02. Restrictions. Tags for use in general hunts will be sold on a first-come, first-serve basis through July 14 of each year. Application for purchase of these tags will be made by the outfitter for the nonresident on a form prescribed by the Department. The application shall be accompanied by the appropriate license fees and a certification by the outfitter that the nonresident has a contract to hunt with the outfitter making application. (7-1-21)T

501. – 504. (RESERVED)

505. DEER AND ELK TAG ALLOCATION.

01. Allocation of Tags for Capped General Hunt Units or Zones. Pursuant to Section 36-408, Idaho Code, the Commission may allocate a number of deer and/or elk tags for use by hunters with signed agreements with licensed outfitters in units or zones with limited numbers of tags. The Commission may use this subsection or the allocated tag provisions of Section 36-408, Idaho Code, to allocate outfitter tags in capped general hunt units or zones. (7-1-21)T

a. When the number of hunters in a general hunt unit or zone becomes restricted, the Department will calculate the initial number of allocated tags for each zone using the Idaho Outfitters and Guides Licensing Board's records of average historic use during the previous five (5) year period. Where it is biologically feasible, any reductions in the number of tags available within a zone that exceed twenty percent (20%) will be spread over a three (3) year period with a maximum reduction of fifty percent (50%) taken in the first year and twenty-five percent (25%) in the second year. (7-1-21)T

b. The allocation of tags will be calculated on a unit or zone basis. Any reduction or increase in hunting opportunities will be proportionate among non-outfitted hunters and outfitted hunters, and will be proportionate among resident and non-resident hunters; EXCEPT where such reduction would result in an allocation of greater than twenty-five percent (25%) for non-resident hunters, the Commission may reduce the allocation for non-resident hunters to a percentage of not less than twenty-five percent (25%). (7-1-21)T

02. Allocation of Tags for Controlled Hunt Areas. The Commission may only allocate outfitter tags in controlled hunt areas with historic licensed deer and/or elk outfitted area(s). Hunt application and eligibility rules will apply to allocated tags in controlled hunts. (7-1-21)T

a. The number of outfitter allocated tags will be in addition to the number of tags authorized by the Commission within each controlled hunt area with historic licensed deer and/or elk outfitter areas. (7-1-21)T

b. A person is not eligible to apply for an outfitter allocated controlled hunt unless that person has a written agreement with an outfitter licensed in the hunt area. Successful applicants of an outfitter allocated controlled hunt must hunt with an outfitter licensed for the hunt area. The outfitter must purchase the successful applicant's controlled hunt tag by August 20. (7-1-21)T

c. Successful applicants who do not want to participate in the outfitted hunt may decline the hunt upon written notification to the Department. Those declining the hunt will then be eligible to participate in a general season or leftover controlled hunt. Those drawing an outfitted controlled hunt and then declining the controlled hunt will be subject to any applicable waiting period under IDAPA 13.01.08, "Rules Governing Taking of Big Game Animals," Section 257. (7-1-21)T

d. Successful applicants that do not secure the services of an Idaho licensed outfitter and have not purchased the controlled hunt tag by August 20 will forfeit the opportunity to purchase a controlled hunt tag. The forfeited controlled hunt tag will then be listed as a leftover controlled hunt tag. The Department will inform the Idaho Outfitters and Guides Board that a leftover controlled hunt tag is available. After securing a client, the outfitter(s) may then purchase the leftover controlled hunt tag at a Department office. (7-1-21)T

e. The Commission may use this subsection or the allocated tag provisions of Section 36-408, Idaho Code, to allocate outfitter tags in controlled hunt areas: (7-1-21)T

i. No less than one (1) tag and no more than three percent (3%) of the total tags; or (7-1-21)T

ii. A number based on the average historic use during the previous five (5) year period to be rounded up when a decimal equals or exceeds zero point six (0.6) and rounded down when a decimal is less than zero point six (0.6); or (7-1-21)T

iii. An unlimited number of allocated tags or a number of allocated tags based on historic use as alternatives only for controlled hunt areas with limited nonresident tags and unlimited resident tags; or (7-1-21)T

- iv. No tags will be allocated. (7-1-21)T

Application for the purchase of allocated tags will be made by the outfitter for the hunter on a form prescribed by the Department. The application shall be accompanied by the appropriate license fees and a certification by the outfitter that the hunter has a signed agreement to hunt with the outfitter making application. (7-1-21)T

02. Designated Buyers. Purchasers of allocated tags who return their unused tag and a notarized affidavit stating that the tag buyer has not hunted may designate another person to purchase a replacement tag. If the original buyer does not make a designation, the outfitter may make the designation. The designated buyer must pay the regular fee for the replacement tag. (7-1-21)T
