The value of countable resources must be two thousand dollars (\$2,000) or less, for a single person to be AABD eligible. A married person must have countable resources of three thousand dollars (\$3,000) or less to be eligible for AABD cash. Resources are counted the first moment of each calendar month and apply to the entire month. (7-1-99)

202. CHANGE IN VALUE OF RESOURCES.

A change in the value of resources is counted the first moment of the next month. (7-1-99)

203. RESOURCES AND CHANGE IN MARITAL STATUS.

A change in marital status changes the resource limit. The resource limit change is effective the month after individual participants are married, divorced, separated, or one (1) spouse dies. (7-1-99)

204. FACTORS MAKING PROPERTY A RESOURCE.

Property of any kind is a resource if the participant has an ownership interest in the property and the legal right to spend or convert the property to cash. (7-1-99)

205. COUNTING RESOURCES AND INCOME.

An asset cannot be counted as income and resources in the same month. Assets received in cash or in-kind during a month are income. Income held past the month received is a resource. (7-1-99)

206. TYPES OF RESOURCES.

Liquid resources are resources in cash or resources convertible to cash within twenty (20) working days. Nonliquid resources are any resources, not in the form of cash, which cannot be converted to cash within twenty (20) workdays. (7-1-99)

Equity value is the fair market value of a resource, minus any debts on it. (7-1-99)

Except for checking and savings accounts and time deposits, each owner of shared property owns only his fractional interest in the property. The total value of the property is divided among the owners, in direct proportion to each owner's share. (7-1-99)

209. CONVERSION OR SALE OF A RESOURCE NOT INCOME.

Payment from the sale, exchange, or replacement of a resource is not income. The payment is a resource. (3-15-02)

210. RESOURCES EXCLUDED BY FEDERAL LAW.

A resource excluded by federal law is not counted in determining the resource amount available to the participant. (3-29-10)

211. -- 214. (RESERVED)

215. DEEMING RESOURCES.

Resources are deemed from a spouse to a participant, from a parent or spouse of a parent to a child participant, from an essential person to a participant, or from a sponsor to a legal non-citizen participant. Resource deeming is determined by the participant's circumstances the first moment of the month. Deeming starts the first full calendar month the participant is in a deeming situation. Deeming ends the first full calendar month the participant is not in a deeming situation. Deeming to a child ends the month after the child's eighteenth birthday. (7-1-99)

01. Spouse of Adult Participant. When a participant lives with a spouse, his resources include those of the spouse. The resource limit is for a couple, when the spouse was a member of the household as of the first moment of the benefit month. The AABD resource exclusions are subtracted. Pension funds the ineligible spouse has on deposit are excluded. (7-1-99)

02. Resources of Parent(s) of Child Under Age Eighteen. When a child participant, under age eighteen (18), is living with his parent or the spouse of his parent, their resources are deemed to the child. When there is more than one (1) child participant in the household, deemed parental resources are divided equally among the child AABD cash participants. When the child lives with one (1) parent, resources over the single person resource limit are deemed to the child. When the child lives with both parents, resources over the couple limit are deemed to the child. A stepparent's resources are not deemed to the child for Medicaid eligibility. A stepparent's resources are deemed to the child for AABD cash. Resources and exclusions of the child participant, and the parents, are computed separately. Pension funds owned by an ineligible parent or parent's spouse are excluded from resources for deeming. (4-5-00)

03. Resources of Essential Person of Participant. When a participant lives with an essential person,

the resources of the essential person are deemed to the participant. The essential person's countable resources are combined with the participant's countable resources. When the essential person is not the participant's spouse, the single person resource limit is used. When the essential person is the participant's ineligible spouse, the couple resource limit is used. (7-1-99)

04. Resources of Legal Non-Citizen's Sponsor -- No INS Form I-864 Signed. A legal non-citizen's resources include those of his sponsor and of the sponsor's spouse. When the sponsor has not signed an I-864 affidavit of support, the resources deeming period is three (3) years after the legal non-citizen's admission to the U.S. A sponsor's resources are not deemed to the legal non-citizen for Medicaid eligibility. (3-15-02)

a. If the sponsor does not have a spouse living with him, the sponsor's countable resources over the single person resource limit are deemed to the legal non-citizen participant. (7-1-99)

b. If the sponsor's spouse lives with him, the sponsor couple's resources over the couple resource limit are deemed to the legal non-citizen participant. (7-1-99)

c. If a person sponsors two (2) or more legal non-citizen participants, the sponsor's deemed resources are divided and deemed equally to the legal non-citizen participants. (7-1-99)

05. Resources of Legal Non-Citizen's Sponsor -- INS Form I-864 Signed. For a legal non-citizen admitted to the U.S. on or after August 22, 1996, whose sponsor has signed an INS Form I-864 affidavit of support, all resources of the sponsor and sponsor's spouse are deemed to the legal non-citizen for AABD cash and Medicaid eligibility. Exceptions are listed in Subsections 215.05.a. and 215.05.b. of these rules. (3-15-02)

a. The legal non-citizen, or the legal non-citizen child's parent, was battered or subjected to extreme cruelty in the U.S. There is a substantial connection between the battery and the participant's need for assistance. The person subjected to the battery or cruelty no longer lives with the person responsible for the battery or cruelty. (3-15-02)

b. Alien sponsor deeming is suspended for twelve (12) months, if the legal non-citizen is not able to get food and shelter without AABD cash. (3-15-02)

216. HOUSEHOLD FOR RESOURCE COMPUTATIONS. A participant living in an institution is not a household for resource computations. (7-1-99)

218. -- 221. (RESERVED)

222. VEHICLES. Vehicles are excluded as resources as described in Subsection 222.01 of these rules. If more than one (1) vehicle is owned, the exclusion applies in the best way for the participant. (4-11-06)

01. One Vehicle Excluded. One (1) vehicle is excluded, regardless of value. (4-11-06)

02. Other Vehicles Not Excluded. The equity value of a vehicle not excluded under Subsection 222.01 of these rules is a resource. (4-11-06)

223. BURIAL FUNDS EXCLUDED FROM RESOURCE LIMIT. Burial funds up to one thousand five hundred dollars (\$1,500) per person, set aside for the burial expenses of the participant or spouse, are excluded from resources. To be excluded, burial funds must be kept separate from assets not burial related. A burial contract that can be revoked or sold, without significant hardship, is a resource. Any portion of the contract for the purchase of burial spaces is excluded from resources. A burial contract that cannot be revoked, and cannot be sold without significant hardship, is not a resource. The burial fund portion of the contract counts against the one thousand five hundred dollar (\$1,500) burial funds exclusion. The burial space portion of the contract

does not count against the burial funds exclusion. Interest earned on excluded burial funds is also excluded. (3-15-02)

01. Life Insurance Policy as Burial Funds. The participant can designate a countable life insurance policy as a burial fund. The face value of excluded life insurance policies on the participant counts against the burial funds exclusion. (7-1-99)

02. Face Value of Burial Insurance Policies Not Counted. The face value of burial insurance policies does not count toward the one thousand five hundred dollar (\$1,500) life insurance limit, when computing the total face value of life insurance policies owned by a participant. Interest on excluded burial funds does not count toward the one thousand five hundred dollar (\$1,500) burial funds exclusion. (7-1-99)

03. Effective Date of Burial Funds Exclusion. The exclusion is effective the month after the month the funds were set aside. Burial funds can be designated retroactively, back to the first day of the month the participant intended the funds to be set aside. The participant must confirm the designation in writing. (7-1-99)

04. Penalty for Misusing Burial Funds. If the participant does not get SSI, burial funds used for another purpose lose the exclusion. An overpayment must be recovered. If the participant gets SSI, and is penalized by SSA because he used excluded burial funds for another purpose, his AABD payment must not be increased to compensate the SSA penalty. (7-1-99)

224. BURIAL SPACE OR PLOT EXCLUSION.

A burial space is a burial plot, grave site, crypt, mausoleum, casket, urn, niche, or other repository normally used for the deceased's remains. A burial space, or burial space purchase agreement, held for the burial of the participant, spouse, or other member of his immediate family is an excluded resource. (7-1-99)

01. Burial Space Contract. The burial space contract must list all burial spaces and include a value for each space or the total value of all the spaces. The contract must not require further payment after the contract is signed. (7-1-99)

02. Space Held by Ineligibles Excluded. A space held by an ineligible spouse or parent, for the burial of a participant, spouse, and any member of the participant's immediate family, is excluded. A space held by a legal non-citizen sponsor, or essential person, for his own burial is excluded only if the sponsor is a member of the participant's immediate family. (7-1-99)

225. -- 231. (RESERVED)

234. PERSONAL PROPERTY DEFINITION.

235. EXCLUDED HOUSEHOLD GOODS AND PERSONAL EFFECTS.

Household goods and personal effects are excluded from resources, regardless of their dollar value. (4-11-06)

236. (RESERVED)

237. REAL PROPERTY DEFINITION.

Real property is land, including buildings or immovable objects attached permanently to the land. Real property is a

resource unless excluded.

(7-1-99)

238. HOME AS RESOURCE.

An individual's home is property he owns, and serves as his principal place of residence. His principal place of residence is the place he considers his principal home. If the individual is absent from his home, it is still his principal place of residence if he intends to return.

(3-30-07)

01. AABD Cash, and Medicaid With the Exception of Long-Term Care. For AABD Cash and Medicaid with the exception of long-term care, the value of an individual's home is an excluded resource. (3-30-07)

02. Long-Term Care Services. For long-term care services, when the value of a participant's equity in the home is seven hundred fifty thousand dollars (\$750,000) or less, the home is excluded as a resource. When the equity value exceeds seven hundred fifty thousand dollars (\$750,000), the individual is ineligible for long-term care services. The equity value, regardless of the amount, is an excluded resource when one (1) of the following applies:

(3-30-07)

a. The spouse of the individual lives in the home; or

(3-30-07)

b. The individual's child, who is under age twenty-one (21), or is blind, or meets the disability requirements for AABD cash, lives in the home.

(3-30-07)

239. SALE OF EXCLUDED HOME AND REPLACEMENT.

If the participant plans to buy another excluded home, proceeds from the sale of a participant's excluded home are excluded resources. Proceeds from the sale of an excluded home must be used to replace the home within three (3) calendar months. Proceeds retained beyond three (3) calendar months are a countable resource.

(7-1-99)

240. REPLACEMENT OF EXCLUDED RESOURCES.

Cash and in-kind payments for replacement or repair of lost, damaged, or stolen excluded resources, are excluded resources for nine (9) months from the date received. This exclusion can be extended for cash payments, up to an additional nine (9) months. The extension can be made if, for the first nine (9) months, circumstances beyond the participant's control prevent repair or replacement of the lost, damaged or stolen property and keep the participant from contracting for repair or replacement. This exclusion can be extended for twelve (12) more months for a catastrophe the President declares a major disaster. Interest earned by funds excluded under this provision is excluded from resources.

(7-1-99)

241. UNDUE HARDSHIP EXCLUSION FROM SALE OF JOINTLY-OWNED REAL PROPERTY.

A participant's ownership interest, in jointly-owned real property, is an excluded resource, as long as sale of the property will cause undue hardship to a co-owner. Undue hardship results if a co-owner uses the property as his principal place of residence, would have to move if the property were sold, and has no other readily available housing.

(7-1-99)

242. INDIAN PROPERTY EXCLUDED.

For the purposes of determining eligibility for an individual who is an Indian, the following property is excluded:

(3-29-10)

01. Property. Real property and improvements located on a reservation, including any federally recognized Indian Tribe's reservation, pueblo, or colony, and Indian allotments on or near a reservation as designated and approved by the Bureau of Indian Affairs.

Ownership interests in or usage rights to property not covered by Subsections 242.01 or 242.02 of this rule that have a unique religious, spiritual, traditional, or cultural significance or rights that support subsistence or traditional lifestyle according to applicable tribal law or custom.

(3-29-10)

243. RESOURCES ASSOCIATED WITH PROPERTY.

Resources associated with real property are mineral rights, timber rights, easements, leaseholds, water rights, remainder interests, and sale of natural resources. These resources are counted as real property. (7-1-99)

244. RESOURCES ESSENTIAL FOR SELF-SUPPORT EXCLUDED.

Resources are excluded as essential to self-support, if they fall into one (1) of the categories described in Subsections 244.01 through 244.03. (7-1-99)

01. Essential Property in Current Use. Property in current use in the type of activity that qualifies it as essential to self-support is excluded, regardless of value or rate of return. Trade or business property, government permits, and personal property used by an employee for work are excluded regardless of value or rate of return. If the property is not in current use, for reasons beyond the participant's control, there must be a reasonable expectation the required use will resume. If the participant does not intend to resume the self-support activity, the property is a countable resource for the month after the month of last use. (7-1-99)

02. Nonbusiness Property Producing Goods or Services. Up to six thousand dollars (\$6,000) of the equity value of nonbusiness property, used to produce goods or services essential to daily activities, is excluded regardless of rate of return. Equity value over six thousand dollars (\$6,000) is not excluded. This exclusion is not used for income producing property. (7-1-99)

03. Nonbusiness Income Producing Property. Up to six thousand dollars (\$6,000) equity in nonbusiness income producing property is excluded if it produces at least a six percent (6%) rate of return. The property must produce a net annual return equal to at least six percent (6%) of the excluded equity. If a participant owns more than one (1) piece of income producing property, the six percent (6%) return requirement applies to each. The six thousand dollars (\$6,000) equity value limit applies to the total equity value of all the properties meeting the six percent (6%) return requirement. If the earnings decline is for reasons beyond the participant's control, up to twenty-four (24) months can be allowed for the property to resume producing a six percent (6%) return. If the property still is not producing a six percent (6%) return at the end of the twenty-four (24) month extension, the resource exclusion must end the month after the month the twenty-four (24) month period ends. (7-1-99)

245. RESOURCES SET ASIDE AS PART OF A PLAN FOR ACHIEVING SELF-SUPPORT (PASS) EXCLUDED.

PASS allows blind and disabled participants to set aside income and resources necessary for the achievement of its goals. Resources set aside as part of an approved PASS are excluded. The PASS disregard must not be applied to resources unless the participant would be ineligible due to excess resources. To disregard resources, the PASS must show how resources the participant has or will receive under the plan, will be used to obtain the PASS goal. The PASS must show how the disregarded resources will be identified separately from the participant's other resources. The PASS must list items or activities requiring savings or purchases and the amounts the participant anticipates saving or spending. The PASS must show a specific target date to achieve the objective. (7-1-99)

246. LIMITED AWARD TO CHILD WITH LIFE-THREATENING CONDITION.

A CCRC or life care community is a type of long-term care facility that offers varying levels of care and in which a resident contracts with the facility to obtain care that is intended to endure for the remainder of the resident's life in exchange for valuable consideration. (3-30-07)

278. TRUSTS.

A trust is a resource to a participant with the legal right to revoke the trust, and use the principal for his own support and maintenance. See Sections 838 through 873 in these rules for treatment of trusts for Medicaid. (7-1-99)

279. RETIREMENT FUNDS.

Retirement funds are annuities or work-related plans for providing income or pensions when employment ends. A retirement fund, owned by a participant, is a resource if he has the option of withdrawing a lump sum, even though he is not yet eligible for periodic retirement payments. If the participant is eligible for periodic retirement payments, the fund is not a countable resource. The value of a retirement fund is the amount of money a participant can currently withdraw from the fund. (7-1-99)

280. INHERITANCE.

An inheritance is cash, a right, including probate allowances, trust payments and annuities, or noncash items received as the result of someone's death. Cash or noncash items in an inheritance are income the month received and a resource the next month. Participants are required to make claims and take all reasonable action necessary to obtain any inheritance to which they may be entitled. Failure to make such claims or take reasonable steps to obtain an inheritance is an asset transfer. A contested inheritance is not counted as a resource until the contest is settled and money is distributed. (3-30-07)

281. LIFE INSURANCE.

A life insurance policy is an excluded resource if its face value, plus the face value of all other life insurance policies the participant owns on the same insured person, totals one thousand five hundred dollars (\$1,500) or less. If the face values exceed one thousand five hundred dollars (\$1,500) the policies are a resource in the amount of the cash

surrender value.

(7-1-99)

282. CONSERVATORSHIP.

Funds required to be made available for the care and maintenance of a participant, under a court order, are the participant's resource. This is true even if the participant or his agent is required to petition the court to withdraw funds for the participant's care.

(7-1-99)

283. CONDITIONAL BENEFITS.

A participant ineligible due solely to excess nonliquid resources, can receive AABD cash and related Medicaid. The participant must meet two (2) conditions. First, his countable liquid resources must not exceed three (3) times the participant's AABD cash budgeted needs. Second, the participant agrees, in writing, to sell excess nonliquid resources at their fair market value, within three (3) months. The value of excess real property is not counted as a resource, as long as the participant makes reasonable efforts to sell the property at its fair market value, and his reasonable efforts to sell are not successful. This exclusion is also used to compute deemed resources.

(7-1-99)

01. Conditional Benefits Payments Disposal/Exclusion Period. The disposal period and exclusion period for excess nonliquid resources begins on the date the participant signs the Agreement to Sell Property. The disposal and exclusion periods can begin earlier for a participant who met all requirements to receive conditional benefits before his first opportunity to sign the Agreement to Sell Property. The participant must sign the Agreement to Sell Property before his application is approved.

(7-1-99)

02. Time Period for Disposal of Excess Resources. The disposal period for excess nonliquid personal property is three (3) months. One (1) three (3) month extension, for sale of personal property, is allowed when good cause exists.

(7-1-99)

03. Good Cause for Not Making Efforts to Sell Excess Property. The participant has good cause exists for not making efforts to sell property, when circumstances beyond his control prevent his taking the required actions. Without good cause, the participants' countable resources include the value of the excess property, retroactive to the beginning of the conditional benefits period.

(7-1-99)

284. RESOURCE TRANSFER FOR LESS THAN FAIR MARKET VALUE.

Starting November 1, 2000, AABD cash participants are subject to a period of ineligibility if they transfer resources for less than fair market value. The participant is not subject to a period of ineligibility if his total countable resources in the transfer month were under two thousand dollars (\$2,000), even if he had kept the transferred resources. Excluded resources, except for the excluded home and associated property, are not subject to the resource transfer period of ineligibility. The exceptions to the period of ineligibility for transfer of resources are listed in Section 292.

(3-15-02)

01. Transfer of Resources. Transfer of resources includes reducing or eliminating the participant's ownership or control of the resource. Transfer of resources includes giving away cash resources without receiving fair market value.

(3-15-02)

02. Transfer of Resources by a Spouse. A transfer by the participant's spouse of either spouse's resources subjects the participant to the resource transfer period of ineligibility.

(3-15-02)

03. Transfer of Resources by a Co-Owner. Transfer of the participant's resources by a co-owner subjects the participant to a period of ineligibility based on his share of the co-owed resources.

(3-15-02)

04. Transfer of Resources by a Legal Representative. Transfer of the participant's resources by a legal representative such as a legal guardian or parent of a minor child subjects the participant to a period of ineligibility.

(3-15-02)

285. AABD PERIOD OF INELIGIBILITY FOR RESOURCE TRANSFERS.

The resource transfer period of ineligibility is a period of AABD ineligibility for up to sixty (60) months. The period of ineligibility begins the first day of the month after the transfer month. The participant must be notified, in writing, at least ten (10) days before a resource transfer period of ineligibility is imposed.

(3-30-07)

286. RESOURCE TRANSFER LOOK-BACK PERIOD.

The resource transfer penalty applies to any transfer for less than fair market value made during a period preceding a request for cash assistance. The look-back period is determined as follows: (3-30-07)

01. Transfers Prior to February 8, 2006. For any resource transferred prior to February 8, 2006, the look-back period is thirty-six (36) months. The look-back period is counted from the month prior to the month the application was submitted. (3-30-07)

02. Transfers On or After February 8, 2006. Any resource transferred on or after February 8, 2006, regardless of type, is subject to a look-back period of sixty (60) months. The look-back period is counted from the date of the application for cash, or the date of the transfer, whichever is later in time. (3-30-07)

287. CALCULATING THE PERIOD OF INELIGIBILITY FOR RESOURCE TRANSFERS.

The period of ineligibility is the number of months computed by dividing the difference between the fair market value of the resource and the amount the participant received for the resource by the full AABD allowances for the participant's living arrangement. For an applicant, use the full AABD allowance for the application month. For a participant, use the full AABD allowances for the transfer month. For an AABD couple, the period of ineligibility is computed by dividing the difference between the fair market value of the resource and the amount the participant received for the resource by the full AABD allowances for the couple's living arrangement. The number of months of ineligibility is computed to two (2) decimal places and rounded down to the nearest whole number. If the amount transferred is less than the participant's AABD allowances for one (1) month, the participant is not subject to a period of ineligibility. (3-15-02)

288. LENGTH OF PERIOD OF INELIGIBILITY.

The period of ineligibility begins with the month after the month the transfer took place. The period of ineligibility continues whether or not the participant receives AABD. Ineligibility continues until all the resources are returned to the participant or spouse, adequate consideration for all the resources is received, sixty (60) months passes, or the penalty period ends. (3-30-07)

289. SPOUSE APPLIES AFTER PERIOD OF INELIGIBILITY IS COMPUTED.

If the spouse applies after the period of ineligibility is computed, compute the spouse's period of ineligibility by multiplying the number of months in the period of ineligibility already expired by the full AABD allowances for the couple's living arrangement. Subtract the total from the original difference between the fair market value of the resource and the amount the participant received for the resource. Divide the remaining difference between the fair market value of the resource and the amount the participant received for the resource by the full AABD allowances for the couple's living arrangement for the first month of ineligibility. (3-15-02)

290. MULTIPLE RESOURCE TRANSFERS.

If the participant makes more than one (1) resource transfer, the difference between the fair market value of all the transferred resource's and the amount the participant received for all the transferred resources is used to determine the length of the period of ineligibility. The period of ineligibility begins with the month after the month of the first transfer. (3-15-02)

291. TRANSFERS TO TRUSTS.

A trust established from the participant's resources is a resource transfer for less than fair market value, unless it meets an exception in Section 292 of these rules. If the trust includes resources of another person, the resource transfer period of ineligibility applies to the participant's share of the trust. (3-15-02)

01. Payment from Trust Not for Participant. If a payment is made to another individual from a trust counted as a resource, and the payment is not for the benefit of the participant, the payment is a resource transfer for less than fair market value. (3-15-02)

02. Payment from Trust Restricted. If the participant takes action so no payment from a trust counted as a resource can be made for any reason, the trust is a resource transfer for less than fair market value. By taking the action, the participant causes the trust to be no longer counted as a resource and the participant is subject to the period of ineligibility. The date of the action restricting payment is the date of the transfer. (3-15-02)

292. PERIOD OF INELIGIBILITY EXCEPTIONS.

A participant or spouse is not subject to the resource transfer period of ineligibility if one (1) of the following conditions is satisfied. (3-15-02)

- 01. Home to Spouse.** Title to the home is transferred solely to the spouse. (3-15-02)
- 02. Home to Minor Child or Disabled Adult Child.** Title to the home is transferred to the child of the participant or spouse. The child must be under age twenty-one (21), blind or totally disabled under Social Security and SSI rules in 20 CFR Part 416. (3-15-02)
- 03. Home to Brother or Sister.** Title to the home is transferred to a brother or sister of the participant or spouse who must have had an equity interest or life estate in the transferred home and was residing in that home for at least one (1) year immediately before the month the home was transferred. (3-15-02)
- 04. Home to Adult Child.** Title to the home was transferred to a son or daughter of the participant or spouse, other than a child under the age of twenty-one (21). The son or daughter must have resided in that home for at least two (2) years immediately before the month the participant entered a medical facility or long-term care. The son or daughter must have provided care to the participant, which permitted him to live at home rather than enter a medical facility or long-term care. (3-15-02)
- 05. Benefit of Spouse.** Resources, other than the home, were transferred to the participant's spouse or to another person for the sole benefit of the spouse. (3-15-02)
- 06. Transfer from Spouse.** The resources were transferred from the participant's spouse to another person for the sole benefit of the participant's spouse. (3-15-02)
- 07. Transfer to Child.** The resources were transferred to the participant's child or to a trust established solely for the benefit of the participant's child. The child must be blind or totally disabled under Social Security and SSI rules in 20 CFR Part 416. The child may be any age. (3-15-02)
- 08. Transfer to Trust for Person Under Sixty-Five.** The resources were transferred to a trust for the sole benefit of a person under age sixty-five (65), blind or totally disabled under Social Security and SSI rules in 20 CFR Part 416. The person must be blind or totally disabled under Social Security and SSI rules in 20 CFR Part 416. (3-15-02)
- 09. Transfer to a Trust That Is a Countable Resource.** The resources were transferred to a trust and the trust is a countable resource for AABD in the amount of the transfer. (3-15-02)
- 10. Intent to Receive Fair Market Value.** The participant or spouse proves he intended to dispose of the resources at fair market value or for other adequate consideration, but can prove good cause for not doing so. (3-15-02)
- 11. Resources Returned.** All resources transferred for less than fair market value have been returned to the participant. (3-15-02)
- 12. No AABD Purpose.** The participant or spouse proves the resources were transferred exclusively for a purpose other than qualifying for AABD. Purposes other than qualifying for AABD include: (3-15-02)
 - a.** After the resource transfer the participant has a traumatic onset of disability. (3-15-02)
 - b.** After the resource transfer a previously unknown disabling condition is diagnosed. (3-15-02)
 - c.** After the resource transfer the participant has an unexpected loss of income or resources resulting in eligibility for AABD. (3-15-02)
 - d.** The resource was excludable in the transfer month. (3-15-02)

e. The transfer of resources was court-ordered, provided the participant did not petition the court to order the transfer. (3-15-02)

f. The participant took a vow of poverty and gave the resources to a religious order. (3-15-02)

13. Undue Hardship. The participant proves failure to receive AABD would deprive him of food or shelter and his total available funds, including income and liquid resources, are less than his AABD allowances for the month he claims undue hardship. Undue hardship must be proven for each month of the period of ineligibility. When determining total available funds for a child, count any income and resources deemed from his parents. (3-15-02)

14. Exception to Fair Market Value. The amount received is reasonable, even if less than fair market value if a forced sale was done under reasonable circumstances, and little or no market demand exists for the type of resource transferred, or the resource was transferred to settle a legal debt approximately equal to the fair market value of the transferred resource. (3-15-02)

15. No Benefit to Participant. The participant received no benefit from the resource because he or the spouse held title to the property only as a trustee for another person, or the transfer was done to clear title to property and the participant or spouse had no interest in the property that would benefit him. (3-15-02)

16. Fraud Victim. The resource was transferred because the participant or spouse was the victim of fraud, misrepresentation, or coercion. The participant or spouse must take all possible steps to recover the resources or property or its equivalent in damages. The participant must assign recovery rights to the state of Idaho. (3-15-02)

293. EFFECT ON MEDICAID ELIGIBILITY.

Ineligibility for AABD cash because of property transfer does not make the participant ineligible for Medicaid. (3-15-02)

294. -- 299. (RESERVED)

300. INCOME DEFINITION.

Income is anything that can be used to meet needs for food, or shelter. Income is cash, wages, pensions, in-kind payments, inheritances, gifts, awards, rent, dividends, interest, or royalties the participant receives during a month. (4-11-06)

01. Cash Income. Cash income is currency, checks, money orders, or electronic funds transfers. Cash income includes Social Security checks, unemployment checks, and payroll checks. (7-1-99)

02. In-Kind Income. In-kind income is not cash. In-kind income is food or shelter. Wages paid as in-kind earnings, such as food or shelter, are counted as unearned income. Other in-kind income is not counted. (4-11-06)

03. Inheritances. An inheritance is cash, a right, or noncash items received as the result of someone's death. Cash or noncash items in an inheritance are income the month received and a resource the next month. A contested inheritance is not counted as income until the contest is settled and money is distributed. (7-1-99)

301. APPLICATION FOR POTENTIAL BENEFITS.

The participant must apply for benefits, including RSDI, VA, pensions, Workman's Compensation, or Unemployment Insurance, when there is potential eligibility. The participant must apply when he reaches the earliest age to qualify for the benefit. (7-1-99)

01. SSI. To get AABD cash, the participant must apply for SSI benefits, if he is potentially eligible. To get AABD-Medicaid, the participant does not have to apply for SSI benefits. (7-1-99)

02. VAIP. Participants entitled to a VA pension as of December 31, 1978 are not required to file for Veterans Administration Improved Pension Plan (VAIP), to get AABD cash or AABD-related Medicaid. (7-1-99)

03. Other Benefits. EITC, TAFI, BIA General Assistance and victim's compensation benefits are exempt from the filing requirement. (7-1-99)

302. RELATIONSHIP OF INCOME TO RESOURCES.

Income is counted as income in the current month. If the participant keeps countable income after the month received, it is counted as a resource. (7-1-99)

303. WHEN INCOME IS COUNTED.

Income is counted the earliest of when received, when credited to a participant's account, or when set aside for the participant's use. Income from SSA, SSI or VA is counted for the month it is intended to cover. (7-1-99)

304. PROSPECTIVE ELIGIBILITY.

Eligibility for AABD cash and Medicaid is prospective. Expected income for the month is compared to the participant's income limit that month. See Section 612 for patient liability income rules. (7-1-99)

305. PROJECTING MONTHLY INCOME.

Income is projected for each month to determine AABD cash amount. Past income may be used to project future income. Expected changes must be considered. Income received less often than monthly is not prorated or converted. Patient liability income is not prorated or converted. (7-1-99)

306. CRITERIA FOR PROJECTING MONTHLY INCOME.

Monthly income is projected as described in this Subsections 306.01 through 306.08. (7-1-99)

01. Converting Income to a Monthly Amount. If a full month's income is expected, but is received on other than a monthly basis, convert the income to a monthly amount using one (1) of the formulas in Subsections 306.01.a. through 306.01.d.

TABLE 306.01 MONTHLY CONVERSION OF INCOME		
	Conversion	Procedure
a.	Weekly to Monthly	Multiply weekly amounts by 4.3.
b.	Biweekly to Monthly	Multiplying bi-weekly amounts by 2.15.
c.	Semimonthly to Monthly	Multiplying semi-monthly amounts by 2.
d.	Exact Amount	Use the exact monthly income if it is expected for each month.

(7-1-99)

02. Income Already Received. Count income already received during the month. Convert the actual income to a monthly amount if a full month's income has been received or is expected to be received as described in Subsections 306.02.a. and 306.02.b. (7-1-99)

a. Actual income. If the actual amount of income from any pay period a month is known, use the actual pay period amounts to determine the total month's income. Convert the actual income to a monthly amount if a full month's income has been received or is expected. (7-1-99)

b. Projecting income. If no pay changes are expected, use the known actual pay period amounts for the past thirty (30) days to project future income. Convert the actual income to a monthly amount if a full month's income has been received or is expected. (7-1-99)

03. Expected Income. Count income the participant and the Department believe the participant will get. Convert expected income to a monthly amount as described in Subsections 306.03.a. through 306.03.d. (7-1-99)

a. Exact income unknown. If the exact income amount is uncertain or unknown, the uncertain or unknown portion must not be counted. The certain or known amount is counted. (7-1-99)

b. Income not changed. If the income has not changed and no changes are expected, past income can be used to project future income. (7-1-99)

c. Income changes. If income changes, and income received in the past thirty (30) days does not reflect expected income, income received over a longer period is used to project future income. (7-1-99)

d. Seasonal income changes. If income changes seasonally, income from the last comparable season is used to project future income. (7-1-99)

04. Ongoing Income. Ongoing income comes from an ongoing source. It was received in the past and is expected to be received in the future. Convert ongoing income to a monthly amount as described in Subsections 306.04.a. through 306.04.d. (7-1-99)

a. Full month's income not expected from ongoing source. If a full month's income is not expected from an ongoing source, count the amount of income expected for the month. If actual income is known, use actual income. If actual income is unknown, project expected income. Convert income to a monthly amount. Use zero (0) income for any pay period in which income was not received that month. (7-1-99)

b. Income from new source. If a full month's income from a new source is not expected, count the actual income expected for the month. Do not convert the income to a monthly amount. (7-1-99)

c. Income stops. If income stops and no additional income is expected from the terminated source, count the actual income received during the month. Do not convert the terminated source of income. (7-1-99)

d. Full month's income not expected from new or stopped source. If a full month's income is not expected from a new or terminated source, count the income expected for the month. If the actual income is known, use the known income. If the actual income is unknown, project the income. Do not convert the income to a monthly amount if a full month's income from a new or terminated source is not expected. (7-1-99)

05. Income Paid on Salary. Income paid on salary, rather than an hourly wage, is counted at the expected monthly salary rate. (7-1-99)

06. Income Paid at Hourly Rate. Compute expected income paid on an hourly basis by multiplying the hourly pay by the expected number of hours the participant will work in the pay period. Convert the pay period amount to a monthly basis. (7-1-99)

07. Monthly Income Varies. When monthly income varies each pay period and the rate of pay remains the same, average the income from the past thirty (30) days to determine the average pay period amount. Convert the average pay period amount to a monthly amount. When income changes and income from the past thirty (30) days is not a valid indicator of future income, a longer period of income history is used to project income. (7-1-99)

08. Income Received Less Often Than Monthly. Recurring income, such as quarterly payments or annual income, is counted in the month received, even if the payment is for multiple months. The income is not prorated or converted. If the amount is known, use the actual. If the amount is unknown, use the best information available to project income. (7-1-99)

307. COUNTING RESOURCES AND INCOME.

An asset cannot be counted as income and resources in the same month. Assets received in cash or in-kind during a month are income. Income held past the month received is a resource. (3-15-02)

This is the total earned and unearned income.</p> <p>Subtract the standard disregard of twenty dollars (\$20) from the total unearned income.</p> <p>If the total unearned income is less than twenty dollars (\$20), subtract the remainder from the total earned income.</p> <p>Subtract the earned income disregard of sixty-five dollars (\$65) from the earned income.</p> <p>Subtract one-half of the remaining earned income.</p> <p>Combine the remaining unearned income and the remaining earned income to compute the participant's total countable income.</p> <p>Determine the couple's budgeted needs as if they were an eligible couple.</p> <p>If the participant's countable income, including deemed income, is more than the couple's budgeted needs, the participant is ineligible.</p> <p>If the participant's countable income, including deemed income, is less than the couple's budgeted needs compute the participant's AABD cash.</p>
08. Determine AABD Cash	<p>Subtract the participant's countable and deemed incomes from the couple's budgeted needs, to compute the budget deficit.</p> <p>Compute a second budget deficit, using the participant's income, and the single person budgeted needs.</p> <p>AABD cash is the smaller of the two (2) budget deficits.</p>

453. DEEMING INCOME FROM INELIGIBLE PARENT TO AABD CHILD.

Income is deemed from an ineligible parent, or his ineligible spouse, to a child participant under age eighteen (18) living in the same household. A stepparent's income is deemed to the child for AABD cash, but not Medicaid. The income is deemed as described in Subsections 453.01 through 453.11.

TABLE 453 - INCOME DEEMED FROM INELIGIBLE PARENT	
Step	Procedure
	<p>Compute the living allowance for each ineligible child in the household. The living allowance is the difference between the basic allowance for a person living alone and the basic allowance for a couple. Round up cents to the next dollar. A child receiving public income-maintenance payments does not get a living allowance.</p>
01. Compute Child's Living Allowance	<p>Subtract the child's unearned income from his living allowance. Subtract the child's earned income from any living allowance remaining.</p>
02. Remaining Parental Income	<p>Subtract the remaining living allowance, for each ineligible child in the household, from the ineligible parents unearned income. If any living allowance remains subtract it from the parent's earned income. The parent may have remaining income. Go to Subsection 453.03.</p>
03. Subtract Income Disregard	<p>Subtract one (1) standard twenty dollar (\$20) disregard from the unearned income of the parents. If unearned income is less than twenty dollars (\$20) subtract the balance of the twenty dollars (\$20) from the earned income of the parents.</p>
04. Subtract Earned Income Disregard	<p>Subtract one (1) sixty-five dollar (\$65) earned income disregard from the earned income of the parents. Subtract one-half (1/2) of the remaining balance of the earned income of the parents.</p>
05. Combine Income	<p>Combine any remaining parental earned income with any remaining parental unearned income.</p>
06. Compute Living Allowance for Parent	<p>Compute a living allowance for the ineligible parent. For one (1) parent, the living allowance is the basic allowance for a person living alone. For two (2) parents, the living allowance is the basic allowance for a couple. A parent receiving public income maintenance payments does not get a living allowance.</p>
07. Subtract Living Allowance	<p>Subtract the parent living allowance from the remaining balance of the parent's income. This is the deemed parental income.</p>
08. Divide Deemed Income	<p>If there is more than one (1) child participant in the household, the deemed parental income is divided equally between those children. Each child's share of parental income must only reduce the amount of his AABD cash to zero, when combined with the child's own countable income. Excess deemed parental income, remaining after a child participant's AABD cash is reduced to zero, is divided equally between the other child participants in the household. The excess deemed income is combined with their share of the parental income available for deeming.</p>

TABLE 453 - INCOME DEEMED FROM INELIGIBLE PARENT	
Step	Procedure
09. Subtract Disregard	Subtract the standard twenty dollar (\$20) disregard from each child participant's unearned income, including deemed income. If a child's total unearned income is less than twenty dollars (\$20), subtract the balance of the standard disregard from the child's earned income.
10. Subtract Disregard	Subtract the sixty-five dollar (\$65) earned income disregard and one-half of the balance from each child's own earned income.
11. Combine Income	Combine each child's unearned income with his earned income. If the child's remaining countable income is less than his actual budgeted needs, the child has a budget deficit. If the child is otherwise eligible, his AABD cash is the budget deficit.

(7-1-99)

454. DEEMING INCOME FROM ESSENTIAL PERSON TO PARTICIPANT.

If a participant and an essential person live in the same household, the essential person's income is deemed to the participant. If essential person deeming makes the participant ineligible, do not use essential person deeming. The income is deemed as described in Subsections 454.01 through 454.06.

TABLE 454 - DEEMING FROM ESSENTIAL PERSON TO PARTICIPANTS	
Step	Procedure
01. Compute Income	Compute the total earned and unearned income of the essential person. Subtract income exclusions.
02. Subtract Disregard	Subtract income exclusions and disregards from the participant's income.
03. Add Unearned Income	Add the income from Subsection 454.01 to the participant's unearned income.
04. Add Earned Income	Add the participant's remaining earned income from Subsection 454.02 to the income in Subsection 454.03. This is the participant's countable income.
05. Compute Needs	Compute the participant's budgeted needs, as though the participant and the essential person were an AABD couple.
06. Subtract Income	Subtract participant's income in Subsection 454.04 from his budgeted needs. The difference is the participant's AABD cash.

(7-1-99)

455. DEEMING INCOME FROM INELIGIBLE SPOUSE TO PARTICIPANT AND CHILD PARTICIPANT.

If a participant, his ineligible spouse and their child participant live in the same household, income is deemed from the participant to the child participant. The income is deemed as described in Subsections 455.01 through 455.03.

TABLE 455 - DEEMING FROM INELIGIBLE SPOUSE TO PARTICIPANT AND CHILD PARTICIPANT	
Step	Procedure
01. Compute AABD cash	Use the procedures in Table 452, to determine if the participant is eligible for AABD cash. If the participant is eligible, no income is deemed to the child participant.

TABLE 455 - DEEMING FROM INELIGIBLE SPOUSE TO PARTICIPANT AND CHILD PARTICIPANT	
Step	Procedure
02. Participant Not Eligible	If the participant has too much income, including deemed income, to be eligible for AABD cash, all income over the amount needed to reduce the participant's AABD cash to zero is deemed to the child participant.
03. Divide Deemed Income	If there is more than one (1) child participant in the household, the deemed parental income is divided equally between those children. Each child's share of parental income must only reduce the amount of his AABD cash to zero, when combined with the child's own countable income. Excess deemed parental income, remaining after a child participant's AABD cash is reduced to zero, is divided equally between the other child participants in the household. The excess deemed income is combined with their share of the parental income available for deeming.

e. Participant Couple With Sponsors	If each member of a participant couple has his own sponsor, separate deeming computations are used. The couple's countable income includes the combined deemed incomes.

(7-1-99)

04. Sponsor to Legal Non-Citizen Deeming Procedures. Budget the legal non-citizen's actual needs, as if he is a single person living alone. Subtract the legal non-citizen's own income, less exclusions and disregards. Subtract the couple's income, less exclusions, from their needs. The legal non-citizen, or the legal non-citizen child's parent, was battered or subjected to extreme cruelty in the U.S. There is a substantial connection between the battery and the participant's need for assistance. The person subjected to the battery or cruelty no longer lives with the person responsible for the battery or cruelty. (3-15-02)

02. Indigence. Alien sponsor deeming is suspended for twelve (12) months, if the legal non-citizen is not able to get food and shelter without AABD cash. (3-15-02)

525. -- 530. (RESERVED)

531. COUPLE BUDGETING.

Income of an AABD participant and his participant spouse living in the same household is combined. The twenty dollar (\$20) standard income disregard and the sixty-five dollar (\$65) earned income disregard are subtracted once a month, per couple. Each member of a couple living in an institution must have income budgeted as a single person. A couple living together as of the first day of a month, is counted as living together throughout that month. Budgeting as a couple continues through the month the couple stops living together. For couple budgeting, a household is a home, a rental, another's household, or room and board. (7-1-99)

532. -- 539. (RESERVED)

542. SIXTY-FIVE DOLLAR EARNED INCOME DISREGARD.

Sixty-five dollars (\$65) of earned income in a month are not counted. Subtract the sixty-five dollar (\$65) disregard only once a month from the combined income of a couple in the same household. The sixty-five dollar (\$65) disregard is a work incentive. The participant retains the sixty-five dollar (\$65) disregard for his personal use. (3-15-02)

543. IMPAIRMENT-RELATED WORK EXPENSE (IRWE) DISREGARD.

Impairment-related work expenses are items and services needed and used by a disabled AABD participant to work. The items must be needed because of the participant's impairment. The items may be bought or rented. The cost for impairment-related work expenses is subtracted from the participant's earned income, for eligibility and AABD cash amount. An item disregarded as a blindness work expense, or as part of a PASS, cannot be disregarded as an impairment-related work expense. (7-1-99)

544. ONE-HALF REMAINING EARNED INCOME DISREGARD.

One-half (1/2) of remaining earned income, after the IRWE is subtracted, is not counted. The one-half (1/2) of remaining earned income is a work incentive. The participant retains the one-half (1/2) of remaining earned income for his personal use. (3-15-02)

545. BLINDNESS WORK EXPENSE DISREGARD.

The cost of earning income is subtracted from the earned income of a blind person. The blind person must be under age sixty-five (65). If the blind person is age sixty-five (65) or older, he must receive SSI for blindness, or have received AABD the month before he became sixty-five (65). (7-1-99)

01. Blind Work Expense Limit. Blindness work expenses are subtracted from earned income. The amount subtracted must not exceed the participant's monthly earnings. (7-1-99)

02. No Duplication for Blind Work Expenses. Expenses, subtracted under the impairment-related work expense disregard, cannot be subtracted again under this disregard. (7-1-99)

546. PLAN TO ACHIEVE SELF-SUPPORT (PASS).

A blind or disabled participant, with an approved plan to achieve self-support (PASS), must have income and resources disregarded. Conditions for this disregard are listed in Subsections 546.01 through 546.03. (7-1-99)

01. Under Age Sixty-Five. The participant must be under sixty-five (65), or receive AABD for the blind or disabled during the month of his sixty-fifth birthday. (7-1-99)

02. Approved PASS. A participant receiving SSI must have a PASS approved by SSA. A participant not receiving SSI must have a PASS approved by the Department. (7-1-99)

03. Income Necessary for Self-Support. The income and resources disregarded under the PASS must be necessary for the participant to achieve self-support. (7-1-99)

547. PASS APPROVED BY DEPARTMENT.

A PASS approved by the Department must be in writing. The PASS must contain all the items in Subsections 547.01 through 547.06. (7-1-99)

01. Occupational Objective. The PASS must have a specific occupational objective. (7-1-99)

710. -- 719. (RESERVED)

720. LONG-TERM CARE RESIDENT AND MEDICAID.

A resident of a long-term care facility must meet the AABD eligibility criteria to be eligible for Medicaid. A long-term care facility is a nursing facility, or an intermediate care facility for persons with intellectual disabilities. The need for long-term care is determined using IDAPA 16.03.10, "Medicaid Enhanced Plan Benefits." (3-30-07)

01. Resources of Resident. The resident's resource limit is two thousand dollars (\$2,000). Resources of a married person in long-term care are computed using Federal Spousal Impoverishment rules. Under the SSI method, spouses can use the three thousand dollar (\$3,000) couple resource limit if more advantageous. The couple must have lived in the nursing home, in the same room, for six (6) months. (3-20-04)

02. Medicaid Income Limit of Long-Term Care Resident Thirty Days or More. The monthly income limit for a long-term care facility resident is three (3) times the Federal SSI benefit for a single person. To qualify for this income limit the participant must be, or be likely to remain, in long-term care at least thirty (30) consecutive days. (3-20-04)

03. Medicaid Income Limit of Long-Term Care Resident Less Than Thirty Days. The monthly income limit, for the resident of a long-term care facility for less than thirty (30) consecutive days, is the AABD income limit for the participant's living situation before long-term care. Living situations before long-term care do not include hospital stays. (7-1-99)

04. Income Not Counted. The income listed in Subsections 720.04.a. through 720.04.e. of these rules is not counted to compute Medicaid eligibility for a long-term care facility resident. This income is counted in determining participation in the cost of long-term care. (4-2-08)

a. Income excluded or disregarded, in determining eligibility for AABD cash, is not counted. (3-20-04)

b. The September 1972 RSDI increase is not counted. (3-20-04)

c. Any VA Aid and Attendance allowance, including any increment which is the result of a VA Unusual Medical Expense allowance, is not counted. These allowances are not counted for patient liability, unless the veteran lives in a state operated veterans' home. (3-20-04)

d. RSDI benefit increases, from cost-of-living adjustments (COLA) after April 1977, are not counted if they made the participant lose SSI or AABD cash. The COLA increases after SSI or AABD cash stopped are not counted. (3-20-04)

e. Income paid into an income trust exempt from counting for Medicaid eligibility under Subsection 872.02 of these rules is used for patient liability. Income paid to the trust and not used for patient liability, is subject to the asset transfer penalty. (3-20-04)

721. QUALIFIED LONG-TERM CARE PARTNERSHIP POLICY.

Participants who have received, or are entitled to receive, benefits under a Qualified Long-Term Care Partnership

policy issued in Idaho after November 1, 2006, will have certain resources disregarded as described in Subsections 721.01 and 721.02 of these rules. (4-2-08)

01. Value of the Participant's Resources. The total dollar amount of the insurance benefits paid out for a policy holder of a Qualified Long-Term Care Partnership policy is disregarded in calculating the value of the participant's resources for long-term care Medicaid eligibility. The amount that is disregarded is determined on the effective date of an initial application approval for long-term care Medicaid benefits. (4-2-08)

02. Resource Disregard Excluded From Estate Recovery. The amount of the resources disregarded from a Qualified Long-Term Care Partnership policy under Subsection 721.01 of this rule, is deducted from the assets of the estate for Medicaid estate recovery. (4-2-08)

722. PATIENT LIABILITY.

Patient liability is the participant's income counted toward the cost of long-term care. Patient liability starts the first full calendar month the patient lives in long-term care. (7-1-99)

723. PATIENT LIABILITY FOR PERSON WITH NO COMMUNITY SPOUSE.

For a participant with no community spouse, patient liability is computed as described in Subsections 723.01 through 723.03 of this rule. (5-3-03)

01. Income of Participants in Long-Term Care. For a single participant, or participant whose spouse is also in long-term care and chooses the SSI method of calculating the amount of income and resources, the patient liability is his total income less the deductions in Subsection 723.03 of this rule. (5-3-03)

02. Community Property Income of Long-Term Care Participant with Long-Term Care Spouse. Patient liability income for a participant, whose spouse is also in long-term care, choosing the community property method, is one-half (1/2) his share of the couple's community income, plus his own separate income. The deductions in Table 723.03 are subtracted from his income. (7-1-99)

03. Income of Participant in Facility. A participant residing in the long-term care facility at least one (1) full calendar month, beginning with his most recent admission, must have the deductions in Subsection 723.03 subtracted from his income, after the AABD exclusions are subtracted from the income. Total monthly income includes income paid into an income (Miller) trust that month. The income deductions must be subtracted in the order listed. Remaining income is patient liability. (3-15-02)

a. AABD Income Exclusions. Subtract income excluded in determining eligibility for AABD cash. (7-1-99)

b. Aid and Attendance and UME Allowances. Subtract a VA Aid and Attendance allowance and Unusual Medical Expense (UME) allowance for a veteran or surviving spouse, unless the veteran lives in a state operated veterans' home. (3-30-01)

c. SSI Payment Two (2) Months. Subtract the SSI payment for a participant entitled to receive SSI at his at-home rate for up to two (2) months, while temporarily in a long-term care facility. (7-1-99)

d. AABD Payment. Subtract the AABD payment, and income used to compute the AABD payment, for a participant paid continued AABD payments up to three (3) months in long-term care. (7-1-99)

e. First Ninety (\$90) Dollars of VA Pension. Subtract the first ninety (\$90) dollars of a VA pension for a veteran in a private long-term care facility or a State Veterans Nursing Home. (5-3-03)

f. Personal Needs. Subtract forty dollars (\$40) for the participant's personal needs. For a veteran or surviving spouse in a private long-term care facility or a State Veterans Nursing Home the first ninety (\$90) dollars of VA pension substitutes for the forty dollar (\$40) personal needs deduction. (5-3-03)

g. Employed and Sheltered Workshop Activity Personal Needs. For an employed participant or participant engaged in sheltered workshop or work activity center activities, subtract the lower of the personal needs

deduction of two hundred dollars (\$200) or his gross earned income. The participant's total personal needs allowance must not exceed two hundred and thirty dollars (\$230). For a veteran or surviving spouse with sheltered workshop or earned income, and a protected VA pension, the total must not exceed two hundred dollars (\$200). This is a deduction only. No actual payment can be made to provide for personal needs. (3-30-01)

h. Home Maintenance. Subtract two hundred and twelve dollars (\$212) for home maintenance cost if the participant had an independent living situation, before his admission for long-term care. His physician must certify in writing the participant is likely to return home within six (6) months, after the month of admission to a long-term care facility. This is a deduction only. No actual payment can be made to maintain the participant's home. (7-1-99)

i. Maintenance Need. Subtract a maintenance need deduction for a family member, living in the long-term care participant's home. A family member is claimed, or could be claimed, as a dependent on the Federal Income Tax return of the long-term care participant. The family member must be a minor or dependent child, dependent parent, or dependent sibling of the long-term care participant. The maintenance need deduction is the AFDC payment standard for the dependents, computed according to the AFDC State Plan in effect before July 16, 1996. (7-1-99)

j. Medicare and Health Insurance Premiums. Subtract expenses for Medicare and other health insurance premiums, and deductibles or coinsurance charges, not subject to payment by a third party. Deduction of Medicare Part B premiums is limited to the first two (2) months of Medicaid eligibility. Medicare Part B premiums must not be subtracted, if the participant got SSI or AABD cash the month prior to the month for which patient liability is being computed. (7-1-99)

k. Mandatory Income Taxes. Subtract taxes mandatorily withheld from unearned income for income tax purposes. To qualify for deduction of mandatory taxes, the tax must be withheld from income before the participant receives the income. (7-1-99)

l. Guardian Fees. Subtract court-ordered guardianship fees of the lesser of ten percent (10%) of the monthly benefit handled by the guardian, or twenty-five dollars (\$25). Where the guardian and trustee are the same person, the total deduction for guardian and trust fees must not exceed twenty-five dollars (\$25) monthly. (7-1-99)

m. Trust Fees. Subtract up to twenty-five dollars (\$25) monthly paid to the trustee for administering the participant's trust. (7-1-99)

n. Impairment Related Work Expenses. Subtract impairment-related work expenses for an employed participant who is blind or disabled under AABD criteria. Impairment-related work expenses are purchased or rented items and services, purchased or rented to perform work. The items must be needed because of the participant's impairment. The actual monthly expense of the impairment-related items is subtracted. Expenses must not be averaged. (7-1-99)

o. Income Garnished for Child Support. Subtract income garnished for child support to the extent the expense is not already accounted for in computing the maintenance need standard. (3-30-01)

724. INCOME OWNERSHIP OF PARTICIPANT WITH COMMUNITY SPOUSE.

Income ownership of a long-term care participant with a community spouse is determined before patient liability is computed. The participant's income ownership is counted as shown in Subsections 724.01 through 724.04. (7-1-99)

01. Income Paid in the Name of Spouse. Income paid solely in the name of a spouse, and not paid from a trust, is the separate income of the spouse. (7-1-99)

02. Payment in Name of Both Spouses. Income paid in the names of both the long-term care participant and the community spouse is divided evenly between each spouse. (7-1-99)

03. Payment in Name of Spouse or Spouses and Another Person. Income paid in the names of the participant and/or the community spouse and another person is counted as available to each spouse, in proportion to the spouse's ownership. If payment is made to both spouses, and no proportion of ownership is specified, one-half of

the income is counted to each spouse.

(7-1-99)

04. Payment of Aid and Attendance. In the case of VA Aid and Attendance Allowance paid in the veteran's name, with an increment for the veteran's spouse, the increment is counted to the veteran. (7-1-99)

725. PATIENT LIABILITY FOR PARTICIPANT WITH COMMUNITY SPOUSE.

After income ownership is decided, patient liability is determined using steps in Table 725.

TABLE 725 - INCOME DEDUCTIONS FOR PARTICIPANT IN FACILITY	
Step	Procedure
01. AABD Income Exclusions	Subtract income excluded in determining eligibility for AABD cash.
02. Aid and Attendance and UME Allowances	Subtract a VA Aid and Attendance allowance and Unusual Medical Expense (UME) allowance for a veteran or surviving spouse, unless the veteran lives in a state operated veterans' home.
03. SSI Payment Two (2) Months	Subtract the SSI payment for a participant entitled to receive SSI at his at-home rate for up to two (2) months, while temporarily in a long-term care facility.
04. AABD Cash	Subtract the AABD cash payment and income used to compute AABD cash, for a participant eligible to have his AABD cash continued up to three (3) months, while he is in long-term care.
05. VA Pension	Subtract the first ninety (90%) of the VA pension for a veteran.
06. Personal Needs	Subtract forty dollars (\$40) for the participant's personal needs. Do not allow this deduction for a veteran.
07. Employed and Sheltered Workshop Activity Needs	For an employed participant or participant engaged in sheltered workshop or work activity center activities subtract the lower of two hundred dollars (\$200) or his earned income.
08. Community Spouse Allowance: Step a.	<p>Compute the Community Spouse Allowance (CSA) using Step a. through Step c.</p> <p>Compute the Shelter Adjustment.</p> <p>Add the current Food Stamp Program Standard Utility Allowance to the community spouse's shelter costs.</p> <p>Shelter costs include rent, mortgage principal and interest, homeowner's taxes, insurance, and condominium or cooperative maintenance charges. The Standard Utility Allowance must be reduced by the value of any utilities included in maintenance charges for a condominium or cooperative.</p> <p>Subtract the Shelter Standard from the shelter and utilities. The Shelter Standard is thirty percent (30%) of one hundred fifty percent (150%) of one-twelfth (1/12) of the income official poverty line defined by the Federal Office of Management and Budget (OMB) for a family of two (2) persons.</p> <p>The Shelter Adjustment is the positive balance remaining.</p>

TABLE 725 - INCOME DEDUCTIONS FOR PARTICIPANT IN FACILITY	
Step	Procedure
09. Community Spouse Allowance: Step b.	<p>Compute the Community Spouse Need Standard (CSNS). Add the Shelter Adjustment to the minimum CSNS. The minimum CSNS equals one hundred fifty percent (150%) of one-twelfth (1/12) of the income official poverty line defined by the OMB for a family unit of two (2) members. The minimum CSNS is revised annually in July. The total CSNS may not exceed the maximum CSNS. The maximum CSNS is computed by multiplying one thousand five hundred dollars (\$1,500) by the percentage increase in the consumer price index for all urban Consumers (all items; U.S. city average) between September 1988 and the September before the current calendar year. The maximum CSNS is revised annually in January.</p>
10. Community Spouse Allowance: Step c.	<p>Compute the Community Spouse Allowance. Subtract the community spouse's gross income from the CSNS. The community spouse's income includes income produced by his resources. Round any remaining cents to the next higher dollar. Any positive balance remaining is the CSA. The CSA is subtracted as actually paid to the community spouse, up to the computed maximum. A larger spouse support amount must be used as the CSA, if court-ordered. The CSA ordered by a court is not subject to the CSA limit.</p>
11. Family Member Allowance (FMA)	<p>Compute the family member's gross income. Subtract the family member's gross income from the minimum CSNS. Divide the difference by three (3). Round cents to the next higher dollar.</p> <p>Any remainder is the FMA for that family member. The FMA is allowed, whether or not it is actually paid by the participant.</p> <p>A family member is, or could be claimed, as a dependent on the Federal income tax return of either spouse. The family member must be a minor or dependent child, dependent parent or dependent sibling of either spouse. The family member must live in the community spouse's home.</p>
12. Medicare and Health Insurance Premiums	<p>Subtract expenses for Medicare and other health insurance premiums, and deductibles or coinsurance charges, not subject to payment by a third party. Deduction of Medicare Part B premiums is limited to the first two (2) months of Medicaid eligibility. Do not subtract the Medicare Part B premiums if the participant got SSI or AABD cash the month prior to the month for which patient liability is being computed.</p>
13. Mandatory Income Taxes	<p>Subtract taxes mandatorily withheld from unearned income for income tax purposes. To qualify for deduction of mandatory taxes, the tax must be withheld from income before the participant receives the income.</p>
14. Guardian Fees	<p>Subtract court-ordered guardianship fees of the lesser of ten percent (10%) of the monthly benefit handled by the guardian, or twenty-five dollars (\$25). Where the guardian and trustee are the same person, the total deduction for guardian and trust fees must not exceed twenty-five dollars (\$25) monthly.</p>
15. Trust Fees	<p>Subtract up to twenty-five dollars (\$25) monthly paid to the trustee for administering the participant's trust.</p>

TABLE 725 - INCOME DEDUCTIONS FOR PARTICIPANT IN FACILITY

16. Impairment Related Work Expenses	Subtract impairment-related work expenses for an employed participant who is blind or disabled under AABD criteria. Impairment-related work expenses are purchased or rented items and services, purchased or rented to perform work. The items must be needed because of the participant's impairment. The actual monthly expense of the impairment-related items is subtracted. Expenses must not be averaged.
17. Income Garnisheed for Child Support	Subtract income garnisheed for child support to the extent the expense is not already accounted for in computing the Family Member Allowance.

(5-3-03)

726. PERSONAL NEEDS SUPPLEMENT (PNS).

A nursing home participant may receive a PNS to bring his gross income up to forty dollars (\$40). Gross income is income after exclusions and before disregards. Gross income includes money withheld to recover an AABD overpayment. The PNS is the difference between the participant's gross income and forty dollars (\$40). If not in an even dollar amount, the PNS is rounded up to the next dollar. The participant's income including the PNS must not exceed forty dollars (\$40). (3-15-02)

727. FAIR HEARING ON CSA DECISION.

Either spouse may ask for a fair hearing, to show the community spouse needs a higher CSA. The hearing officer must consider if, due to unusual conditions, using the computed CSA causes significant financial hardship for the community spouse. If the fair hearing decision finds the community spouse needs more income than the CSA, the CSA must include the additional income. (7-1-99)

728. -- 730. (RESERVED)

731. MEDICAID ELIGIBILITY OF MARRIED PERSONS.

There are three (3) methods for Medicaid eligibility of an aged, blind, or disabled married person: The SSI method, the Community Property (CP) method, and the Federal Spousal Impoverishment (FSI) method. The FSI method takes precedence. If the participant is not subject to the FSI method, the CP or SSI methods can be used. (7-1-99)

732. CHOOSING FSI, SSI, OR CP RESOURCE COUNTING METHOD.

Table 732 is used determine the resource counting method for a married person. If an HCBS participant with a spouse at home is not eligible using the FSI method, resources are computed using the SSI/CP method.

735. FEDERAL SPOUSAL IMPOVERISHMENT (FSI) METHOD OF COUNTING INCOME AND RESOURCES OF A COUPLE.

The FSI method must be used to compute income and resources of a married participant, who requires long-term care

as defined in Section 005 of these rules, and who has a community spouse. The participant must have entered long-term care on or after September 30, 1989. Terms used in the FSI method are listed in Subsections 735.01 through 735.05 of this rule. (4-2-08)

01. Long-Term Care Spouse. The long-term care spouse must be in a medical institution or nursing facility, or be an HCBS participant, for thirty (30) consecutive days, or appear likely to meet the thirty (30) days requirement. (7-1-99)

02. Community Spouse. The community spouse is the husband or wife of the long-term care participant. A community spouse is not in long-term care and is not an HCBS participant. (7-1-99)

03. Continuous Period of Long-Term Care. A continuous period of long-term care is a period of residence either in a medical institution with nursing facility services, or at home with HCBS. A continuous period of long-term care is also a combination of institution and personal care services likely to last at least thirty (30) consecutive days. Absence from the institution, or a lapse in HCBS eligibility, of thirty (30) consecutive days breaks continuity. The thirty (30) consecutive days of long-term care must not begin on a day the participant is hospitalized. If the participant is hospitalized after the first day of the thirty (30) consecutive days, the hospital stay does not interrupt the thirty (30) consecutive days. (7-1-99)

04. Start of Continuous Period. The start of a continuous period of long-term care is the first month of long-term care or HCBS. (7-1-99)

05. Nursing Facility Services. Nursing facility services are services at the nursing facility level or the intermediate care for persons with intellectual disabilities level provided in a medical institution. (7-1-99)

736. ASSESSMENT DATE AND COUNTING FSI RESOURCES.

The assessment date is the start date of the first continuous period of long-term care. The Department does a one-time assessment to determine the value of the couple's community and separate resources as of the date of the first continuous period of long-term care. The resource assessment is done at the request of either spouse, after one spouse is in long-term care or meets the level of care for HCBS, whether or not the couple has applied for Medicaid. State laws relating to community property or the division of marital property are not applied in determining the FSI total combined resources of the couple. (4-2-08)

737. TREATMENT OF RESOURCES FOR ASSESSMENT.

The resource rules used in determining eligibility for AABD cash and Medicaid are also used in determining the couple's total combined resources for the FSI resource assessment with the following exceptions: (4-2-08)

01. Resources For Sale. Excess resources offered for sale, are not excluded from the couple's total combined resources for the FSI resource assessment. (3-30-07)

02. Jointly Owned Real Property. Jointly owned real property that is not the principal residence of the participant, is not excluded, if the community spouse is the joint owner. (3-30-07)

03. Long-term Care Partnership Policy. Resources excluded because of a participant's qualified long-term care policy are not excluded for the FSI resource assessment. (4-2-08)

04. Excluded Home. As defined in 42 U.S.C. 1396r-5(c)(5), an excluded home placed in trust retains its exclusion for purposes of the resource assessment. (3-30-07)

738. ONE-HALF SPOUSAL SHARE.

The spousal share is one-half (1/2) of the couple's total combined resources on the assessment date. The spousal share does not change, even if the participant leaves long-term care and then enters long-term care again. The Department must inform the couple of the resources counted in the assessment and the value assigned. The couple must sign the assessment form under penalty of perjury. The signature requirement may be waived for the long-term care spouse if he or his representative says he is unable to sign the resources assessment. A copy of the assessment form must be provided to each spouse when eligibility is determined or when either spouse requests a assessment prior to application. (7-1-99)

739. -- 741. (RESERVED)

742. COMMUNITY SPOUSE RESOURCE ALLOWANCE.

The CSRA protects resources for the community spouse. The CSRA is determined by subtracting the greater of the minimum resource allowance, or the spousal share from the couple's total combined resources as of the first day of the application month. The deduction must not be more than the maximum resource allowance at the time eligibility is determined. (4-11-06)

743. RESOURCE ALLOWANCE LIMITS.

The maximum resource allowance is computed by multiplying sixty thousand dollars (\$60,000) by the percentage increase in the consumer price index for all urban consumers (all items; U.S. city average) between September 1988 and the September before the current calendar year. The minimum resource allowance is computed by multiplying twelve thousand dollars (\$12,000) by the percentage increase in the consumer price index for all urban consumers (all items; U.S. city average) between September 1988 and the September before the current calendar year. If the result is not an even one hundred dollar (\$100) amount, round up to the next one hundred dollars (\$100). The couple's resources exceeding the CSRA are counted for the long-term care spouse. (7-1-99)

744. INCOME COUNTED FIRST FOR CSRA REVISION.

Income is determined prior to determining resources. If the couple's income is more than the minimum CSNS, the CSRA cannot be increased. If the community spouse has less income than the minimum CSNS, the CSRA may be increased as provided in Section 745 of these rules. Couple income is the community spouse's gross income plus the long-term care spouse's income. The long-term care spouse's income is his gross income less the AABD cash income exclusions and his patient liability income deductions, but not the CSA deduction. (4-2-08)

745. UPWARD REVISION OF CSRA.

If the community spouse's income, including income from his CSA and income-producing resources in his CSRA, is less than the minimum CSNS, the CSRA may be increased. The CSRA is increased by enough resources, transferred from the long-term care spouse, to raise the community spouse's income to the minimum CSNS. Resources included in the transfer are presumed to produce income at the treasury rate, whether or not the resources produce income. If the community spouse shows he is making reasonable use of his income and resources, to generate income, the Department may waive the treasury rate requirement. Actual income produced by the resources transferred to the community spouse is used to compute the CSA. A higher CSA can be requested under Section 727 of these rules. If the transferred resources produce more than the treasury rate, the actual income produced is used to determine the additional resources that can be transferred to the community spouse in the CSRA. The long-term care spouse must transfer the resources to the community spouse, or the CSRA is not revised. (4-2-08)

746. RESOURCE TRANSFER ALLOWANCE (RTA).

The resource transfer allowance (RTA) is computed by subtracting the community spouse's resources, at the time of application, from the CSRA. The community spouse must own less than the CSRA to get an RTA. The long term care spouse may transfer the RTA to the community spouse without an asset transfer penalty. If the institutional spouse transfers more than the RTA, the amount of the couple's resources over the CSRA counts as the institutional spouse's resources. After the month a long-term care spouse is determined Medicaid eligible under FSI, resources of the community spouse are not considered available to the him while he remains in long-term care. (7-1-99)

747. PROTECTED PERIOD FOR RTA TRANSFER.

The long-term care spouse has sixty (60) days, from the date his application is approved, to transfer his ownership of the RTA resources to the community spouse. The long-term care spouse must state, in writing, his intent to transfer the RTA resources to the community spouse, within the protected period, before he can be Medicaid eligible. Resources not transferred within the sixty (60) day protected period are available to the long-term care spouse, effective the day he entered the facility. (7-1-99)

748. EXTENSION FOR RTA TRANSFER.

The protected period can be extended beyond sixty (60) days if necessary because of the participant's circumstances. (7-1-99)

749. RESOURCE ELIGIBILITY FOR COMMUNITY SPOUSE.

When the community spouse is a Medicaid participant, the spouse's resources are counted using Medicaid rules. The FSI rules apply only to the long-term care spouse. For the month the couple stopped living together, resources of the community spouse available for his Medicaid eligibility are the resources owned by the couple. (7-1-99)

750. INCOME ELIGIBILITY FOR COMMUNITY SPOUSE.

When the community spouse is a Medicaid participant, the spouse's income is counted using Medicaid rules. The FSI rules apply only to the long-term care spouse. The community spouse may choose between the SSI and CP methods for determining income for Medicaid eligibility. (7-1-99)

751. CHANGE IN CIRCUMSTANCES.

The FSI method of calculating income and resources stops the first full calendar month after a change in circumstances resulting in a couple no longer having a community spouse and a long-term care spouse. (7-1-99)

752. NOTICE AND HEARING.

The Department must tell the participant the CSA, the family member allowance, the CSRA and how it was computed, and RTA. Any hearing requested about the CSRA or the RTA must be held within thirty (30) days of the date of the request for hearing. (7-1-99)

753. -- 760. (RESERVED)

761. CHOICE OF SSI OR CP METHODS.

A married participant, not using FSI, must be furnished a written explanation of SSI and CP income and resource counting methods. The couple chooses the most useful method, based on their circumstances. The same method must be used for both spouses. (7-1-99)

762. SSI METHOD OF COUNTING INCOME AND RESOURCES OF A COUPLE.

The SSI method is the same method used to count income and resources for AABD cash. Income and resources of the participant and spouse are counted as mutually available. This method must be used for months either spouse gets SSI or AABD cash, or an SSI and/or AABD application is filed and approved. This method must be used for Medicaid eligibility, and liability for the cost of long-term care, whether one (1) or both spouses apply for Medicaid. For long-term care, the couple's income and resources are mutually available when one (1) or both spouses apply during the month they separated, because one (1) or both left their mutual home to enter a long-term care facility. (7-1-99)

763. COMMUNITY PROPERTY (CP) METHOD OF COUNTING INCOME AND RESOURCES OF A COUPLE.

A married participant in long-term care, whose spouse is not in the community, can use the CP method. A married participant using the FSI method, but not income eligible using FSI, may choose the CP method for income eligibility. The CP method must not be used for the FSI participant's resource eligibility or patient liability. (7-1-99)

764. CP METHOD.

The CP method gives each spouse has an equal one-half (1/2) share of the couple's community income and resources. Each spouse also has his or her own separate income and resources. Whether the spouses live together or, if not living together, the length of time they have lived apart, does not change the way income and resources are counted. A spouse's property includes income, personal property and real property. The income and resources of a married couple acquired during the marriage are presumed to be community property of the couple. The couple can give evidence to rebut the presumption that property acquired during the marriage is community property. (7-1-99)

765. TRANSFER OF RIGHTS TO FUTURE INCOME NOT VALID.

An agreement between spouses, transferring or assigning rights to future income from one (1) spouse to the other, is not valid for eligibility for Medicaid. (7-1-99)

766. CP METHOD NEED STANDARD.

The participant is budgeted as a single person if his spouse is not a Medicaid applicant, is not living with him, or was not living with him on the first day of the month. The participant and spouse are budgeted as a couple if they both apply, and live together, or if they were living together on the first day of the month. (7-1-99)

767. CP METHOD RESOURCE LIMIT.

The participant's resource limit is two thousand dollars (\$2,000) if his spouse is not a Medicaid applicant, is not living with him, or was not living with him on the first day of the month. The participant and spouse have a resource limit of three thousand dollars (\$3,000) if they both apply, and live together, or if they were living together on the first day of the month. (7-1-99)

768. CP METHOD INCOME DISREGARDS.

The participant gets the twenty dollar (\$20) standard disregard if his spouse is not a Medicaid applicant, is not living with him, or was not living with him on the first day of the month. If the participant has earned income, he gets the sixty-five dollar plus one-half ($\$65 + 1/2$) of the remainder earned income disregard. The participant and spouse get the standard disregard on their combined unearned income if they both apply, and live together, or if they were living together on the first day of the month. If either spouse has earned income, they get the earned income disregard from their combined earned income. (7-1-99)

769. -- 775. (RESERVED)

776. 1972 RSDI RECIPIENT.

A participant remains eligible if he meets any of the conditions in Subsections 776.01 through 776.03 and all other Medicaid eligibility requirements. (7-1-99)

01. Money Payment in August 1972. In August 1972, the participant was eligible for, or received, a state money payment of OAA, AB, APTD or Aid to Families with Dependent Children (AFDC). (7-1-99)

01. Disability and Blindness Criteria. The grandfathered SSI recipient must have been eligible under the disability criteria for APTD or the blindness criteria for AB in effect on December 31, 1973. For each consecutive month after December 1973, the grandfathered SSI recipient must continue to meet the criteria for disability or blindness. (7-1-99)

02. Eligibility Requirements. The grandfathered SSI recipient must meet all current Medicaid rules, except the criteria for blindness or disability. A long-term care participant must also remain in long-term care, and continue to need long-term care. (7-1-99)

781. RSDI RECIPIENT ENTITLED TO COLA DISREGARD.

A participant receiving RSDI is eligible for Medicaid if he became and remains ineligible for AABD cash or SSI payments after April, 1977. The participant must still be entitled to AABD cash or SSI, except for a cost-of-living adjustment (COLA) in RSDI benefits. All RSDI COLAs received by the participant, and any person whose income and resources are counted in determining the participant's eligibility, are disregarded for Medicaid. (7-1-99)

782. MEDICAID BENEFITS UNDER SECTION 1619(B) OF THE SOCIAL SECURITY ACT.

SSA determines the qualification for eligibility under Section 1619(b). (4-11-06)

02. State-Only Qualified Under SSA Section 1619(b). An AABD cash participant with a disability, who, because of earnings from employment, no longer meets the financial eligibility requirements for AABD cash, may be eligible for Medicaid. 817. -- 830. (RESERVED)

831. ASSET TRANSFER RESULTING IN PENALTY.

Starting August 11, 1993, the participant is subject to a penalty if he transfers his income or resources for less than fair market value. The asset transfer penalty applies to Medicaid services received October 1, 1993 and later. Excluded resources, other than the home and associated property, are not subject to the asset transfer penalty. Asset transfers subject to penalty under these rules may be voided and set aside by court action as provided in Section 56-218, Idaho Code. The asset transfer penalty applies to a Medicaid participant in long-term care or HCBS. A participant in long-term care is a patient in a nursing facility or a patient in a medical institution, requiring and receiving the level of care provided in a nursing facility. (3-30-07)

01. Rebuttable Presumption. Unless a transfer meets the requirements of Section 841 of these rules, it is presumed that the transfer was made for the purpose of qualifying for Medicaid. The asset transfer penalty is applied unless the participant shows that the asset transfer would not have affected his eligibility for Medicaid or the transfer was made for another purpose than qualifying for Medicaid. (4-11-06)

02. Contract for Services Provided by a Relative. A contract for personal services to be furnished to the participant by a relative is presumed to be made for the purpose of qualifying for Medicaid. The asset transfer penalty applies unless the participant shows that: (3-15-02)

a. A written contract for personal services was signed before services were delivered. The contract must require that payment be made after services are rendered. The contract must be dated and the signatures notarized. Either party must be able to terminate the contract; and (3-15-02)

b. The contract must be signed by the participant or a legally authorized representative through a power of attorney, legal guardianship or conservatorship. A representative who signs the contract must not be the provider of the personal care services under the contract; and (3-15-02)

c. Compensation for services rendered must be comparable to rates paid in the open market. (3-15-02)

03. Transfer of Income or Resources. Transfer of income or resources includes reducing or eliminating the participant's ownership or control of the asset. (4-5-00)

04. Transfer of Income or Resources by a Spouse. A transfer by the participant's spouse of either spouse's income or resources, before eligibility is established, subjects the participant to the asset transfer penalty. After the participant's eligibility is established, a transfer by the spouse of the spouse's own income or resources does not subject the participant to the asset transfer penalty. (4-5-00)

05. Transfer of Certain Notes and Loans. Funds used to purchase a promissory note, loan, or mortgage are considered a transferred asset which subjects the participant to a period of ineligibility. The amount of the asset transfer of such note, loan or mortgage is the outstanding balance due on the date of the Medicaid application, unless the note, loan or mortgage meets the following: (3-30-07)

a. Has a repayment term that is actuarially sound; (3-30-07)

b. Provides for payments to be made in equal amounts during the term of the loan with no deferral and no balloon payments; and (3-30-07)

c. Prohibits the cancellation of the balance upon the death of the lender. (3-30-07)

832. MEDICAID PENALTY FOR ASSET TRANSFERS.

The asset transfer penalty is restricted Medicaid coverage. (7-1-99)

01. Restricted Coverage. Restricted coverage means Medicaid will not participate in the cost of nursing facility services. Medicaid will not participate in a level of care in a medical institution equal to nursing facility services. The penalty for a person receiving PCS or community services under the HCBS waiver is ineligibility. (7-1-99)

02. Notice and Exemption. The participant must be notified, in writing, at least ten (10) days before an asset transfer penalty is imposed. (7-1-99)

833. ASSET TRANSFER LOOK-BACK PERIOD.

The asset transfer penalty applies to any transfer for less than fair market value made during a period preceding or following a request for long-term care services. The look-back period is determined as follows: (3-30-07)

01. Transfers Prior to February 8, 2006. For any asset transferred prior to February 8, 2006, the

look-back period is thirty-six (36) months, unless the transfer is to or from a trust. If the transfer is to or from a trust, the look-back period is sixty (60) months. If the person is entitled to Medicaid or HCBS services, the look-back period is counted from the month long-term care or HCBS services began, or would have begun, were it not for a penalty. If the person is not entitled to Medicaid, the look-back period is counted from the month prior to the month the application was submitted. (3-30-07)

02. Transfers On or After February 8, 2006. Any asset transferred on or after February 8, 2006, regardless of type, is subject to a look-back period of sixty (60) months. The look-back period is counted from the date of the application for long-term care or HCBS services or the date of the transfer, whichever is later in time. (3-30-07)

834. PERIOD OF RESTRICTED COVERAGE FOR ASSET TRANSFERS.

The period of restricted coverage is the number of months computed by dividing the net uncompensated value of the transferred asset by the statewide average cost of nursing facility services to private patients. The cost is computed for the time of the participant's most recent request for Medicaid. If the spouse becomes eligible for long-term care Medicaid, the rest of the period of restricted coverage is divided between the participant and spouse. (4-2-08)

835. APPLYING THE PENALTY PERIOD OF RESTRICTED COVERAGE.

Restricted coverage continues until the participant or spouse recovers all the assets, receives fair market value at the time of the transfer for all of the assets, or the period of restricted coverage ends. The penalty continues whether or not the participant is in long-term care. The penalty period for asset transfers is applied as follows: (3-30-07)

01. Penalty Period for Transfer Prior to February 8, 2006. For assets transferred prior to February 8, 2006, there is no penalty if the amount transferred is less than the cost of one (1) month's care. The penalty period begins running the month the transfer took place. The month the transfer took place is counted as one (1) of the penalty months. A penalty period is computed for each transfer. A penalty period must expire before the next begins. Each partial month before the end of consecutive penalty periods is a penalty month. A partial month at the end of consecutive penalty periods is dropped. (3-30-07)

02. Penalty Period for Transfers On or After February 8, 2006. For assets transferred on or after February 8, 2006, the penalty period begins running the first day of the month after the month the transfer took place or the date the individual would have been eligible for long-term care services, if not for the transfer, whichever date is later in time. The value of all asset transfers made during the look-back period is accumulated for the purpose of calculating the penalty. If an additional transfer is discovered after the penalty has been served, a new penalty period begins the month following timely notice of closure of benefits. When a penalty period ends after the first day of the month, eligibility for long-term care services begins the day after the penalty period ends. (3-30-07)

836. MULTIPLE PENALTY PERIODS APPLIED CONSECUTIVELY.

A penalty period is computed for each transfer. One (1) penalty period must expire before the next begins. (3-30-07)

837. LIFE ESTATE AS ASSET TRANSFER.

01. Transfer of a Remainder Interest. When a life estate in real property is retained by an individual, and a remainder interest in the property is transferred during the look-back period for less than the fair market value of the remainder interest transferred, the value of the uncompensated remainder is subject to the asset transfer penalty as described in Sections 831 through 835 of these rules. To compute the value of the life estate remainder, multiply the fair market value of the real property at the time of transfer by the remainder factor for the participant's age at the time of transfer listed in the following table:

02. Transfer of a Life Estate. When a life estate in real property is transferred by an individual during the look-back period for less than fair market value, the value of the life estate is subject to the asset transfer penalty as described in Sections 831 and 835 of these rules. To compute the value of the life estate, multiply the fair market value of the real property at the time of transfer by the life estate factor for the participant's age at the time of transfer listed in the following table:

838. ANNUITY AS ASSET TRANSFER.

Except as provided in this rule, when assets are used to purchase an annuity during the look-back period, it is an asset transfer presumed to be made for the purpose of qualifying for Medicaid. To rebut this presumption, the participant must provide proof that clearly establishes the annuity was not purchased to make the participant eligible for

Medicaid or avoid recovery from the estate following death. Proof is met if the participant shows the annuity meets the requirements described in Subsections 838.02 through 838.05 of this rule. (4-2-08)

01. Revocable Annuity. A revocable annuity is an annuity that can be assigned. The surrender amount of a revocable annuity is a countable resource. (4-2-08)

02. Irrevocable Annuity. The purchase price of an irrevocable, non-assignable annuity is treated as an asset transfer, unless the requirements of Subsections 838.02.a, 838.02.b., 838.03 and 838.04 of this rule are met. (4-2-08)

a. Irrevocable Annuity Life Expectancy Test. The participant's life expectancy, as shown in the following table, must equal or exceed the term of the annuity. Using Table 838.02.a. compare the face value of the annuity to the participant's life expectancy at the purchase time. The annuity meets the life expectancy test if the participant's life expectancy equals or exceeds the term of the annuity. If the exact age is not in the Table, use the next lower age.

(3-30-07)

b. Annual Interest Test. Any annuity is presumed to produce interest, at minimum, that is equal to the treasury rate. (4-2-08)

03. State Named as Beneficiary. The purchase of an annuity is treated as an asset transfer unless the State of Idaho, Medicaid Estate Recovery is named as: (3-30-07)

a. The remainder beneficiary in the first position for at least the total amount of medical assistance paid on behalf of the institutionalized individual under this title; or (4-2-08)

b. The remainder beneficiary in the second position after the community spouse or minor or disabled child and is named in the first position if the community spouse or a representative of the minor or disabled child disposes of any remainder for less than fair market value. (3-30-07)

04. Equal Payment Test. The annuity must provide for payments in equal amounts during the term of the annuity with no deferral and no balloon payments made. (3-30-07)

05. Permitted Annuity. The purchase of an annuity is not treated as an asset transfer if the annuity meets any of the descriptions in Sections 408(b), or 408(q), Internal Revenue Code; or is purchased with proceeds from an account or trust described in Sections 408(a), 408(c), or 408(p), Internal Revenue Code, or is a simplified employee pension as described in Section 408(k), Internal Revenue Code, or is a Roth IRA described in Section 408A, Internal Revenue Code. (3-30-07)

839. TRUSTS AS ASSET TRANSFERS.

A trust established wholly or partly from the participant's assets is an asset transfer. Assets transferred to a trust on or after August 11, 1993 are subject to the asset transfer penalty, regardless of when the trust was established. If the trust includes assets of another person, the asset transfer penalty applies to the participant's share of the trust. (7-1-99)

840. TRANSFER OF JOINTLY-OWNED ASSET.

Transfer of an asset owned jointly by the participant and another person is considered a transfer by the participant. The participant's share of the asset is used to compute the penalty. If the participant and his spouse are joint owners of the transferred asset, the couple's combined ownership is used to compute the penalty. If the spouse becomes eligible for long-term care Medicaid, the rest of the period of restricted coverage is divided between the participant and spouse. (7-1-99)

841. PENALTY EXCEPTIONS FOR ASSET TRANSFERS.

A participant is not subject to the asset transfer penalty for taking any action described in Subsections 841.01 through 841.14 of this rule. (4-2-08)

01. Home to Spouse. The asset transferred was a home. Title to the home was transferred to the spouse. (7-1-99)

02. Home to Minor Child or Disabled Adult Child. The asset transferred was a home. Title to the home was transferred to the child of the participant or spouse. The child must be under age twenty-one (21) or blind or totally disabled under Social Security and SSI rules in 20 CFR Part 416. (7-1-99)

03. Home to Brother or Sister. The asset transferred was a home. Title to the home was transferred to a brother or sister of the participant or spouse. The brother or sister must have an equity interest in the transferred home. The brother or sister must reside in that home for at least one (1) year immediately before the month the participant starts long-term care. (7-1-99)

04. Home to Adult Child. The asset transferred was a home. Title to the home was transferred to a son or daughter of the participant or spouse, other than a child under the age of twenty-one (21). The son or daughter must reside in that home for at least two (2) years immediately before the month the participant started long-term care. The adult child must prove he provided nursing facility level medical care to the participant which permitted him to live at home rather than enter long-term care. The son or daughter must not have received payment from Medicaid for home and community based services provided to the participant. (4-2-08)

05. Benefit of Spouse. The assets were transferred to the participant's spouse or to another person for the sole benefit of the spouse. (7-1-99)

06. Transfer From Spouse. The assets were transferred from the participant's spouse to another person for the sole benefit of the participant's spouse. (7-1-99)

07. Transfer to Child. The assets were transferred to the participant's child, or to a trust established solely for the benefit of the participant's child. The child must be blind or totally disabled under Social Security and SSI rules in 20 CFR Part 416. The child may be any age. (7-1-99)

08. Intent to Get Fair Market Value. The participant or spouse proves he intended to dispose of the assets at fair market value or for other adequate consideration. (7-1-99)

09. Assets Returned. All assets transferred for less than fair market value have been returned to the participant. (7-1-99)

10. Medicaid Qualification Not the Intent. The participant or spouse proves the assets were transferred exclusively for a purpose other than to qualify for Medicaid or to avoid recovery. (3-20-04)

11. Undue Hardship. The participant, his representative, or the facility in which he resides may request the hardship waiver. The hardship waiver must be requested in writing within ten (10) days of the date of the asset transfer penalty notice. Undue hardship exists if any of the conditions in Subsections 841.11.a. through 841.11.d. of this rule apply. (4-2-08)

a. The participant proves he is not able to pay for his nursing facility services or his wavier services by any means. (3-30-07)

b. The participant proves that he has made reasonable efforts, consistent with his physical and financial ability, to recover the transferred asset. The participant must fully cooperate with the state of Idaho in efforts to recover the transferred asset and, upon request, must assign his rights to recover the asset to the State of Idaho. (3-30-07)

c. The participant proves he did not knowingly transfer the asset. (3-30-07)

d. The participant proves he would be deprived of food, clothing, shelter or other necessities of life if the asset transfer penalty is imposed and he assigns his rights to recover the asset to the State of Idaho. (3-30-07)

12. Exception to Fair Market Value. The amount received is adequate, even if not fair market value. This exception must meet one (1) of the conditions in Subsections 841.12.a. through 841.12.c. of this rule. (4-2-08)

a. A forced sale was done under reasonable circumstances. (7-1-99)

b. Little or no market demand exists for the type of asset transferred and the lack of market demand was not created by a voluntary act of the participant to qualify for assistance or to avoid recovery. (4-2-08)

c. The asset was transferred to settle a legal debt approximately equal to the fair market value of the transferred asset. (7-1-99)

13. No Benefit to Participant. The participant received no benefit from the asset. This exception must meet one (1) of the conditions in Subsections 841.13.a. and 841.13.b. of this rule. (4-2-08)

a. The participant or spouse held title to the property only as a trustee for another person. The participant or spouse had no beneficial interest in the property. (7-1-99)

b. The transfer was done to clear title to property. The participant or spouse had no beneficial interest in the property. The defect in the title was not created in an attempt to transfer assets to qualify for assistance or avoid recovery. (3-30-07)

14. Fraud Victim. The asset was transferred because the participant or spouse was the victim of fraud, misrepresentation, or coercion. The participant or spouse must take all possible steps to recover the assets or property, or its equivalent in damages and must assign recovery rights to the state of Idaho. (3-20-04)

842. -- 870. (RESERVED)

871. TREATMENT OF TRUSTS.

These trust treatment rules apply to all Medicaid participants. These rules apply to trusts established with the participant's assets on August 11, 1993 or later, and to amounts placed in trusts on or after August 11, 1993. Section 871 of these rules does not apply to an irrevocable trust if the participant meets the undue hardship exemption in Subsection 841.11 of these rules. Assets transferred to a trust are subject to the asset transfer penalty. Section 871 does not apply to a trust created with assets other than those of the individual, including a trust established by a will. (3-30-07)

01. Revocable Trust. Revocable trusts are treated as listed in Subsections 871.01.a. through 871.01.d. of these rules. A revocable burial trust is not a trust for the purposes of Subsection 871.01 of these rules. (4-11-06)

a. The body (corpus) of a revocable trust is a resource. (7-1-99)

b. Payments from the trust to or for the participant are income. (7-1-99)

c. Any other payments from the trust are an asset transfer, triggering an asset transfer penalty period. (7-1-99)

d. As defined in 42 U.S.C. 1396p(e)(5), the home and adjoining property loses its exclusion for eligibility purposes when transferred to a revocable trust, unless the participant or spouse is the sole beneficiary of the trust. The home is excluded again if removed from the trust. The exclusion restarts the month following the month the home was removed from the trust. (3-30-07)

02. Irrevocable Trust. Irrevocable trusts are treated as listed in Subsections 871.02.a. through 871.02.g. of these rules. (4-11-06)

a. The part of the body of an irrevocable trust, from which corpus or income payments could be made to or for the participant, is a resource. (7-1-99)

b. Payments made to or for the participant are income. (7-1-99)

c. Payments from the trust for any other reason are asset transfers, triggering the asset transfer penalty. (7-1-99)

d. Any part of the trust from which payment cannot be made to, or for the benefit of, the participant under any circumstances, is an asset transfer. (7-1-99)

e. The effective date of the transfer is the date the trust was established, or the date payments to the participant were foreclosed. (7-1-99)

f. The value of the trust, for calculating the transfer penalty, includes any payments made from that portion of the trust after the date the trust was established or payments were foreclosed. (7-1-99)

g. An irrevocable burial trust is not subject to treatment under Subsection 871.02 of these rules, unless funds in the trust can be paid for a purpose other than the participant's funeral and related expenses. The trust can provide that funds not needed for the participant's funeral expenses are available to reimburse Medicaid, or to go to the participant's estate. (4-11-06)

872. EXEMPT TRUSTS.

A trust, created or funded on or after August 11, 1993, is exempt from trust treatment and not subject to the asset

transfer penalty if it meets a condition in Subsections 872.01 through 872.03 of this rule. (4-2-08)

01. Trust for Disabled Person. To be exempt, a trust for a disabled person must meet all the conditions in Subsections 872.01.a. through 872.01.f. of this rule. (4-2-08)

a. The trust contains the assets of a person under age sixty-five (65). (7-1-99)

b. The person is blind or totally disabled under the Social Security and SSI rules in 20 CFR Part 416. (7-1-99)

c. The trust is established for the person's benefit by his parent, grandparent, legal guardian or a court. (7-1-99)

d. The trust is irrevocable. (7-1-99)

e. The trust is exempt until the person reaches age sixty-five (65). After the person reaches age sixty-five (65), additions or augmentations are not exempt from trust treatment. (3-20-04)

f. Upon the person's death, the amount not distributed by the trust must first be paid to the state of Idaho, up to the amount Medicaid has paid on the person's behalf. (3-20-04)

02. Income Trust. To be exempt, an income trust must meet all the conditions in Subsections 872.02.a. through 872.02.e. of this rule. (4-2-08)

a. The trust is established for the sole benefit of a person who would be eligible for Medicaid in long-term care, or eligible for HCBS except for excess income. (3-20-04)

b. Any income, placed directly into an income trust in the same calendar month in which received by the recipient, is not considered income to the individual for determining long-term care Medicaid eligibility. Money paid into the trust is income for patient liability or client participation. (4-2-08)

c. The trust is irrevocable. The trust document may include a clause allowing the trust to be revoked if the participant leaves the nursing facility or HCBS for a reason other than death, and is no longer eligible for Medicaid because of excess income, if Medicaid is reimbursed up to the amount Medicaid has paid on the person's behalf. (3-20-04)

d. Income transferred to the trust must be used to pay patient liability or client participation. If income is not used to pay allowable expenses, it is subject to the asset transfer penalty, unless one (1) of the following exceptions in Subsections 872.02.d.i. through 872.02.d.iii. of this rule applies. (4-2-08)

i. Benefit of the spouse in Subsection 841.05 of these rules; (4-2-08)

ii. Transfer from the spouse in Subsection 841.06 of these rules; or (4-2-08)

iii. Undue hardship in Subsection 841.11 of these rules. (4-2-08)

e. Upon the person's death, the amount not distributed by the trust must first be paid to the state of Idaho, up to the amount Medicaid has paid on the person's behalf. (3-20-04)

03. Trust Managed by Non-Profit Association for Disabled Person. To be exempt, a trust managed by non-profit association for a disabled person must meet all the conditions in Subsections 872.03.a. through 872.03.e. of this rule. (4-2-08)

a. The trust is established and managed by a nonprofit association. The nonprofit association must not be the participant, his parent or his grandparent. (7-1-99)

b. The trust contains the assets of a disabled person. The person must be blind or totally disabled

under Social Security and SSI rules in 20 CFR Part 416. (7-1-99)

c. Accounts in the trust are established only for the benefit of disabled persons. An account can be established by the disabled person, his parent, grandparent, legal guardian, or a court. A separate account must be maintained for each beneficiary of the trust. For purposes of investment and management, the trust may pool the funds in the accounts. (3-20-04)

d. The trust is irrevocable. (7-1-99)

e. Upon the person's death, the amount not distributed by the trust must first be paid to the state of Idaho, up to the amount Medicaid has paid on the person's behalf. (3-20-04)

873. PAYMENTS FROM AN EXEMPT TRUST FOR DISABLED PERSON OR POOLED TRUST.

Cash payments from an exempt trust for a disabled person or a pooled trust must be treated as described in Subsections 873.01 through 873.04 of these rules. (4-11-06)

01. Payments from Exempt Trust. Cash payments from an exempt trust for a disabled person are income in the month received. (7-1-99)

02. Payments from Pooled Trust. Cash payments from a pooled trust made directly to the participant are income in the month received. (7-1-99)

03. Payments for Food or Shelter. Payments for the participant's food or shelter are income in the month paid. The payments for food or shelter are valued at one-third (1/3) of the AABD budgeted needs for the participant's living arrangement. (4-11-06)

04. Payments Not Made to Participant. Payments from the exempt trust not made to, or on behalf of, the participant are an asset transfer. (7-1-99)

874. -- 914. (RESERVED)

915. MEDICAID REDETERMINATION.

Medicaid eligibility is redetermined each year. The redetermination for AABD cash is the Medicaid redetermination for participants receiving both programs. (7-1-99)
