(3-23-22)

003. -- 010. (RESERVED)

011. GENERAL PROVISIONS.

01. Quarterly Reporting. Subject employers shall report all wages paid for services in covered employment each calendar quarter. (3-23-22)

03. Penalties and Interest on Bankruptcy. Penalty and/or interest shall not be assessed on amounts covered in the Department's Proof of Claim with the Bankruptcy Court for the period after the filing date of the Bankruptcy Petition and ending with the conclusion of bankruptcy proceedings and distribution of assets. Post petition penalty and interest shall be compromised, provided the amount due is paid in full by a date established after the termination of the bankruptcy proceedings. Ref. Section 72-1356, Idaho Code.

(3-23-22)

04. Lien Interest. Lien interest on a delinquent account shall be assessed against the remaining unpaid balance computed from the day following the recording of a tax lien. Ref. Section 72-1360, Idaho Code.

(3-23-22)

05. Penalty and Interest During Controversy. Penalty and/or interest shall be compromised for periods when a valid controversy exists if amounts determined to be due are paid in full by a date established at the conclusion of the issue. Ref. Sections 72-1354 and 72-1360, Idaho Code.

(3-23-22)

06. Determinations and Appeals. The rules governing the form, filing, and other procedures relating to determinations under this chapter, and any appeal from those determinations, are provided in IDAPA 09.01.01, "Rules of Administrative Procedure of the Department of Labor."

(3-23-22)

07. When Reports Replace Determinations. In cases where a determination of amounts due is made by the Department pursuant to Section 72-1358, Idaho Code, the reports shall replace the determination and will be used to establish the employer's liability if:

(3-23-22)

a. The employer files reports for the periods covered by the determination before the determination becomes final; and

(3-23-22)

b. The Department determines that the reports are accurate and complete. If the Department determines the reports are not accurate or complete, the reports shall be treated as an appeal of the determination.

(3-23-22)

08. Determination of Payment Date. Each amount shall be deemed to have been paid on the date that the Department receives payment thereof in cash or by check or other order for the payment of money honored by the drawer on presentment; provided, that if sent through the mail, it shall be deemed to have been paid as of the date mailed as determined by the postmark on the envelope containing same, or the date of the check in lieu of a postmark. Provided further, that in the case of payments received by means of garnishment, execution, or levy, the amount received shall be deemed to have been paid as of the date that the order of garnishment, execution, or levy is served. Ref. Section 72-1349, Idaho Code.

(3-23-22)

09. Release of Lien upon Payment in Full. An amount secured by a lien shall be deemed to be satisfied when payment in full is received by the Department in the form of cash, money order, or other certified

funds, or proof presented that a check or other negotiable instrument has been honored by its drawer upon presentment. Ref. Section 45-1908, Idaho Code. (3-23-22)

10. Contribution Reports. Each contribution shall be accompanied by an employer's contribution report. All contribution reports shall be filed electronically with the department unless the employer has petitioned the department in writing for a waiver and the department has granted a waiver allowing the filing of a non-electronic contribution report. All contribution reports shall be in a form or medium prescribed and furnished or approved for such purpose by the department, giving such information as may be required, including number of individuals employed and wages paid or payable to each, which must be signed, furnished, or acknowledged by the covered employer or, on their behalf by someone having personal knowledge of the facts therein stated, and who has been authorized by the covered employer to submit the information. Ref. Section 72-1349, Idaho Code. (3-23-22)

a. Common paymaster arrangements as referenced by Internal Revenue Code Section 3306 are prohibited for Idaho unemployment insurance purposes. Each covered employer shall complete and submit an Idaho business registration form and the Department will assign to the covered employer a unique unemployment insurance account number. The covered employer must file quarterly reports under its assigned unemployment insurance account number. The workers of one (1) covered employer may not be reported using the assigned unemployment insurance account number of a different covered employer or related entity. Ref. Sections 72-1325 and 72-1315, Idaho Code. (3-23-22)

012. -- 039. (RESERVED)

040. COMPROMISE OF PENALTY AND CIVIL PENALTY.

Pursuant to Section 72-1354, Idaho Code, the Director or his authorized representative may, for good cause shown, compromise the amount of penalties owed on an employer account. An employer shall submit a request in writing for compromise of penalties, setting forth the reason(s) for the delinquency, and attaching any available evidence supporting the request. (3-23-22)

01. Good Cause. An employer has established good cause if the employer can show that one (1) of the following criteria has been met: (3-23-22)

a. The reason for the delinquency was beyond the reasonable control of the employer. Examples of circumstances that are beyond the reasonable control of the employer include, but are not limited to, the following: (3-23-22)

i. Departmental error, including but not limited to providing incorrect information to the employer or not furnishing proper forms in sufficient time to permit timely payment of contributions; (3-23-22)

ii. Death or serious illness or injury of the employer or the employer's accountant or members of their immediate families; (3-23-22)

iii. Destruction by fire or other casualty of the employer's place of business or business records; or (3-23-22)

iv. Postal service delays. (3-23-22)

b. The delinquency was due to circumstances for which the imposition of penalties would be inequitable. (3-23-22)

c. Good cause is also established in the case of an employer who has never received a status determination, who has never paid any contributions to the director, who voluntarily approaches the Department to inquire as to whether workers are engaged in covered employment, and the failure to pay contributions was due to the employer's good faith belief that the employer was not a covered employer pursuant to the provisions of Idaho Employment Security Law. Ref. Section 72-1354, Idaho Code. (3-23-22)

041. -- 050. (RESERVED)

051. ROUNDING WAGES REPORTED ON CONTRIBUTION REPORT TO NEXT LOWER DOLLAR AMOUNT.

The total wages and taxable wages shown on the contribution report which are to be used in computing contributions due shall be reduced to the next lower dollar amount. Ref. Section 72-1349, Idaho Code. (3-23-22)

052. -- 055. (RESERVED)

056. APPLICATION OF PAYMENTS ON DELINQUENT ACCOUNTS.

Unless otherwise specified and approved by the Department, apply payment as follows: (3-23-22)

01. First Application. First, credit such payment in satisfaction of interest due for the calendar quarter or period most delinquent in point of time; (3-23-22)

02. Second Application. Next, credit the remainder of such payment in satisfaction of penalty due for such calendar quarter or period most delinquent in point of time; (3-23-22)

03. Third Application. Next, credit the remainder of such payment in satisfaction of contributions due for the calendar quarter or period most delinquent in point of time; (3-23-22)

04. Subsequent Applications. Such applications shall be applied in a like manner for each remaining delinquent quarter. Any remaining credit shall be applied to interest on civil penalties then to civil penalty due until the amount of payment is exhausted. Ref. Section 72-1354, Idaho Code. (3-23-22)

057. -- 060. (RESERVED)

061. DEFINITIONS.

02. Wages. g. Excess travel or employer business allowances over actual expense, or over the federal allowance per diem rate for the area of travel, unless returned to the employer; (3-23-22)

- h.** Vacation or “idle-time” pay, no matter when paid; (3-23-22)
- i.** Personal expense reimbursement, not gifts, i.e., clothing, family expenses, rent. (3-23-22)
- j.** The director or his authorized representative shall determine the fair market value of any other remuneration, regardless of its classification, form, or label, which is paid to a worker in exchange for services. In making such determination, consideration will be given to the prevailing wage for similar services. Ref. Section 72-1328, Idaho Code. (3-23-22)

 - iii.** The fees are held separately on the employer’s records. (3-23-22)
 - f.** Stock or membership interests issued for purposes other than services performed or to be performed; (3-23-22)
 - g.** Reimbursement for actual employee expense, or business allowance arrangements with employees that requires them: (3-23-22)

 - i.** To have paid or incurred reasonable job related expenses while performing services as employees; and (3-23-22)
 - ii.** To account adequately to the employer for these expenses; and (3-23-22)
 - iii.** To return any excess reimbursement or allowance. (3-23-22)
 - h.** Payments for employee travel expenses, provided: (3-23-22)

 - i.** Payments are job related expenses while performing services; and (3-23-22)
 - ii.** Payments do not exceed actual expenses or the federal allowance per diem rate for the area of travel; and (3-23-22)
 - iii.** Records for days of travel pertaining to per diem payments are verifiable. (3-23-22)
 - i.** Employee fringe benefits as set forth in Section 132 of the Internal Revenue Code, which are excluded from an employee’s gross income and which are not subject to federal unemployment taxes. (3-23-22)
 - j.** Noncash payment to farmworkers. Noncash payments for farm work will be excluded from wages if they are “de minimis” in relation to the amount of cash wages paid to the farmworkers, or are not intended to be

treated as the cash equivalent of wages, or as the cash payment of wages. Ref. Section 72-1328, Idaho Code. (3-23-22)

- k. Payments of any kind by a partnership to its partner or by a sole proprietorship to its owner. (3-23-22)

04. Treatment of Limited Liability Companies. For purposes of state unemployment tax coverage, a limited liability company will have the same status as it may have elected for federal tax purposes, or as that status may be determined or required by the federal government, subject to the provisions of Subsections 061.02 and 061.03. Any member of a limited liability company that has elected to be treated as a corporation for federal tax purposes shall be treated as a corporate officer for state Employment Security Law purposes. (3-23-22)

05. Domestic Employment. Domestic employment is defined as work performed in the operation or maintenance of a private home, local college club, or local chapter of a college fraternity or sorority, as distinguished from services as an employee in pursuit of an employer's trade, occupation, profession, enterprise, or vocation. In general, domestic employment "in the operation or maintenance of a private home, local college club, or local chapter of a college fraternity or sorority" includes, but is not limited to, services rendered by cooks, waiters, butlers, maids, janitors, handymen, gardeners, housekeepers, housemothers, and in-home caregivers. Ref. Section 72-1315, Idaho Code. (3-23-22)

06. Casual Labor. Casual labor is labor that meets the requirements of Section 72-1316A(19), Idaho Code. The term, "services not in the course of the employer's trade or business," refers to services that do not promote or advance the trade or business of the employer. (3-23-22)

07. Willfully. When applied to the intent with which an act is done or omitted, willfully implies simply a purpose or willingness to commit the act or make the omission referred to. It does not require any intent to violate law, in the sense of having an evil or corrupt motive or intent. It is more nearly synonymous with "intentionally," "designedly," "without lawful excuse," and therefore not accidental. Ref. Section 72-1372 and 72-1351A, Idaho Code. (3-23-22)

062. SUBSTANCE VS. FORM.

In recognizing covered employers, covered employment and in classifying wages, the Department shall examine both the substance and the form of the arrangement, contract, transaction or event, but more consideration shall be given to the substance of the arrangement, contract, transaction or event than to the form. If it is determined that true economic substance is lacking or the operations, accounting practices and records do not reflect the purported form or legal status, the Department shall, regardless of the form, determine proper coverage or classification. (3-23-22)

063. -- 080. (RESERVED)

081. EMPLOYER RECORDS.

Each person hiring one (1) or more individuals, whether or not such employment is sufficient to create the status of a covered employer, shall maintain records for five (5) years to show the information hereinafter indicated. Ref. Section 72-1337, Idaho Code. (3-23-22)

01. Required Information. Such records shall show with respect to each employee unless the Department has ruled that the services do not constitute covered employment: (3-23-22)

- a. Full name and home address of worker; (3-23-22)
- b. Social Security account number; (3-23-22)
- c. The place of work within this State; (3-23-22)
- d. Date on which employee was hired, rehired, or returned to work after temporary or partial layoff; (3-23-22)
- e. Date employment was terminated; whether the termination occurred by voluntary action of the individual and the reason given, or by discharge or death, and the reason for discharge; (3-23-22)

f. Wages paid for employment in each pay period and total wages for all pay periods ending in each quarter of the year, showing separately: money wages; the cash value of other remuneration; and the amount of all bonuses or commissions. (3-23-22)

02. Travel or Employee Business Expenses. Amounts paid to employees as allowances or reimbursement for travel and employee business expenses and the amounts of such expenditures actually incurred and accounted for by them. (3-23-22)

03. Records to Be Made Available. The records to be made available to the director or his authorized representative, in accordance with the provisions of Section 72-1337, Idaho Code, shall include all of the business records, such as journals, ledgers, time books, minute books, or any other records or information which would tend to establish the existence of and/or amounts paid for services performed, whether or not in covered employment, and for information necessary to assist in or enable collection efforts or any other investigations conducted by the Department. (3-23-22)

082. -- 095. (RESERVED)

096. EMPLOYER STATUS REPORT.

01. Status Report. Each employer shall report on such form or any online system as may be prescribed and furnished, such information as may be necessary to make an initial or subsequent determination of status under the Idaho Code. Said reports shall be signed by the employer, or on behalf of the employer by a duly authorized representative for such purpose. Ref. Section 72-1337, Idaho Code. (3-23-22)

02. Exceptions. The provisions of this Rule do not apply to any employer for whom the services performed do not, by virtue of the provisions of Section 72-1316, Idaho Code, constitute covered employment, except that the director reserves the right, in his discretion, to require any such employer at any time to make the reports mentioned in Section 096 of this rule. Ref. Section 72-1337, Idaho Code. (3-23-22)

097. -- 105. (RESERVED)

106. CLAIMS OF EXEMPTION.

Any employer claiming that services performed for the employer or remuneration paid by the employer does not constitute covered employment or covered wages, as defined in Section 72-1316 and 72-1328, Idaho Code, shall make a report to the Department of Labor of all pertinent facts upon which said claim is based, which report needs to be signed by the person making the claim, if he is the employer, or on behalf of the employer by an authorized representative. Ref. Section 72-1337, Idaho Code. (3-23-22)

107. REMUNERATION PAID CONSTITUTES BOTH TAXABLE WAGES AND EXCLUDED AMOUNTS.

When remuneration paid includes payment for other than wages for services performed in covered employment, the employer's records must account for wages and other remuneration separately. When this distribution is not shown on the records, the employee's entire remuneration will be deemed to be wages. Ref. Section 72-1337, Idaho Code. (3-23-22)

108. ELECTION TO EXEMPT CORPORATE OFFICERS.

A corporation may elect to exempt one (1) or more corporate officers from coverage by registering with the Department each qualifying corporate officer it elects to exempt pursuant to Section 72-1352A, Idaho Code. Registrations in the format prescribed by the Department made on or before December 15th shall become effective on the first day of the next calendar year and remain effective for at least two (2) consecutive calendar years. Exemptions are not retroactive and no refund or credit shall be given for contributions paid before the effective date of the exemption. Exemptions continue to remain in effect after two (2) consecutive calendar years unless the exemption is terminated according to Subsection 108.04 of this rule or coverage is reinstated according to Subsection 108.05 of this rule. (3-23-22)

01. Public Company Election. A public company, as defined in Section 72-1352A, Idaho Code, may

elect to exempt any bona-fide corporate officer who: (3-23-22)

- a. Is voluntarily elected or voluntarily appointed in accordance with the articles of incorporation or bylaws of the corporation; (3-23-22)
- b. Is a shareholder of the corporation; (3-23-22)
- c. Exercises control in the daily management of the corporation; and (3-23-22)
- d. Does not perform manual labor as a primary work responsibility. (3-23-22)

02. Election for Corporations That Are Not Public Companies. A corporation that is not a public company as defined in Section 72-1352A, Idaho Code, may exempt from coverage any bona-fide corporate officer who: (3-23-22)

- a. Is a shareholder of the corporation; (3-23-22)
- b. Voluntarily agrees to be exempted from coverage; and (3-23-22)
- c. Exercises substantial control in the daily management of the corporation. (3-23-22)

03. Election to Exempt Not Applicable. The election to exempt does not apply to corporate officers covered by Sections 72-1316A, 72-1322D and 72-1349C, Idaho Code. (3-23-22)

04. Termination of Exemption. A corporate officer's exemption terminates upon the corporate officer's failure to satisfy the election criteria of Section 72-1352A, Idaho Code. It is the responsibility of the corporation to notify the Department in writing in a format required by the Department when an exempt corporate officer no longer meets the election criteria. A corporation is responsible for any taxes, penalties, and interest due after the date the exemption is terminated or should have been terminated. (3-23-22)

05. Reinstatement of Coverage. A corporation may elect to reinstate coverage for one (1) or more corporate officers previously exempted. Reinstatement requires written notice from the corporation to the Department in a format required by the Department. Reinstatement requests received by the Department on or before December 15th become effective the first day of the calendar year following the end of the exemption's initial two (2) year effective date. Coverage shall not be reinstated retroactively. (3-23-22)

06. Definitions. For purposes of this chapter: (3-23-22)

a. "Bona-fide corporate officer" is defined as any individual empowered in good faith by stockholders or directors, in accordance with the corporation's articles of incorporation or bylaws, to discharge the duties of a corporate officer. (3-23-22)

b. "Exercise substantial control in the daily management of the corporation" is defined as when an individual makes managerial decisions over a business function or functions that have some effect on the entire corporation. This includes the authority to hire and fire, to direct other's activities in the corporation, or the responsibility to account for and pay over taxes or debts incurred by the corporation. (3-23-22)

07. Services in Employment. Unless specifically exempted, services performed by corporate officers are considered services in employment and are covered for purposes of unemployment insurance. (3-23-22)

109. -- 110. (RESERVED)

111. SERVICES PERFORMED PART IN COVERED EMPLOYMENT AND PART IN EXCLUDED EMPLOYMENT.

When wages paid cover services performed both in covered employment and excluded employment, the employer's records must show the hours and wages for covered employment and also hours and wages for excluded employment. When this distribution is not shown on the records, the employee's entire wage will be deemed to have been earned in

covered employment. Ref. Section 72-1337, Idaho Code. (3-23-22)

112. DETERMINING STATUS OF WORKER.

01. Determining if Worker Is an Employee. In making a determination as to whether a worker is performing services in covered employment, it shall be determined whether the worker is an employee. To determine whether a worker is an employee, the following factors may be considered: (3-23-22)

- a.** The way in which the business entity represented its relationship with the worker prior to the investigation or litigation, including representations to the Internal Revenue Service; (3-23-22)
- b.** Statements made to the Department; (3-23-22)
- c.** Method of payment to the worker, in particular whether federal, state, and FICA taxes are withheld from paychecks; and (3-23-22)
- d.** Whether life, health, or other benefits are provided to the worker at the business entity's expense. (3-23-22)

02. Determining if Worker Is an Independent Contractor. If it cannot be determined that a worker is an employee pursuant to Subsection 112.01 above, then a determination shall be made whether the worker is an "independent contractor" pursuant to the terms of Section 72-1316(4), Idaho Code. For the purposes of that section and these rules, an independent contractor is a worker who meets the requirements of both Sections 72-1316(4)(a) and (b), Idaho Code. (3-23-22)

03. Proving Worker Is Free from Control or Direction in His Work. To meet the requirement of Section 72-1316(4)(a), Idaho Code, the alleged employer must prove that a worker has been and will continue to be free from control or direction in the performance of his work, both under his contract of service and in fact. The following factors may be considered in this determination: (3-23-22)

- a.** Whether the alleged employer has control over the details of the work, the manner, method or mode of doing the work, and the means by which the work is to be accomplished, but without reference to having control over the results of the work. (3-23-22)
- b.** The freedom from direction and control must exist in theory (under a contract of service) and in fact; and (3-23-22)
- c.** The employer must demonstrate that it lacked a right to control the worker. (3-23-22)

04. Proving Worker Is Engaged in Independently Established Business. To meet the requirement of Section 72-1316(4)(b), Idaho Code, it must be proven that a worker is engaged in an independently established trade, occupation, profession or business. The following factors are significant and shall be considered in making this determination, although no single factor is regarded as controlling: (3-23-22)

- a.** The level of skill required to perform the work; (3-23-22)
 - i.** A worker who performs routine tasks requiring little or no training is indicative of the worker's status as an employee. (3-23-22)
