The required PSR-1 shall be submitted on or before the November 1 preceding the beginning of the fiscal year. (7-1-93)

**03. Educational Need.** Eligible postsecondary institutions participating in the educational need, work experience portion of the work study program shall submit to the Office of the State Board of Education, on or before August 1 preceding the beginning of the academic year, requirements for determining educational need, in accordance with Section 33-4405, Idaho Code, and Section 8 of this chapter. (7-1-93)

**102. ALLOCATION OF FUNDS.**

Funds appropriated to the Office of the State Board of Education for the Idaho College Work Study Program shall be allocated to participating institutions based on enrollment data submitted by each institution on the Student Enrollment Form (PSR-1) for the fall semester immediately preceding the fiscal year of participation. The allocation shall be based on the number of full-time equivalent (FTE) students multiplied by a residency factor. The residency factor shall be calculated by dividing the headcount of full-time resident students by the headcount of full-time students. The adjusted number of FTE students for each institution divided by the adjusted total number of FTE students for all participating institutions shall determine the proportion of the appropriation for the Idaho College Work Study Program to be allocated to each institution. (7-1-93)

**104. AUDIT.**

Participating institutions shall agree in advance to submit to regular, periodic audits by the legislative auditor and the internal auditor of the Office of the State Board of Education to ensure compliance with the statutes, rules, and policies governing the Idaho College Work Study Program, including provision of accurate enrollment information. (7-1-93)

**b.** The financial resources of the student, including but not limited to individual or family income, may not be considered in determining eligibility. (7-1-93)
