(7-1-21)T

02. Need for Investigation. If, based on its review, the Provider determines that a report involves a nursing facility defined in Section 39-1301(b), Idaho Code, and was required to be made to the Department pursuant to Section 39-5303, Idaho Code, the Provider shall immediately refer the report to the Department. If, based on its review, the Provider determines that a report involving resident-to-resident contact was exempted from reporting by Section 39-5303A, Idaho Code, no further investigation need be conducted on such report. The Provider shall investigate all other reports. (7-1-21)T

05. Investigative Determinations. The Provider shall make one (1) of two (2) investigative determinations upon completion of an APS investigation: (7-1-21)T

a. Substantiated. A report of abuse, neglect, or exploitation of a vulnerable adult by another individual is deemed substantiated when, based upon limited investigation and review, the Provider perceives the report to be credible. A substantiated report shall be referred immediately to law enforcement for further investigation and action. Additionally, the name of the individual against whom a substantiated report was filed shall be forwarded to the Department pursuant to Sections 39-5304(5) and 39-5308(2), Idaho Code, for further investigation. b. Unsubstantiated. The Provider shall close the case if a report of abuse, neglect, or exploitation is not substantiated. In such cases, the Provider shall make every effort to assist the primary caregiver in accessing program services necessary to reduce the

risk to the vulnerable adult. In APS cases, in which family members are experiencing difficulties in providing twenty-four (24) hour care for a functionally impaired relative, the Provider shall make appropriate referrals to available community services to provide needed assistance. (7-1-21)T

08. Adult Protective Services and Ombudsman Coordination. Providers shall ensure that APS and the Ombudsman program maintain a written agreement establishing local cooperative protocols in the investigation of complaints. (7-1-21)T

032. CASE CLOSURE.

01. Case Closure. The Provider shall close a case under the following circumstances: (7-1-21)T
