a. Non-refundable Fee. Each application for a lease shall be accompanied by a non-refundable application fee in the amount specified by the Board. (3-13-02)

c. Legal Description on Application. All applications must include a legal description of the land applied on. The Department reserves the right to require an amendment of the legal description of lands identified in a lease application to ensure the parcel is a manageable unit or for any other reason deemed appropriate by the Department. (3-13-02)

It shall be the lessee's responsibility to insure applications are delivered or postmarked by the deadline. (3-13-02)

05. Rental Deposit. (3-13-02)

a. Existing Lessee. An existing lessee is the current lessee of the expiring lease. If the existing lessee is the sole applicant, the existing lessee may submit the rental deposit at the normal due date. If a conflict application is also filed on the expiring lease, and the existing lessee places the highest bid at auction, the existing lessee must deposit, with the Department, the estimated first year's rental for the lease by the conclusion of the auction. (3-13-02)

b. New Applicant. A new applicant is one who submits an application, but does not hold the current lease. All applicants for unleased land are deemed new applicants. New applicants for expiring leases must submit, with the Department, the estimated first year's rental at the time of application. If an applicant for unleased land is the sole applicant, the applicant may submit the rental deposit at the normal billing cycle, unless the time of application and desired time of use do not coincide with the normal billing cycle, in which case payment must be rendered at the direction of the Department. 03. Grazing Restrictions. To restrict or prohibit grazing on all, or portions of, the leased land to accommodate other resource management objectives. The lessee will be given one hundred eighty (180) days written notice, prior to turn out of livestock on the lands leased, of any such restrictions or termination of grazing use together with a map of the restricted area. The Department will work with lessee to find alternate forage sources on endowment lands to minimize the financial impact to the endowment. Annual rental will be adjusted to reflect any utility loss to the lessee from such activities should alternate sources of forage not be found. (3-13-02)

04. Seed Harvest. To harvest seed from plants on land not under a cropland lease. The Department will coordinate harvesting activities with lessee to minimize impacts on livestock operations. 07. Public Access. To exclusively regulate public access on state lands. Grazing or cropland leases will not be considered exclusive use leases as described under Title 36, Chapter 16, Idaho Code. (3-13-02)

08. Water Rights. To all water rights appurtenant to state lands. Lessees may not appropriate any water rights that are appurtenant to state lands, including instream livestock use or stock watering rights. 09. Road Closures. To close roads for road protection, wildlife protection or administrative purposes. Planned road closures will be reviewed with the lessee prior to action. The lessee will have the right of due process when decisions affect the lessee's use of the lease. (3-13-02)

10. Special Leases. To grant special leases upon the lands described in the grazing lease. If the special lease conflicts with the grazing use or makes consumptive use of forages, the grazing rental will be adjusted to reflect such loss of use. (6-14-88)

11. Permanent Improvements. To claim all permanent improvements placed upon the land remaining after six (6) months in cases of abandonment by the lessee or to take possession immediately in cases of cancellation

upon breach of any of the conditions of the lease. No improvements will be disposed of by the Department until all appeals have been exhausted. (3-13-02)

If a lease is terminated due to reclassification, improvement credit will be addressed in accordance with these rules. (3-13-02)

02. Petition. Any party may petition the Department to change the designated primary use of the endowment land. The petition shall detail the reasons such a change would be in the best long-term interest of the endowed institution and shall include an accurate legal description of the petitioned lands. The Department will consider such petition, along with supplementary information the Department deems appropriate, and revise the designation, if it believes such redesignation is in the best interest of the beneficiary institution. During the period a petition for redesignation is under consideration, the designated uses of the endowment land will continue. (3-13-02)

If not reinstated within the time specified the lease may be offered to other parties. (3-13-02)

02. After Cancellation for Other Causes. Leases cancelled for violation of lease terms or for resource damage may be reinstated by the Department provided the former lessee submits a written request for reinstatement and identifies management actions that will address the resource management concerns and mitigate damages that may have occurred, as determined by the Department. (3-13-02)

03. Reinstatement. Leases cancelled for non-payment may be reinstated within one (1) year of cancellation if the lands are still unleased and the lessee pays reinstatement fees, plus back rental and interest. (3-13-02)

Improvement credit may be allowed if the improvement would be of value to anyone who might lease or purchase the land in the future and use it for the purpose for which the land is classified at the time improvements are placed on the land and the Department wants the improvement to remain for management purpose. (3-13-02)

04. Value Only to Lessee. Where improvements are approved, but due to their nature, are not acceptable to receive improvement credit because no value exists for a future lessee, a notation shall be made in the permit, "For lessee's benefit only." If the succeeding lessee or assignee chooses not to purchase the non-creditable improvements, the former lessee will be required to remove them. (3-13-02)

05. Maintenance Costs. Maintenance of improvements will be considered a normal cost of doing business and no improvement credit will be allowed, except that, with prior written approval from the Department, improvement crediting may be allowed for materials used for the maintenance of Department-funded improvements. (3-13-02)

06. Unauthorized Improvements. No credit will be allowed for unauthorized improvements. At the discretion of the Department, the lessee may be required to remove unauthorized improvements. (3-13-02)

07. Cost Sharing. Federal or state cost-share amounts shall not be included in the allowable improvement credit. (3-13-02)

102. VALUATION OF IMPROVEMENTS.

Credited improvements will be valued on the basis of replacement cost, including lessee provided labor, equipment and materials, less depreciation based on loss of utility. Improvements cannot be appraised higher than current market value, regardless of lessee's cost. Any improvement amortization or cost limitations identified by the Department will be considered in determining a final value. (3-19-07)

01. Applicant Review of Department Improvement Credit Valuation. All applicants for a conflicted lease will be provided a copy of the Department's improvement credit valuation for review and a notice of objection form. Any applicant objecting to the appraisal will have twenty-one (21) days from the date of the valuation mailing to submit the notice of objection form to the Department. If no objections are received during the twenty-one (21) day review period, the lease auction will be scheduled and will proceed using the Department's improvement credit valuation. (3-19-07)

02. Failure to File a Timely Notice of Objection. Failure to submit a notice of objection within the specified twenty-one (21) day period will preclude any applicant from further administrative remedies and the auction will proceed using the Department's improvement credit valuation. (3-19-07)

03. Notice of Objection. Any applicant objecting to the Department improvement credit valuation must submit a complete and timely notice of objection form, and payment of two thousand five hundred dollars (2,500) or ten percent (10%) of the total Department improvement credit valuation whichever is greater, to pay for the services of an independent third party. Within five (5) days of receipt of the notice of objection, the Department will notify all applicants in writing that an objection has been received and provide them with a list of certified appraisers. (3-19-07)

04. Selection of an Independent Third Party. The applicants will have twenty-one (21) days from the date of the Department's notification of an objection to select by mutual agreement, one individual from the list of certified appraisers to serve as an independent third party. If the applicants cannot agree on an independent third party within the twenty-one (21) day time period, the Department will randomly select one individual from the list to serve as the independent third party. (3-19-07)

05. Duties of the Independent Third Party. The independent third party will review the Department improvement credit valuation and alternate valuations provided by the applicants. Following this review, the independent third party will select from among the Department valuation and alternate valuations, the one value that (s)he determines is the most accurate value of the improvements. The independent third party will notify the Department of this value in writing. (3-19-07)

06. Notification of Final Improvement Value. Within five (5) days of receiving the independent third party's final determination of improvement credit value, the Department will mail to each applicant an auction notice which shall reference the independent third party's determined value of improvements. The determination by the independent third party of the improvement value will be deemed final, and the appraised value of improvements will not be allowed as a basis for appeal of the auction. (3-19-07)

103. -- 104. (RESERVED).

105. CONFLICT AUCTIONS.

01. Two or More Applicants. When two (2) or more eligible applicants apply to lease the same endowment land that is currently classified for grazing or cropland use, the Department shall hold an auction. (3-13-02)

02. Applicant Notification. At least fourteen (14) days prior to the date of such auction, the Department shall give notice by letter, which notice shall be sent in the course of certified mail to each of the applicants for the lease, notifying them of the time and place such auction is to be held. The notice shall be sent to the name and address as it is given in the application. (3-13-02)

03. Auction Bidding. Each applicant who appears in person or by proxy at the time and place so designated in said notice and bids for the lease shall be deemed to have participated in the auction. A proxy must be authorized by the lease applicant in writing prior to the start of the auction. (3-13-02)

04. Appearance. Failure to appear at a scheduled lease auction or to notify the Department of an intent to withdraw from an auction at least three (3) working days prior to a scheduled auction will result in forfeiture of funds deposited, absent extraordinary circumstances. Any applicant not present or represented to bid at the time and

place specified shall lose all rights or interest in leasing the parcel. (3-13-02)

05. Auction Procedures. The Department shall establish procedures for conducting grazing and cropland lease auctions. (3-13-02)

106. BOARD REVIEW OF AUCTION.
