- 03. Board.** The Idaho State Board of Medicine, established pursuant to Section 54-1805, Idaho Code. (3-16-04)
- 04. Board of Registered Polysomnographic Technologists.** A nationally recognized private testing, examining and credentialing body for the polysomnography related respiratory care profession. (3-16-04)
- 05. Certified Pulmonary Function Technologist (CPFT).** The professional designation earned by a person who has successfully completed the entry level pulmonary function certification examination administered by the National Board for Respiratory Care, Inc., or by an equivalent board, recognized by the Board. (3-16-04)
- 06. Certified Respiratory Therapist (CRT).** The professional designation earned by a person who has successfully completed the entry level examination administered by the National Board for Respiratory Care, Inc., or by an equivalent board, recognized by the Board. (3-16-04)
- 07. Comprehensive Registry Exam.** The comprehensive registry examination administered by the Board of Registered Polysomnographic Technologists, or administered by an equivalent board, recognized by the Board, the successful completion of which entitles a person to the professional designation of Registered Polysomnographic Technologist (RPSGT). (3-16-04)
- 08. Conditional Permit.** A time-restricted permit issued by the Board, upon the recommendation of the Licensure Board, as set forth in this chapter and Section 54-4304A, Idaho Code, to a registered polysomnographic technologist, polysomnographic technician or a polysomnographic trainee, on or after January 1, 2004, and issued until issuance of permits as provided in this chapter. (3-16-04)
- 09. Entry Level Examination.** The certification examination for entry level respiratory therapy practitioners administered by the National Board for Respiratory Care, Inc., or certification examination administered by an equivalent board, recognized by the Board, the successful completion of which entitles a person to the professional designation of “Certified Respiratory Therapist” (CRT). (3-16-04)
- 10. Licensed Physician.** A physician licensed to practice medicine and surgery or osteopathic medicine and surgery, by the Idaho State Board of Medicine. (3-16-04)
- 11. Licensure.** The issuance of a license to an applicant under the provisions of this chapter and Title 54, Chapter 43, Idaho Code entitling such person to hold himself out as a respiratory care practitioner and to practice or perform respiratory care in this state. (3-16-04)
- 12. Licensure Board.** The Licensure Board established by this chapter and Section 54-4313, Idaho Code. (3-16-04)
- 13. Medical Practice Act.** The Medical Practice Act of 1977, Title 54, Chapter 18, Idaho Code. (3-26-08)
- 14. National Board of Respiratory Care, Inc.** A nationally recognized private testing, examining and credentialing body for the respiratory care profession. (3-16-04)
- 15. Performance of Respiratory Care.** Respiratory care practiced or performed in accordance with the written, telephonic or verbal prescription of a licensed physician and includes, but is not limited to, the diagnostic and therapeutic use of the following: administration of medical gases, (except for the purpose of anesthesia), aerosols and humidification; environmental control mechanisms and hyperbaric therapy, pharmacologic agents related to respiratory care protocols, mechanical or physiological ventilatory support; bronchopulmonary hygiene, cardiopulmonary resuscitation; maintenance of the natural airway; insertion and maintenance of artificial airways;

specific diagnostic and testing techniques employed in the medical management of patients to assist in diagnosis, monitoring, treatment and research of pulmonary abnormalities, including measurements of ventilatory volumes, pressures and flows, collection, reporting and analysis of specimens of blood and blood gases, arterial punctures, insertion and maintenance of arterial lines, expired and inspired gas samples, respiratory secretions, and pulmonary function testing; and hemodynamic and other related physiologic measurements of the cardiopulmonary system, observation and monitoring of signs and symptoms, general behavior, general physical response to respiratory care treatment and diagnostic testing and determination of whether such signs, symptoms, reactions, behavior or general response exhibit abnormal characteristics; implementation based on observed abnormalities of appropriate reporting or referral of respiratory care or changes in treatment regimen, pursuant to a prescription by a physician or the initiation of emergency procedures. (4-28-93)

16. Permit. The issuance of a permit to an applicant under the provisions of this chapter and Section 54-4304A, Idaho Code, entitles such person to hold himself out as a registered polysomnographic technologist, polysomnographic technician, or polysomnographic trainee and to perform polysomnography related respiratory care in this state. (3-16-04)

17. Person. A natural living human individual. (3-16-04)

18. Polysomnographic Technician. A person who holds a permit as set forth in this chapter and Section 54-4304A, Idaho Code, and who performs polysomnography related respiratory care services under the supervision of an Idaho permitted registered polysomnographic technologist, licensed respiratory care practitioner or an Idaho licensed physician. (3-16-04)

19. Polysomnographic Trainee. A person who holds a temporary permit as set forth in this chapter and Section 54-4304A, Idaho Code, and who performs polysomnography related respiratory care services under the direct supervision of an Idaho licensed respiratory care practitioner, or a person exempt from such licensure pursuant to this chapter and Section 54-4308, Idaho Code, an Idaho permitted registered polysomnographic technologist, an Idaho permitted polysomnographic technician or an Idaho licensed physician. Direct supervision by an Idaho licensed respiratory care practitioner, or such person exempt from such licensure pursuant to this chapter and Section 54-4308, Idaho Code, or an Idaho permitted registered polysomnographic technologist or technician, or an Idaho licensed physician, means that such a person shall be on the same site where such polysomnographic related respiratory care services are provided and shall be immediately available for consultation with the polysomnographic trainee. (4-4-13)

20. Polysomnography. The process of analysis, attended monitoring and recording of physiologic data during sleep and wakefulness to assist in the assessment and diagnosis of sleep/wake disorders and other disorders, syndromes and dysfunctions that either are sleep related, manifest during sleep or disrupt normal sleep/wake cycles and activities. (3-16-04)

21. Polysomnography Related Respiratory Care Services. The limited practice of respiratory care in the provision of polysomnography services, under the supervision of an Idaho licensed physician, by a person at a sleep disorder center or laboratory who holds a permit issued by the Board, as a registered polysomnographic technologist, polysomnographic technician or a polysomnographic trainee, or who is otherwise licensed as a respiratory care practitioner or who is exempt from licensure or permitting pursuant to this chapter and Section 54-4308, Idaho Code. Polysomnography related respiratory care services include therapeutic and diagnostic use of oxygen, noninvasive ventilatory assistance of spontaneously breathing patients and cardiopulmonary resuscitation and maintenance of nasal and oral airways that do not extend into the trachea, as ordered by an Idaho licensed physician or by written procedures and protocols of the associated sleep disorder center or laboratory as approved by an Idaho licensed physician and which do not violate any rules adopted by the Board. This chapter does not in any way authorize the practice of medicine or any of its branches by any person not so licensed by the Board. Further, licensed respiratory practitioners, and those exempt from licensure pursuant to this chapter and Section 54-4308, Idaho Code, are not limited in their scope of practice of provision of respiratory care, which they may provide, including care in connection with the provision of polysomnography services. (3-16-04)

22. Practice of Respiratory Care. Means, but shall not be limited to, the provision of respiratory and inhalation therapy which shall include, but not be limited to: therapeutic and diagnostic use of medical gases, humidity and aerosols including the maintenance of associated apparatus; administration of drugs and medications to

the cardiorespiratory system; provision of ventilatory assistance and ventilatory control; postural drainage, percussion, breathing exercises and other respiratory rehabilitation procedures; cardiopulmonary resuscitation and maintenance of natural airways, the insertion and maintenance of artificial airways; and the transcription and implementation of a physician's written, telephonic or verbal orders pertaining to the practice of respiratory care. It also includes testing techniques employed in respiratory care to assist in diagnosis, monitoring, treatment and research. This shall be understood to include, but not be limited to, measurement of ventilatory volumes, pressures and flows, specimen collection of blood and other materials, pulmonary function testing and hemodynamic and other related physiological monitoring of the cardiopulmonary system. The practice of respiratory care is not limited to the hospital setting but shall be performed under the general supervision of a licensed physician. (4-28-93)

23. Respiratory Care Protocols. Policies, procedures or protocols developed or instituted by health care facilities or institutions, through collaboration when appropriate or necessary with administrators, physicians, registered nurses, physical therapists, respiratory care practitioners and other licensed, certified or registered health care practitioners. (4-28-93)

24. Registered Polysomnographic Technologist (RPSGT). The professional designation earned by a person who has successfully completed the comprehensive registry examination administered by the Board of Registered Polysomnographic Technologists, or by an equivalent board, recognized by the Board, and who holds a permit as set forth in this chapter and Section 54-4304A, Idaho Code, and who works under the supervision of an Idaho licensed physician to provide polysomnography related respiratory care services. (3-16-04)

25. Registered Pulmonary Function Technologist (RPFT). The professional designation earned by a person who has successfully completed the advanced pulmonary function certification examination administered by the National Board for Respiratory Care, Inc., or an advanced pulmonary function certification examination administered by an equivalent board, recognized by the Board. (3-16-04)

26. Registered Respiratory Therapist (RRT). The professional designation earned by a person who has successfully completed the written registry and clinical simulation examinations administered by the National Board for Respiratory Care, Inc., or certification examinations administered by an equivalent board, recognized by the Board. (3-16-04)

27. Respiratory Care. Allied health profession responsible for the treatment, management, diagnostic testing, control and care of patients with deficiencies and abnormalities associated with the cardiopulmonary system, under the general supervision of a licensed physician. (2-23-94)

28. Respiratory Care Practitioner. A person who has been issued a license by the Board. (3-16-04)

29. Respiratory Therapist. A person who practices or provides respiratory care. (4-28-93)

30. Respiratory Therapy. The practice or performance of respiratory care, including but not limited to, inhalation therapy. (4-28-93)

31. Sleep Disorder Center or Laboratory. A facility for sleep related disorders that provides polysomnography and is under the supervision of an Idaho licensed physician or medical director licensed by the Board who is responsible for patient care provided in such center or laboratory. A sleep disorder center or laboratory that provides polysomnography related respiratory care to patients shall have an Idaho licensed respiratory care practitioner, an Idaho permitted registered polysomnographic technologist, an Idaho permitted polysomnographic technician, or a person exempt from licensure or permitting pursuant to this chapter and Section 54-4308, Idaho Code, in constant attendance. (3-16-04)

32. Supervision of Respiratory Care. The practice or provision of respiratory care by persons holding a student or consulting and training exemption, or temporary permit shall be in direct association with a respiratory care practitioner or licensed physician who shall be responsible for the activities of the person being supervised and shall review and countersign all patient documentation performed by the person being supervised. The supervising respiratory care practitioner or licensed physician need not be physically present or on the premises at all times but must be available for telephonic consultation. The extent of communication between the supervising or consulting respiratory care practitioner or licensed physician and the person being supervised shall be determined by the

competency of the person, the treatment setting, and the diagnostic category of the client. (3-26-08)

33. Temporary Permit. The Board may issue a temporary permit, limited to a total period of two (2) years, including initial and renewal, to a respiratory care practitioner applicant who meets the requirements set forth in this chapter and Section 54-4307, Idaho Code. The Board may issue a temporary permit, limited to a total period of two (2) years, including initial and renewal, to a polysomnographic trainee applicant who meets the requirements set forth in this chapter and Section 54-4304A, Idaho Code. (3-16-04)

34. Written Registry and Clinical Simulation Examinations. The certification examinations administered by the National Board of Respiratory Care, Inc., or certification examinations administered by an equivalent board, recognized by the Board, the successful completion of which entitles a person the professional designation of “Registered Respiratory Therapist” (RRT). (3-16-04)

011. BOARD OF MEDICINE AND LICENSURE BOARD.

01. Powers and Duties. The Board of Medicine shall administer, coordinate and enforce the provisions of this chapter and Title 54, Chapter 43, Idaho Code, and may issue subpoenas, examine witnesses, and administer oaths, and may investigate practices which are alleged to violate the provisions of this chapter. The Board is authorized to enter into such contracts with the National Board for Respiratory Care, Inc., Board of Registered Polysomnographic Technologists or an equivalent board, recognized by the Board, as may be necessary or advisable to provide for or to facilitate verification of any applicant's claim that such applicant has successfully completed the entry level examination and/or the written registry and clinical simulation examinations or comprehensive registry examination. The Licensure Board will work in conjunction with the Board and will perform the duties and functions assigned by the Board, including: (3-16-04)

a. Holding meetings, conducting interviews and keeping records and minutes as are necessary to carry out its functions. (3-16-04)

b. Evaluating the qualifications of all applicants, making recommendations to and consulting with the Board concerning issuing, renewing and revoking licenses and permits. (3-16-04)

c. Performing investigations of misconduct and making recommendations regarding discipline to the Board. (3-16-04)

d. Maintaining a list of respiratory care and polysomnography related respiratory care practitioners currently holding a license or permit in this state. (3-16-04)

02. Membership. The Licensure Board shall consist of five (5) members appointed by the Board, three (3) of whom shall be certified respiratory care practitioners, one (1) of whom, in addition to being an Idaho licensed respiratory care practitioner, shall also be an Idaho permitted registered polysomnographic technologist. All members shall be residents of Idaho at the time of their appointment and for their term of service. The persons appointed to the Licensure Board who are required to be licensed or hold permits under this chapter shall have been engaged in rendering respiratory care services and polysomnography related respiratory care services, respectively, to the public, in teaching, or in research in respiratory care and polysomnography related respiratory care services, respectively, for at least five (5) years immediately preceding their appointments. Three (3) members shall at all times be holders of valid licenses for the practice of respiratory care in Idaho and one (1) member shall also be a holder of a valid Idaho permit as a registered polysomnographic technologist, except for the members of the first Licensure Board following the effective date of this chapter, all of whom shall, at the time of appointment, hold the designation of certified respiratory therapy technician or registered respiratory therapist conferred by the National Board for Respiratory Care, Inc., and all of whom meet the requirements for licensure under the provisions of this chapter. The remaining two (2) members of the Licensure Board shall be members of health professions or members of the public with an interest in the rights of the consumers of health services. Each member of the Licensure Board shall be compensated as provided in Section 59-509(h), Idaho Code. (3-16-04)

03. Appointment. The two (2) members of the Licensure Board who shall be licensed respiratory care practitioners shall be selected by the Board after considering a list of three (3) qualified applicants for each such vacancy submitted by the Idaho Society of Respiratory Care or other interested associations. The member of the

Licensure Board who shall be a licensed respiratory care practitioner and an Idaho permitted registered polysomnographic technologist shall be selected by the Board after considering a list of three (3) qualified applicants submitted by the Idaho Sleep Disorder Association or other interested associations. In the event of a vacancy in one (1) of the positions, the Idaho Society of Respiratory Care or other interested association may recommend, as soon as practical, at least two (2) and not more than three (3) persons to fill that vacancy. The Board shall appoint, as soon as practical, one (1) person, who shall fill the unexpired term. If recommendations are not made within sixty (60) days of notification and request, the Board may make appointments of any qualified person. The remaining two (2) public members shall be selected by the Board, who may solicit nominations of qualified applicants submitted by the Idaho Society For Respiratory Care, the Idaho Sleep Disorder Association or other interested associations or persons. The first vacancy on the Licensure Board which occurs following the effective date of this chapter shall be filled by the appointment of a licensed respiratory care practitioner who is also the holder of a valid Idaho permit as a registered polysomnographic technologist. The Board may remove any Licensure Board member for misconduct, incompetence, or neglect of duty after giving the member a written statement of the charges and an opportunity to be heard thereon. The Executive Director of the Idaho State Board of Medicine shall serve as the Executive Director to the Licensure Board. (3-26-08)

04. Meetings. The Licensure Board shall hold biannual meetings and elect a chairman who shall preside at meetings of the Licensure Board. In the event the chairman is not present at any Licensure Board meeting, the Licensure Board may by majority vote of the members present appoint a temporary chairman. A majority of the members of the Licensure Board shall constitute a quorum. Other meetings may be convened at the call of the chairman or the written request of any two (2) Licensure Board members. (3-16-04)

05. Terms. All appointments shall be for three (3) year terms, but no person shall be appointed to serve more than two (2) consecutive terms. Terms shall begin on the first day of the appointment or when successors are appointed. (3-16-04)

012. APPLICATION TO BOTH PERMITS AND LICENSES.

The provisions of this chapter governing procedures for suspension and revocation of licenses, payment and assessment of fees and governing misrepresentation, penalties and severability and other administrative procedures shall apply equally to permits for the practice of polysomnography related respiratory care services as to licenses for the practice of respiratory care. (3-16-04)

013. -- 030. (RESERVED)

031. GENERAL PROVISIONS FOR LICENSURE AND PERMITS.

01. Moral Character. An applicant for licensure must be of good moral character and shall meet the requirements set forth in Section 54-4306, Idaho Code. An applicant for a permit must be of good moral character and shall meet the requirements set forth in Section 54-4304A, Idaho Code. The Board may refuse licensure or to issue a permit if it finds the applicant has engaged in conduct prohibited by Section 54-4312, Idaho Code, providing the Board shall take into consideration the rehabilitation of the applicant and other mitigating circumstances. (3-16-04)

02. No Action on Application. An application upon which the applicant takes no further action will be held for no longer than one (1) year. (4-28-93)

03. Residence. No period of residence in Idaho shall be required of any applicant, however, each applicant for licensure or permit must be legally able to work and live in the United States. An original certificate or documentation of lawful presence in the United States must be provided upon request only. The Board shall refuse licensure or renew a license or permit if the applicant is not lawfully present in the United States. (3-26-08)

04. English Language. Each applicant shall speak, write, read, understand and be understood in the English language. Evidence of proficiency in the English language must be provided upon request only. (3-26-08)

032. APPLICATION FOR LICENSURE AND PERMITS.

01. All Applications. Each applicant for licensure or permit shall submit a completed written application to the Board on forms prescribed by the Board, together with the application fee. The Board may, in its

discretion, prorate the application fees charged in conjunction with an application for initial licensure or a temporary permit if such license or temporary permit shall, upon issuance, remain valid for less than one (1) full calendar year before the required renewal date as provided for in Sections 54-4309 and 54-4310, Idaho Code. The application shall be verified and under oath and shall require documentation of the following information: (4-11-06)

a. The disclosure of any criminal conviction or charges against the applicant other than minor traffic offenses, what ever the outcome; and (4-4-13)

b. The disclosure of any charge, investigation or disciplinary action against the applicant by any state professional regulatory agency or professional organization that bears a demonstrable relationship to the ability of the applicant to practice in accordance with the provisions of this chapter; and (3-16-04)

c. The disclosure of the denial of registration or licensure by any country, state or district regulatory body; and (3-26-08)

d. Not less than two (2) certificates of recommendation from persons, other than relatives or persons living with the applicant, who have personal knowledge of at least one (1) year of the applicant's character and the applicant's ability to work as a respiratory therapist or provide polysomnography related respiratory care services; and (3-26-08)

e. One (1) unmounted photograph of the applicant, no larger than three by four inch (3" x 4") (head and shoulders), taken not more than one (1) year prior to the date of the application; and (2-23-94)

f. Such other information as deemed reasonably necessary and as is lawful for the Board to identify and evaluate the applicant's credentials; and (3-16-04)

g. Evidence that applicant is no less than eighteen (18) years of age. (3-16-04)

h. The Board may, at its discretion, require the applicant to appear for a personal interview. (3-16-04)

02. Application for Respiratory Care Practitioner. (3-16-04)

a. Documentation of evidence that applicant has passed the entry level examination and is a Certified Respiratory Therapist (CRT) or has successfully completed the written registry and clinical simulation examinations and is a Registered Respiratory Therapist (RRT); or (3-16-04)

b. Documentation that the applicant is licensed as a respiratory care practitioner, or the equivalent at the discretion of the Board, in another state, district or territory of the United States. (3-16-04)

c. Application for Temporary Permit. The Board may issue a temporary permit to an applicant who meets the requirements set forth in this chapter and Section 54-4307, Idaho Code. A temporary permit shall authorize the practice of respiratory care under the supervision of a respiratory care practitioner or licensed physician. (3-16-04)

i. A temporary permit for a respiratory care practitioner may be converted to a permanent license by providing to the Board, verification of appropriate certification as a Certified Respiratory Therapist (CRT) or Registered Respiratory Therapist (RRT). (3-16-04)

ii. A temporary permit shall be effective for one (1) year from the date of issuance. (4-28-93)

iii. A temporary permit may be renewed one (1) time only for a period of one (1) year, upon application to the Board. (4-4-13)

iv. Application for a temporary permit shall be made to the Board on a form prescribed by the Board, together with the application fee. The Board may, in its discretion, prorate the application fees charged in conjunction with an initial application for a temporary permit if such temporary permit shall, upon issuance, remain valid for less than one (1) full calendar year before the required renewal date as provided for in Sections 54-4309 and 54-4310,

Idaho Code. (4-11-06)

03. Application for Inactive License. A person holding a current license issued by the Board to practice as a respiratory care practitioner may be issued, upon written application provided by the Board and payment of required fees to the Board, an inactive license on the condition that he will not engage in the provision of respiratory care services as a respiratory care practitioner in this state. (3-16-04)

a. Issuance and Renewal. Inactive licenses shall be issued for a period of not more than five (5) years and such licenses shall be renewed upon payment of an inactive license renewal fee of no more than one hundred dollars (\$100) for each renewal year. Such inactive licenses shall expire on the expiration date printed on the face of the certificate unless renewed. (3-26-08)

b. Inactive to Active License. An inactive license may be converted to an active license to practice as a respiratory care practitioner upon written application and payment of active licensure fees for each inactive year minus paid inactive fees plus a conversion fee of no more than one hundred dollars (\$100) to the Board. The applicant must account for the time during which an inactive license was held and document continuing competence. The Board may, in its discretion, require a personal interview to evaluate the applicant's qualifications. In addition, the Board may require evidence of an educational update and close supervision to assure safe and qualified performance. (3-26-08)

04. Application for Respiratory Care and Polysomnography Related Respiratory Care Practitioner. (3-16-04)

a. The Board may issue a dual license/permit to an applicant who meets the requirements set forth in this chapter and Sections 54-4306 and 54-4304A(2) and (3), Idaho Code. A dual license/permit shall authorize the holder to perform respiratory care and polysomnography related respiratory care in this state. (3-16-04)

b. Application for a dual license/permit shall be made to the Board on a form prescribed by the Board, together with the application fee. (3-16-04)

c. Such dual license/permit shall expire on the expiration date printed on the face of the certificate unless renewed. (3-16-04)

05. Application for Polysomnography Related Respiratory Care Practitioner. (3-16-04)

a. Only persons who are licensed as respiratory care practitioners or who are exempt from licensure pursuant to the chapter and Section 54-4308, Idaho Code, or who hold a permit issued by the Board as registered polysomnographic technologists, polysomnographic technicians or polysomnographic trainees may provide polysomnography related respiratory care services. (3-16-04)

b. Qualifications for permit. An applicant for a permit to provide polysomnography related respiratory care services as a registered polysomnographic technologist or polysomnographic technician or for a temporary permit as a polysomnographic trainee under the provisions of Section 032 who is not otherwise licensed to provide respiratory care services or exempt from the requirements of this chapter pursuant to Section 54-4308, Idaho Code, must provide documentation of: (3-16-04)

i. Being a high school graduate or have passed a general educational development (GED) examination and earned a GED certificate; and (3-16-04)

ii. Being currently certified in cardiopulmonary resuscitation (CPR). (3-16-04)

c. Application for Registered Polysomnographic Technologist. An applicant must provide documentation of successful completion of the comprehensive registry examination as a registered polysomnographic technologist administered by the Board of Registered Polysomnographic Technologists or an equivalent examination, approved by the Board as recommended by the Licensure Board. (3-16-04)
