TITLE 01
CHAPTER 62**

18.01.62 - ANNUAL AUDITED FINANCIAL REPORTS

000. LEGAL AUTHORITY.

This rule is promulgated by the Director of Insurance pursuant to the authority provided in Chapter 2, Title 41, Idaho Code and Chapter 52, Title 67, Idaho Code. (7-1-93)

001. TITLE AND SCOPE.

The purpose of this rule is to improve the Idaho Insurance Department's surveillance of the financial condition of insurers by requiring an annual examination by independent certified public accountants of the financial statements reporting the financial position and the results of operations of insurers. Every insurer as defined in Section 004 shall be subject to this rule chapter. Insurers having direct premiums written in this state of less than one million dollars (\$1,000,000) in any calendar year and less than one thousand (1,000) policyholders or certificate holders of directly written policies nationwide at the end of such calendar year shall be exempt from this rule for such year (unless the director makes a specific finding that compliance is necessary for the director to carry out statutory responsibilities) except that insurers having assumed premiums pursuant to contracts and/or treaties of reinsurance of one million dollars (\$1,000,000) or more will not be so exempt. Foreign or alien insurers filing audited financial reports in another state, pursuant to such other state's requirement of audited financial reports which has been found by the director to be substantially similar to the requirements herein, are exempt from this rule if: (7-1-93)

01. Filing of Audited Financial Report, Report on Significant Deficiencies in Internal Controls, and Accountant's Letter of Qualification. A copy of the Audited Financial Report, Report on Significant Deficiencies in Internal Controls, and the Accountant's Letter of Qualifications which are filed with such other state are filed with the Director in accordance with the filing dates specified in Sections 011, 018, and 019 respectively (Canadian insurers may submit accountants' reports as filed with the Canadian Dominion Department of Insurance). (7-1-99)

02. Filing of Notification of Adverse Financial Condition Report. A copy of any Notification of Adverse Financial Condition Report filed with such other state is filed with the director within the time specified in Section 017. This rule chapter shall not prohibit, preclude or in any way limit the Director of Insurance from ordering, conducting and/or performing examinations of insurers pursuant to the provisions of Title 41 of the Idaho Code and the rules and of the Idaho Department of Insurance and the practices and procedures of the Idaho Department of Insurance. (7-1-93)

(5-3-03)

005. -- 010. (RESERVED).

011. FILING AND EXTENSIONS FOR FILING OF ANNUAL AUDITED FINANCIAL REPORTS.

All insurers shall have an annual audit by an independent certified public accountant and shall file an audited financial report with the director on or before June 1 for the year ended December 31 immediately preceding. The Director may require an insurer to file an audited financial report earlier than June 1 with ninety (90) days advance notice to the insurer. Extensions of the June 1 filing date may be granted by the director for thirty (30) day periods upon showing by the insurer and its independent certified public accountant the reasons for requesting such extension and determination by the director of good cause for an extension. The request for extension must be submitted in writing not less than ten (10) days prior to the due date in sufficient detail to permit the director to make an informed decision with respect to the requested extension. (7-1-98)

012. CONTENTS OF ANNUAL AUDITED FINANCIAL REPORT.

The Annual Audited Financial Report shall report the financial position of the insurer as of the end of the most recent calendar year and the results of its operations, cash flows and changes in capital and surplus for the year then ended in conformity with statutory accounting practices prescribed, or otherwise permitted, by the Department of Insurance of the state of domicile. The annual Audited Financial Report shall include the following: (7-1-93)

- 01. Report of Certified Public Accountant.** Report of independent certified public accountant; (7-1-93)
- 02. Balance Sheet.** Balance sheet reporting admitted assets, liabilities, capital and surplus; (7-1-93)
- 03. Statement of Operations.** Statement of operations; (7-1-93)
- 04. Statement of Cash Flows.** Statement of cash flows; (7-1-93)
- 05. Statement of Changes in Capital and Surplus.** Statement of changes in capital and surplus; (7-1-93)

06. Notes to Financial Statements. These notes shall be those required by the appropriate NAIC Annual Statement Instructions and NAIC Accounting Practices and Procedures Manual. The notes shall also include a reconciliation of differences, if any, between the audited statutory financial statements and the Annual Statement filed pursuant to Section 41-335, Idaho Code, or other applicable section of Idaho Code with a written description of the nature of these differences. (7-1-99)

07. Form of Financial Statements. The financial statements included in the Audited Financial Report shall be prepared in a form and using language and groupings substantially the same as the relevant sections of the Annual Statement of the insurer filed with the director, and the financial statement shall be comparative, presenting the amounts as of December 31 of the current year and the amounts as of the immediately preceding December 31. (However, in the first year in which an insurer is required to file an audited financial report, the comparative data may be omitted.) (7-1-93)

013. DESIGNATION OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANT.

Each insurer required by this Rule to file an annual audited financial report must within sixty (60) days after becoming subject to such requirement, register with the Director in writing the name and address of the independent certified public accountant or accounting firm (generally referred to in this rule as the "accountant") retained to conduct the annual audit set forth in this rule. Insurers not retaining an independent certified public accountant on the effective date of this rule shall register the name and address of their retained certified public accountant not less than six (6) months before the date when the first audited financial report is to be filed. The insurer shall obtain a letter from the accountant, and file a copy with the director stating that the accountant is aware of the provisions of the Insurance Code and the Rules of the Insurance Department of the state of domicile that relate to accounting and financial matters and affirming that he will express his opinion on the financial statements in terms of their

conformity to the statutory accounting practices prescribed or otherwise permitted by that Department, specifying such exceptions as he may believe appropriate. If an accountant who was the accountant for the immediately preceding filed audited financial report is dismissed or resigns the insurer shall within five (5) business days notify the Department of this event. The insurer shall also furnish the director with a separate letter within ten (10) business days of the above notification stating whether in the twenty-four (24) months preceding such event there were any disagreements with the former accountant on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure; which disagreements, if not resolved to the satisfaction of the former accountant, would have caused him to make reference to the subject matter of the disagreement in connection with his opinion. The disagreements required to be reported in response to this Rule include both those resolved to the former accountant's satisfaction and those not resolved to the former accountant's satisfaction. Disagreements contemplated by this section are those that occur at the decision-making level, i.e., between personnel of the insurer responsible for presentation of its financial statements and personnel of the accounting firm responsible for rendering its report. The insurer shall also in writing request such former accountant to furnish a letter addressed to the insurer stating whether the accountant agrees with the statements contained in the insurer's letter and, if not, stating the reasons for which he does not agree; and the insurer shall furnish such responsive letter from the former accountant to the Director together with its own. (7-1-93)

014. QUALIFICATIONS OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANT.

01. In Good Standing. The Director shall not recognize any person or firm as a qualified independent certified public accountant that is not in good standing with the American Institute of CPAs and in all states in which the accountant is licensed to practice, or, for a Canadian or British company, that is not a chartered accountant. (7-1-93)

02. Conformance with Ethical and Professional Standards. Except as otherwise provided herein, the director shall recognize an independent certified public accountant as qualified as long as he or she conforms to the standards of his or her profession, as contained in the Code of Professional Ethics of the American Institute of Certified Public Accountants and Rules and Regulations and Code of Ethics and Rules of Professional Conduct of the Idaho Board of Public Accountancy, or similar code. (5-3-03)

03. Capacity to Render Report for Consecutive Years. No partner or other person responsible for rendering a report may act in the capacity for more than seven (7) consecutive years. Following period of service such person shall be disqualified from acting in that or a similar capacity for the same company or its insurance subsidiaries or affiliates for a period of two (2) years. An insurer may make application to the Director for relief from the above rotation requirement on the basis of unusual circumstances. The Director may consider the following factors in determining if the relief should be granted: (7-1-99)

a. Number of partners, expertise of the partners or the number of insurance clients in the currently registered firm; (7-1-93)

b. Premium volume of the insurer; or (7-1-93)

c. Number of jurisdictions in which the insurer transacts business. The requirements of Subsection 014.03 shall become effective two (2) years after the enactment of this rule chapter. (7-1-93)

04. Grounds for Not Recognizing as Qualified. The director shall not recognize as a qualified independent certified public accountant, nor accept any annual Audited Financial Report, prepared in whole or in part by, any natural person who: (7-1-93)

a. Has been convicted of fraud, bribery, a violation of the Racketeer Influenced and Corrupt Organizations Act, 18 U.S.C. Sections 1961-1968, or any dishonest conduct or practices under federal or state law; (7-1-99)

b. Has been found to have violated the insurance laws of this state with respect to any previous reports submitted under this rule; (5-3-03)

c. Has demonstrated a pattern or practice of failing to detect or disclose material information in

previous reports filed under the provisions of this rule; or (5-3-03)

d. Has either directly or indirectly entered into an agreement of indemnity or release from liability (collectively referred to as indemnification) with respect to the audit of the insurer. (5-3-03)

05. Hearings. The director of Insurance may, as provided in Chapter 52, Title 67 and Chapter 2, Title 41, Idaho Code, hold a hearing to determine whether a certified public accountant is qualified and, considering the evidence presented, may rule that the accountant is not qualified for purposes of expressing his opinion on the financial statements in the annual Audited Financial Report made pursuant to this rule and require the insurer to replace the accountant with another whose relationship with the insurer is qualified within the meaning of this rule chapter. (7-1-93)

06. Delinquency Proceeding. A qualified independent certified public accountant may enter into an agreement with an insurer to have disputes relating to an audit resolved by mediation or arbitration. However, in the event of a delinquency proceeding commenced against the insurer under Title 41, Chapter 33, Idaho Code, the mediation or arbitration provisions shall operate at the option of the statutory successor. (5-3-03)

015. CONSOLIDATED OR COMBINED AUDITS.

An insurer may make written application to the Director for approval to file audited consolidated or combined financial statements in lieu of separate annual audited financial statements if the insurer is part of a group of insurance companies which utilizes a pooling or one hundred percent reinsurance agreement that affects the solvency and integrity of the insurer's reserves and such insurer cedes all of its direct and assumed business to the pool. In such cases, a columnar consolidating or combining worksheet shall be filed with the report, as follows: (7-1-93)

01. Worksheet. Amounts shown on the consolidated or combined Audited Financial Report shall be shown on the worksheet. (7-1-93)

02. Separate Amounts. Amounts for each insurer subject to this section shall be stated separately. (7-1-93)

03. Noninsurance Operations. Noninsurance operations may be shown on the worksheet on a combined or individual basis. (7-1-93)

04. Explanations of Consolidating and Eliminating Entries. Explanations of consolidating and eliminating entries shall be included. (7-1-93)

05. Reconciliation. A reconciliation shall be included of any differences between the amounts shown in the individual insurer columns of the worksheet and comparable amounts shown on the Annual Statement of the insurer. (7-1-93)

016. SCOPE OF AUDIT AND REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANT.

Financial statements furnished pursuant to Section 012 hereof shall be audited by an independent certified public accountant, conducted in accordance with generally accepted auditing standards. Consideration should also be given to such other procedures illustrated in the Financial Condition Examiner's Handbook promulgated by the National Association of Insurance Commissioners as the independent certified public accountant deems necessary. (7-1-93)

017. NOTIFICATION OF ADVERSE FINANCIAL CONDITION.

An insurer required to furnish an annual Audited Financial Report shall require the independent certified public accountant to report, in writing, within five (5) business days to the board of directors or its audit committee any determination by the independent certified public accountant that the insurer has materially misstated its financial condition as reported to the director as of the balance sheet date currently under examination or that the insurer does not meet the minimum capital and surplus requirements of the Idaho Insurance Statute as of that date. An insurer who has received a report pursuant to this paragraph shall forward a copy of the report to the Director within five (5) business days of receipt of such report and shall provide the independent certified public accountant making the report with evidence of the report being furnished to the Director. If the independent certified public accountant fails to receive such evidence within the required five (5) business day period, the independent certified public accountant shall furnish to the Director a copy of its report within the next five (5) business days. No independent public

accountant shall be liable in any manner to any person for any statement made in connection with Section 017 if such statement is made in good faith in compliance with Section 017. If the accountant, subsequent to the date of the Audited Financial Report filed pursuant to this rule, becomes aware of facts which might have affected his report, the Department notes the obligation of the accountant to take action as prescribed in Volume 1, Section AU 561 of the Professional Standards of the American Institute of Certified Public Accountants. (7-1-99)

018. REPORT ON SIGNIFICANT DEFICIENCIES IN INTERNAL CONTROLS.

In addition to the annual audited financial statements, each insurer shall furnish the director with a written report prepared by the accountant describing significant deficiencies in the insurer's internal control structure noted by the accountant during the audit. SAS No. 60, Communication of Internal Control Structure Matters Noted in An Audit (AU Section 325 of the Professional Standards of the American Institute of Certified Public Accountants) requires an accountant to communicate significant deficiencies (known as "reportable conditions") noted during a financial statement audit to the appropriate parties within an entity. A "none" report should be issued if the accountant does not identify significant deficiencies. The Report on Significant Deficiencies in Internal Controls is to be filed with the Audited Financial Report. The insurer is required to provide a description of the remedial actions taken or proposed to correct significant deficiencies, if such actions are not described in the accountant's report. (7-1-99)

019. ACCOUNTANT'S LETTER OF QUALIFICATION.

The accountant shall furnish the insurer in connection with, and for inclusion in, the filing of the annual audited financial report, a letter stating: (7-1-93)

01. Independence. That the accountant is independent with respect to the insurer and conforms to the standards of his or her profession as contained in the Code of Professional Ethics and pronouncements of the American Institute of Certified Public Accountants and the Rules of Professional Conduct of the Idaho Board of Public Accountancy, or similar code. (7-1-93)

02. Background and Experience. The background and experience in general, and the experience in audits of insurers of the staff assigned to the engagement and whether each is an independent certified public accountant. Nothing within this rule shall be construed as prohibiting the accountant from utilizing such staff as he or she deems appropriate where use is consistent with the standards prescribed by generally accepted auditing standards. (7-1-93)

03. Compliance with Rule. That the accountant understands the annual audited financial report and his opinion thereon will be filed in compliance with this rule and that the director will be relying on this information in the monitoring and regulation of the financial position of insurers. (7-1-99)

04. Consent to Requirements of Section 020. That the accountant consents to the requirements of Section 020 of this rule and that the accountant consents and agrees to make available for review by the Director, his designee or his appointed agent, the work papers, as defined in Section 020. (7-1-93)

05. Properly Licensed. A representation that the accountant is properly licensed by an appropriate state licensing authority and is a member in good standing in the American Institute of Certified Public Accountants. (7-1-93)

06. Compliance with Section 014. A representation that the accountant is in compliance with the requirements of Section 014 of this rule. (7-1-93)

020. DEFINITION, AVAILABILITY AND MAINTENANCE OF CPA WORK PAPERS.

Work papers are the records kept by the independent certified public accountant of the procedures followed, the tests performed, the information obtained, and the conclusions reached pertinent to his examination of the financial statements of an insurer. Work papers, accordingly, may include audit planning documentation, work programs, analyses, memoranda, letters of confirmation and representation, abstracts of company documents and schedules or commentaries prepared or obtained by the independent certified public accountant in the course of his examination of the financial statements of an insurer and which support his opinion thereof. Every insurer required to file an Audited Financial Report pursuant to this rule, shall require the accountant to make available for review by the Department examiners, all work papers prepared in the conduct of the accountant's examination and any communications related to the audit between the accountant and the insurer, at the office of the insurer, at the Insurance Department or at any

other reasonable place designated by the director. The insurer shall require that the accountant retain the audit work papers and communications until the Insurance Department has filed a Report on Examination covering the period of the audit but no longer than seven (7) years from the date of the audit report. In the conduct of the aforementioned periodic review by the Department examiners, it shall be agreed that photocopies of pertinent audit work papers may be made and retained by the Department. Such reviews by the Department examiners shall be considered investigations and all working papers and communications obtained during the course of such investigations shall be afforded the same confidentiality as other investigative work papers generated by the Department. (7-1-99)

021. EXEMPTIONS AND EFFECTIVE DATES.

Upon written application of any insurer, the director may grant an exemption from compliance with this rule if the Director finds, upon review of the application, that compliance with this rule would constitute a financial or organizational hardship upon the insurer. An exemption may be granted at any time and from time to time for a specified period or periods. Within ten (10) days from a denial of an insurer's written request for an exemption from this rule chapter, such insurer may request in writing a hearing on its application for an exemption. Such hearing shall be held in accordance with the Rules of the Idaho Department of Insurance pertaining to administrative hearing procedures. Domestic insurers retaining a certified public accountant on the effective date of this rule chapter who qualify as independent shall comply with this rule chapter for the year ending December 31, 1992, and each year thereafter unless the Director permits otherwise. Domestic insurers not retaining a certified public accountant on the effective date of this rule who qualify as independent may meet the following schedule for compliance unless the Director permits otherwise. (7-1-93)

01. Effective Date. As of December 31, 1992, file with the Director: (7-1-93)

a. Report of independent certified public accountant; (7-1-93)

b. Audited balance sheet; (7-1-93)

c. Notes to audited balance sheet. (7-1-93)

02. Effective Date. For the year ended December 31, 1993, and each year thereafter, such insurers shall file with the Director all reports required by this rule. Foreign insurers shall comply with this Rule for the year ending December 31, 1992, and each year thereafter, unless the Director permits otherwise. (7-1-93)

022. CANADIAN AND BRITISH COMPANIES.

01. Annual Audited Financial Report. In the case of Canadian and British insurers, the annual audited financial report shall be defined as the annual statement of total business on the form filed by such companies with their domiciliary supervision authority duly audited by an independent chartered accountant. (7-1-93)

02. Letter Required in Section 013. For such insurers, the letter required in section 013 shall state that the accountant is aware of the requirements relating to the annual audited statement filed with the director pursuant to section 011 and shall affirm that the opinion expressed is in conformity with such requirements. (7-1-93)

023. SEVERABILITY PROVISION.

If any section or portion of a section of this rule chapter or the applicability thereof to any person or circumstances is held invalid by a court, the remainder of the rule chapter or the applicability of such provision to other persons or circumstances shall not be affected thereby. (7-1-99)
