the assumed class of business in accordance with this subsection shall not be considered a violation of the first sentence of Section 41-4706(2), Idaho Code. (1-25-95)

10. Restrictions to Apply Eligibility Requirements by Assuming Carrier. An assuming carrier may not apply eligibility requirements, including minimum participation and contribution requirements, with respect to an assumed health benefit plan (or with respect to any health benefit plan subsequently offered to a small employer covered by such an assumed health benefit plan) that are more stringent than the requirements applicable to such health benefit plan prior to the assumption. (1-25-95)

11. Request for Extension of the Transition Period. The Director may approve a longer period of transition upon application of a small employer carrier. The application shall be made within sixty (60) days after the date of assumption of the class of business and shall clearly state the justification for a longer transition period. (1-25-95)

12. Additional Information. Nothing in Section 028 or in the Act is intended to: (1-25-95)

a. Reduce or diminish any legal or contractual obligation or requirement, including any obligation provided in Section 41-511, Idaho Code, of the ceding or assuming carrier related to the transaction; (1-25-95)

b. Authorize a carrier that is not admitted to transact the business of insurance in this state to offer or insure health benefit plans in this state; or (1-25-95)

c. Reduce or diminish the protections related to an assumption reinsurance transaction provided in Section 41-511, Idaho Code, or otherwise provided by law. (1-25-95)

029. -- 035. (RESERVED).

036. RESTRICTIONS RELATING TO PREMIUM RATES.

01. Separate Rate Manual for Each Class of Business. A small employer carrier shall develop a separate rate manual for each class of business. Base premium rates and new business premium rates charged to small employers by the small employer carrier shall be computed solely from the applicable rate manual developed pursuant to this subsection. To the extent that a portion of the premium rates charged by a small employer carrier is based on the carrier's discretion, the manual shall specify the criteria and factors considered by the carrier in exercising such discretion. (1-25-95)

02. Requirements for Adjustments to Rating Method. A small employer carrier shall not modify the rating method used in the rate manual for a class of business until the change has been approved as provided in this subsection. The Director may approve a change to a rating method if the Director finds that the change is reasonable, actuarially appropriate, and consistent with the purposes of the Act and this Rule. (1-25-95)

03. Information Required for Review of Modification of Rating Method. A carrier may modify the rating method for a class of business only with prior approval of the Director. A carrier requesting to change the rating method for a class of business shall make a filing with the Director at least thirty (30) days prior to the

proposed date of the change. The filing shall contain at least the following information: (1-25-95)

- a. The reasons the change in rating method is being requested; (1-25-95)
- b. A complete description of each of the proposed modifications to the rating method; (1-25-95)
- c. A description of how the change in rating method would affect the premium rates currently charged to small employers in the class of business, including an estimate from a qualified actuary of the number of groups or individuals (and a description of the types of groups or individuals) whose premium rates may change by more than ten percent (10%) due to the proposed change in rating method (not generally including increases in premium rates applicable to all small employers in a health benefit plan); (1-25-95)
- d. A certification from a qualified actuary that the new rating method would be based on objective and credible data and would be actuarially sound and appropriate; and (1-25-95)
- e. A certification from a qualified actuary that the proposed change in rating method would not produce premium rates for small employers that would be in violation of Section 41-4706, Idaho Code. (1-25-95)

04. Change in Rating Method. For the purpose of Section 036 a change in rating method shall mean: (1-25-95)

- a. A change in the number of case characteristics used by a small employer carrier to determine premium rates for health benefit plans in a class of business (a small employer should not use case characteristics other than age, individual tobacco use, geography or gender without prior approval of the Director); (7-1-98)
- b. A change in the manner or procedures by which insureds are assigned into categories for the purpose of applying a case characteristic to determine premium rates for health benefit plans in a class of business; (1-25-95)
- c. A change in the method of allocating expenses among health benefit plans in a class of business; or (1-25-95)
- d. A change in a rating factor with respect to any case characteristic if the change would produce a change in premium for any small employer that exceeds ten percent (10%). (1-25-95)
- e. For the purpose of Subsection 036.04, a change in a rating factor shall mean the cumulative change with respect to such factor considered over a twelve (12) month period. If a small employer carrier changes rating factors with respect to more than one case characteristic in a twelve (12) month period, the carrier shall consider the cumulative effect of all such changes in applying the ten percent (10%) test. (1-25-95)

05. Rate Manual to Specify Case Characteristics and Rate Factors to Be Applied. The rate manual developed pursuant to Subsection 036.01 shall specify the case characteristics and rate factors to be applied by the small employer carrier in establishing premium rates for the class of business. (1-25-95)

06. Case Characteristics Shall Be Applied in a Uniform Manner. A small employer carrier shall use the same case characteristics as defined in Section 41-4706(1)(h), Idaho Code, in establishing premium rates for each health benefit plan in a class of business and shall apply them in the same manner in establishing premium rates for each such health benefit plan. Case characteristics shall be applied without regard to the risk characteristics of a small employer. (3-15-02)

07. Rate Manual Must Clearly Illustrate Relationship Among Base Premium Rate and any Difference in New Business Rate. The rate manual developed pursuant to Subsection 036.01 shall clearly illustrate the relationship among the base premium rates charged for each health benefit plan in the class of business. If the new business premium rate is different than the base premium rate for a health benefit plan, the rate manual shall illustrate the difference. (1-25-95)

08. Differences in Premium Rates Must Reflect Reasonable and Objective Differences.

Differences among base premium rates for health benefit plans shall be based solely on the reasonable and objective differences in the design and benefits of the health benefit plans and shall not be based in any way on the actual or expected health status or claims experience of the small employer groups that choose or are expected to choose a particular health benefit plan. A small employer carrier shall apply case characteristics and rate factors within a class of business in a manner that assures that premium differences among health benefit plans for identical small employer groups vary only due to reasonable and objective differences in the design and benefits of the health benefit plans and are not due to the actual or expected health status or claims experience of the small employer groups that choose or are expected to choose a particular health benefit plan. (1-25-95)

09. Premium Rates to be Developed in Two Step Process. The rate manual developed pursuant to Subsection 036.01 shall provide for premium rates to be developed in a two step process. In the first step, a base premium rate shall be developed for the small employer group without regard to any risk characteristics of the group. In the second step, the resulting base premium rate may be adjusted by a risk load, subject to the provisions of Section 41-4706, Idaho Code, to reflect the risk characteristics of the group. (1-25-95)

10. Exception to Application Fee, Underwriter Fee, or Other Fees. Except as provided in Subsection 036.11, a premium charged to a small employer for a health benefit plan shall not include a separate application fee, underwriting fee, or any other separate fee or charge. (3-15-02)

11. Uniform Application of Fees. A carrier may charge a separate fee with respect to a health benefit plan provided the fee is applied in a uniform manner to every health benefit plan in a class of business. All such fees are premium and shall be included in determining compliance with the Act and these Rules. (1-25-95)

12. Uniform Allocation of Administration Expenses. The rate manual developed pursuant to Subsection 036.01 shall describe the method of allocating administrative expenses to the health benefit plans in the class of business for which the manual was developed. (4-5-00)

13. Rate Manual to be Maintained for a Period of Six Years. Each rate manual developed pursuant to Subsection 036.01 shall be maintained by the carrier for a period of six (6) years. Updates and changes to the manual shall be maintained with the manual. (3-15-02)

14. Rate Manual and Practices Must Comply with Guidelines Issued by Director. The rate manual and rating practices of a small employer carrier shall comply with any guidelines issued by the Director. (1-25-95)

15. Application of Restrictions Related to Changes in Premium Rates. The restrictions related to changes in premium rates are set forth in Section 41-4706(1)(c), Idaho Code, and shall be applied as follows: (1-25-95)

a. A small employer carrier shall revise its rate manual each rating period to reflect changes in base premium rates and changes in new business premium rates. (1-25-95)

b. If, for any health benefit plan with respect to any rating period, the percentage change in the new business premium rate is less than or the same as the percentage change in the base premium rate, the change in the new business premium rate shall be deemed to be the change in the base premium rate for the purposes of Sections 41-4706(1)(c)(i), Idaho Code. (3-15-02)

c. If, for any health benefit plan with respect to any rating period, the percentage change in the new business premium rate exceeds the percentage change in the base premium rate, the health benefit plan shall be considered a health benefit plan into which the small employer carrier is no longer enrolling new small employers for the purposes of Sections 41-4706(1)(c)(i), Idaho Code. (3-15-02)

d. If, for any rating period, the change in the new business premium rate for a health benefit plan differs from the change in the new business premium rate for any other health benefit plan in the same class of business by more than twenty percent (20%), the carrier shall make a filing with the Director containing a complete explanation of how the respective changes in new business premium rates were established and the reason for the difference. The filing shall be made within thirty (30) days of the beginning of the rating period. (1-25-95)

e. A small employer carrier shall keep on file for a period of at least six (6) years the calculations used to determine the change in base premium rates and new business premium rates for each health benefit plan for each rating period. (1-25-95)

16. Change in Premium Rate. Except as provided in Subsections 036.17 and 036.18, a change in premium rate for a small employer shall produce a revised premium rate that is no more than the following: (3-15-02)

a. The base premium rate for the small employer, given its present composition, (as shown in the rate manual as revised for the rating period), multiplied by; (1-25-95)

18. Limitations on Revised Premium Rate. Notwithstanding the provisions of Subsections 036.16 and 036.17, a change in premium rate for a small employer shall not produce a revised premium rate that would exceed the limitations on rates provided in Section 41-4706(1)(b), Idaho Code. (3-15-02)

19. Waiver Request for a Taft-Hartley Trust. A representative of a Taft-Hartley trust (including a carrier upon the written request of such a trust) may file a written request with the Director for the waiver of application of the provisions of Section 41-4706(1), Idaho Code, with respect to such trust. (1-25-95)

02. Choice of Health Benefit Plans. A small employer carrier may offer the employees of a small employer the option of choosing among one (1) or more health benefit plans, provided that each eligible employee may choose any of the offered plans. Except as provided in Section 41-4708(3), Idaho Code, (with respect to exclusions for pre-existing conditions), the choice among benefit plans may not be limited, restricted or conditioned based upon the risk characteristics of the eligible employees or their dependents. (3-15-02)

08. Agent Notification to Small Employer Carrier. An agent shall notify a small employer carrier, prior to submitting an application for coverage with the carrier on behalf of a small employer, of any circumstances that would indicate that the small employer has induced or pressured an eligible employee (or dependent of an eligible employee) to decline coverage due to the individual's risk characteristics. (1-25-95)

09. New Entrants. New entrants to a small employer group shall be offered an opportunity to enroll in

The period of continuous coverage shall not include any waiting period for the effective date of the new coverage applied by the employer to all new enrollees under the Employee Benefit Plan. If a small employer carrier has offered more than one health benefit plan to a small employer group pursuant to Subsection 046.02, the new entrant shall be offered the same choice of health benefit plans as the other members of the group. (3-15-02)

10. Small Employer Carrier Shall Not Apply Waiting Period or Similar Limitation. 13. Rescission Employer Misstatements. When material application misstatements are found, rescission action by the carrier shall be taken at the carrier's option against the coverage of an entire small employer (including employees and dependents) and shall be limited to circumstances under which the application misstatements have been made by the small employer. When rescission action is taken, per Section 41-4707(1)(b), Idaho Code, premiums must be refunded less any claims which had been paid prior to the date the rescission was initiated. At the carrier's option, the carrier shall seek to recover any amounts of claims paid in excess of premiums paid. The applicable contract or coverage shall be considered null and void. (4-5-00)

02. Source of Previous or Existing Coverage. A small employer carrier shall ascertain the source of previous or existing coverage of each eligible employee and each dependent of an eligible employee at the time such employee or dependent initially enrolls into the health benefit plan provided by the small employer carrier. The small employer carrier shall have the responsibility to contact the source of such previous or existing coverage to resolve

any questions about the benefits or limitations related to such previous or existing coverage. (1-25-95)

03. Certification of Creditable Coverage. Small employer carriers shall provide written certification of creditable coverage to individuals in accordance with Subsection 060.03. (3-15-02)

(3-15-02)

b. To the extent coverage under a health benefit plan consists of group coverage the plan shall be deemed to have satisfied the certification requirements of Subsection 060.03 if the small employer carrier offering the coverage is required to provide the certificates of creditable coverage to individuals pursuant to an agreement between the plan and the carrier. (3-15-02)

c. A small employer carrier is not required to provide information regarding health benefit plan coverage provided to an individual by another person. (3-15-02)

i. If an individual's coverage under a policy ceases before the individual's coverage under the group health plan ceases, the entity that issued the policy shall provide sufficient information to the small employer carrier, or to another person designated by the carrier, to enable the carrier, or other person, to provide a certificate that reflects the period of coverage under the policy, after the individual's coverage under the group health plan ceases. (3-15-02)

 - vii. The date any waiting period or affiliation period, if applicable, began and the date creditable coverage began; and (3-15-02)
 - viii. The date creditable coverage ended, unless the certificate indicates that the creditable coverage is continuing as of the date of the certificate. (3-15-02)
- g.** Small employer carriers may provide a certificate required to be provided pursuant to Subsection 060.03 by first-class mail, at the participant's last known address. (3-15-02)
