880. FINANCIAL CONDITION OF APPLICANTS/RESIDENTS.

Each applicant/resident or his legal representative must submit a signed and dated financial statement to the Home Administrator on which his income and liquid assets from all sources are reported. The statement must also indicate whether the applicant/resident is responsible for the support of any legal dependent who should be considered in fixing the amount of monthly charges. If changes occur in the applicant's/resident's income or liquid assets, it is the applicant's/resident's responsibility to submit an accurate financial statement immediately. (7-1-21)T

01. Investigation of Financial Condition. The Division is authorized to investigate the financial condition of applicants/residents to determine their ability to pay maintenance charges. An applicant/resident may need to provide a power of attorney or a release of information to the Home Administrator in order to assist in investigating his financial condition and to aid in securing any benefits for which he may be eligible. (7-1-21)T

02. Retroactive Income. In the event an applicant/resident is awarded retroactive income from any source, he is responsible to report this award to the Home Administrator and to pay his maintenance charge retroactive to the effective date of income. (7-1-21)T

881. -- 914. (RESERVED)

915. MAINTENANCE CHARGES.

Upon becoming a resident of a Home, each resident is liable for the payment of a maintenance charge as well as expenses for supplies, medication, equipment, and services (other than basic services for the assigned level of care) that are not provided or paid for by VA, Medicaid, Medicare, or other insurance unless otherwise determined by the Home Administrator. Residents living in a Home for any part of a month must pay for each day, based on the actual number of days in the month, at that fraction of their total charge. Refusal or failure to pay the established maintenance charge or related expenses is cause for discharge from the Home. (7-1-21)T

01. Nursing Care Charges. Charges shall be computed, based on payment source to include VA, Medicaid, Medicare, or full cost of care. (7-1-21)T

02. Residential and Domiciliary Care Charges. Charges will be computed, based on the following factors: (7-1-21)T

c. If the resident is single, competent, and has liquid assets in excess of fifteen hundred dollars (\$1,500), he will be assessed the current maximum charge until those assets are reduced to less than fifteen hundred dollars (\$1,500). (7-1-21)T

e. Residential Care. After allowable deductions, a resident will be assessed a fee of seventy-five percent (75%) of the remaining portion of his net monthly income up to the maximum charge. At the end of this one-month transitional period, the resident will be discharged.

(7-1-21)T

05. Continued Eligibility.

(7-1-21)T

(7-1-21)T

b. Residential and Domiciliary Care. If a resident's net monthly income exceeds the income eligibility limit after admission to the Home, the resident may appeal to the Home Administrator for a waiver of the income eligibility limit which may be granted for good cause. Consideration for good cause must include "need for continuing medical care" as documented by a VA Medical Center physician.

(7-1-21)T

06. Payment Schedule. Maintenance charges are due the first of each month and must be paid in full by the resident or guardian on or before the tenth day of the month. Payments may be made either by cash or by check, and a receipt will be issued.

(7-1-21)T

07. Security Deposit. A deposit of one hundred dollars (\$100) will be required by domiciliary and residential care residents upon admission to a Home, unless waived by the Home Administrator. After payment of any debts or liabilities, the remaining balance of the deposit will be returned to the outgoing resident.

(7-1-21)T

08. Leave of Absence or Hospitalization. Residents receiving Medicaid, Medicare, or VA per diem will be charged for leave of absence or hospitalization in accordance with Medicaid, Medicare, and VA requirements. The Home will not reduce charges for leave of absence or hospitalization of residents not qualifying for Medicaid, Medicare, or VA payment for such absence and each day will count as if the resident were present at a Home. Unless waived by the Home Administrator or prohibited by law, the Home will charge residents receiving Medicaid, Medicare, or VA per diem the current VA per diem rate for each absent day of a leave of absence or hospitalization in excess of the period eligible for payment by Medicaid, Medicare, or the VA.

(7-1-21)T

09. Medicaid Eligibility. All nursing care residents, including re-admitted residents must either apply for or become eligible for Medicaid benefits, or must pay the maximum monthly charge as it may be established from time to time. Eligibility for Medicaid benefits is determined entirely by the Idaho Department of Health and Welfare and its agents. Residents who cannot, or choose not to, qualify for Medicaid are required to pay for services in full from other than Medicaid funds. Care and services for those residents who are Medicaid eligible will be billed to and paid by Medicaid. Residents eligible for Medicaid will be assessed a fee equal to the resident's liability as determined by Medicaid.

(7-1-21)T
