anticipated expenditures for the fiscal year following the year in which the determination is made will exceed the anticipated tax revenues to be collected from the four cents (\$0.04) base tax rate. (4-9-09)

03. Potato Tax Due Date and Responsible Party. The potato tax is due when potatoes are first handled in the primary channels of trade and must be paid not later than the fifteenth day of the next month. The first person selling or otherwise delivering potatoes into primary channels of trade is responsible for and must pay the full potato tax. However, if the first person is a dealer or shipper handling potatoes grown by another, he may charge back to the person he acquired the potatoes from sixty percent (60%) of the potato tax. The charge back does not reduce the first person's tax liability due to the commission. (4-9-09)
