**IDAPA 16
TITLE 06
CHAPTER 02**

16.06.02 - RULES GOVERNING STANDARDS FOR CHILD CARE LICENSING

000. LEGAL AUTHORITY.

Under Sections 39-1111, 39-1209, 39-1210, 39-1211, 39-1213, 56-1003, 56-1004A, and 56-1005(8), Idaho Code, the Idaho Legislature authorizes the Department and Board of Health and Welfare to adopt and enforce rules governing standards for licensure or certification of foster homes, children's agencies and children's residential care facilities in Idaho. (7-1-09)

001. TITLE, SCOPE, AND POLICY.

01. Title. The title of this chapter of rules is IDAPA 16.06.02, "Rules Governing Standards for Child Care Licensing." (7-1-09)

02. Scope. These rules establish standards and procedures for the licensure or certification of foster homes, children's agencies, and children's residential care facilities, including non-accredited residential schools, children's camps providing child care in Idaho. These standards apply for any one (1) child for more than nine (9) consecutive weeks in any one (1) year period, children's therapeutic outdoor programs, alcohol-drug abuse treatment facilities and facilities specializing in maternity care to minors, daycare centers and group daycare facilities. Also included are standards and procedures for voluntary compliance for licensing of group daycare facilities and family daycare homes. (7-1-09)

03. Policy. It is the policy of the Department to assure that children of this state receive adequate substitute parental care in the event of absence, temporary or permanent inability of parents to provide care and protection for their children or the parents are seeking alternative twenty-four (24) hour long-term care for their children. This policy is based on the fact that children are vulnerable and not capable of protecting themselves. When parents, for any reason have relinquished their children's care to others, there arises the possibility of certain risks to those children's lives, health and safety which the community as a whole must protect against. This requires the offsetting statutory protection of review and, in certain instances, licensing or registration. (7-1-09)

002. WRITTEN INTERPRETATIONS.

There are no written interpretations of these rules. (3-30-01)

003. ADMINISTRATIVE APPEALS.
