The Director may rely on a certified copy of a court order appointing a personal representative (or similar person responsible for the prize winner's estate, whether denominated an administrator, executor, executrix, or other representative of the prize winner's estate) or may petition the court to determine the proper payee. d. Nothing contained in Paragraphs 110.06.a. through 110.06.c. of this rule precludes the Lottery from negotiating contracts in which the vendor to the Lottery must bear the expense of Lottery personnel making on-site inspections of the vendor's products or manufacturing facility, auditing the vendor, or other legitimate business reasons for traveling to the vendor's place of business or site of the vendor's records, and person listed in Subsection 110.01 of this rule may engage in travel at the vendor's expense for those legitimate business purposes. 111. -- 199. (RESERVED).

200. LOTTERY CONTRACTING RULES (RULE 200).

01. Classification of Lottery Contracts.

(3-26-08)

a. Lottery contracts for the acquisition of materials, supplies, services and personal and professional services are classified according to relative sensitivity, which in turn determines the level of review, procurement method and the extent of disclosure required by Lottery vendors or if no disclosure is required as in the case of Lottery contractors. The three (3) levels of procurement are as follows: (3-26-08)

i. General procurements: These procurements are the least sensitive and are for materials, supplies, equipment, services and personal and professional services required to satisfy the day-to-day administrative, ministerial and operating needs of the Lottery. Disclosure filings by Lottery vendors are not normally required for this class of procurements. Lottery contractors may supply general procurement items. The Lottery may use formal invitations to bid, informal competitive quotes and requests for proposals to solicit contracts for these acquisitions, as may be determined by the Director to be the most appropriate process for a specific acquisition. (3-26-08)

ii. Sensitive procurements: These procurements are of intermediate sensitivity and are for materials, supplies, equipment, services and personal and professional services which may have direct or indirect impact upon the security, credibility and integrity of the Lottery. Also included are special studies and services required by statute (demographic, communications and performance studies). The normal procedure for acquiring the materials and services is by request for proposal; however, the Director may authorize the use of competitive quotes when the cost of the acquisition is less than fifteen thousand dollars (\$15,000). The Director may prescribe special disclosure requirements governing Lottery contractors or vendors for this class of contracts. (3-26-08)

iii. Major procurements: This class is the most sensitive of Lottery contracts. The Lottery Act requires these procurements to be let by the Commission and the filing of comprehensive disclosure statements by Lottery vendors. (3-26-08)

b. The procedures for announcing or soliciting various classes of Lottery contracts outlined in Paragraph 200.01.a. of this rule are intended to be advisory only and do not limit the Commission or the Director in the selection of the most appropriate process to acquire a given product or service. (3-26-08)

02. General Policy.

(3-26-08)

a. In all decisions affecting the Lottery, the Commission and Director are specifically directed by statute to take into consideration the particularly sensitive nature of the Lottery and to act in a manner to promote and insure the integrity, security, honesty and fairness of the Lottery. Additionally, the Director, in awarding contracts in response to solicitations for proposals, must award the contracts to the responsible contractor or vendor submitting the lowest and best proposal that provides maximum benefits to the state in relation to cost in the areas of security, competence, experience, timely performance, and maximization of net revenues to benefit the public purpose of the Lottery. Consistent with these statutory directives, it is the policy of the Lottery, to the extent possible, to conduct its contracting affairs in an open, competitive manner. However, the security and integrity of the Lottery are fundamental and overriding considerations in all decisions. (3-26-08)

b. Although the Lottery is exempt from the provisions of Section 67-5715, Idaho Code, it is the policy of the Lottery to conduct its contracting affairs generally in accordance with the state's competitive bidding principles contained in Section 67-5715 et seq., Idaho Code, and consistent with the specific directives contained in Paragraph 200.02.a. of this rule. In implementing this policy, the Lottery reserves the right to use the procedures developed by

the Department of Administration as guidelines to govern its procurement actions. Notwithstanding this reservation, the Lottery also reserves the right to use alternate contracting and purchasing practices that take account of market realities and modern or innovative contracting and purchasing methods that are also consistent with the public policy of encouraging competition. These methods may include, but are not limited to, specialized vendor prequalifications, competitive negotiations, performance incentives and disincentives, life cycle costing and solicitations emphasizing the request for proposal process. (3-26-08)

c. When the Lottery uses a Request for Proposal (RFP) for a planned acquisition, the major considerations in determining the contract award will be the quality of the product or service, the likelihood of timely performance, and price. Qualitative factors normally address issues like the Vendor's demonstrated experience in performing comparable projects, performance credibility, availability of qualified personnel and equipment, and other special factors as may apply to a particular contract. The RFP will normally specify the criteria that will be used in the evaluation of offers and the award of the contract. (3-26-08)

d. Because of the specialized character of Lottery contracts, the Lottery will not normally advertise bid proposals. Rather, the Lottery shall circulate bid and proposal requests for materials, equipment and services to vendors known to specialize in the required procurement or to vendors that the Lottery may reasonably expect to have an interest in providing such services. The Lottery will develop its mailing lists as the service need arises. (3-26-08)

e. The Director may prepare standard terms and conditions to govern the acquisition of materials, supplies and services by the State Lottery. To the extent possible, the standard terms and conditions should be as uniform as possible with the standard terms and conditions governing contracts entered into by other state agencies. (3-26-08)

f. All major departures from the state contracting guidelines referred to in Paragraph 200.02.b. of this rule must be approved by the Commission. If there is a conflict between the state guidelines and the Lottery's adopted rules, the Lottery's rules take precedence. (3-26-08)

03. Delegation of Purchasing Authority. (3-26-08)

a. Authority is granted to the Director to initiate all purchase actions and enter into and execute contracts for materials, supplies and services, on behalf of the Commission and the Lottery, except as follows: (3-26-08)

i. General contracts having an estimated one-time or annual cost in excess of fifty thousand dollars (\$50,000); (3-26-08)

ii. Contracts defined as Sensitive Procurements having a one-time or annual cost of more than fifty thousand dollars (\$50,000); (3-26-08)

iii. Contracts defined as Major Procurements; (3-26-08)

iv. All personal service contracts other than major or sensitive procurements having a one-time or annual cost in excess of fifteen thousand dollars (\$15,000); and (3-26-08)

v. Procurement actions which are executed in a manner other than as provided in the contract exemption guidelines. (3-26-08)

b. Notwithstanding the provisions of Subparagraph 200.03.a.i. of this rule, the Commission, having once approved a planned procurement action involving a general contract acquisition, grants authority to the Director to execute a contract or contracts for the purchase or service without further action by the Commission. (3-26-08)

c. The Commission, having once approved a particular contract, delegates authority to the Director to make all disbursements and payments as provided in the contract, without further, specific approval action by the Commission. (3-26-08)

d. The Commission grants authority to the Director to enter into emergency contracts when

immediate and decisive action is required to protect the security, credibility or integrity of the Lottery or a Lottery game. All emergency contracts let by the Director in which the cost exceeds the delegated authority contained in Paragraph 200.03.a. of this rule, must be reported to the Commission within five (5) days of the contract award date, or at the next scheduled Commission meeting, whichever is sooner. Such procurement actions may be taken without competitive bid. The dollar value of a contract awarded by the Director under the provisions of this section may not exceed fifty thousand dollars (\$50,000). Any emergency contract for a major procurement in which the cost exceeds fifty thousand dollars (\$50,000), if not acted upon at a regularly scheduled Commission meeting, is subject to Commission approval by telephonic or electronic vote. (3-26-08)

04. State Central Services Agenda. As provided in Section 67-7408, Idaho Code, the Lottery may contract with other state agencies for the performance of contracting responsibilities that may be required by the Lottery. Those services may include, but are not limited to, the acquisition of Fidelity and Faithful Performance Bonds covering the Commissioners, officers, and employees of the Lottery; bonding of retailers, annuity contracts; general equipment and supplies; equipment financing agreements; and disposal of surplus Lottery property. The Lottery is bound by all statutes and rules governing the actions of the state agency when the Lottery uses such services. (3-26-08)

05. Idaho Preference. (3-26-08)

a. In all contracts, the Lottery will prefer goods or services that have been manufactured or produced in this state if price, fitness, availability and quality are otherwise equal. (3-26-08)

b. Where a Lottery contract is awarded to a foreign contractor and the contract price exceeds ten thousand dollars (\$10,000), the contractor must promptly report to the Idaho Tax Commission (ITC) on forms to be provided by ITC the total contract price, terms of payment, length of contract and such other information as the ITC may require before final payment can be received on the Lottery contract. The Lottery must satisfy itself that the requirements of this Paragraph have been complied with before it issues a final payment on a Lottery contract. For the purposes of this Paragraph, a foreign contractor is one who is not domiciled in or registered to do business in Idaho. (3-26-08)

06. Equal Opportunity/Affirmative Action Contracts. The Lottery is an equal opportunity employer and also participates in any on-going state affirmative action programs. (3-26-08)

07. Personal Services Contract. (3-26-08)

a. Contracts between the Lottery and persons or firms such as advertising agencies, security consultants, auditors, other consultants required to conduct or prepare special studies and reports and other personal services contracts that may be required to fulfill the Lottery's responsibilities, will be awarded as outlined in this Subsection. The award of contracts shall be either direct, informal or formal depending upon the sensitivity and estimated dollar value of the contract. In awarding personal services contracts the Lottery will consider the contractor's qualifications in similar areas of demonstrated competency, availability, experience in successfully performing comparable projects, availability of qualified personnel, likelihood of timely performance, history of cost containment, compensation requirements and other special factors that may apply to a particular contract. (3-26-08)

b. Direct Award Procedures. (3-26-08)

i. Any personal services contract having an estimated one-time or annual value of ten thousand dollars (\$10,000) or less may be awarded directly by the Director if the Director believes reasonable steps have been taken to obtain competitive quotes, if feasible, and the award will not negatively affect the security, credibility or integrity of the Lottery. (3-26-08)

ii. The Director, with the approval of the Commission, may directly award personal services contracts in any appropriate or reasonable amount, without competitive solicitations, when the project consists of work that has been substantially described, planned or otherwise studied in an earlier Lottery contract and the new contract would be a continuation of the earlier project, provided that the earlier contract was awarded by a formal selection procedure. In awarding contracts under this provision the Commission and Director must take into account the effects of that action on the security, credibility and integrity of the Lottery and further ensure that the contract awards will

not encourage favoritism or substantially diminish competition and will result in substantial cost savings to the Lottery. (3-26-08)

iii. The Director, with the approval of the Commission, may directly award personal service contracts without competitive solicitation when an emergency or other condition exists that requires prompt and decisive action. The Commission and Director may exercise the provisions of this Paragraph only when immediate action is required to correct a situation that would threaten integrity, security, honesty, and fairness in the operation and administration of the Lottery or the objective of raising net revenues for the benefit of the public purpose described in the Act. (3-26-08)

c. Informal Award Procedure: The Director may award any personal services contract having an estimated one-time annual value of more than ten thousand dollars (\$10,000), but not more than twenty-five thousand dollars (\$25,000), if the following informal award procedure is followed: (3-26-08)

i. An attempt must be made to obtain a minimum of three (3) competitive quotes. If three (3) quotes are not available, fewer will suffice provided a written record is made of the effort to obtain three (3) quotes. (3-26-08)

ii. A written record must be maintained of the source and amount of quotes received. (3-26-08)

iii. The contract award will be made to the lowest priced vendor who best meets the contract award criteria of Paragraph 200.07.a. of this rule. (3-26-08)

iv. The Director must maintain work papers documenting the basis of the award to ensure that the award will not negatively affect the security, credibility and integrity of the Lottery. (3-26-08)

d. Formal Award Procedures: Unless otherwise awarded under the provisions of Subparagraphs 200.07.b.ii. or 200.07.b.iii. of this rule, all personal services contracts having an estimated one-time or annual cost of more than twenty-five thousand dollars (\$25,000) must be awarded according to the formal award procedure, as follows: (3-26-08)

i. The Lottery shall distribute copies of the proposal (usually a Request for Proposal) to Lottery vendors or to appropriate contractors who have indicated an interest, or are anticipated to have an interest, in providing the required service to the Lottery. Every Request for Proposal must include a response deadline date. All responses received by the Lottery after the deadline may be rejected. (3-26-08)

ii. The Director will appoint an evaluation panel consisting of at least four (4) persons, at least two (2) of whom are members of the Lottery's executive staff. The Director of the Lottery Security Division will normally be one of the appointees to evaluate the responses for any project involving the security of the Lottery. (3-26-08)

iii. The evaluation panel must develop a system to evaluate the vendor responses and must score each vendor's response. Based upon this evaluation, the evaluation panel must rank the three (3) best responses and develop an award recommendation. (3-26-08)

iv. The contract must be awarded to the vendor who best meets the award criteria. (3-26-08)

e. No contract or other agreement for the purpose of providing services to the Lottery may be entered into, renewed, or extended with any person, unless the person certifies in writing, under penalty of perjury, that the person is not in violation of any Idaho tax laws on a form prescribed by the Idaho Tax Commission (ITC). A copy of the certification form may be obtained from the Lottery or the ITC. The original certification must be retained in the Lottery's contract file as required by the state's records retention guidelines. (3-26-08)

08. Major Procurements. (3-26-08)

a. All bid announcements, invitations, or proposals covering major procurements must identify that the planned acquisition is classified as a major procurement. (3-26-08)

b. All contracts or procurement actions classified as major procurements will be subject to the disclosure requirements specified in Section 67-7421, Idaho Code. Subsection 010.05 of these rules defines the term “control person” for purposes of disclosure requirements. The Lottery will enclose a copy of the disclosure requirements with each bid announcement or proposed request for such procurement. All disclosure filings are subject to the review and approval of the Director of the Lottery Security Division. Failure of any Lottery vendor to properly execute or timely submit the disclosure requirement may be grounds for rejection of the bid or proposal. (3-26-08)

c. No contract for a major procurement with any Lottery vendor may be entered into if any control person of that Lottery vendor has been convicted of a crime, other than traffic infractions. Background checks must be made by the Director of the Lottery Security Division to rigorously enforce this requirement. (3-26-08)

d. The Lottery may prequalify Lottery vendors as having met the disclosure filing requirements for major procurements. The disclosure prequalifications may be renewed by July 1 of each year. The prequalifications will satisfy the disclosure requirements of the Act, providing a certification is received from the Lottery vendor at the time of submitting any subsequent bid, proposal or offer and that no changes have occurred in the vendor’s status, or that of its control persons, since the last filing of the complete disclosure statement. (3-26-08)

e. Each Lottery vendor for a major procurement must maintain its disclosure filing in a current status during the tenure of the contract. Unless otherwise provided in the contract document, any changes in the status of the vendor, any of its listed control persons or additional control persons, must be reported to the Director within fourteen (14) days of the known change, and will require written submission of the same disclosure information to the Commission. (3-26-08)

f. Each Lottery vendor for a major procurement is required to post a performance bond with the Commission as provided in Section 67-7427, Idaho Code. The performance bond must be issued by a surety licensed to do business in this state and must be for the duration specified in the procurement announcement. (3-26-08)

09. Sensitive Procurements. (3-26-08)

a. All bid announcements, invitations, or Requests for Proposal covering sensitive procurements as defined in Subparagraph 200.01.a.ii. of this rule must identify that the planned acquisition is a sensitive procurement and will be subject to the provisions of this rule. (3-26-08)

b. The Director may establish special disclosure requirements governing State Lottery contracts for sensitive procurements that will be included in the procurement announcement. Failure of any Lottery vendor or contractor to properly execute or timely submit the disclosure requirement may be grounds for rejection of the bid or proposal. All disclosure filings are subject to the review and approval of the Director of the Lottery Security Division. (3-26-08)

c. No contract for a major procurement with any Lottery vendor may be entered into if any control person of that Lottery vendor has been convicted of a crime, other than traffic infractions. Background checks must be made by the Director of the Lottery Security Division to rigorously enforce this requirement. (3-26-08)

d. The Lottery may prequalify Lottery vendors as having met the disclosure requirements of this rule. The prequalification will satisfy the disclosure filing requirement providing a certification is received from the Lottery vendor, at the time of submitting any subsequent bid, proposal or offer, that no changes have occurred in the vendor’s status or any of its principals since the last filing of the full disclosure statement. (3-26-08)

e. Each Lottery vendor for a sensitive procurement must maintain its disclosure filing in a current status during the tenure of the contract. Unless otherwise provided in the contract document, any changes in the vendor’s status or any of its principals, must be reported to the Director within fourteen (14) days of the known change, and will require written submission of the same disclosure information to the Commission. (3-26-08)

f. Each Lottery contractor for a sensitive procurement may be required to post a performance bond with the Lottery. The performance bond must be issued by a surety licensed to do business in this state and be for the amount and duration specified in the procurement announcement. (3-26-08)

10. Advertising and Promotional Contract. Because advertising and promotional contracts involve unique marketing strategies for Lottery games, the acquisition of these services and purchases may be made directly without using competitive procurement procedures. The prudent person rule will apply in the award of these contracts or the acquisition of these services. This exemption applies to all advertising and promotional contracts, whether placed through the Lottery's advertising agency or directly by the Commission or the Director. For the purpose of this rule, advertising and promotional contracts include but are not limited to: agreements with radio and television stations, acquisition of prizes, media selection, placement of advertising contracts, promotional printing, art work and development and placement of all forms of commercials and display presentations. (3-26-08)

11. Investment Contracts. The Lottery may enter into contracts for the acquisition of structured settlements, place investments or acquire annuities related to the pay-off of major prize winners without following competitive bidding procedures. The Lottery will follow the prudent person rule in the placement of such investments. (3-26-08)

12. Prequalification of Annuity Vendors. (3-26-08)

a. For the purpose of acquiring annuities related to the pay-off of major prize winners, the Lottery will maintain an ongoing prequalification list of annuity vendors. A vendor must first be prequalified by the Lottery before submitting a bid to the Lottery for the award of an annuity contract. Vendors may submit their qualifications to the Lottery for evaluation any time in the year. (3-26-08)

b. The following criteria must be met by each vendor before being placed on the prequalification list: (3-26-08)

i. Each bidder must be an insurance company licensed to do business in Idaho and have been in business for a period of two (2) years immediately before submitting its bid. (3-26-08)

ii. An insurance company must be a Best's "A+" rated company and must have at least a Best's Class VII financial size classification. (3-26-08)

iii. Each bidder's request for qualification must contain: (3-26-08)

(1) The name, address, telephone number and contact person for the bidder. (3-26-08)

(2) The current financial statement of the bidder certified by an independent certified public accountant. (3-26-08)

(3) The names, addresses and telephone numbers of three (3) current or past annuity client references whom the Lottery may contact. (3-26-08)

c. After a vendor has been prequalified, the vendor may submit bids to the Lottery in accordance with the procedures established by the Director. Furthermore, a vendor must keep its qualifications current by promptly reporting any changes in their status to the Lottery. (3-26-08)

d. The total amount of annuities awarded to an insurance company cannot exceed five percent (5%) of its stated surplus. (3-26-08)

e. Nothing contained in this rule will preclude a brokerage company from representing or submitting a bid on behalf of a qualified bidder. (3-26-08)

201. CRITERIA FOR REVIEW OF RETAILER APPLICATIONS AND CONDUCT OF OPERATIONS (RULE 201).

01. Retailer's Application. Any person interested in obtaining a contract for a certificate to sell Lottery tickets must first file an application on forms provided by the Director. The forms will require disclosure of, but are not limited to, an applicant's personal, financial, and criminal history, and an authorization to investigate the

applicant's criminal and credit history. (3-26-08)

02. Fees, Procedure, and Criteria Precluding Issuing Contract. (3-26-08)

a. All certificate applications must be accompanied by a minimum, nonrefundable, fee of twenty-five dollars (\$25). If a certificate is awarded, an additional, nonrefundable, certificate fee of one hundred dollars (\$100) must be paid. (3-26-08)

b. Certified retailers may apply for a certificate modification to allow the sale of additional Lottery products. A current retailer may be required to complete an additional application or application supplements. If a current retailer requests that the existing certificate be modified to allow the sale of additional Lottery products, no additional application fee will be charged. (3-26-08)

c. The Lottery may waive the payment of any certificate fee to facilitate an experimental program or a research project. (3-26-08)

03. Provisional Certifications. (3-26-08)

a. The Lottery may issue a provisional certificate to an applicant for a Lottery certificate after receipt of a fully completed certificate application, the authorization of a complete personal background check, completion of a credit check, and completion of a preliminary background check. The provisional certificate will expire at the time of issuance of the requested certificate or ninety (90) days from the date the provisional certificate was issued, whichever occurs first, unless the provisional certificate is extended by the Lottery. (3-26-08)

b. The following criteria preclude the Director from entering into a contract with an applicant. No contract shall be made with an applicant: (3-26-08)

i. Who is under eighteen (18) years of age; (3-26-08)

ii. Who will be engaged exclusively in the business of selling tickets; (3-26-08)

iii. Who is an employee of the Lottery; (3-26-08)

iv. Who is, or is owned or controlled or affiliated with, a supplier of instant tickets or a manufacturer of computer equipment used to operate instant or on-line games, or both; (3-26-08)

v. Who is not a resident of Idaho, or a corporation that is not incorporated in Idaho or not authorized to do business in Idaho; (3-26-08)

vi. Who has been found to have violated any rule, regulation, or order of the Commission or the Director; (3-26-08)

vii. When any person, firm, association, or corporation other than the applicant will participate in the management of the affairs of the applicant. (3-26-08)

04. Criteria That May Be Grounds For Refusal. Before contracting with an applicant, the Director will consider the factors set out below. In considering these factors, the Director will seek to determine which applicants will best serve the economical and efficient operation of a statewide Lottery through their ticket sales. If any of these factors lead the Director to determine that contracting with the applicant would not promote the economical and efficient operation of a statewide Lottery consonant with the public interest, or would not serve the public interest, convenience, or trust, the Director may deny the application. (3-26-08)

a. The Director must consider the financial responsibility and security of the person and the person's business or activity. The Director must consider the person's credit worthiness and integrity in past financial transactions. The Lottery may investigate the credit worthiness of the applicant by using the services of a commercial credit reporting agency. The Director may also consider the physical security of the applicant's place of business to determine whether tickets that will be sold to the applicant and the proceeds from ticket sales will be kept safe.

(3-26-08)

b. The Director must consider the accessibility to the public of an applicant's place of business or activity. The Director will contract only with applicants who have regular contact with significant numbers of persons at the applicant's place of business. Before contracting with any organization that has restricted membership policies, the Director must determine whether the restrictions are generally acceptable to the public and whether contracting with that group or organization or similar groups or organizations would best serve the interests of the Lottery.

(3-26-08)

c. The Director must consider the sufficiency of existing retailers to serve the public interest. The Director may seek to maximize total ticket sales by encouraging retailers with the highest potential volume in a particular area or neighborhood.

(3-26-08)

d. The Director must consider the volume of expected sales by the applicant. In determining the anticipated actual sales volume of the applicant, the Director may rely upon the experience and knowledge of the Lottery's staff as well as any other available professional expertise. The Director must determine whether the volume of an applicant's sales is likely to be sufficient that contracting with the applicant will be economically feasible.

(3-26-08)

e. The Director must consider the types of products, services, or entertainment offered at the applicant's place of business. The Director must determine whether the applicant's products, services, or entertainment are generally acceptable to the public and whether they would bear adversely upon the general credibility, integrity, and reputation of the Lottery.

(3-26-08)

f. The Director must consider the experience, character, or general fitness of the applicant. Entering into a contract with the applicant must be consistent with the public interest, convenience, and trust.

(3-26-08)

g. The Director must consider the veracity and completeness of the information submitted with the retailer's application. The Director must consider the criminal history of the applicant and any person whose name is required to be disclosed under Section 67-7412, Idaho Code, of the Act and may refuse to enter into a contract with any applicant when the applicant or such person has been convicted of violating any of the gambling laws of this state, general or local, or has been convicted at any time of any crime other than traffic infraction.

All changes will be reviewed by the Lottery to determine if the existing certificate should be continued.

(3-26-08)

07. Certificate Not a Vested or Legal Right. The possession of a certificate issued by the Lottery to any person to act as a retailer in any capacity is a privilege personal to that person and is not a vested or legal right. The Lottery may require the removal of objectionable material or the discontinuance of objectionable advertising that may have an adverse impact on the Lottery. (3-26-08)

13. Dishonored Checks and Electronic Fund Transfers. Any payment made to the Lottery by an applicant for a certificate or by a certificated retailer either by a check that is dishonored or by an electronic funds transfer (EFT) that is not paid by the depository, is grounds for immediate denial of the application for a certificate or for suspension or revocation of an existing certificate. The Lottery may assess a surcharge of ten dollars (\$10) for each dishonored check or EFT. 09. Payment of Prizes. The procedures for claiming instant ticket prizes are as follows: (3-26-08)

a. Instant ticket prizes of less than six hundred dollars (\$600) may be claimed by one (1) of the following methods: (3-26-08)

i. The claimant may present the winning ticket to any Lottery retailer. The retailer must verify the claim and, if acceptable, make payment of the amount due the claimant. A retailer may pay prizes in cash or by business check, or money order, or any combination thereof. A retailer that pays a prize with a check that is dishonored may be subject to suspension or termination of the retailer's contract. (3-26-08)

ii. If the retailer cannot verify the claim, the claimant must fill out a claim form, which the retailer must present the completed form and the disputed ticket to the Director. If the claim is validated by the Director, a check will be forwarded to the claimant in payment of the amount due. If the claim is not validated by the Director, the claim will be denied and the claimant shall be promptly notified. (3-26-08)

iii. The claimant may bring the ticket to the Boise Lottery office or complete a claim form and mail it with the ticket to the Idaho State Lottery, P.O. Box 6537, Boise, Idaho 83707-6537 (registered mail recommended). Claim forms may be obtained from any Lottery game retailer or from the Lottery at the following address: 1199 Shoreline Lane, Suite 100, Boise, Idaho 83702. (3-26-08)

Box 6537, Boise, Idaho 83707-6537 (registered mail recommended). (3-26-08)

c. Prizes of six hundred dollars (\$600) or more can be paid only from the Boise Lottery office. Upon validation by the Director, a check will be forwarded to the claimant in payment of the amount due, less any applicable federal income tax withholding. (3-26-08)

d. Any ticket not passing all the validation checks is void and ineligible for any prize and will not be

paid. However, the Director may, solely at the Director's option, replace an invalid ticket with an unplayed ticket (or ticket of equivalent sales price from any other current game). If a defective ticket is purchased, the only responsibility or liability of the Lottery is the replacement of the defective ticket with another unplayed ticket (or ticket of equivalent sale price from any other current game). (3-26-08)

e. All prizes must be paid within a reasonable time after they are awarded and after the claims are verified by the Director. For each prize requiring annual payments, all payments after the first payment will be made on the anniversary date of the first payment in accordance with the type of prize awarded. The Director may, at any time, delay any payment in order to review a change of circumstances concerning the prize awarded, the payee, the claim, or any other matter that may have come to his attention. All delayed payments will be brought up to date immediately upon the Director's confirmation and continue to be paid on each original anniversary date thereafter. (3-26-08)

10. Ticket Validation Requirements. In addition to meeting all of the other requirements in these rules or as may be printed on the back of each instant game ticket, the following validation requirements apply with regard to instant game tickets: (3-26-08)

 - vi.** Under the opaque covered play area, the ticket must have play symbols and the correct corresponding captions, exactly one (1) pack-ticket number, exactly one (1) agent verification code, and exactly one (1) validation number as required by each approved set of game rules, all of which must be present in their entirety, legible, right-side up, and not reversed in any manner. (3-26-08)
 - vii.** The validation number of an apparent winning ticket must appear on the Lottery's official list of validation numbers of winning tickets; and a ticket with that validation number cannot have been previously paid. (3-26-08)
 - viii.** The ticket must pass all additional confidential validation requirements established by the Director. (3-26-08)
 - ix.** If the prize is for six hundred dollars (\$600) or more, the ticket must be signed. (3-26-08)

b. Any ticket not passing all the validation checks in Paragraph 202.11.a. of this rule is void and ineligible for any prize and shall not be paid. However, the Director may, solely at the Director's option, replace an invalid ticket with an unplayed ticket (or tickets of equivalent sales price) from any other current Lottery game. If a defective ticket is purchased, the only responsibility or liability of the Lottery will be the replacement of the defective ticket with another unplayed ticket (or ticket of equivalent sales price from any other current Lottery game). (3-26-08)

c. The Director may authorize reconstruction of an alleged winning ticket that was not received or cannot be located by the Lottery, provided, the person requesting reconstruction must submit to the Lottery sufficient evidence to enable reconstruction and must submit a claim for the prize, if any, for that ticket. If the reconstructed ticket is a winning ticket and meets the validation requirements of Paragraph 202.11.a. of this rule and any specific validation requirements contained in the rules for its specific game, the Director may authorize payment of the prize.

Provided, the ticket will not be validated nor the prize paid before the one hundred eighty-first (181) day following the official end of that instant game. A ticket(s) validated pursuant to this Subsection will not entitle the claimant to be entered into the grand prize drawing, if any, for that or any subsequent instant game. (3-26-08)

11. Prize Rights Unassignable. No person's right to a prize already drawn is assignable, except that payment of any prize already drawn may be paid to the estate of a deceased prize winner, and a person other than the prize winner may be paid the prize to which the winner is entitled as provided by court order. The Director will be discharged of all liability upon payment of a prize pursuant to this rule. (3-26-08)

12. Payment of Prizes to Persons Under Eighteen Years of Age. If a person entitled to a prize for a winning ticket is under the age of eighteen (18) years, the Director may direct payment of the prize to an adult member of the minor's family or to the minor's guardian by a check or draft payable to the adult member of the minor's family or the minor's guardian. The adult member of the minor's family or the minor's guardian will have the same duties and powers as a person designated as a custodian in accordance with Idaho law. For purposes of this Subsection, the terms "adult member of a minor's family" and "guardian of a minor" have the same meaning as in the Idaho Gifts to Minors Law. The Director will be discharged of all liability upon payment of a prize to a minor pursuant to this rule. (3-26-08)

13. Prizes Payable After Death or Disability of Owner. (3-26-08)

a. All prizes, and portions of prizes that remain unpaid at the time of the prize winner's death will be payable to the personal representative of the prize winner's estate once satisfactory evidence of the personal representative's appointment has been provided, and the Director is satisfied that payment to the personal representative is lawful and proper. The Director may rely on a certified copy of a court order appointing a personal representative (or similar person responsible for the prize winner's estate, whether denominated an administrator, executor, executrix, or other representative of the prize winner's estate) or may petition the court to determine the proper payee. Payment to the personal representative of the estate of the deceased owner of any prize winnings will absolve the Director and the Lottery's employees of any further liability for payment of prize winnings. (3-26-08)

b. The Lottery may petition any court of competent jurisdiction for a determination of the rightful payee for the payment of any prize winnings that are or may become due to a person under a disability including, but not limited to, minority, mental deficiency, or physical or mental incapacity. (3-26-08)

14. Governing Law. In purchasing a ticket, the customer agrees to comply with, and abide by, Idaho law, and all rules and final decisions of the Lottery, and all procedures and instructions established by the Lottery or the Director for the conduct of the game. (3-26-08)

15. Discharge of All Liability Upon Payment. The state of Idaho, its agents, officers, employees, and representatives, the Lottery, its Director, agents, officers, employees and representatives, will be discharged of all liability upon payment of a prize or any one (1) installment thereof to the holder of any winning Lottery ticket or in accordance with the information set forth on the claim form supplied by the Director. If there is a conflict between the information on a winning Lottery ticket and the information on the claim form, the Lottery may rely on the claim form after the ticket for which it has been filed has been validated as a winning ticket and, in so doing, it will be relieved of all responsibility and liability in the payment of a prize in accordance with the information set forth therein. The Lottery's decisions and judgments in respect to the determination of a winning ticket or of any other dispute arising from payment or awarding of prizes are final and binding upon all participants in the Lottery unless otherwise provided by law or these rules. If a question arises concerning the winning ticket, a claim form, the payment, or the awarding of any prize, the Lottery may deposit the prize winnings into an escrow fund until it determines the controversy and reaches a decision, or it may petition a court of competent jurisdiction for instructions and a resolution of the controversy. (3-26-08)

16. Unclaimed Prize Money. Any prize not claimed within the specified period will be forfeited and placed into the State Lottery Account. (3-26-08)

17. Disclosure. The Lottery may use the names, addresses, and photographs of winners in any Lottery promotional or publicity campaign. The address used will not contain the winner's street or house number without the winner's consent. The Lottery may condition payment of the prize upon agreement to these terms and conditions.

(3-26-08)

18. Confidentiality of Tickets. All retailers and their employees and agents are prohibited from attempting to ascertain the numbers or symbols appearing in the designated areas under the removable latex or similar secure coverings or otherwise attempting to identify winning tickets. (3-26-08)

19. Official End of Game. (3-26-08)

a. The official end of an instant game will be announced by the Lottery. Prizes may be claimed up to one hundred eighty (180) days after the official end of the game. If the final day of the claim period falls on a Saturday, Sunday or a state holiday, the claim period will be extended to the end of the next business day. A player may submit a winning ticket claim for prize payment up to one hundred eighty (180) days after the official end of the game. Depending on the prize amount, the ticket should be submitted to the location specified in Subsection 202.10 of this rule, "Payment of Prizes." To participate in one (1) of the Lottery's special drawings, if any, a player must redeem a ticket that qualifies for entry into that special drawing within the time limits specified by the Director. (3-26-08)

b. A retailer must return to the Lottery all unsold Lottery tickets for each game within ninety (90) days of the official end of that game in order to receive credit from the Lottery as provided in retailer's contract. The Lottery has no obligation to grant credit for tickets returned after the time limit specified in the contract. (3-26-08)

203. RULES FOR STATE LOTTERY'S TELEVISION GAME SHOW (RULE 203).

e. After a player has claimed his prize, a Lottery representative will contact the player to schedule the player's appearance on the game show. The Director will determine the total number of players per show and on which game show a player will appear. (3-26-08)

f. From the total number of players scheduled to appear on a show, a number of contestants will be selected at random to participate in the television game. The remaining players will make up the game show audience. (3-26-08)

03. Appointment of a Proxy. (3-26-08)

a. Upon approval of the Director, a player may select a proxy to appear on the player's behalf at the game show. (3-26-08)

b. If a player is unable or fails to show at the scheduled date and time for appearance on the game show, the Director reserves the right to appoint a proxy to appear on the show on behalf of the player. (3-26-08)

c. If a player appears at the location for the game show under the influence of intoxicants, or is a player whom the Director deems inappropriate, the Director reserves the right to appoint a proxy to appear on the show on behalf of the player. (3-26-08)

d. A proxy will not be entitled to any prizes won on behalf of a player. (3-26-08)

The first round starts with the first contestant drawn from the audience; the second round starts with the second player drawn; and so forth. (3-26-08)

b. During each play round, each of the contestants has an opportunity to play the game. Each contestant plays a game round within a period of time determined by the Director. (3-26-08)

c. After the completion of all play rounds, the contestant with the most money in his bank earns the right to play for the grand prize. If two (2) or more contestants end with the same amount of money as the most money won after all play rounds, these contestants play a tie breaker round. (3-26-08)

06. Grand Prize Round. (3-26-08)

a. The contestant who has accumulated the most money will be given the opportunity to win additional prize money. The Director will determine the actual game show mechanism to be used to provide the contestant the opportunity to win the grand prize. (3-26-08)

b. Regardless of the choices and the outcome of those choices made during the grand prize round, the contestant shall receive the money accumulated in his bank prior to the grand prize round. (3-26-08)

07. Audience Participation. (3-26-08)

a. The players in the audience will divide equally an amount that is identical to the total of all the money in the contestants' banks. Any money won in the grand prize round is not added to the contestants' banks for the purpose of calculating the audience prizes. Notwithstanding the total value of the money in the contestants' banks, each player in the audience is guaranteed to receive a prize. Any cash prize amount awarded to players in the audience will be rounded up to the nearest five dollars (\$5). (3-26-08)

Upon determination that the ticket is a winning ticket, the Lottery will present or mail a check to the claimant in payment of the amount due. e. The equipment used to determine the winning combination will not be electronically or otherwise connected to the central computer or to any tapes, discs, files, etc., generated or produced by the central computer. fraud. Drawings will not be held until all pre-inspection checks are completed. No prizes will be paid until after all post-inspection checks have been completed. (3-26-08)

f. All drawings may be broadcast live on television, provided the facilities for such broadcasts are available and operational and can be done at a reasonable cost. (5-8-09)

g. The Director will establish procedures governing the conduct of drawings for each type of on-line game. The procedures must include provisions for deviations that include but are not limited to: (3-26-08)

If, during any live-broadcast drawing for a game, a mechanical failure or operator error causes an interruption in the selection of all numbers or symbols, a “foul” will be called by the Drawing Manager or the Lottery’s designee. Any number drawn before a “foul” is called will stand and be deemed official after passing inspection and certification by the Drawing Manager or the Lottery’s designee. (3-26-08)

j. The Director must delay payment of all prizes if any evidence exists or there are grounds for suspicion that tampering or fraud has occurred. Payment will be made after an investigation is completed and the drawing approved by the Drawing Manager or the Lottery’s designee. c. If there is a dispute between the Director and a claimant whether a ticket is a winning ticket, and if the Director determines that the ticket is not valid and a prize is not paid, the Director may replace the disputed ticket with a ticket of equivalent sales price for a future drawing of the same type of game. This will be the sole and exclusive remedy of the claimant. (3-26-08)

d. If a defective on-line ticket is purchased, the only responsibility or liability of the Lottery or of the on-line retailer is the replacement of the defective on-line ticket with another on-line ticket of equivalent value for a future drawing of the same type of game. (3-26-08)

09. Retailer Duties. Retailers with an on-line terminal (OLT) must perform the following duties: (3-26-08)

(3-26-08)

e. Provide dedicated AC power to within approximately five (5) feet of the terminal. Dedicated AC power means that there is no other equipment on the line that is to be used for the on-line terminal. The retailer is responsible for all costs associated with providing dedicated AC power. The Lottery will provide a schematic of outlet requirements to the retailer's electrical contractor. (3-26-08)

f. Sell all Lottery games, including but not limited to instant game tickets offered by the Lottery. The retailer agrees to continue the sale of instant tickets from all cash registers or other points of purchase. (3-26-08)

The retailer is prohibited from performing mechanical or electrical maintenance on the OLT. (3-26-08)

k. Replace ribbons and on-line or instant ticket stock and clear paper jams as required for the OLT per the instructions provided by the Lottery. (3-26-08)

l. Pay, without reimbursement, all electricity charges in connection with the operation of OLT. (3-26-08)

10. Payment of Prizes by On-Line Retailers. (3-26-08)

a. An on-line retailer must pay to the ticket bearer on-line games prizes of less than six hundred dollars (\$600) for any validated claims presented to that on-line retailer. These prizes must be paid during all normal business hours of the on-line retailer, unless redemption hours differ from normal business hours that have been posted pursuant to Paragraph 204.09.g. of this rule, provided, that the on-line system is operational and claims can be validated. (3-26-08)

b. An on-line retailer may pay prizes in cash or by business check, certified check, money order, or any combination thereof. An on-line retailer that pays a prize with a check that is dishonored may be subject to suspension or termination of its contract. (3-26-08)

11. Retailer Settlement. (3-26-08)

a. The Director may require on-line retailers to establish an account for deposit of monies derived from on-line games with a financial institution that has the capability of electronic funds transfer (EFT). (3-26-08)

b. The amount deposited must be sufficient to cover monies due the Lottery. The Lottery will withdraw by EFT the amount due the Lottery on the day specified by the Director. If the day specified for withdrawal falls on a state holiday, withdrawal may be delayed until the next business day. (3-26-08)

12. Prize Rights Unassignable. No right of any person to a prize drawn shall be assignable, except that payment of any prize drawn may be paid to the estate of a deceased prize winner, and that any person may be paid the prize to which the winner is entitled pursuant to an appropriate judicial order. The Director will be discharged of all liability upon payment of a prize pursuant to this rule. (3-26-08)

13. Payment of Prizes to Persons Under Eighteen Years of Age. If a person entitled to a prize for a winning ticket is under the age of eighteen (18) years, the Director may direct payment of the prize to an adult member of the minor's family or to the minor's guardian by a check or draft payable to the adult member of the minor's family or to the minor's guardian. The adult member of the minor's family or the minor's guardian will have the same duties and powers as a person designated as a custodian in accordance with Idaho Law. For purposes of this Subsection the terms "adult member of a minor's family" and "guardian of a minor" have the same meaning as in the Idaho Gifts to Minors Law. The Director will be discharged of all liability upon payment of a prize to a minor pursuant to this rule. (3-26-08)

14. Prizes Payable After Death or Disability of Owner. (3-26-08)

a. All prizes, and portions of prizes, that remain unpaid at the time of the prize winner's death will be payable to the personal representative of the prize winner's estate once satisfactory evidence of the personal representative's appointment has been provided, and the Director is satisfied that payment to the personal representative is lawful and proper. The Director may rely on a certified copy of a court order appointing of a personal representative (or similar person responsible for the prize winner's estate, whether denominated an administrator, executor, executrix, or other representative of the prize winner's estate) or may petition the court to determine the proper payee. Payment to the personal representative of the estate of the deceased owner of any prize winnings will absolve the Director and the Lottery's employees of any further liability for payment of prize winnings. (3-26-08)

b. The Lottery may petition any court of competent jurisdiction for a determination of the rightful payee of any prize winnings that are or may be due to a person under a disability including, but not limited to, minority, mental deficiency, physical or mental incapacity. (3-26-08)

15. Discharge of State Lottery Upon Payment. The state of Idaho, its agents, officers, employees and representatives, the Lottery, its Director, agents, officers, employees and representatives shall be discharged of all liability upon payment of a prize or any one (1) installment thereof to the holder of any winning Lottery ticket or in accordance with the information set forth on the claim form supplied by the Director. If there is a conflict between the information on a winning Lottery ticket and the information on the claim form, the Lottery may rely on the claim form after the ticket for which it has been filed has been validated as a winning ticket and, in so doing, it will be relieved of all responsibility and liability in the payment of a prize in accordance with the information set forth therein. The Lottery's decisions and judgments in respect to the determination of a winning ticket or of any other dispute arising from payment or awarding of prizes will be final and binding upon all participants in the Lottery unless otherwise provided by law or these rules. If a question arises concerning the winning ticket, a claim form, the payment, or the awarding of any prize, the Lottery may deposit the prize winnings into an escrow fund until it determines the controversy and reaches a decision, or it may petition a court of competent jurisdiction for instructions and a resolution of the controversy. (3-26-08)

16. Disclosure. The Lottery may use the names, addresses, and photographs of winners in any Lottery promotional or publicity campaign. The address used will not contain the winner's street or house number without the winner's consent. The Lottery may condition payment of the prize upon agreement to these terms and conditions.
