- ii. For small hospitals: Ninety percent (90%) of the reasonable inpatient charge. (4-7-11)

c. The Conversion Factor for the Anesthesiology CPT Codes shall be multiplied by the Anesthesia Base Units assigned to that CPT Code by the Centers for Medicare and Medicaid Services of the U.S. Department of Health and Human Services as of December 31 of the previous calendar year, plus the allowable time units reported for the procedure. Time units are computed by dividing reported time by fifteen (15) minutes. Time units will not be used for CPT Code 01996.

(4-7-11)

d. Adjustment of Conversion Factors. The conversion factors set out in this rule may be adjusted each

fiscal year (FY), starting with FY 2012, as determined by the Commission.

(4-7-11)

e. Services Without a CPT Code, RVU or Conversion Factor. The allowable payment for medical services that do not have a current CPT code, a currently assigned RVU, or a conversion factor will be the reasonable charge for that service, based upon the usual and customary charge and other relevant evidence, as determined by the Commission. Where a service with a CPT Code, RVU, and conversion factor is, nonetheless, claimed to be exceptional or unusual, the Commission may, notwithstanding the conversion factor for that service set out in Subsection 011.07.b. of this rule, determine the allowable payment for that service, based on all relevant evidence.

(4-7-11)

f. Coding. The Commission will generally follow the coding guidelines published by the Centers for Medicare and Medicaid Services and by the American Medical Association, including the use of modifiers. The procedure with the largest RVU will be the primary procedure and will be listed first on the claim form. Modifiers will be reimbursed as follows:

(4-7-11)

- i.** Modifier 50: Additional fifty percent (50%) for bilateral procedure. (4-7-11)
- ii.** Modifier 51: Fifty percent (50%) of secondary procedure. This modifier will be applied to each medical or surgical procedure rendered during the same session as the primary procedure. (4-7-11)
- iii.** Modifier 80: Twenty-five percent (25%) of coded procedure. (4-7-11)
- iv.** Modifier 81: Fifteen percent (15%) of coded procedure. This modifier applies to MD and non-MD assistants. (4-7-11)

08. Wage Loss Benefits. For the purpose of determining compensation benefits under Sections 72-1019(1) and 72-1019(3), Idaho Code, “wages received at the time of the criminally injurious conduct” shall be the victim’s gross weekly wage; which shall be determined as follows: (4-7-11)

a. If the wages were fixed by the year, the weekly wage shall be the yearly wage divided by fifty-two (52). (11-17-86)

b. If the wages were fixed by the month, the weekly wage shall be the monthly wage multiplied by twelve (12) and divided by fifty-two (52). (11-17-86)

c. If the wages were fixed by the week, the amount so fixed shall be the weekly wage. (11-17-86)

d. If the wages were fixed by the hour, and the victim worked or was scheduled to work the same number of hours each week, the weekly wage shall be the hourly rate times the number of hours that the victim worked or was scheduled to work each week, plus one-half (1/2) the hourly wage times the number of hours worked or scheduled each week in excess of forty (40) hours if the victim was paid time-and-a-half for work in excess of forty (40) hours per week. (11-17-86)

e. If the wages were fixed by the hour and the victim did not work the same number of hours each week, or if the victim was paid on a piecework or commission basis, the weekly wage shall be computed by averaging the amounts that the victim was paid during his last four completed pay periods prior to the criminally injurious conduct and converting that amount to a weekly basis using a method consistent with parts 1 through 3 of this rule; provided that, if the victim was employed for less than four (4) pay periods before the criminally injurious conduct, the average shall be computed based upon the time period that he worked. (11-17-86)

f. If none of the above methods are applicable, the weekly wage shall be computed in a manner consistent with the above methods. (11-17-86)

09. Treating Physician. A victim may choose his own treating physician. If, after filing an Application for Compensation, a victim changes physicians without prior approval of the Commission, or if, without prior approval of the Commission, he seeks treatment or examination by a physician to whom he was referred by his treating physician, the Commission may deny payment for such treatment or examination. (11-17-86)

10. Overpayment. If the Commission erroneously makes payments to which a claimant is not entitled, the Commission may reduce future payments to that claimant by an amount equal to the overpayment or request a refund when overpayments are made to either the claimant or the provider. (4-7-11)

11. Limit on Compensation. Compensation payable under Sections 72-1019(7)(a) and 72-1019(7)(b), Idaho Code, may not exceed twenty thousand dollars (\$20,000). Compensation payable to a victim or his dependents under Sections 72-1019(7)(a) and 72-1019(7)(b), Idaho Code, when added to compensation payable under Sections 72-1019(2) and 72-1019(4), Idaho Code, may not exceed twenty-five thousand dollars (\$25,000). (4-7-11)

12. Weekly Compensation Benefits If Victim Employable But Not Employed. If a victim was employable, but not employed at the time of the criminally injurious conduct and as a result of that conduct has no reasonable prospect of being regularly employed in the normal labor market, he shall receive benefits pursuant to Section 72-1019(7)(a), Idaho Code, as follows, only until the victim has a reasonable prospect of being regularly employed in the normal labor market, or for a shorter period as determined by the Commission,; (4-7-11)

a. If at the time of the injurious conduct the victim was receiving unemployment benefits and as a result of that conduct the victim becomes ineligible for those benefits, the claimant's weekly benefits under the Crime Victims Compensation Act shall be the lesser of one hundred and fifty dollars (\$150) or his weekly benefit amount under the Employment Security Law. (4-7-11)

b. If at the time of the criminally injurious conduct the victim was unemployed, but scheduled to begin employment on a date certain and if he was unable to work for one (1) week as a result of that conduct, weekly benefits under the Crime Victims Compensation Act shall be the lesser of one hundred and fifty dollars (\$150) or two-thirds (2/3) of the amount that he would have earned at his scheduled employment, and those benefits shall be payable beginning on the date that his employment was scheduled to begin. (4-7-11)

c. If prior to the criminally injurious conduct the victim was performing necessary household duties which he is disabled from performing as a result of that conduct and it is necessary to employ a person who does not reside in the victim's house to perform those duties, the victim shall receive weekly benefits under the Crime Victims Compensation Act equal to the amount paid to the person so employed, but not exceeding one hundred and fifty dollars (\$150) per week. (4-7-11)

d. In other circumstances, the Commission may award an amount it deems appropriate. (11-17-86)

13. Effective Date. Benefits shall be paid only to claimants whose Applications for Compensation are based upon criminally injurious conduct which occurred on or after July 1, 1986. (11-17-86)
