100. TAFI ELIGIBILITY.

To be eligible for TAFI, an individual must sign an application; provide verification requested by the Department; negotiate and sign a PRC; cooperate in establishing and obtaining support; complete work activities including job search; and meet all other personal responsibility and financial criteria. (7-1-99)

Lifetime eligibility for adults is limited to twenty-four (24) months unless otherwise provided by these rules. When there is more than one (1) adult in the family, the number of months of the adult with the most months of TANF participation must be counted towards the time limit. Any month that a TANF benefit was received in another state

after June 30, 1997, counts toward the twenty-four (24) month Idaho time limit, unless the other state reports it did not count the months toward the federal time limit. If during the twenty-four (24) month time limit the Department does not end benefits at the appropriate time and a payment is made in error, the month is not counted towards the twenty-four (24) month time limit. It is counted toward the federal sixty (60) month time limit. (3-30-01)

03. Treatment Requirement. Participants must enter a substance abuse treatment program and cooperate with treatment, if screening, assessment or testing shows them in need of substance abuse treatment.

(3-15-02)

04. Participant Information. Before screening the Department will provide participants information about the purpose of substance abuse screening, testing and treatment. (3-15-02)

05. Confidentiality of Screening and Testing. Substance abuse screening and testing results are confidential under Section 74-106(6), Idaho Code. If a child is potentially eligible for either TAFI or foster care, only one (1) program may be chosen. No individual may be eligible for benefits as a member of more than one (1) family in the same month. (5-8-09)

114. -- 115. (RESERVED)

116. PERSONAL RESPONSIBILITY CONTRACT (PRC).

A personal responsibility contract must be negotiated and signed by the mandatory adult household members defined under Section 125 of these rules, and all application activities must be completed before eligibility can be approved. The family must continue to comply with ongoing personal responsibility contract requirements to remain eligible. (7-1-12)

117. SUBSTANCE ABUSE INITIAL SCREENING.

The Department will use a nationally recognized substance abuse screening instrument. (3-15-02)

118. SUBSTANCE ABUSE ASSESSMENT.

A Department approved substance abuse contractor will conduct screening to evaluate a participant's need for testing. The contractor will use a screening instrument approved by the Department as a valid and reliable indicator of possible substance abuse. The contractor must have adequate training in the recognition of substance abuse, use of the screening instrument, and interpretation of results. When found necessary by the contractor, the assessment process will include substance abuse testing. The contractor will interpret the results. (3-15-02)

119. REFERRAL FOR SUBSTANCE ABUSE ASSESSMENT.

The Department will refer the participant for assessment when screening results indicate a reasonable suspicion the participant is engaged in, or at high risk of, substance abuse. A Department approved substance abuse contractor will conduct the assessment. (3-15-02)

120. SUBSTANCE ABUSE TESTING.

Idaho law requires substance abuse testing of any TAFI applicant or recipient, if the Department has a reasonable

suspicion they are engaged in, or at high risk of, substance abuse. Testing will be conducted if screening and assessment give a reasonable suspicion the participant is engaged in substance abuse. TAFI participants must comply with substance abuse testing as a condition of eligibility. (3-15-02)

121. CONSENT AND ACKNOWLEDGMENT REQUIRED BEFORE SUBSTANCE ABUSE TESTING.

Before taking a substance abuse test, the participant must sign a consent for testing. The participant will be asked, but not required, to advise the person administering the test of the use of any over-the-counter or prescription drugs. This information will be considered in the results of the drug test. The participant must acknowledge, in writing, he received and understands the notice elements listed this Section and Section 111 of these rules. (3-15-02)

122. ADMINISTRATION OF SUBSTANCE ABUSE TEST.

A Department approved contractor will administer the substance abuse test. The contractor must have training, through a licensed laboratory, in correct procedures for specimen collection and chain of custody. Specimen collection shall be documented. This includes labeling containers to prevent erroneous drug test results. The contractor must perform specimen collection, storage, and transportation to the laboratory site in a manner preventing specimen contamination or adulteration. A licensed laboratory will evaluate specimens. The laboratory will analyze specimens for controlled substances and alcohol. (3-15-02)

01. Specimen Collection Procedures. The contractor shall collect the specimen for substance abuse testing with due regard for the privacy of the participant providing the specimen. The contractor shall collect the specimen in a manner preventing substitution or contamination of the specimen. (3-15-02)

02. Test Results. The Department will evaluate the results of the substance abuse test, before notifying the participant of them. The Department will evaluate all positive test results to verify the specimen was collected, transported, and analyzed under proper procedures. The Department will determine if other circumstances caused the positive test result. The Department shall review and confirm medical information provided by the applicant. After this evaluation is complete, the Department will notify the participant of the test results. If the test result is positive, the Department will inform the participant of available substance abuse treatment programs, and of the requirement for treatment to be TAFI eligible. (3-15-02)

03. Request for New Test. Within ten (10) calendar days of notice of a positive test result, the participant can request a new test. (3-15-02)

123. TAFI APPROVAL BEFORE SUBSTANCE ABUSE SCREENING AND TESTING RESULTS KNOWN.

Applicants may be approved for TAFI, if otherwise eligible, when they agree to substance abuse screening. They must complete the screening instrument. If required, they must participate in a substance abuse assessment. This includes providing a specimen for testing, if needed as part of the assessment process. The applicant should complete these steps within fifteen (15) calendar days of approval. If the process takes longer than fifteen (15) calendar days, through no fault of the applicant, TAFI may be approved if the participant is cooperative in satisfying their substance abuse screening requirements. (3-15-02)

124. SUBSTANCE ABUSE TREATMENT.

If substance abuse screening, assessment or testing shows the participant needs substance abuse treatment, the Department shall require the participant to enter a substance abuse treatment program and cooperate with treatment. Treatment shall be provided at no cost to TAFI participants. Treatment shall be community based and gender specific. The Department shall provide for the participant's transportation and child care needs if necessary. (3-15-02)
