**IDAPA 16
TITLE 06
CHAPTER 02**

16.06.02 - RULES GOVERNING STANDARDS FOR CHILD CARE LICENSING

000. LEGAL AUTHORITY.

Under Sections 39-1111, 39-1209, 39-1210, 39-1211, 39-1213, 56-1003, 56-1004A, and 56-1005(8), Idaho Code, the Idaho Legislature authorizes the Department of Health and Welfare and the Board of Health and Welfare to adopt and enforce rules governing standards and procedures for licensing daycare centers, group daycare facilities, family daycare homes, foster homes, children's agencies, children's residential care facilities, children's camps, and children's therapeutic outdoor programs which are maintained or operated within Idaho. (4-7-11)

001. TITLE, SCOPE, POLICY, PURPOSE, EXCEPTIONS, AND EXEMPTIONS TO LICENSING.

01. Title. The title of this chapter of rules is IDAPA 16.06.02, "Rules Governing Standards for Child Care Licensing." (7-1-09)

02. Scope. These rules establish minimum standards and procedures for licensing, maintaining, and operating the following facilities or programs within Idaho: (4-7-11)

- a.** Daycare centers; (4-7-11)
- b.** Group daycare facilities; (4-7-11)
- c.** Family daycare homes, voluntarily; (4-7-11)
- d.** Foster homes; (4-7-11)
- e.** Children's agencies; (4-7-11)
- f.** Children's residential care facilities, including non-accredited residential schools; (4-7-11)
- g.** Children's camps providing child care for any one (1) child for more than nine (9) consecutive weeks in any one (1) year period; (4-7-11)
- h.** Children's therapeutic outdoor programs; (4-7-11)
- i.** Alcohol-drug abuse treatment facilities for adolescents certified according to IDAPA 16.07.17, "Substance Use Disorders Services"; and (4-7-11)
- j.** Facilities specializing in maternity care for minors. (4-7-11)

03. Policy. It is the policy of the Department to assure that children of this state receive adequate substitute parental care in the event of absence, temporary or permanent inability of parents to provide care and protection for their children or the parents are seeking alternative twenty-four (24) hour long-term care for their children. This policy is based on the fact that children are vulnerable and not capable of protecting themselves. When parents, for any reason have relinquished their children's care to others, there arises the possibility of certain risks to those children's lives, health and safety which the community as a whole must protect against. This requires the offsetting statutory protection of review and, in certain instances, licensing or registration. (7-1-09)

04. Purpose. The Department issues a license to assure, as is reasonably practicable, that the care, services, and physical surroundings of each program or facility are in substantial compliance with these rules and minimum standards. (4-7-11)

a. According to Section 39-1117, Idaho Code, a daycare license does not constitute a representation affirming to any person that the program or facility is free from risk. A daycare license does not guarantee adequacy of care, services, safety, or the well-being of any child, staff, contractor, volunteer, or visitor of a daycare facility. It is

the parent's primary responsibility for evaluation and selection of daycare services. (4-7-11)

b. The state, its employees or agents of the state or its political subdivisions, will not be liable for nor will a cause of action exist for any loss or damage based upon the failure of any daycare facility to meet the minimum standards contained in these rules. (4-7-11)

05. Exceptions and Exemptions to Daycare Licensing. Under Section 39-1103, Idaho Code, the minimum standards and licensing requirements in these rules do not apply to: (4-7-11)

a. Daycare facilities regulated, licensed, or certified by a city or county in accordance with local options under Section 39-1108, Idaho Code; (4-7-11)

b. The occasional or irregular care of a neighbor's, relative's, or friend's child or children by a person not ordinarily in the business of providing daycare; (4-7-11)

c. The operation of a private school or religious school for educational purposes for children over four (4) years of age, or a religious kindergarten; (4-7-11)

d. The provision of occasional care exclusively for children of parents who are simultaneously in the same building; (4-7-11)

e. The operation of day camps, programs and religious schools for less than twelve (12) weeks during a calendar year or not more often than once a week; or (4-7-11)

f. The provision of care for children of a family within the second degree of relationship as defined in Section 011 of these rules. (4-7-11)

06. Exceptions and Exemptions to Child Care Licensing. Under Sections 39-1206, 39-1213(b), and 39-1211, Idaho Code, the minimum standards and licensing requirements in these rules do not apply to: (4-7-11)

a. Foster homes that have been approved by a licensed children's agency provided the standards for approval by such agency are no less restrictive than the rules and standards established by the Board and that such agency is maintained, operated, and conforms with these rules and standards; (4-7-11)

b. The occasional or irregular care of a neighbor's, relative's, or friend's child or children by a person not ordinarily engaged in child care; or (4-7-11)

c. Children's camps which only provide child care for any one (1) child for less than nine (9) consecutive weeks in any one (1) year period. A children's camp which provides child care for any one (1) child for more than nine (9) consecutive weeks in any one (1) year period constitutes a children's residential care facility and is subject to the minimum standards and licensing requirements in these rules. (4-7-11)

002. WRITTEN INTERPRETATIONS.
There are no written interpretations of these rules. (3-30-01)

003. ADMINISTRATIVE APPEALS.
Administrative appeals are governed by the provisions of IDAPA 16.05.03, "Rules Governing Contested Case Proceedings and Declaratory Rulings." (7-1-09)
