Such requests for funding will be judged on their specific merits. (3-29-10)

**020. REPETITIVE FUNDING OF PROJECTS.**

The Council may fund repetitive projects. However, applicants should not conclude that a plan will be funded because it has been funded in the past. When a previously funded plan is resubmitted, the applicant should show the return on investment as it relates to ITC program intent. (3-29-10)

**222. GRANT AWARD.**

The audit must be performed by a Certified Public Accountant and submitted to the Department within sixty (60) days following the close of the grant cycle. The Council may also require an audit for grants less than one hundred thousand dollars (\$100,000). Estimated audit costs must be included in the grant application. Audits are exempt from match requirements. (3-29-10)

**224. EXTENSIONS AND AMENDMENTS.**

Extensions and amendments to ITC approved grants are discouraged. However, if the grantee can offer a compelling reason why more time is needed to complete the approved plan, or if a suitable opportunity requiring a change to the scope of work becomes available, an extension of the grant year or amendment to the approved plan or budget may be requested. (3-29-10)

**01. Extensions.** An extension of up to three (3) months may be obtained from the grant manager with the Division of Tourism. However, if the grantee requires additional time to complete approved projects, beyond the

three (3) months, the request will be reviewed by the ITC and must receive a majority vote of the members in order for the extension to be allowed. (3-29-10)

**02. Amendments.** If the scope of any element changes or a budget shift in excess of limits set by the Council in the guidelines is requested, it will be reviewed by the ITC and must receive a majority vote of the members in order for the amendment to be allowed. (3-29-10)

**225. GRANT TERMINATION.**

**01. Plan, Project or Organization Loses Viability.** If at any time a travel and convention promotion plan or project loses its viability, or the organization awarded the grant ceases to actively function, the grant may be terminated. This determination will be made by the ITC, the Division of Tourism staff, and may include the grantee. If such a decision is made, the Department will terminate the plan or project and the funds will be reverted to the regional pool for the next cycle grant awards. (3-29-10)

**02. Conflict of Interest.** If at any time the Council becomes aware of an apparent or potential conflict of interest between a grantee and a private entity which may influence grant funds, the Council may request a meeting with the grantee's representatives. The Council may, at that meeting, terminate the grant if an inappropriate conflict of interest is found. (3-29-10)

**03. Inappropriate Use of Funds.** If at any time the Council becomes aware of a grantee's inappropriate or illegal use of grant funds, or inappropriate request for reimbursement, the Council may request a meeting with the grantee's representatives.
