REVIEWS AND HEARINGS

(Sections 240 - 399)

240. SIX-MONTH REVIEWS FOR CHILDREN IN ALTERNATE CARE PLACEMENT.

When a judicial review does not occur at the end of a six (6) month period for any child in alternate care placement, the Department will conduct a case review to assure compliance with all applicable state and federal laws, and to ensure the plan focuses on the goals of safety, permanency and well-being of the child. (5-8-09)

The parent(s) or legal guardian(s), foster parent(s) of a child, and any preadoptive parent(s) or relative(s) providing care for the child, are to be provided with notice of their right to be heard in the six-month review. In the case of an Indian child, the child's tribe and any Indian custodian must also be provided with notice. This must not be construed to require that any foster parent, preadoptive parent, or relative providing care for the child be made a party to the review solely on the basis of the receipt of such notice. Participants have the right to be represented by the individual of their choice. (5-8-09)

02. Procedure in the Six Month Review. The parties who received notice will be given the opportunity to participate in the case review. (5-8-09)

- c.** Review compliance with the Indian Child Welfare Act, when applicable; (5-3-03)
- d.** Determine the safety of the child, the continuing need for and appropriateness of the child's placement; and (5-3-03)

By the provision of Public Law 105-89, Adoption and Safe Families Act, and Idaho Code, every child in alternate care under state supervision must have a permanency hearing conducted by the court or a court designee. Permanency hearings must be held no later than every twelve (12) months after the date of the child's placement in alternate care and no later than every twelve (12) months thereafter as long as the child remains in alternate care. A twelve (12) month permanency hearing will be held by the court having jurisdiction in the case, if that is the preference of the

court. If the court does not wish to conduct this hearing, the court may appoint a hearing officer. The appointed hearing officer may not be supervised or reimbursed by the Department. (5-8-09)

01. Attendance at Permanency Hearings. The permanency hearing includes, at a minimum, the child's parent(s) or legal guardian(s), foster parent(s) of a child, and any preadoptive parent(s) or relative(s) providing care for the child. In the case of an Indian child, the child's tribe and Indian custodian must also be encouraged to participate in the permanency hearing. Parties will be provided, by the court, with written notice of the hearing and of their right to be heard. This is not to be construed to require that any foster parent, preadoptive parent, or relative providing care for the child be made a party to the hearing solely on the basis the receipt of such notice. (3-29-12)

02. Judicial Determinations. (3-30-01)

a. The court, or an officer designated by the court, will determine if the Department has made reasonable efforts to finalize a permanent plan for the child and issue an order specifying the permanent plan. (5-8-09)

Upon approval of the regional Child and Family Services Program Manager or his designee, the Department may provide or purchase alternative care under the following conditions: (5-8-09)

01. Department Custody. When the child is in the legal custody or guardianship of the Department; or (3-18-99)

02. Voluntary Placement. Upon agreement with the parent(s) or legal guardian(s) when circumstances interfere with their provision of proper care or they are no longer able to maintain a child in their home and they can benefit from social work and treatment services. A service plan and an out-of-home placement agreement must be developed between the Department and the family. The service plan will identify areas of concern, goals, desired results, time frames, tasks and task responsibilities. The out-of-home placement agreement will include the terms for reimbursement of costs with any necessary justification for deviation from Child Support guidelines. A voluntary agreement for out-of-home placement entered into between the Department and the parent(s) or legal guardian(s) of a minor child may be revoked at any time by the child's parent(s) or legal guardian(s) and the child must be returned to the parent or legal guardian upon their request. A contract between the Department and the service provider, if applicable, must also be in effect. Voluntary out-of-home placements exceeding one hundred eighty (180) days without a judicial determination that it is in the best interests of the child to continue his current placement, cannot be reimbursed by Title IV-E funds. (3-29-12)

401. CONSIDERATIONS FOR PLACEMENT IN ALTERNATE CARE.

The Department will make meaningful reasonable attempts, both verbally and in writing, to inform in priority order, individuals identified below of the potential imminent placement and the requirements for consideration as a placement resource. Ideally, placement priority will be given in the following order: (a) Immediate family; (b) Extended family members; (c) Non-family members with a

significant established relationship with the child; (d) other licensed foster parent(s). Upon immediate contact with persons in categories a) through d) above, and after preliminary screening, within seventy-two (72) hours of decision to place, Departmental staff will make reasonable attempts to inform immediate family members of the way to become a placement resource. Alternate care placement will in all cases include consideration of: (5-8-09)

01. Family Assessment. The family assessment conducted in accordance with the provisions of the CFS Practice Standards. (3-29-12)

03. Family Involvement. The involvement of the family in planning and selecting the placement. The Department will use a family unity meeting concept making reasonable efforts to gather immediate and extended family members and other significant supporters to identify family strengths relevant to creating a safe environment for the child. This process will be fully reported to the court along with resulting plans and commitments. (5-8-09)

402. INVOLUNTARY PLACEMENT OF INDIAN CHILDREN.

Involuntary placement of an Indian child in foster care must be based upon clear and convincing evidence, including information from qualified expert witnesses, that the continued custody of the child by the parent(s) or Indian custodian(s) is likely to result in serious emotional or physical damage to the child. In the absence of good cause to the contrary, a preference must be given to placement with: (3-29-12)

01. Extended Family. A member of the Indian child's extended family; (3-18-99)

02. Foster Home Approved by Tribe. A foster home licensed or approved by the Indian child's tribe; (3-29-12)

ELIGIBILITY AND FUNDING INFORMATION
(Sections 425 - 441)

425. AID TO FAMILIES WITH DEPENDENT CHILDREN -- FOSTER CARE (AFDC-FC) ELIGIBILITY.

A child is eligible for Aid To Families With Dependent Children-Foster Care (AFDC-FC) if the child would have been eligible to receive AFDC aid payments except that he was removed, by court order, from the home of a parent(s) or other caretaker relative(s) and placed in foster care. AFDC-FC is also available to eligible children voluntarily placed in foster care by a parent(s). The caretaker relative(s) is the relative(s) who exercises day-to-day physical custody of the child prior to the court action or voluntary placement. The child may qualify for AFDC payments as a child living with a relative. Eligibility for AFDC-FC is determined by Family and Community Services. (4-6-05)

426. AFDC-FC ELIGIBILITY REQUIREMENTS.

A child is eligible for AFDC-FC if he meets each of the eligibility requirements listed in Table 426.

AFDC-FC ELIGIBILITY REQUIREMENTS -- TABLE 426	
CONDITION	DESCRIPTION
01. Financial Need.	<p>A child is in financial need if, in the month court action to remove him from his home was initiated, or the month the voluntary out-of-home placement agreement is signed:</p> <p>He was receiving AFDC; He would have been eligible to receive AFDC if an application had been filed on his behalf; or He lived with his parent(s) or other caretaker relative(s) at some time within six (6) prior months and would have qualified for AFDC in the month of court action or voluntary placement if an application had been filed and he lived with a parent(s) or other specified relative(s) in that month.</p>
02. Voluntary Placement in Foster Home or Voluntary Relinquishment.	<p>A foster care placement is voluntary if the parent(s) has a written voluntary services agreement with the Department to place the child in foster care. The parent retains parental rights and may terminate the agreement at any time.</p> <p>A voluntary relinquishment is not a voluntary placement. A voluntary relinquishment occurs when parent(s) permanently gives up rights to a child. A court order is required for a voluntarily relinquished child to qualify for AFDC-FC.</p>
03. Age, Residence, Citizenship, and Deprivation.	<p>The other AFDC requirements the child must meet are:</p> <p>Age; Residence; Citizenship; Deprivation; and The AFDC resource limit.</p>
04. Court Ordered Removal.	<p>A child not voluntarily placed must have been removed from the parent(s) or other caretaker relative(s) by court order.</p> <p>The initial court order must state remaining in the home would be "contrary to the welfare" of the child.</p> <p>For children removed on or after October 1, 1983, the court order must include a determination that reasonable efforts were made to prevent or eliminate the need for removal of the child. This judicial determination must be made within sixty (60) days of removal of the child from his home.</p> <p>The court order must state what reasonable efforts were made considering the family's circumstances and the safety of the child when the child is removed from the home in an emergency.</p> <p>When there is a judicial determination of Aggravated Circumstances, the court order must state that no reasonable efforts to reunify the family are required.</p>
05. Custody and Placement.	<p>The child's placement and care are the Department's responsibility. The child must live in a licensed foster home, licensed institution, licensed group home, or in a licensed relative's home.</p>

(5-8-09)

427. DETERMINATION OF ELIGIBILITY FOR ADC-FC.

The family services workers must initiate an application to ensure that eligibility for ADC-FC is made, or that the child is clearly ineligible because of family resources. The worker must maintain documentation of the eligibility determination or ineligibility in the case record of the child, and arrangements for parental support. If the child is ineligible for AFDC-FC, the family services worker must determine whether the child qualifies for Medicaid as a Title XIX foster child. (5-8-09)

428. CUSTODY AND PLACEMENT.

The child's placement and care are the Department's responsibility. The child must live in a licensed foster home, licensed institution, licensed group home, or in a licensed relative's home. (3-30-01)

01. Interstate Placements. In interstate placements, a child may be placed with an approved unlicensed relative when delaying the placement would be harmful to the child's well-being. In those cases, a subsequent request for foster care licensure will be made through the Interstate Compact on the Placement of Children. (3-30-07)

02. Intrastate Placements That Become Interstate Placements. If a foster care placement that was initially intrastate becomes an interstate placement because the family with whom the child is placed relocates to another state, a request for foster care licensure will be made through the Interstate Compact on the Placement of Children immediately upon the decision to move the child. If the state to which the family has moved accepts the family's Idaho foster care license as effective, the placement is considered licensed until a determination is made that the family is in compliance with the licensing and other applicable laws of the state to which the family has moved. (3-30-07)

429. EFFECTIVE DATE.

AFDC-FC eligibility can begin as early as the first day of the month all eligibility factors are met, with the following exceptions: A child cannot receive AFDC and AFDC-FC or SSI and AFDC-FC in the same month; and AFDC-FC cannot begin until the month after the last month the child's needs were included in an AFDC grant or the child received SSI. (3-30-01)

430. ONGOING ELIGIBILITY.

To continue eligibility for AFDC-FC, a child must meet each of the eligibility conditions listed in Table 430.

CONTINUING ELIGIBILITY CONDITIONS, TABLE 430	
CONDITION	DESCRIPTION
01. Financial Need.	The child's own income, after any applicable AFDC income exclusions and disregards, must not exceed the foster care need standard established for him by the Department.
02. AFDC Factors.	The child must continue to meet the following AFDC eligibility factors. Age; Residence; Citizenship; Resource limits; and Deprivation. (A child who has been removed from the home of a caretaker relative who is not his parent, meets the deprivation requirement without review.)
03. Ongoing Custody and Placement.	The child must remain in the Department's custody through either a current court order or a voluntary placement agreement that has not been in effect more than one hundred and eighty (180) days. They must continue to live in a licensed foster home, licensed institution, licensed group home, or a licensed relative's home.

CONTINUING ELIGIBILITY CONDITIONS, TABLE 430	
CONDITION	DESCRIPTION
04. Redetermination.	<p>The child's eligibility for AFDC-FC must be redetermined at least once every six (6) months.</p> <p>A redetermination, rather than an initial eligibility determination, is used for a child who left foster care, was placed in a non-AFDC-FC living situation such as a hospital or detention center, did not return home, remained in the Department's custody throughout his absence, and returned to foster care. Any return home other than a visit requires a new judicial determination or a new agreement and a new determination of eligibility based on current circumstances.</p> <p>Annual Review: An annual redetermination is required to assure that the court has determined that the Department has made reasonable efforts to finalize a permanent plan for the child. This is done at the Permanency Hearing held every twelve (12) months from the date of removal until the child is either adopted or placed in legal guardianship.</p> <p>The foster care payment standard is also the child's eligibility income limit for determining continued eligibility for AFDC-FC.</p>
05. Other Eligibility Considerations.	<p>The following must be considered for AFDC-FC eligibility: A child's eligibility does not depend on the availability of a home to which he can return; The Department must provide services designed to allow the child to return home, where not possible, the family's worker must aggressively pursue other permanent options for the child; A child receiving AFDC-FC who becomes available for adoption, remains eligible to receive AFDC-FC until he is legally adopted. The child must otherwise qualify for AFDC-FC; The child must not receive AFDC-FC and SSI, or AFDC-FC and AFDC, in the same month.</p>

(4-6-05)

431. AFDC-FC AND SSI ELIGIBILITY.

ADOPTION ASSISTANCE
(Sections 900 - 999)

900. ADOPTION ASSISTANCE.

The purpose of the adoption assistance program is to encourage the legal adoption of children with special needs who would not be able to have the security of a permanent home without support payments. Applications are made through the Division of Family and Community Services, Resource Development Unit for a determination of eligibility. Once an application for adoption assistance is submitted to the Division of Family and Community Services, the Division will respond with a determination of the child's eligibility within forty-five (45) days. (3-30-07)

01. Determination of Eligibility for Title IV-E Adoption Assistance. Child and Family Services will determine whether a child is a child with special needs. Children applying for adoption assistance benefits must meet Idaho's definition of a child with special needs according to Section 473 (c) of P.L. 96-272 (The Adoption Assistance and Child Welfare Act of 1980). There are five (5) ways a child can be eligible for Title IV-E adoption assistance: (5-8-09)

a. Child is Aid to Families with Dependent Children (AFDC) eligible, is in the custody or care of the public child welfare agency or an Indian tribe with whom the state has a IV-E agreement and meets the definition of a child with special needs. For children whose adoption assistance eligibility is based on the child's AFDC eligibility, the child must meet the AFDC criteria at the time of removal from his home. (5-8-09)

i. If the child is removed from his home in accordance with the first judicial determination, such

determination must indicate that it was contrary to the welfare of the child to remain in the home. (5-8-09)

ii. If the child is removed from the home in accordance with a voluntary out-of-home placement agreement, the child must receive at least one (1) Title IV-E foster care payment to be eligible for Title IV-E adoption assistance. (5-8-09)

b. Child is eligible for Supplemental Security Income (SSI) benefits and meets the definition of a child with special needs. (5-3-03)

i. A child is eligible for adoption assistance if, at the time the adoption petition is filed, the child has met the requirements for Title XVI (SSI) benefits; (5-3-03)

ii. The circumstances of a child's removal from his home or whether the public child welfare agency has responsibility for the child's placement and care are not relevant. (4-7-11)

c. Child has been voluntarily relinquished to a private non-profit adoption agency and meets the definition of a child with special needs. (5-3-03)

i. The child must meet the requirements, or would have met the requirements, of the AFDC program as such sections were in effect on July 16, 1996, in or for the month in which the relinquishment occurred, or court proceedings were held which led to the removal of the child from his home; (4-7-11)

ii. At the time of the voluntary relinquishment, the court must make a judicial determination that it would be contrary to the welfare of the child for the child to remain in the home. (5-8-09)

d. Child is eligible for Title IV-E adoption assistance as a child of a minor parent and at the time of the adoption petition the child meets the definition of a child with special needs. (5-3-03)

i. The child's parent is in foster care and receiving Title IV-E foster care maintenance payments that cover both the minor parent and child at the time the adoption petition is filed; and (5-3-03)

ii. The child continues to reside in the foster home with his minor parent until the adoption petition has been filed. If the child and minor parent have been separated in foster care prior to the time of the adoption petition, the child's eligibility for Title IV-E adoption assistance must be determined based on the child's current and individual circumstances. (5-3-03)

e. Child is eligible due to prior Title IV-E adoption assistance eligibility and meets the definition of a child with special needs. (5-3-03)

i. A child whose adoption later dissolves or the adoptive parent(s) die, may continue to be eligible for Title IV-E adoption assistance in a subsequent adoption. (5-3-03)

ii. The subsequent adoption of a child may be arranged through an independent adoption, private agency, or state agency. (5-3-03)

iii. No needs or eligibility redetermination is to be made upon a subsequent adoption. The child's need and eligibility remain unchanged from what they were prior to the initial adoption. (5-3-03)

iv. It is the responsibility of the placing state to determine whether the child meets the definition of special needs and to pay the subsidy in a subsequent adoption. (5-3-03)

02. Special Needs Criteria. The definition of special needs includes the following factors: (3-30-07)

a. The child cannot or should not be returned to the home of the parents as evidenced by an order from a court of competent jurisdiction terminating parents rights or its equivalent; and (3-29-10)

b. The child has a physical, mental, emotional, or medical disability, or is at risk of developing such

disability based on the child's experience of documented physical, emotional, or sexual abuse, or neglect; or (4-7-11)

- c. The child's age makes it difficult to find an adoptive home; or (3-18-99)
- d. The child is being placed for adoption with at least one (1) sibling; and (4-7-11)
- e. The State must make a reasonable but unsuccessful effort to place the child with special needs without a subsidy, except in cases where it is not in the best interests of the child due to his significant emotional ties with the foster parent(s) or relative(s) who are willing to adopt the child. (4-7-11)

03. Determination of Eligibility for State Funded Adoption Assistance. Children in state custody who meet the special needs criteria found in Subsection 900.02 of these rules and do not meet any of the criteria for Title IV-E adoption assistance found at Subsection 900.01 in these rules, may be eligible for state-funded adoption assistance benefits. If the child is determined ineligible for Title IV-E adoption assistance, the application will be evaluated for a state-funded subsidy. (3-30-07)

04. Interjurisdictional Adoptions. When a child's adoption is arranged through the care and placement of a private non-profit adoption agency in another state and the adoptive family are residents of Idaho, the state of Idaho is responsible for the eligibility determination, negotiation, and payment of any subsequent Title IV-E adoption assistance benefits. (3-30-07)

05. International Adoptions and Adoption Assistance. A child who meets the criteria for special needs under Subsection 900.02 of this rule, who is not a citizen or resident of the United States, and who was adopted outside of the United States or was brought into the United States for the purpose of being adopted, is not eligible to receive adoption assistance. This restriction does not prohibit adoption assistance payments for a child described in this Subsection who is placed in foster care subsequent to the failure, as determined by the State, of the initial adoption of the child by the adoptive parents. (3-29-10)

901. ATTEMPT TO PLACE WITHOUT ADOPTION ASSISTANCE.

The Department is required to attempt to place all children for adoption without adoption assistance. However, all adoptive families are entitled to full information and disclosure regarding the adoption assistance program. Once the most suitable family is located for the child, the family will be informed of the needs and history of the child and asked if they can adopt the child without adoption assistance. If the family indicates that they need adoption assistance, the Department will begin the process of determining the amount and type of benefits for the child. (3-18-99)

902. -- 909. (RESERVED)

910. TYPES AND AMOUNTS OF ASSISTANCE.

The needs of the child and the family, including any other children in the family, will be considered in determining the amount and type of support to be provided. Assistance may include the following: (3-30-07)

01. Nonrecurring Adoption Reimbursement. Payment for certain one (1) time expenses necessary to finalize the adoption may be paid when a family adopts a special needs child. The child's eligibility must be determined and the contract for reimbursement must be fully executed prior to the finalization of the adoption. The reimbursement is paid only after the adoption finalizes. The expenses are defined as reasonable and necessary adoption fees, court costs, attorney fees, and other expenses which are directly related to the legal adoption finalization of a child with special needs and which are not incurred in violation of state or federal law. They may include mileage and lodging involved in visiting the child before placement occurs. These expenses cannot be reimbursed if they are paid for the adoptive parents by other sources such as an employer. Documentation of expenses must be submitted. Costs are reimbursable up to two thousand dollars (\$2,000) per child and are entered on the Adoption Assistance Program Agreement. Children for whom the adoption has been finalized without a negotiated Nonrecurring Expenses Reimbursement Agreement are not eligible to apply for these benefits. (3-29-10)

02. Monthly Cash Payment. Financial assistance in the form of a monthly cash payment may be established to assist the adoptive family in meeting the additional expenses of the child's special needs. The amount of the payment must be negotiated with the family by the adoption worker and based on the family's circumstances

and what additional resources are needed to incorporate the child into the adoptive family. The amount must not exceed the rate for family foster care found in Subsections 483 and 484 of these rules, which would be made if the child were in a family foster home in Idaho. Payments received for treatment foster care, gifts, clothing, and school fees are not considered part of the family foster care rate. For children who meet the definition of special needs at Subsection 900.02 of these rules, no monthly cash payment is allowable until such time as the specific disability for which the child is known to be at risk becomes evident. For children who are currently eligible for Personal Care Services (PCS), the treatment foster care rate of up to a maximum of one thousand dollars (\$1,000) per month may be used in negotiating the adoption assistance upon prior approval of the Department's Family and Community Services (FACS) Division Administrator. Benefits will continue until the child reaches eighteen (18) years, based upon an annual determination of continuing need. (4-7-11)

03. Title XIX -- Medicaid Coverage. Any child with special needs who has an adoption assistance agreement in effect is also eligible for medical coverage. A Title IV-E adoption assistance agreement provides Medicaid coverage in the state of Idaho and in all other states. Under a state-funded adoption assistance agreement, a child living in Idaho is eligible for Medicaid. If the family moves to another state, Medicaid may or may not be available. If Medicaid is not available in the new state, provisions for medical coverage must be contained in the adoption assistance agreement or in an amendment to the agreement. Families enrolled in a group health plan who plan to request to use Medicaid as the child's primary health care coverage must apply to the Idaho Health Insurance Premium Payment (HIPP) program at the time of benefit negotiation. Medicaid provides secondary coverage after the family's health insurance has reached its benefit limit. All services reimbursed by Medicaid must be determined to be medically necessary. Prior authorization may be required for some Medicaid reimbursable services. Medicaid benefits are available until the child reaches the age of eighteen (18), based upon an annual determination of continuing need. (3-30-07)

04. Title XX -- Social Services. Any child with special needs who has an Adoption Assistance Agreement is also eligible for state-authorized Title XX - Federal Social Services Block Grant funded services. (3-30-07)

911. ADOPTION ASSISTANCE PROGRAM AGREEMENT.

A written agreement must be negotiated and fully executed between the Department and adopting family prior to the finalization of adoption and implementation of benefits. (5-8-09)

- 01. Agreement Specifications.** The agreement specifies the following: (5-8-09)
- a.** The type and amount of assistance to be provided; (5-8-09)
 - b.** That there will be an annual review of each agreement by the Department to evaluate the need for continued subsidy and the amount of the subsidy; (5-8-09)
 - c.** That the agreed upon type and amount of assistance may be adjusted only with the concurrence of the adoptive parent(s) based upon changes in the needs of the child or changes in the circumstances of the adoptive family; (5-8-09)
 - d.** That the adoptive parent(s) are required to inform the Department of any circumstances which would make them ineligible for adoption assistance payments, or eligible for adoption assistance payments in a different amount. (5-8-09)

02. Termination of Adoption Assistance. Adoption assistance will be terminated if the adoptive parent(s) no longer have legal responsibility for the child as a result of termination of parental rights, the child is no longer receiving any financial support from the parents, or the child has reached the age of eighteen (18) years regardless of the child's educational status. (4-11-06)

03. Adoption Assistance Follows the Child. If the adoptive parents are located in a state other than Idaho, or move out of Idaho with the child, the adoption assistance payments initiated by Idaho will continue for the child. If the child is IV-E or state-funded adoption assistance eligible, referral for Medicaid or other state medical insurance and social service benefits will be forwarded to the new state of residence through the Interstate Compact on Adoption and Medical Assistance. Non IV-E eligible children receiving a state adoption subsidy, may not be

eligible for Medicaid in a state other than Idaho.

(5-3-03)

912. -- 919. (RESERVED)

920. REQUEST FOR RECONSIDERATION FOR ADOPTION ASSISTANCE.

Families who adopted a child, or children with special needs on or after April 1, 1982, through either the Department or a licensed Idaho children's adoption agency may be eligible for benefits through the Adoption Assistance program. Persons who adopted their relative children, may also be eligible for these adoption assistance benefits. Per Public Law 96-272, the adoptive family must sign an adoption assistance agreement prior to the finalization of the adoption in order for the child to receive benefits. Adoptive families who were not informed of these benefits or who were wrongly denied these benefits may submit an application to the Department prior to the eighteenth birthday of the adopted child for a determination of eligibility for these benefits. The Division of Family and Community Services determines eligibility based on the eligibility factors determining a special needs child that were in effect at the time of the child's adoption. If the IV-E eligibility determination finds that a child was eligible for these benefits at the time of the child's adoption, and an agreement was not signed prior to the finalization, the Department is required to deny benefits to the child, since no contract was in effect at the time of the adoption finalization. The adoptive family may request a fair hearing for adoption assistance IV-E eligibility determination. The determinations to be made at this hearing are whether extenuating circumstances exist and/or whether the family was wrongly denied eligibility. The Division of Family and Community Services may not change its eligibility determination for a child eligible for IV-E adoption assistance benefits and provide adoption assistance based on extenuating circumstances without obtaining a favorable ruling from a fair hearing officer.

(5-8-09)

921. BURDEN OF PROOF -- EXTENUATING CIRCUMSTANCES.

The family has the burden of proving extenuating circumstances at the fair hearing, although, if the state agency is in agreement that the family had erroneously been denied benefits, the agency may provide such facts to the family or present corroborating facts on behalf of the family to the fair hearing officer. Once the hearing officer rules in favor of a family that extenuating circumstance exist and that the child is eligible for IV-E adoption assistance benefits, the agency must negotiate an agreement with the adoptive family consistent with these rules.

(3-18-99)

922. RETROACTIVE ADOPTION ASSISTANCE BENEFITS.

The Department of Health and Welfare, Division of Family and Community Services may negotiate retroactive adoption assistance benefits for a maximum of twenty-four (24) months from the date of adoption assistance application, identified in Section 920 of these rules.

(3-20-04)

923. DISRUPTION OF INTERNATIONAL ADOPTIONS.

The Intercountry Adoption Act of 2000 (P.L. 106-279) requires that each state make an annual report of children who were adopted from other countries who enter state guardianship as a result of termination of the parental rights of the adoptive parent and the dissolution of the adoption. The report will include the name of the agency who handled the placement or the adoption, the plans for the child, and the reasons for the disruption or dissolution. Each region will collect this information and send it to the Department's Permanency Program Specialist in January of each year.
