**01. Points for Moving Traffic Violations.** The Idaho Code authorizes the Department to establish a violation point count system for drivers convicted of various moving traffic violations and infractions occurring either within the state of Idaho, or outside the state of Idaho. Therefore, a schedule of violation points for moving traffic violations and infractions has been established. Moving traffic violations and infractions are violations that occur while operating a motor vehicle. (7-1-97)

**02. Violation Point Count List.** The following violation point count list includes all moving violations and infractions in Idaho Code, and the appropriate sections. Convictions of moving violations and infractions not herein listed which are violations of a state law or municipal ordinance will receive three (3) violation points, except those for which mandatory suspension/revocation is required by statute or the statute provides a point exemption. (4-4-13)

**03. Points Assessed.** Each moving traffic conviction and infractions shall be assessed from one (1) point for less serious violations to a maximum of four (4) points for more serious violations. The degree of seriousness of moving traffic violations and infractions has been determined by considering the possibility of bodily injury or property damage resulting from such violation. (7-1-97)

**04. Dual Violation.** In cases where the driver is convicted of more than one (1) violation arising from one (1) occasion of arrest or citation, only one (1) conviction will be counted and assessed points against the driver's record. The conviction counted will be counted with the greater amount of points. (7-20-89)

**05. Speeding Violation.** Drivers convicted of traveling sixteen (16) miles per hour or more over the posted maximum speed limit or exceeding the speed limit in a construction danger zone will receive four (4) points.
