000. LEGAL AUTHORITY.

Sections 36-301 and 36-307, Idaho Code authorize the Commission to adopt rules governing issuance and sale of licenses and authorization and accountability of license vendors. (3-31-22)

001. TITLE AND SCOPE.

The title of this chapter for citation is IDAPA 13.01.19, “Rules for Selecting, Operating, Discontinuing, and Suspending Vendors.” These rules establish standards for license vendors and related administration. (3-31-22)

002. -- 099. (RESERVED)

100. VENDOR CLASSIFICATION.

The Department classifies vendor applications into the following designations for record keeping, approval, and statistical purposes. (3-31-22)

01. Class One. A sporting goods store carrying a complete line of hunting and fishing supplies and other sporting equipment, and open at least five (5) days a week year-round except for major holidays. (3-31-22)

02. Class Two. A store with a section carrying a complete line of hunting and fishing supplies and other sporting equipment, and open at least five (5) days a week year-round except for major holidays. (3-31-22)

03. Class Three. A store that specializes in a single aspect of hunting or fishing such as gun, archery or fly fishing shops. (3-31-22)

04. Class Four. (3-31-22)

a. Strategic. A business or government agency located in an area where the Department has determined there is a need for the public to have licenses available. This may be in areas where there is no or very limited license availability within a twenty-five (25) mile radius from established license vendors. (3-31-22)

b. Exceptional Service. A business that can provide exceptional license availability in comparison to existing license vendors in the vicinity, such as a business open twenty-four (24) hours a day, seven (7) days a week that would not be classified as a class one, two, or three vendor. (3-31-22)

05. Class Five. A business not open on a twelve (12) month basis such as a summer fishing resort that would otherwise qualify for any class one through four, which may include an outfitter or guide business with a permanent business location open to the public. (3-31-22)

06. Class Six. All other businesses that provide no special or exceptional service to the Department or public. (3-31-22)

101. APPLICATION.

01. Form. Applications will be on a form prescribed by the Department. (3-31-22)

02. Department Review. (3-31-22)

a. Application Review. The Department will evaluate and determine approval or denial of vendor applications quarterly, on or before March 1, June 1, September 1, and December 1. The Department will have thirty (30) calendar days after receipt of all necessary forms to review and investigate the application. The date received plus thirty (30) days will determine into which quarterly evaluation each vendor application will be considered. Applications from the same area will be compared to determine which will best meet vendorship needs in that area. Exceptions may be made by the Department when there are overriding needs for an immediate replacement of a license vendor in an area. This will primarily occur where there would be no vendor services available to the public within a twenty-five (25) mile radius. (3-31-22)

b. Field Review. After the License Section has received the application form and all other required information from an applicant, they will contact the Regional Conservation Officer for a recommendation on the application. The Regional Conservation Officer will have ten (10) days to provide the License Section with a recommendation on the application. (3-31-22)

03. Applicant. (3-31-22)

a. Application. The Department will only consider license vendorship applications completed in their entirety and accompanied by an original copy of a current credit rating from a recognized credit bureau. The Department will only consider completed applications received by the License section no later than sixty (60) days after the date of the application transmittal letter. The Department may grant an applicant's request to extend this period for up to thirty (30) additional days. Any false or misleading response will void the application. (3-31-22)

b. Approved Application. If the Department approves an application, the applicant will have sixty (60) days from the date of the applicant's approval letter to provide the Department with a signed vendorship contract, and any bond, deposit, or documentation the Department may require. Failure to meet this deadline will void the approval except for extenuating circumstances approved by the Department. (3-31-22)

102. SELECTION.

The following factors will be considered for selecting an applicant to become a license vendor: (3-18-22)

01. Low Numbered Vendors. Applicants classified in lower-numbered vendor classifications will be given priority over applicants in higher-numbered classifications from the same general location. (3-18-22)

02. Class Six Applicants. Class six (6) applicants will be approved only when they demonstrate a significant public benefit to have a license vendorship at their location. (3-18-22)

03. Unsettled Debts. Applicants who have unsettled debts listed with a credit bureau will not be approved. Unsettled debts that are in dispute will not be considered against the applicant. (3-18-22)

04. Surety Bond. The Department may require an applicant to provide for each location, a ten thousand dollar (\$10,000) surety bond from a corporate surety authorized to do business in the state of Idaho, which guarantees the payment of all state funds collected as a result of licenses issued by the vendor if it appears from the application or other information that an undue risk might otherwise be placed upon the Department in the absence of such bonding. Applicants who otherwise qualify for a vendorship and have been in business less than three (3) years will be required to furnish the Department a ten thousand dollar (\$10,000) surety bond in the form and length as determined by the Director. Upon request, at the completion of two (2) years of service, the Department may release the vendor from the bonding requirement based on a review of financial risk. (3-18-22)

05. Permanence and Accessibility. Applicants who do not have a permanent place of business open and accessible to all segments of the public will not be approved. (3-18-22)

06. Number of Existing Vendors in Area. The three (3) closest existing vendors, their hours and days of operation, classification, accessibility to the public, and other pertinent information, including their distance to the applicant, will be compared to the applicant. (3-18-22)

07. Minimum Sales Volume. If the applicant is seeking to replace an existing vendor at the prior vendor's location, the prior vendor's sales volume will be used to estimate the applicant's sales volume. (3-18-22)

08. Performance Record. An applicant who was a license vendor or the manager for a vendor within the past five (5) years will not be approved unless the applicant's performance record was satisfactory. (3-18-22)
