01. Notice of Six-Month Review. The parent or guardian, foster parent of a child, relative providing care for the child or any preadoptive parent are to be provided with notice of their right to be heard in the six-month review. In the case of an Indian child, the child's tribe and any Indian custodian must also be provided with notice. This must not be construed to require that any foster parent, preadoptive parent, or relative providing care for the child be made a party to the review solely on the basis of the receipt of such notice. Participants have the right to be represented by the individual of their choice. (5-8-09)

02. Procedure in the Six-Month Review. The parties who received notice will be given the opportunity to participate in the case review. (5-8-09)

03. Members of Six-Month Review Panel. The six-month review panel must include a Department employee who is not in the direct line of supervision in the delivery of services to the child or parent or guardian. The review panel may include agency staff, staff of other agencies, officers of the court, members of Indian tribes, and citizens qualified by experience, professional background, or training. Members of the panel will be chosen by and receive instructions from an authorized representative in the Department's Division of Behavioral Health, to enable them to understand the review process and their roles as participants. (5-8-09)

04. Considerations in Six-Month Review. Whether conducted by the court in a review hearing or a Department review panel, under state law, federal law and regulation, each of the following must be addressed in a six-month review: (5-8-09)

a. Determine the extent of compliance with the treatment plan; (5-8-09)

b. Determine the extent of progress made toward alleviating or mitigating the causes necessitating the placement; (5-8-09)

c. Review compliance with the Indian Child Welfare Act, when applicable; (5-8-09)

d. Determine the safety of the child, the continuing need for and appropriateness of the child's placement; and (5-8-09)

e. Project a date by which the child may be returned and safely maintained at home or placed for adoption, guardianship, or other permanent placement. (5-8-09)

05. Recommendations and Conclusions of Six-Month Review Panel. Following the six-month

review, written conclusions and recommendations will be provided to all participants, subject to Department safeguards for confidentiality. The document containing the written conclusions and recommendations must also include appeal rights. (5-8-09)

801. PERMANENCY HEARINGS FOR CHILDREN IN ALTERNATE CARE PLACEMENTS.

Under Public Law 105-89, Adoption and Safe Families Act, and Idaho Code, every child in alternate care under state supervision must have a permanency hearing conducted by the court or a court designee. Permanency hearings must be held no later than twelve (12) months after the date of the child's placement in alternate care and no later than every twelve (12) months thereafter while the child remains in alternate care. A twelve (12) month permanency hearing will be held by the court having jurisdiction in the case, if that is the preference of the court. If the court does not wish to conduct this hearing, the court may appoint a hearing officer. The appointed hearing officer may not be supervised or reimbursed by the Department. (5-8-09)

01. Department Request for Permanency Hearing. The Department may request the court hold a permanency hearing for a child in accordance with Section 16-2407(3), Idaho Code. (5-8-09)

02. Attendance at Permanency Hearings. The permanency hearing includes, at a minimum, the child's parent or guardian, foster parent of a child, and any preadoptive parent or relative providing care for the child. In the case of an Indian child, the child's tribe and Indian custodian (if there is one), must also be included in the permanency hearing. Parties will be provided, by the court, with written notice of the hearing and of their right to be heard. This is not to be construed to require that any foster parent, preadoptive parent, or relative providing care for the child be made a party to the hearing solely on the basis of the receipt of such notice. (5-8-09)

03. Judicial Determinations. (5-8-09)

a. The court, or an officer designated by the court, will determine if the Department has made reasonable efforts to finalize a permanency plan for the child and issue an order specifying the permanency plan. (5-8-09)

b. In cases where the Department has documented, in the alternate care plan component of the treatment plan, compelling reasons for not terminating the parent and child relationship, the court reviews and determines if the compelling reasons exist. (5-8-09)
