017. INELIGIBLE OPERATIONS OR OPERATORS.

The following types of operations and operators are not allowed to participate in the Reclamation Fund and may not provide alternative financial assurance through the Reclamation Fund. (3-16-04)

01. Forty Acre Limit. A surface or placer mine or mineral lease with greater than forty (40) acres of un-reclaimed disturbed acres or affected lands may not provide alternative financial assurance through the

Reclamation Fund. Un-reclaimed disturbance is that which does not meet the final traditional performance bond release criteria in the Dredge Mining Act, the Surface Mining Act or a mineral lease. (3-16-04)

12. Other Forfeitures. An operator who has forfeited a traditional performance bond. (3-16-04)

018. ACREAGE LIMITATIONS.

No operator shall be allowed to provide bonding through the Reclamation Fund if said operator has more than forty (40) acres of cumulative surface disturbance at more than one (1) mine site. An operator who has multiple plans and permits with a total disturbance in excess of forty (40) acres may participate in the Reclamation Fund with one (1) or more sites that contain less than forty (40) acres of total disturbance. These operators may also choose to not participate in the Reclamation Fund at all. A plan or permit that does not provide alternative financial assistance through the Reclamation Fund must be bonded with a traditional performance bond. (3-16-04)

019. OPTIONAL PARTICIPATION.

Operators who have one (1) or more mining operations or leases that are ineligible to participate in the Reclamation Fund as set forth in Section 017 or 018 of these rules may choose to not participate in the Reclamation Fund with respect to all other mining operations or leases in their name. An operator who does not participate in the Reclamation Fund must secure their operation with a traditional performance bond. (3-16-04)

020. FEDERAL AGENCY NON-ACCEPTANCE OF RECLAMATION FUND.

If a federal agency will not accept an operator's participation in the Reclamation Fund as proof of reclamation security, the operator will be required to provide a traditional performance bond. (3-16-04)

021. -- 025. (RESERVED)

026. PAYMENT.

01. Board Approved Payment Schedule. The Board shall adopt a payment schedule which will be used to determine the annual Reclamation Fund payment for each mineral lease, reclamation plan, placer permit or temporary permit required to participate in the Reclamation Fund. Any changes to the payment structure must be reviewed and approved by the Board. (3-16-04)

02. Acreage Calculation. The annual payment for each participant in the Reclamation Fund shall be established based upon the number of acres of disturbed or affected land at each mining operation. The acres used to calculate the annual payment shall include the acres of currently disturbed and affected land and the acres planned to be disturbed or affected during the next twelve (12) months as required by the Surface Mining Act and the Dredge Mining Act, or as may be required by a mineral lease. The acreages of disturbed or affected land at the mining operation shall not be rounded when determining annual payments. (3-16-04)

03. Annual Payments Non-Refundable. Payments to the Reclamation Fund are non-refundable. Payments will be billed annually and are subject to late penalties as established by the Board. New participants will be assessed a pro-rated payment based on the Department's established billing cycle. (3-16-04)

04. Supplemental Payments. If an operator finds it necessary to affect more acreage than the acreage secured through the Reclamation Fund for the current period, the Department may require supplemental Reclamation Fund payments. Additional Reclamation Fund payments for mineral leases may be required by the Department based on site specific conditions. (3-16-04)

05. Assignment or Transfer. When a lease, plan or permit is assigned, financial assurance requirements must be assumed by the new lessee or operator. No Reclamation Fund payments will be refunded following an assignment. If the new operator or lessee is ineligible to participate in the Reclamation Fund, the new operator or lessee must provide a traditional performance bond before the assignment will be approved. (3-16-04)

06. Non-Payment Constitutes Lack of Bonding. For those operators or lessees required to participate in the Reclamation Fund, non-payment of the annual fee shall be considered a failure to provide a traditional performance bond as required by the Dredge Mining Act, the Surface Mining Act, Mineral Leasing Act, or a mineral lease. (3-16-04)

027. -- 030. (RESERVED)

031. ENFORCEMENT AND FAILURE TO COMPLY.

01. Forfeiture. Prior to withdrawing monies from the Reclamation Fund due to a violation of the Dredge Mining Act, the Surface Mining Act, Mineral Leasing Act, or a mineral lease, the Department shall comply with the procedures for traditional performance bond forfeiture. (3-16-04)

02. Penalties. If an operator fails to provide financial assurance as required by these rules or has forfeited monies from the Reclamation Fund and has not repaid those monies, the Board shall be authorized to file liens against personal property and equipment of the operator to recover costs. The operator shall be liable for actual costs of the required financial assurance, reclamation costs, and administrative costs incurred by the Department in reclaiming the disturbed or affected lands. All legal action by the Department shall be in accordance with the Dredge Mining Act, Surface Mining Act, Mineral Leasing Act, or any mineral lease. Authorization to obtain a lien under this rule and Section 47-1804, Idaho Code, shall be in addition to, not in lieu of, any other legal remedy available to the Board and the Department pursuant to the Dredge Mining Act, Surface Mining Act, Mineral Leasing Act, or any mineral lease. (3-16-04)

03. Procedure for Appeals. Any operator or lessee aggrieved by any final order of the Board regarding the Reclamation Fund Act shall be entitled to appeal using the procedures as set forth in the Dredge Mining Act, Surface Mining Act, Mineral Leasing Act or a mineral lease. (3-16-04)

032. MINIMUM BALANCE FOR THE RECLAMATION FUND.

The Board shall determine a reasonable minimum balance for the Reclamation Fund. (3-16-04)
