## 13.01.08 – RULES GOVERNING THE TAKING OF BIG GAME ANIMALS

### 000. LEGAL AUTHORITY.

Sections 36-104(b), 36-405, 36-408, 36-409, and 36-1101(a), Idaho Code, authorize the Commission to adopt rules concerning the taking of big game animals. (3-20-20)

### 001. TITLE AND SCOPE.

The title of this chapter for citation is IDAPA 13.01.08, “Rules Governing the Taking of Big Game Animals.” These rules govern the taking of big game animals. (3-20-20)

### 002. -- 009. (RESERVED)

### 010. DEFINITIONS.

**01. Established Roadway.** Any road that is established, built, maintained, approved or designated by any governmental entity or private landowner for the purpose of travel by full-sized automobiles. An established roadway shows evidence of repeated use by full-sized automobiles, and may include a traveled way of natural earth with depressed wheel tracks and little or no vegetation in the wheel tracks. (3-20-20)

**02. Front Quarters, Hind Quarter, Loins, and Tenderloins.** As applied in Section 36-1202, Idaho Code, for edible portions of big game animals, front quarters of big game animals include the meat surrounding the ball joint as far down as the knees, hindquarters include the meat surrounding the ball joint as far down as the hock, and the loins and tenderloins are the meat along the backbone. (3-20-20)

**03. Full-sized Automobile.** Any motorized vehicle with a gross weight in excess of one thousand five hundred (1,500) pounds. (3-20-20)

**04. Hunter.** A person engaged in the activity of hunting, as defined in Section 36-202, Idaho Code. (3-20-20)

**05. Motorized Vehicle.** As defined in Section 36-202, Idaho Code. (3-20-20)

### 011. -- 199. (RESERVED)

### 200. BAG AND POSSESSION LIMITS.

No person may take more than one (1) deer, elk, pronghorn, moose, bighorn sheep, mountain goat, black bear, or gray wolf during a calendar year except: (3-20-20)

**01. Depredation Hunts.** One (1) additional deer, elk, pronghorn, black bear, or gray wolf may be taken by persons holding a depredation hunt tag for that hunt, except where the depredation hunt precedes or follows a controlled hunt in the area, persons who drew that controlled hunt may be selected to participate in the depredation hunt in accordance with Section 800. Such persons must follow the weapon restrictions that apply to the controlled hunt they drew, and participation in the depredation hunt does not allow them to take a second animal. (3-20-20)

**02. Extra Tag Hunts.** In extra tag hunts, one (1) additional deer, elk or pronghorn may be taken by persons holding tags for those hunts. (3-20-20)

**03. Limits on Take -- Deer, Elk, Pronghorn, Mountain Lion, Black Bear, Gray Wolf.** In no event may any person take more deer, elk, pronghorn, mountain lion, black bear, or gray wolf in a calendar year than the number of tags the person legally possesses for each species. (3-20-20)

### 201. -- 249. (RESERVED)

### 250. TAGS AND PERMITS.

No person may take big game animals without having in possession the appropriate license, tags, and permits. (3-20-20)

**01. Use of Controlled Hunt Tags.** (3-20-20)

**a.** Controlled hunt tags, including controlled depredation hunt tags and controlled hunt extra tags, issued for big game animals may be used only for take of the animal in the hunt area specified by Commission proclamation or Department order for the controlled hunt for which the tag is issued. (3-20-20)

**02. Use of General Season Tags.** General season tags, including extra general season tags, issued for big game animals may be used during any open general season, including any general special weapon season, ONLY as follows: (3-20-20)

**a.** Only for take of the animal specified on the tag, with a Regular Deer tag being valid for mule deer or white-tailed deer; and (3-20-20)

**b.** Only in the hunt area for which the tags are issued, as designated by Commission proclamation. (3-20-20)

**c.** And for elk, Elk A Tags may be used only during a general season, including any general special weapon season, designated by Commission proclamation as an Elk A season, and Elk B Tags may be used only during any general season, including any general special weapon season designated by Commission proclamation as an Elk B season. (3-20-20)

**03. Statewide Hunt Area.** If a general season tag, including any extra general season tag, for a big game animal does not specify a hunt area, the tag may be used statewide, unless Commission proclamation or Department order specifies an area where such tag use is prohibited or otherwise limited in its use. (3-20-20)

**04. Additional Use of Nonresident Deer and Elk Tags.** A nonresident tag, excluding a nonresident junior mentored tag, issued for elk or deer may be used to take a black bear, mountain lion or gray wolf, during any open general season corresponding to the elk or deer tag when the season for the animal taken is also open. (3-20-20)

**251. ARCHERY AND MUZZLELOADER PERMITS.**

No person may hunt in a season designated by Commission proclamation as Archery Only or Muzzleloader Only without the appropriate archery or muzzleloader permit for the relevant season validated on their license. (3-20-20)

**252. DELAY IN ELIGIBILITY FOR BUYING LIMITED GENERAL HUNT TAG.**

When the Commission limits the number of tags available for a general big game hunt, the Commission may establish a period of no more than five (5) days at the beginning of a tag sale period, during which any applicant for a controlled hunt in the same calendar year for the same species is not eligible to buy a tag for that limited hunt. (3-20-20)

**253. -- 254. (RESERVED)**

**255. NONRESIDENT TAG RESTRICTIONS.**

**01. Nonresident Tag Limitations.** (3-20-20)

**a.** In controlled hunts with ten (10) or fewer tags, not more than one (1) nonresident tag will be issued. In controlled hunts, EXCEPT unlimited controlled hunts, with more than ten (10) tags, not more than ten percent (10%) of the tags will be issued to nonresidents. This rule will apply to each uniquely numbered controlled hunt and to the controlled hunts for each species. Outfitter allocated hunts are exempt from the limitation of this Subsection. (3-20-20)

**b.** In unlimited controlled hunts, the Commission may limit the number of tags available for nonresident hunters to no less than ten percent (10%) of the average number of tags drawn annually during the previous five (5) year period. (3-20-20)

**c.** For each species, the total number of outfitter allocated controlled hunt tags will be subtracted from the result of ten percent (10%) of the sum of all controlled hunt tags; including outfitter allocated controlled hunts, but excluding all unlimited controlled hunts. In addition to the limitations of Subsection 255.01.a., the resulting net number will be the maximum number of controlled hunt tags that may be issued to nonresidents for all controlled hunts except outfitter allocated and unlimited controlled hunts. (3-20-20)

**d.** In general hunts, the Commission may limit by proclamation the number of tags available for nonresident hunters in a zone or big game hunting unit to no less than ten percent (10%) of the average hunter

participation estimated for that zone or unit during the previous five (5) year period. If the Commission adopts tag limits in a zone or big game hunt unit for non-residents under this Subsection 01.d., without limiting residents, the provisions of IDAPA 13.01.04.505.02, “Rules Governing Licensing,” applicable to controlled hunts with limited nonresident tags and unlimited resident tags will apply to deer and elk tag allocation instead of the provisions of IDAPA 13.01.04.505.01. (3-20-20)

**e.** Governor’s Wildlife Partnership Tags for deer, elk, pronghorn, bighorn sheep, mountain goat, and moose will be taken from the nonresident tag quota and availability is subject to Nonresident Tag Limitations. (3-20-20)

(3-20-20)

**c.** Any person who kills a bighorn ewe is not eligible to apply for another bighorn ewe controlled hunt tag for five (5) years. - 700. SEASONS, LIMITS, CONTROLLED HUNTS, AND TAG NUMBERS.**  
The Commission sets seasons (including general and youth only, special weapon, short-range, unit exceptions for methods of take), limits, controlled hunt areas and tag numbers, and general unit or zone tag numbers by proclamation adopted and published in accordance with Section 36-105(3), Idaho Code. (3-20-20)
701. -- 799. **(RESERVED)**
- 800. EMERGENCY DEPREDATION HUNTS.**
01. **Eligibility.** (3-20-20)

**a.** Only Idaho residents with a valid Idaho hunting or combination license are eligible to apply to participate in emergency depredation hunts. (3-20-20)

**b.** Persons submitting applications for emergency depredation hunts are eligible to apply for controlled hunts or may hunt in the general season. (3-20-20)

**02. Applications.** (3-20-20)

**a.** A person may submit no more than (1) application per year for each species--deer, elk, pronghorn, black bear, or gray wolf. (3-20-20)

**b.** An individual or a group may apply. A group is defined as two (2) hunters applying for the same depredation hunt on the same application. If an individual submits application for more than one (1) species, he does not have to apply in the same group or area for each application (3-20-20)

**c.** Any form not properly completed will be ineligible for selection. (3-20-20)

**d.** Any holder of an antlerless or doe/fawn, or black bear controlled hunt tag will be considered an applicant for any depredation hunt for that species which is: (3-20-20)

**i.** Held prior to the antlerless or doe/fawn, or black bear controlled hunt; and (3-20-20)

**ii.** Is in the same area as the depredation. (3-20-20)

**e.** Any holder of an antlerless or doe/fawn, or black bear controlled hunt tag may also apply for a depredation hunt in any region. (3-20-20)

**f.** A list of depredation hunt applications received will be maintained for the time period July 1 to June 30. Applications are valid only for the time period for which they are submitted. (3-20-20)

**03. Selection of Participants.** The Department will place all applications (individual or group) for each depredation hunt received by June 30 in random order. All applications received after June 30 will be placed at the end of the list in the order received, except that military personnel returning from active duty will be given priority. The Department will select participants for a hunt in the order in which applicants appear on the list, except for those hunts that precede, or at the discretion of the Regional Supervisor, follow a controlled hunt for doe/fawn or antlerless animals or black bear. If a depredation hunt is scheduled before or, at the discretion of the Regional Supervisor, after a doe/fawn or antlerless hunt or black bear hunt in the same unit, the holders of the doe/fawn or antlerless tags or black bear tag will be given the option to hunt in the depredation hunt. If no doe/fawn or antlerless or black bear hunts are scheduled in that unit, or if some depredation hunt tags are not taken by controlled hunt hunters, participants will be selected from applicants for that depredation hunt. If a group application is selected, both hunters will be offered depredation hunt tags. (3-20-20)
