a. Non-refundable Fee. Each application for a lease shall be accompanied by a non-refundable application fee in the amount specified by the Board. (3-13-02)

b. Application Deadline. The deadline to apply to lease a parcel of state endowment trust land already covered by a lease shall be as established by the Department for the year the existing lease expires. c. Proposed Management Plan. All applicants for state grazing, farming and conservation leases shall submit a proposed management plan with their application. d. Legal Description on Application. All applications must include a legal description of the state endowment trust land applied on. The Department reserves the right to require an amendment of the legal description of state endowment trust lands identified in a lease application to ensure the parcel is a manageable unit or for any other reason deemed appropriate by the Department. If the applicant fails to provide an amended application, referencing a manageable unit as designated by the Department, the application shall be considered invalid. (3-12-10)

e. Nonconflicted Applications. (3-12-10)

i. If the current lessee is the only applicant and the Department does not have concerns with the lessee's current management of the leased state endowment trust land, a new lease will be issued. (3-12-10)

ii. If the current lessee is the only applicant and the Department has concerns with the lessee's current management of the state endowment trust lands, the Department shall request in writing a new proposed management plan and meet with the current lessee to develop terms and conditions of a proposed lease. (4-4-13)

f. Conflicted Applications. (3-12-10)

i. All applicants submitting conflict applications shall meet with the Department to develop the terms and conditions of a proposed lease specific to each applicant's proposed management plan. (4-4-13)

ii. The Department will provide all applicants for conflicted leases with the list of criteria that will be used to develop lease provisions. Among the factors to be addressed in the criteria are the following: (3-12-10)

(1) The applicant's proposed use and the compatibility of that use of the state endowment trust land

with preserving its long-term leasing viability for purposes of generating maximum return to trust beneficiaries; i.e., the impact of the proposed use and any anticipated improvements on the parcel's future utility and leasing income potential. (4-4-13)

(2) The applicant's legal access to and/or control of land or other resources that will facilitate the proposed use and is relevant to generating maximum return to trust beneficiaries. (3-12-10)

(3) The applicant's previous management of land leases, land management plans, or other experience relevant to the proposed use or ability/willingness to retain individuals with relevant experience. (3-12-10)

(4) Potential environmental and land management constraints that may affect or be relevant to assessing the efficacy or viability of the proposed use. (3-12-10)

(5) Mitigation measures designed to address trust management concerns such as: (3-12-10)

(a) Construction of improvements at lessee's expense. (3-12-10)

(b) Payment by lessee of additional or non-standard administrative costs where the nature of the proposed use and/or the applicant's experience raises a reasonable possibility that greater monitoring or oversight by the Department than historically provided will be necessary to ensure lease-term compliance. (3-12-10)

(c) Bonding to ensure removal of any improvements installed for the lessee's benefit only and which would impair the future utility and leasing income potential of the state endowment trust land. (3-12-10)

(d) Bonding to ensure future rental payments due under the lease in cases where the lessee is determined by the Department to pose a significant financial risk because of lack of experience or uncertain financial resources. (3-12-10)

(6) Any other factors the Department deems relevant to the management of the state endowment trust land for the proposed use. (4-4-13)

g. Proposed Lease. Within ten (10) days of the final meeting with the applicant to discuss lease provisions, the Department will provide the applicant with a proposed lease containing those terms and conditions upon which it will lease the state endowment trust land. If the applicant does not accept in writing the lease as proposed by the Department within seven (7) days of receipt, the application will be rejected in writing by the Department. Within twenty (20) days of the date of mailing of the rejection notice, the applicant may appeal the Department's determination as to the lease's terms and conditions to the Land Board. If the appeal is denied, the applicant may continue with the auction process by accepting the lease terms and conditions initially offered by the Department. No auction shall be held until the Land Board resolves any such appeal. (4-4-13)

03. Expiring Leases. Lease applications will be mailed by the Department to all holders of expiring leases no less than thirty (30) days prior to the application deadline. Signed applications and the application fee must be returned to the Department by the established deadline or postmarked no later than midnight of that date. It shall be the lessee's responsibility to ensure applications are delivered or postmarked by the deadline. (3-12-10)

04. Rental Deposit. (3-13-02)

a. Existing Lessee. If the existing lessee is the sole applicant, the lessee may submit the rental deposit at the normal due date. If a conflict application is also filed on the expiring lease and the existing lessee is awarded the lease by the Land Board, the lessee must deposit, with the Department, the estimated first year's rental for the lease at the time the lease is submitted to the Department with lessee's signature. (3-12-10)

b. New Applicants. (3-12-10)

i. Expiring Lease. New applicants for expiring leases must submit the estimated first year's rental to the Department at the time of the application's submission. (3-12-10)

ii. Unleased State Endowment Trust Land. All applicants for unleased state endowment trust land are deemed new applicants. If an applicant for unleased state endowment trust land is the sole applicant, the applicant may submit the rental deposit at the normal billing cycle, unless the time of application and desired time of use do not coincide with the normal billing cycle, in which case payment must be rendered at the direction of the Department. (4-4-13)

Unauthorized activities occurring on state endowment trust land shall be considered trespass; these include dumping of garbage, constructing improvements without a permit, and other unauthorized actions. (4-4-13)

04. Trespass Claims. Trespass claims initiated by the Department will be assessed as triple the current State AUM rate for forage taken. (3-13-02)

091. -- 099. (RESERVED)

100. CONSTRUCTION AND MAINTENANCE OF IMPROVEMENTS.

01. Prior Written Approval. The lessee must secure the written approval of the Department prior to constructing any improvements or buildings, or clearing any state endowment trust land. Failure to secure such approval shall eliminate any right to an improvement credit and may, at the Department's discretion, be deemed a material breach of the lease and cause for cancellation. Any arrangement for cost sharing or improvement crediting will be identified in the improvement permit. Routine farming practices identified in a farm plan will not require prior approval. (3-12-10)

02. Maintenance. All authorized improvements shall be maintained in functional condition by the lessee. The lessee may be required to remove or reconstruct improvements in poor or non-serviceable condition. Existing maintenance agreements on lands acquired from the federal government shall remain in effect until amended by the parties involved. If maintenance is not being accomplished, the Department shall provide a certified letter to the lessee informing the lessee of the rule violation. If work is not begun within thirty (30) days, the Department may contract repairs and add the amount to the annual rental. (3-13-02)

101. IMPROVEMENT CREDIT.

01. Sale or Auction. In the event of sale of the state endowment trust land covered under the lease or if the existing lessee is not the successful bidder at the auction of the lease, the creditable value of the authorized improvements, as determined by the Department, shall be paid to the former lessee by the Department or the purchaser where a sale occurs or by the successful bidder where a new lease is issued. (3-12-10)

02. Exchange. In the event of exchange of the state endowment trust land covered under the lease, the creditable value of authorized improvements, as determined by the Department, shall be paid to the former lessee by the acquiring party, if other than the existing lessee. (3-12-10)

03. Crediting. Improvement credit may be allowed when the Department determines that such credit would further the objective of maximizing long-term financial return to trust beneficiaries if the improvements are: (3-12-10)

a. Authorized in writing by the Department or lacking written authorization, but in existence prior to 1970; (3-12-10)

b. Not expressly permitted “for lessee’s benefit only”; and (3-12-10)

c. Maintained during the lease term. (3-12-10)

04. Value Only to Lessee. Where improvements are approved, but due to their nature, are not acceptable to receive improvement credit because no value exists for a future lessee, a notation shall be made in the permit, “For lessee’s benefit only.” If the succeeding lessee or assignee chooses not to purchase the non-creditable improvements, the former lessee will be required to remove them. (3-13-02)

05. Maintenance Costs. Maintenance of improvements will be considered a normal cost of doing business and no improvement credit will be allowed, except that, with prior written approval from the Department, improvement crediting may be allowed for materials used for the maintenance of Department-funded improvements. (3-13-02)

06. Unauthorized Improvements. No credit will be allowed for unauthorized improvements. At the discretion of the Department, the lessee may be required to remove unauthorized improvements. (3-13-02)

Credited improvements will be valued on the basis of replacement cost, including lessee provided labor, equipment and materials, less depreciation based on loss of utility. Improvements cannot be appraised higher than current market value, regardless of lessee’s cost. Any improvement amortization or cost limitations identified by the Department will be considered in determining a final value. (3-19-07)

01. Applicant Review of Department Improvement Credit Valuation. All applicants for a conflicted lease will be provided a copy of the Department’s improvement credit valuation for review and a notice of

objection form. Any applicant objecting to the appraisal will have twenty-one (21) days from the date of the valuation mailing to submit the notice of objection form to the Department. If no objections are received during the twenty-one (21) day review period, the lease auction will be scheduled and will proceed using the Department's improvement credit valuation. (3-19-07)

02. Failure to File a Timely Notice of Objection. Failure to submit a notice of objection within the specified twenty-one (21) day period will preclude any applicant from further administrative remedies and the auction will proceed using the Department's improvement credit valuation. (3-19-07)

03. Notice of Objection. Any applicant objecting to the Department improvement credit valuation must submit a complete and timely notice of objection form, and payment of two thousand five hundred dollars (\$2,500) or ten percent (10%) of the total Department improvement credit valuation whichever is greater, to pay for the services of an independent third party. Within five (5) days of receipt of the notice of objection, the Department will notify all applicants in writing that an objection has been received and provide them with a list of certified appraisers. (3-19-07)

04. Selection of an Independent Third Party. The applicants will have twenty-one (21) days from the date of the Department's notification of an objection to select by mutual agreement, one individual from the list of certified appraisers to serve as an independent third party. If the applicants cannot agree on an independent third party within the twenty-one (21) day time period, the Department will randomly select one individual from the list to serve as the independent third party. (3-19-07)

05. Duties of the Independent Third Party. The independent third party will review the Department improvement credit valuation and alternate valuations provided by the applicants. Following this review, the independent third party will select from among the Department valuation and alternate valuations, the one value that (s)he determines is the most accurate value of the improvements. The independent third party will notify the Department of this value in writing. (3-19-07)

06. Notification of Final Improvement Value. Within five (5) days of receiving the independent third party's final determination of improvement credit value, the Department will mail to each applicant an auction notice which shall reference the independent third party's determined value of improvements. The determination by the independent third party of the improvement value will be deemed final, and the appraised value of improvements will not be allowed as a basis for appeal of the auction. (3-19-07)

103. -- 104. (RESERVED)

105. CONFLICT AUCTIONS.

01. Two or More Applicants. When two (2) or more eligible applicants apply to lease the same state endowment trust land for grazing, farming conservation, noncommercial recreation, or communication site purposes and the Department determines the proposed uses are not compatible, the Department shall hold an auction. (3-12-10)
