Staff at the facility must be aware of the location of every juvenile offender assigned to that program at all times. (4-2-08)

08. Nonresidential Absences. Nonresidential programs shall make reasonable efforts to ensure that the juvenile offenders attend their program daily or as otherwise specified in the service implementation plan. This information must be documented in at least monthly progress notes and must be reported in written progress reports every two (2) months. (4-2-08)

263. FACILITY SEARCHES.

01. Periodic Searches. In order to ensure the safety of juvenile offenders, staff, and visitors, periodic facility searches for contraband shall be conducted. The frequency and extent of whole facility and ground searches should be consistent with program policies and can be included during other routine inspections or activities. Searches shall be conducted by staff trained in appropriate search techniques. Searches called by the facility staff do not have to include the entire facility, but can be limited to specific areas or juvenile offenders. Juvenile offenders' belongings shall be disturbed no more than necessary during the search. The search shall be documented in terms of who conducted the search, what areas were searched, and what type of contraband was found, if any. If a search yields contraband, the juvenile services coordinator will be notified and it shall be reported according to the requirements of the department. If necessary, the appropriate law enforcement agency should be notified. (4-2-08)

02. Policies and Procedures Governing Searches. The program shall have policies and procedures for conducting searches of juvenile offenders, staff, visitors, and all areas of the facility in order to control contraband or locate missing property. It is suggested that a sign be posted notifying visitors of the specific policy of the contract provider regarding searches. (4-2-08)

03. Policies and Procedures Governing Consequences. The contract provider shall have written policies and procedures establishing the consequences for juvenile offenders found with contraband. Juvenile offenders should acknowledge, with their signature, that they were informed of what constitutes contraband and also the consequences for its possession. (4-2-08)

04. Visitor Searches. (4-6-05)

a. Prior to visitors being allowed in the facility, they shall be given rules established by the contract provider that govern their visit and advised that they may be subject to a search. They shall sign a statement of receipt of these rules and it shall be placed in the facility's file. Visitors may be required to submit packages, handbags, and briefcases for inspection by trained staff. If there is reason to believe that additional searches are necessary, admission to the facility shall be denied. (4-6-05)

b. All visitor searches shall be documented in the facility log. When contraband is found, a written report shall be completed and submitted to the juvenile services coordinator. If necessary, the appropriate law enforcement agency will be notified. (4-6-05)

264. CONTRABAND DISPOSAL.

All contraband found in the possession of juvenile offenders, visitors, or staff shall be confiscated by staff and secured under lock and key in an area inaccessible to juvenile offenders. Local law enforcement shall be notified in the event illegal drugs, paraphernalia, or weapons are found. It shall be the responsibility of the facility director, in consultation with the department, to dispose of all contraband not confiscated by police. Visitors who bring in items that are unauthorized, but not illegal, will have these items taken and locked in an area inaccessible to the juvenile offenders during the visit. These items will be returned to the visitors upon their exit from the facility. (4-2-08)

265. SEARCHES OF PERSONAL ITEMS.

Routine searches of suitcases or personal items being introduced into the facility will be conducted by facility staff prior to juvenile offenders taking possession of their property, or when the juvenile offender is returning to the facility from an individual community pass. Search of a juvenile offender's belongings may be done at any time and shall be minimally intrusive. All searches shall be documented in the facility log and, if contraband is found, a written incident report must be submitted to the juvenile services coordinator. If necessary, the appropriate law enforcement agency shall be notified. (3-29-10)

266. PAT DOWN SEARCHES AND VISUAL INSPECTIONS FOR CONTRABAND.

01. Necessity. Pat down searches and visual inspections of juvenile offenders may be conducted whenever the contract provider believes it is necessary to discourage the introduction of contraband into the facility, or to promote the safety of staff, juvenile offenders, and visitors. A pat down search or visual inspections may be used when a juvenile offender is returning from a visit, or outside appointment, or activity. (3-29-10)

02. Pat Down Searches. Pat down searches shall be conducted in the manner required by the rules of the Idaho Department of Health and Welfare under IDAPA 16.06.02, "Standards for Child Care Licensing." Pat down searches of juvenile offenders will be conducted by staff of the same gender as the juvenile offender. Pat down searches will be conducted using the quadrant search method that consists of dividing the juvenile's body in four (4) quadrants and conducting a pat down search outside the juvenile's clothing on each quadrant. The staff member must have had appropriate training in conducting pat down searches. (3-29-10)

03. Visual Inspections. Body cavity searches of juveniles will not be performed by staff, interns, or volunteers under any circumstances. Looking into a juvenile's mouth does not constitute a body cavity search. Visual inspections beyond those performed during an initial search using the quadrant method may only be performed by staff with appropriate training. Visual inspection must be based upon a reasonable belief that the juvenile is concealing contraband. (3-29-10)

04. Documentation. All pat down searches and visual inspections shall be documented in the facility log. A written report shall be completed when contraband is found and shall be submitted to the juvenile services coordinator. If necessary, the appropriate law enforcement agency shall be notified. (3-29-10)

267. JUVENILE OFFENDER STRIP SEARCHES PROHIBITED.

Strip searches of juveniles by staff, interns, or volunteers will not be performed under any circumstances. (3-29-10)

268. DRUG SCREENS OF JUVENILE OFFENDERS.

Drug screens may be done randomly or on an as needed basis at the contract provider's expense with the approval of the contract provider's director. A record shall be kept of all drug screens and results. A positive drug screen shall immediately be reported to the juvenile services coordinator supervising the case. (4-2-08)

269. USE OF FORCE OR PHYSICAL RESTRAINTS.

Contract providers, licensed by the Idaho Department of Health and Welfare, must ensure that all terms of the child care licensing rules of the Idaho Department of Health and Welfare are strictly followed. Additionally, licensed and non-licensed contract providers must ensure that: (4-2-08)

01. Minimal Use. Only the minimum level of force necessary to control a juvenile offender's destructive behavior shall be used. (4-2-08)

02. Physical Force. Physical force, at any level, may only be used to prevent injury to the juvenile offender or to others and to prevent serious damage to property or escape. Physical force shall never be used as punishment. (4-2-08)

03. Reporting Requirement. All instances of use of force must be documented in an incident report and submitted according to the terms of Subsection 262.02 and 262.04 of these rules. Incidents of inappropriate use of force must be reported to the Idaho Department of Health and Welfare, or law enforcement as required by law. (3-29-10)

270. DISPOSITION OF REFERRALS FROM THE DEPARTMENT.

A juvenile offender's admission into a program shall be based on an assessment of the juvenile offender's strengths, problems, risks and needs, and on the anticipated ability of the program to reasonably address those issues. Contract providers shall ensure that the juvenile offender and parent or guardian are provided an opportunity to participate in the admission process and related decisions. (4-2-08)

01. Accepting Referral. Upon receipt of a complete referral packet from the department, the contract provider has two (2) business days in which to decide whether to accept or decline the referral. Upon acceptance, the Referral Acceptance/Denial Form, attached to the referral packet, must be completed and signed. By accepting the referral, the contract provider agrees to address the identified treatment goals and the anticipated length of stay. Once the acceptance has occurred, the juvenile offender's transportation will be made. (4-2-08)

02. Declining Referral. Contract providers shall not, without just cause, deny admission to any juvenile offender who meets the specific admission criteria set forth in the program description. If a contract provider denies a referral, the specific reason for denial must be documented on the department's Referral Acceptance/Denial Form and the form returned to the regional referral coordinator. The contract provider shall then shred the referral packet. (4-2-08)

03. Change in Admission Criteria. Any change in the contract provider's admission criteria must be reflected in the admission policy and requires a written amendment to the contract with the department. Temporary exceptions are covered under Section 101, of these rules. (4-6-05)

271. ONGOING TREATMENT AND CASE MANAGEMENT.

Juvenile offenders must always be aware of the status of their progress within the program and what remains to be done to complete the program. Contract providers must assure that the basic norms and expectations of the program are clearly presented to the juvenile offender and that they are understood. Any points, levels or phases that are a fundamental part of a program must be clearly understood by the juvenile offender in the program. Each juvenile offender's progress, or lack of progress, through these levels must be clearly documented and must be related to documented behavior. Recommendations for release from department custody or transfer should be substantiated by a documented pattern of behavioral change over a period of time. Recommendations for transfer to a higher level of custody must be substantiated by a documented lack of progress over time, or by a serious or violent incident which

threatens the safety of others or the stability of the overall program. (3-29-10)

01. Service Implementation Plan. Within thirty (30) calendar days of the juvenile offender's admission into the program, a written service implementation plan must be developed. The service implementation plan must address the specific goals identified in the service plan from the observation and assessment report. The service implementation plan should, at a minimum, address the following areas as indicated by need: (4-2-08)

- a. Health; (4-6-05)
- b. Mental health; (4-6-05)

- g. Independent living; (4-6-05)
- h. Other special needs; (4-2-08)
- i. Progress notes from the initial period of placement in the program; and (4-2-08)
- j. Reintegration plan. (4-2-08)

02. Family Involvement. Each juvenile offender and, to the fullest extent possible, the family should be involved in developing the service implementation plan, and in adjusting that plan throughout the course of commitment. (4-2-08)

03. Department Assessments. Assessments provided by the department shall not be repeated by the contract provider at the time of admission into the program without specific justification provided to the regional clinical supervisor. (4-6-05)

04. Service Implementation Plan Adjustments. The service implementation plan should be adjusted throughout placement with the concurrence of the juvenile services coordinator following communication with the community treatment team. Specifically, the service implementation plan should be adjusted as new needs are identified, as goals are achieved, and as plans for reintegration are finalized. (4-6-05)

05. Progress Notes. Monthly progress notes must be filed recording each juvenile offender's progress toward completing the service implementation plan. (4-2-08)

06. Education Plan. A copy of the juvenile offender's education plan shall be a component of the service implementation plan. This education plan shall include the juvenile offender's course of study (GED, secondary, post-secondary, etc.), long-term educational goals and short-term objectives, and shall comply with all state and federal laws. If the juvenile offender has been identified as eligible to receive services under Section 504 of the federal Rehabilitation Act of 1973 (Section 504) or the federal IDEA, a copy of the IEP, and supporting documentation shall be sent to the department's education manager at the juvenile correctional center in Nampa within ten (10) days from development. The education plan shall be updated and submitted yearly. Written educational progress (report cards) shall be submitted to the department's education manager at the juvenile correctional center in Nampa at the end of each school's grading period, e.g. quarter, semester, trimester, etc. (4-2-08)

a. Contract providers may choose to utilize the department's software program provided by the department for managing special education students' paperwork. (4-2-08)

b. If this option is selected, an e-mail to the education records manager at the juvenile correctional

center in Nampa will be required stating that the required documents have been completed in the software program. It will not be necessary to mail hard copies of the documents. (4-2-08)

07. Progress Report. The progress report should focus on areas of positive change in behavior and attitudes, as well as on the factors required for a successful program completion (progress in community protection, competency development, and accountability). Areas of need that were included in the service implementation plan and identified in Subsection 271.01, of these rules, should also be referenced in the progress report. Each progress report should also note any changes or further development of the reintegration plan and should detail the level of involvement of the parent or guardian in treatment. A written progress report must be submitted to the juvenile services coordinator at least every two (2) months. (4-6-05)

08. Report Distribution. Copies of the progress report shall be distributed by the contract provider to the juvenile offender and the juvenile services coordinator. The juvenile services coordinator will review and forward the progress report to the juvenile probation officer, appropriate court, and parent or guardian, unless the juvenile offender's family has been excluded from treatment by the juvenile services coordinator and the respective clinical supervisor for some well documented reason. (4-2-08)

272. INDIVIDUAL COMMUNITY PASSES.

Prior to granting any individual community pass to a juvenile offender, the contract provider shall contact the juvenile probation officer and the juvenile services coordinator to ensure that neither the court nor the department has placed restrictions on the juvenile offender's pass privileges. All requests for passes must be approved by the juvenile services coordinator. Any pass involving an overnight stay away from the facility, or involving special circumstances such as a sexual victim in the home, requires a written plan detailing supervision and safety measures to be taken, an itinerary for the visit, transportation plan, and must be approved in writing five (5) business days in advance by the juvenile services coordinator. Each time a juvenile offender leaves on and returns from an individual community pass, the contract provider must notify the juvenile correctional center in Nampa of this movement, promptly at the time that the juvenile offender leaves and returns. (3-29-10)

01. Potential Risk to Public Safety. All passes for juvenile offenders assigned to residential facilities should be considered as an integral part of the service implementation plan. However, in all cases, the potential risk to public safety and adequacy of home supervision shall be considered prior to allowing a juvenile offender to return home. It is also important that passes not interfere with the ongoing treatment and supervision needed by juvenile offenders. Contract providers must provide parents or guardians with clearly written guidelines for approved passes, which must be signed by parents or guardians indicating their understanding and willingness to comply with those guidelines. The department's pass form may be used for this purpose. If the department's form is not used, the form signed and agreed to by the individual assuming responsibility for supervision, the pass must contain at least the following information: (4-2-08)

- a.** The juvenile offender's name and date of birth; (4-2-08)
- b.** The name, address and telephone number of the individual assuming responsibility; (4-6-05)
- c.** Authorized days, dates and times for the pass, including the specific date and time of departure and of return; (4-6-05)

- iv. Possession of any kind of firearm or weapon; (4-6-05)
- v. Any violation of the terms of probation; and (4-6-05)
- h.** Specific stipulations about search and drug testing upon return, and the possible consequences for violation of any of the terms of the pass agreement. (4-6-05)

02. Eligibility. A juvenile offender must be in placement a minimum of thirty (30) calendar days to be eligible for any pass. Any exceptions due to extenuating circumstances must be approved by the juvenile services coordinator. (3-29-10)

03. Frequency. Frequency of passes shall be consistent with the terms of the juvenile offender's service implementation plan and contract provider's contract with the department. (4-2-08)

04. Documentation. Documentation of the exact date and time of the juvenile offender's departure from the program for a pass, and return, must be maintained along with complete information about the individual assuming physical custody, transportation, and supervision during the pass. (3-29-10)

273. GROUP ACTIVITIES OFF FACILITY GROUNDS.

An activity plan and itinerary covering activities to be engaged in, when and where the group is going, how they will travel, how long they will stay, and why the activity is being planned must be submitted to the juvenile services coordinator at least five (5) business days prior to the activity. The activity plan must identify the specific risk elements associated with the activity and provide a safety plan for each of those risk elements. Routine, low risk activities within the local community adjacent to the facility do not require prior notice, and are to be conducted at the discretion of and under the responsibility of the contract provider. (4-6-05)

01. Recreational Activities. A pass authorizing the participation of juvenile offenders in outdoor recreational or work activities with an increased risk, such as overnight trips, must be signed by the juvenile services coordinator and juvenile probation officer prior to the activity. Any proposed activity that involves rafting, horseback riding, boating, rappelling, rock climbing, or higher risk activity must also have the prior approval, in writing, of the clinical services administrator. (3-29-10)

02. Staff Requirements. (4-6-05)

a. A basic first aid kit and current Red Cross First Aid Manual will be taken with the group. At least one (1) person certified in first aid and CPR shall accompany the group. (4-6-05)

b. Swimming, boating, or rafting will only be allowed when a staff in attendance has certification in basic rescue and water safety, water safety instruction, or Red Cross life saving. All juvenile offenders involved in boating or rafting activities must wear an approved personal flotation device. (4-2-08)

c. A staff to juvenile offender ratio of one to six (1:6) will be adhered to as a minimum unless there is a reason to require more staff. The risk level of the activity, as well as any physical disabilities, high client irresponsibility, mental deficiencies, or inclusion of groups of juvenile offenders under age twelve (12), are some reasons to consider additional staff. (4-2-08)

d. All participants will be recorded in the activity plan and identified as program clients, staff, or volunteers. The individual staff or volunteer satisfying the above first aid and CPR requirements must be identified in the plan. (4-6-05)

03. Consent Forms. Recreational activities identified as presenting a higher risk require prior written approval in accordance with Subsection 273.01 of these rules. Each juvenile offender must have prior written consent

from a parent or guardian, if available, and the clinical services administrator. Consent shall include: (4-2-08)

- a.** Permission for the juvenile offender's participation; (4-2-08)
- b.** Acknowledgement of planned activities; and (4-6-05)
- c.** Permission for the contract provider to seek or administer necessary medical attention in an emergency. (4-6-05)

04. Consumption. There will be no consumption of alcoholic beverages or illicit drugs by staff or juvenile offenders or volunteers while engaged in any agency-sponsored trip or activity. (4-2-08)

274. ACTIVITY REPORTS.

At the conclusion of each pass or group activity, the contract provider shall determine whether any problems occurred or other significant positive or negative events transpired while the juvenile offender was on pass. This information shall be documented in the juvenile offender's file. Any unusual occurrences shall be reported to the juvenile services coordinator and documented on an incident report. A drug screening urinalysis may be conducted on each returning juvenile offender, at the expense of the contract provider, and the results of that exam reported to the juvenile services coordinator. (4-2-08)

275. OUT-OF-STATE TRAVEL.

When a contract provider is planning an out-of-state trip for any of its juvenile offenders, the facility administrator shall obtain prior written authorization from the regional clinical supervisor or designee. The necessary sequence of action and approval is as follows: (4-2-08)

01. Notification. The contract provider shall notify the juvenile services coordinator in writing two (2) weeks in advance of the scheduled trip with the following: (4-6-05)

02. Prior Approval. The administrator shall obtain all necessary approvals prior to authorizing travel. (4-6-05)

276. PLANNING FOR REINTEGRATION.

Each area of continuing need must be specifically addressed (health, mental health, substance abuse, social skills, other specialized needs). (4-2-08)

01. Programs. Programs must promote continuity in programming and services for juvenile offenders after they leave the program by assuring that essential information is forwarded to those agencies that will be providing services to the juvenile offenders, and working closely with department staff throughout placement to plan for reintegration. (4-2-08)

02. Approval. Reintegration, by release from department custody or transfer, shall not take place without the involvement of the department's assigned juvenile services coordinator, and the approval in writing of the regional clinical supervisor and regional superintendent. (4-6-05)

03. Department Concurrence. Preparation for reintegration of a juvenile offender begins with the initial development of a service plan and is an ongoing process throughout the juvenile offender's program. Criteria for the juvenile offender's release from department custody or transfer shall be explained to him as soon as possible after admission to a program. (4-2-08)

04. Reintegration Plan. Within the first thirty (30) calendar days after a juvenile offender is admitted to a program, a written reintegration plan shall be formulated as one (1) part of the overall service implementation plan. The reintegration plan should include: (4-2-08)

- a. The juvenile offender's anticipated length of stay; (4-2-08)

- d. Reinforcement goals and objectives for parents, guardians, or reintegration workers; (4-6-05)
- e. Recommendation for continuing services, including education, in the home community; (4-6-05)
- f. The prognosis; and (4-6-05)
- g. The current address of the recommended custodian. (4-6-05)

06. Reintegration Staffing. The juvenile services coordinator shall convene a reintegration staffing which will include the juvenile offender's probation officer, the contract provider, the juvenile offender's parent or guardian, an education representative, and the juvenile offender. Based upon the results of that staffing, the department will make the final decision regarding transfer or release from department custody. At a minimum, the reintegration staffing must consider and, to the extent possible, solidify plans to address any ongoing health, mental health, substance abuse, social skills, education, vocation, independent living, and other special needs. (4-2-08)

07. Check-Out Procedures. Prior to the release from department custody or transfer, the contract provider must have completed a Contract Provider Juvenile Check-Out Form supplied by the department. The form shall be dated, signed by the juvenile offender, and forwarded to the juvenile services coordinator on the actual date that the juvenile offender leaves the program. (4-2-08)

- a. The contract provider shall immediately provide the juvenile offender's medication, prescriptions and Medicaid card, if applicable, to the individual or agency authorized to transport the juvenile offender. (4-2-08)

b. If it is not possible to involve the natural parents or guardians, a surrogate parent must be appointed by the agency providing special educational services. This surrogate cannot be the director or other employee of an agency, institution, or community-based residential facility who is involved in providing care or education to a juvenile offender, or an employee of a state agency or agency volunteer, such as caseworker, social worker, or court-appointed special advocate who has

been appointed by the state to provide for the welfare of the student. A surrogate parent is used only for special educational requirements and has no other legal authority. (4-2-08)

c. Contract providers may choose to utilize the department's special education software for managing special education paperwork. If this option is selected, an e-mail to the education records manager at the juvenile correctional center in Nampa will be required stating that the required documents have been completed in the software program. If security or other related concerns are present that may prohibit a juvenile offender's participation in educational programming, an education plan review will be completed and documented in an incident report. If the juvenile offender is eligible for services under the IDEA or Section 504, a Child Study Team will meet to make a determination as to whether or not the behavior is a result of the juvenile offender's handicap. All due process procedures will be followed according to the administrative rules for special education. (4-2-08)

02. Where Refusal Poses Significant Risk. If a juvenile offender refuses a treatment or medication for a condition which poses a significant risk of death or permanent physical impairment, the contract provider shall issue its approval for the immediate administration of the medical treatment or medication in accordance with standard practice. If danger to the juvenile offender is not imminent, the contract provider shall contact the clinical services administrator and notify the department's regional R.N. of the juvenile offender's refusal. (4-2-08)

327. USE OF MEDICATIONS.

A program shall have written policies and procedures governing the use and administration of medication to juvenile offenders. Policies shall conform to all applicable laws and regulations including, but not limited to, those of the Idaho Department of Health and Welfare. If initiating or modifying any medication, the department's regional R.N. must be notified. (4-2-08)

01. Psychotropic Medication. When psychotropic medication has been prescribed to a juvenile offender by a licensed physician, nurse practitioner, or physician's assistant, the contract provider shall notify the department's regional R.N., the juvenile offender's parent or guardian, the juvenile services coordinator, and the juvenile probation officer within three (3) business days. The notice shall include: (4-2-08)

a. The name of the prescribed medication; and (4-6-05)

b. The name and phone number of the doctor, nurse practitioner, or physician's assistant, who can explain the reason the medication was prescribed and any possible side effects. (4-6-05)

02. Reason for Administering Medication. The contract provider shall have staff available to explain to a parent or guardian, the juvenile services coordinator, and the department's regional R.N., the reason for making a referral to a physician who has prescribed psychotropic medication. The contract provider shall assure that any physician prescribing psychotropic medication is willing to discuss with a parent or guardian and department staff the reason the psychotropic medication was prescribed and the potential side effects of the medication. (4-6-05)

328. SUICIDE PRECAUTIONS.

All contract providers must have a written plan for responding to juvenile offenders who present a risk of suicide. The procedure shall, at a minimum, include a process for determination or assessment of suicidal behavior and risk, a procedure for contacting appropriate health authorities and the department, and a plan of direct supervision of a juvenile offender until a suicide crisis has ended. A suicide risk screening must be completed on every juvenile offender within two (2) hours of admission. (4-2-08)

329. FIRST AID KITS.

Each contract provider shall maintain first aid kits in the manner required by the child care licensing rules of the Idaho Department of Health and Welfare, IDAPA 16.06.02, "Standards for Child Care Licensing." The first aid kits shall be kept locked and shall be placed in areas of the facility readily accessible to staff. (4-6-05)
