005. DEFINITIONS (RULE 5).

(3-31-22)

01. Customer. A “customer” is a person or entity who has requested service or currently receives service from a telephone company or has assumed responsibility for payment of service provided to another person or entity. Any person whose service has been temporarily disconnected for non-payment will continue to be a “customer” for the purposes of these rules until such time as service is permanently disconnected. (3-31-22)

02. Other Services. “Other services” mean all services except local exchange and MTS services provided, billed, or collected by a telephone company. (3-31-22)

03. Telephone Company. Unless further restricted by definition within a rule or a group of rules, “telephone company” means any entity subject to this Commission’s regulation as a provider of telecommunication services to end-users under the Public Utilities Law (Idaho Code, Title 61, Chapters 1-7) or subject to this Commission’s authority under the Telecommunications Act of 1988, as amended, (Idaho Code, Title 62, Chapter 6)

011. -- 099. (RESERVED)

RESIDENTIAL AND SMALL BUSINESS DEPOSIT
Rules 100 through 199

100. DEPOSIT REQUIREMENTS -- LECS (RULE 100).

01. Residential Customers. Telephone companies providing local exchange service will not demand or hold any deposit from any residential customer for service without proof that the customer is likely to be a credit risk or to damage the property of the local exchange company or other companies for which it bills. A history of late payment or lack of previous history with the local exchange company does not, in itself, constitute such proof. A local exchange company will not demand or hold a deposit under this rule as a condition of service from a residential customer unless one (1) or more of the following criteria applies: (3-31-22)

a. The customer has outstanding a prior residential service account and at the time of application for service remains unpaid and not in dispute. (3-31-22)

b. The customer's service has been temporarily denied or terminated within the past four (4) years for one (1) or more of the following reasons: (3-31-22)

i. Non-payment of any undisputed delinquent bill; (3-31-22)

ii. Obtaining, diverting or using telephone service without the authorization or knowledge of the telephone company. (3-31-22)

c. The customer does not have verifiable previous telephone service that was in existence for a period exceeding twelve (12) months and does not pass an objective credit screen. (3-31-22)

d. The telephone company has determined that information provided by the customer is materially false or materially misrepresents the customer's true status. (3-31-22)

e. The customer requests service at a residence where a prior subscriber still resides and where any balance for service to that prior subscriber incurred at that location is past due or owing. (3-31-22)

02. Small Business Customers. Telephone companies providing local exchange service will not demand or hold any deposit as a condition of service from any current small business customer for small business service unless one (1) or more of the following criteria apply: (3-31-22)

a. Any of the conditions listed in Rule 100.01 of this rule are present. (3-31-22)

b. The customer has not had previous service with that telephone company. (3-31-22)

c. The customer was delinquent in payment two (2) or more times in the previous twelve (12) months.

(3-31-22)

03. Bankrupt Customers. If a customer, either residential or a small business, has sought any form of relief under the Federal Bankruptcy Laws, has been brought within the jurisdiction of the bankruptcy court for any reason in an involuntary manner, or has had a receiver appointed in a state court proceeding, then a deposit may be demanded as allowed by the Federal Bankruptcy Laws. (3-31-22)

101. OTHER DEPOSIT STANDARDS PROHIBITED (RULE 101).

A local exchange company will not require a deposit or other guarantee as a condition of new or continued residential telephone service except as expressly authorized by these rules. If the customer, either residential or small business, selects another company to provide services and arranges to be billed directly by that company rather than through the local exchange company, no deposit may be collected by the local exchange company for the services provided by the other company. (7-1-25)

102. EXPLANATION FOR DENIAL OF SERVICE OR REQUIREMENT OF DEPOSIT -- LECS (RULE 102).

If the local exchange company requires a deposit as a condition of providing service, then it will immediately provide an explanation to the customer why a deposit is required. The customer will be given an opportunity to rebut these reasons. The notice will also advise the customer that if there is a dispute an informal or formal complaint may be filed with the Commission. (3-31-22)

103. AMOUNT OF DEPOSIT -- LECS (RULE 103).

A deposit allowed pursuant to Rule 100 as a condition of service by a local exchange company must not exceed two (2) months' charges for local exchange service. Additional deposits for damage or other reasons independent of usage may be in reasonable amounts. (3-31-22)

104. INTEREST ON DEPOSITS (RULE 104).

01. Interest Payable. Interest will be payable on the deposited amounts at the rate provided by Rule 104.02. Interest will accrue from the date the deposit is made until the deposit is refunded or applied to the customer's bill; however, interest will not accrue on a deposit if: (3-31-22)

a. Service is terminated temporarily at the request of the customer who leaves the deposit with the telephone company for future use as a deposit; or (3-31-22)

b. Service has been permanently terminated and the telephone company has been unsuccessful in its attempt to refund a deposit. (3-31-22)

02. Interest Rate. On or before November 15 of each year, the Commission will determine the twelve-month average interest rate for one-year Treasury Bills for the previous November 1 through October 31, round that rate to the nearest whole percent, and notify the telephone companies of its determination of this interest rate. That rate will be in effect for the following calendar year for all deposits described in Rule 104.01. (3-31-22)

105. RETURN OF DEPOSIT -- LECS (RULE 105).

01. Former Customers. Upon termination of service the telephone company will credit the deposit, with accrued interest, to the final bill then promptly return any remaining balance to the customer. (7-1-25)

02. Existing Customers. If the customer has paid all undisputed bills and has no more than one (1) late payment during the past twelve (12) consecutive months of service, the telephone company will promptly return the deposit, with accrued interest by crediting the customer's current account or issuing a refund. (7-1-25)

03. Retention During Dispute. The local exchange company may retain the deposit pending resolution of a dispute over termination of service. If the deposit is later refunded to the customer, the local exchange company will pay interest at the annual rates established in Rule 104 for the entire period over which the deposit was held. (3-31-22)

04. Early Return of Deposit. A local exchange company may refund a deposit plus accrued interest in whole or part at any time before the time prescribed in this rule. (3-31-22)

106. TRANSFER OF DEPOSIT AND OUTSTANDING BALANCE (RULE 106).

Deposits will not be transferred from one (1) customer to another customer or between classes of service, except at the customer's request. When a customer with a deposit on file transfers service to a new location within the same telephone company's service area in Idaho, the deposit and any outstanding balance will be transferred to the account for the new location. (7-1-25)

107. RECORDS OF DEPOSITS (RULE 107).

01. Receipts. Each customer paying a deposit will be provided the following information: (3-31-22)

a. Name of customer and service address for which deposit is held; (3-31-22)

b. Date of payment; (3-31-22)

c. Amount of payment; and (3-31-22)

d. Terms and conditions governing the return of deposits. (3-31-22)

02. Transfer of Records. Upon the sale or transfer of any telephone company or any of its operating units, the seller will certify to the Commission that it has a list showing the names of all customers whose service is transferred and who have a deposit on file, the date the deposit was made and the amount of the deposit. (3-31-22)

108. -- 199. (RESERVED)

BILLING
Rules 200 through 299

200. FURTHER DEFINITION (RULE 200).

As used in Rules 201 through 205, "bill" or "billing statement" refers to a written request for payment listing charges for goods and services that is mailed or otherwise delivered to the customer for payment. A billing statement may be provided to the customer in an electronic format with the customer's consent. Oral notice of the amount of charges pending is not a bill. Bills include requests for payments for services rendered by other telephone companies or other entities that are not telephone companies. This rule does not apply to billings between or among telephone companies. (3-31-22)

201. ISSUANCE OF BILLING STATEMENTS -- CONTENTS OF BILLS -- RESIDENTIAL AND SMALL BUSINESS SERVICE (RULE 201).

01. Local Exchange Service. Billing statements for residential and small business local exchange service will be regularly issued and must contain the following information: (3-31-22)

a. The date the billing statement is issued; (3-31-22)

b. The time period covered by the billing statement; (3-31-22)

c. The due date by which payment must be received unless the customer has authorized automatic monthly payment. If automatic payment is authorized, the customer must be informed in writing when funds will be withdrawn from a bank account or charged to a credit card account. In addition, the billing statement must state the actual or earliest possible date that funds will be withdrawn or the credit card charged unless the customer consents otherwise in writing at the time automatic payment is authorized; (7-1-25)

d. Any amounts transferred from another account; (3-31-22)

e. Any amounts past due; (3-31-22)

- f. Any payments or credits applied to the customer's account since the last bill; (3-31-22)
- g. The total amount due; (3-31-22)
- h. Names of all telephone companies or entities providing goods and services for which the customer is billed, sufficient information to readily identify the goods and services provided, and the amounts charged; (3-31-22)
- i. The toll-free telephone number(s) available to customers for answering inquiries and resolving complaints about goods and services billed; (3-31-22)
- j. An itemization of charges for goods and services provided to the customer and any associated fees, taxes, surcharges or subscriber line charges. Charges for each good or service provided as part of a package under a single price, or calling plans in which individual calls are billed at a flat rate regardless of usage need not be separately itemized. (3-31-22)

02. MTS Bills. In addition to the requirements of Rule 201.01, bills for MTS service must identify the number called and the date, time, duration, destination and charge for each call, unless the customer has selected a flat rate calling plan. For collect and third-party calls, the MTS provider must also itemize the origin of the call. (7-1-25)

03. Other Services. No telephone company may send demand letters or initiate collection efforts for any amount owed by a customer who subscribes to or is billed for services other than local exchange service and MTS services provided by another telephone company unless the bill separately lists those services as required by this rule. (3-31-22)

04. Customer Request for Less Detail. Upon customer request, telephone companies may provide billing statements containing less detail than required by this rule. Telephone companies must make available without charge detailed billing information for the preceding twelve (12) months to those customers who have elected to receive less detail on monthly billing statements but subsequently request more detail. (3-31-22)

202. DUE DATE OF BILLS -- DELINQUENT BILLS (RULE 202).

The telephone company may require that bills for service be paid within a specified time after the billing date. The minimum specified time after the billing date is fifteen (15) days (or twelve (12) days after mailing or delivery of a paper or electronic bill, if bills are mailed or delivered more than three (3) days after the billing date). Upon the expiration of this time without payment, the bill may be considered delinquent. With the customer's approval, automatic monthly payments made by withdrawal from a bank account or charged to a credit card account may take place prior to the normal due date if the customer has authorized such a payment. (3-31-22)

203. BILLING ERRORS, BILLING UNDER INCORRECT RATES, OR FAILURE TO BILL (RULE 203).

01. Billing Errors -- Failure to Bill. Whenever the billing for telephone service was not accurately billed because of malfunction in billing equipment or error in preparation of bills, the telephone company shall prepare a corrected billing. If the telephone company has not billed a customer for service provided, the telephone company shall prepare a bill for the period in which service was provided and the customer was not billed. At its discretion, the telephone company may waive rebilling for undercharges. (3-31-22)

02. Billing Under Incorrect Rates. A customer has been billed under an incorrect rate if the customer was billed under a rate for which the customer was not eligible or the customer, who is eligible for billing under more than one (1) rate, was billed under a rate contrary to the customer's election or the election was made based upon erroneous information provided by the telephone company. If a customer is billed under an incorrect rate, the telephone company must recalculate the customer's past bills and correctly calculate future bills based on the appropriate rate. The telephone company is not required to adjust bills when it has acted in good faith based upon information provided by the customer. (3-31-22)

03. Rebilling Time Period. (3-31-22)

a. If the time when the billing error, billing under incorrect rates, or failure to bill (collectively referred to as "billing problem") began cannot be reasonably determined to have occurred within a specified billing period, the corrected billings will not exceed the most recent six (6) months before the discovery of the billing problem. (3-31-22)

b. If the time when the billing problem began can be reasonably determined, and the telephone company determines the customer was overcharged, the corrected billings will go back to that time, as provided by Section 61-642, Idaho Code. (7-1-25)

c. If the time when the billing problem began can be reasonably determined and the telephone company determines the customer was undercharged, the company may rebill for a period of six (6) months unless a reasonable person should have known of the inaccurate billing, in which case the rebilling may be extended for a period not to exceed three (3) years. The telephone company is responsible for identifying customers who have not been billed or who have been inaccurately billed. (3-31-22)

04. Refunds. The telephone company will promptly calculate refund amounts overpaid by the customer and issue a credit within two (2) billing cycles. Any remaining credit balance will be credited against future bills unless the customer, after notice from the telephone company, requests a refund and the amount is more than twenty-five dollars (\$25). The telephone company will advise the customer of the option to have any remaining credit balance exceeding twenty-five dollars (\$25) refunded. (3-31-22)

05. Additional Payments. The telephone company will promptly prepare a corrected billing for a customer who has been undercharged, indicating the amount owed to the company. An unbilled or undercharged customer will be given the opportunity to make payment arrangements under Rule 310 on the amount due. At the customer's option, the term of the payment arrangement may extend for the length of time that the underbilling accrued or the customer was not billed. (3-31-22)

204. BILLING PROHIBITED -- BILLING DISPUTES (RULE 204).

01. Unauthorized Charges. No telephone company will bill for unanswered or unaccepted telephone calls, telephone calls placed to a toll-free number, or telephone service or other goods and services not ordered or otherwise authorized by the customer of record. A telephone company that unknowingly submits a bill containing charges for unanswered or unaccepted telephone calls, telephone calls placed to a toll-free number, or telephone service or other services or goods not ordered or otherwise authorized by the customer of record shall be considered in violation of this rule unless the disputed amounts are removed from the customer's bill within two (2) billing cycles of the customer's notification to the company. (3-31-22)

02. Billing Disputes. A telephone company that bills and collects for other telephone companies or entities is responsible for either addressing billing disputes regarding unauthorized goods and services for which it bills or advising customers how to contact the providers of those goods and services. If a customer is unable to either contact or successfully resolve a dispute about unauthorized goods and services for which the telephone company bills, a credit equal to the disputed charges must be applied to the customer's account within two (2) billing cycles of the customer's notification to the company. (3-31-22)

205. RESPONSIBILITY FOR PAYMENT OF RESIDENTIAL SERVICE BILLS (RULE 205).

01. Customer Defined. For purposes of this rule, "customer" means a person whose name appears on the telephone company's regular bill for residential service or who signed a written application for residential service or another document informing the customer that he or she was assuming an obligation for payment of service. (3-31-22)

02. Customer's Responsibility. A telephone company will not hold a customer responsible for paying an amount not billed for the customer's own service or through use of the customer's own credit or facilities and whose own name does not appear on the current bill or application for service, unless: (3-31-22)

a. The customer expressly accepts responsibility for payment of the other person's bill; or (3-31-22)

- b. The customer has a legal obligation to pay the other person's bill. (3-31-22)

03. Customer Notice. The telephone company will provide written notice of its intent to add to the customer's bill for current service an amount owed for another person's bill or service rendered at a former service location, if the lapse in service exceeds sixty (60) calendar days. The notice may be provided in an electronic format with the customer's consent. (3-31-22)

- 04. Contents of Notice.** The notice must include: (3-31-22)

- a. The name of the customer of record who owes the bill; (3-31-22)
- b. The service location and telephone number or account number involved; (3-31-22)
- c. The time over which the bill amount was accumulated; (3-31-22)
- d. The amount owed; (3-31-22)
- e. The reason(s) for adding the bill amount to the customer's billing statement; (3-31-22)
- f. Statement that payment arrangements may be made on the amount owed; (3-31-22)
- g. A statement that the customer has a right to contest the telephone company's proposed action by contacting the Commission; and (3-31-22)
- h. The response deadline after which the bill amount will be added to the customer's billing statement. (3-31-22)

05. Opportunity to Respond. The telephone company will give the customer at least seven (7) calendar days from the date of its proposed action to respond to the telephone company notice. (3-31-22)

206. -- 299. (RESERVED)

DENIAL, RESTRICTION, AND TERMINATION OF SERVICE
Rules 300 through 399

300. EXPLANATION FOR DENIAL OF A SERVICE TO A CUSTOMER (RULE 300).

If a telephone company intends to deny service to a customer under Rule 301, the telephone company will provide an explanation to the customer stating the reasons for the telephone company's refusal to provide service and the necessary action(s) to be taken to receive service. In the event of a dispute, the customer will be advised that an informal or formal complaint concerning denial of service may be filed with the Commission. (3-31-22)

301. GROUNDS FOR DENIAL OR TERMINATION OF LOCAL EXCHANGE SERVICE WITH PRIOR NOTICE (RULE 301).

A telephone company may deny or terminate local exchange service to a customer without the customer's permission, but only after adequate notice has been given in accordance with these rules, for one (1) or more of the following reasons: (3-31-22)

- 01. Customer Did Not Pay Undisputed Bills.** With respect to undisputed past due bills for local exchange service, the customer: (3-31-22)
- a. Failed to pay; (3-31-22)
- b. Paid with a dishonored check; or (3-31-22)
- c. Made an electronic payment drawn on an account with insufficient funds. (3-31-22)

- d. The customer failed to make a security deposit when one is required. (7-1-25)
- e. The customer failed to abide by the terms of a payment arrangement. (3-31-22)
- f. The telephone company determines as prescribed by relevant state or other applicable standards that the customer is willfully wasting or interfering with service through improper equipment or otherwise. (3-31-22)

02. No Obligation to Connect Service. Nothing in this rule requires the telephone company to connect service for a customer who owes money on an existing account or from a previous account if the unpaid bill is for service provided within the past four (4) years. (3-31-22)

302. GROUNDS FOR DENIAL OR TERMINATION OF A SERVICE, WITHOUT PRIOR NOTICE (RULE 302).

A telephone company may deny or terminate a service or all services without prior notice to the customer and without the customer's permission for any of the following reasons: (3-31-22)

01. Dangerous Condition. A condition immediately dangerous or hazardous to life, physical safety, or property exists, or it is necessary to prevent a violation of federal, state or local safety or health codes. (3-31-22)

03. Illegal Use of Services. The service(s) was (were) obtained, diverted or used without the authorization or knowledge of the telephone company. (3-31-22)

04. Customer Unable to Be Contacted. The telephone company has tried diligently to meet the notice requirements of Rule 303, but has been unsuccessful in its attempt to contact the customer. (3-31-22)

05. Misrepresentation. The telephone company has determined that information provided by the customer is materially false or materially misrepresents the customer's true status. (3-31-22)

303. REQUIREMENTS FOR NOTICE BEFORE TERMINATION OF LOCAL EXCHANGE SERVICE (RULE 303).

01. Initial Notice. If the telephone company intends to terminate local exchange service under Rule 301, it will send to the customer written notice of termination mailed at least seven (7) calendar days before the proposed date of termination. Written notice may be provided by electronic mail (i.e. e-mail) if the customer is billed electronically and separately consents in writing to receiving electronic notification. This written notice will contain the information required by Rule 304. (3-31-22)

02. Final Notice. At least twenty-four (24) hours before actual termination, the telephone company will diligently attempt to contact the customer to apprise the customer of the proposed action and the steps the customer must take to avoid or delay termination. This oral notice will contain the same information required by Rule 304. (3-31-22)

03. Additional Notice. If the telephone company has not terminated service within twenty-one (21) days after the proposed termination date as specified in a notice, the telephone company will again provide notice under Rules 303.01 and 303.02 if it still intends to terminate service. (3-31-22)

04. Failure to Pay. No additional notice of termination is required if, upon receipt of a termination notice: (3-31-22)

- a. The customer makes a payment arrangement and subsequently fails to keep that arrangement; (3-31-22)

- b. The customer tenders payment with a dishonored check; or (3-31-22)
- c. Makes an electronic payment drawn on an account with insufficient funds. (3-31-22)

304. CONTENTS OF NOTICE OF INTENT TO TERMINATE LOCAL EXCHANGE SERVICE (RULE 304).

01. Contents of Notice. The written, electronic or oral notice of intent to terminate local exchange service required by Rule 303 will state: (3-31-22)

- a. The reason(s), citing these rules, why service will be terminated and the proposed date of termination; (3-31-22)
- b. Actions the customer may take to avoid termination; (3-31-22)
- c. That a certificate notifying the local exchange company of a serious illness or medical emergency in the household may delay termination under Rule 306; (3-31-22)
- d. That an informal or formal complaint concerning termination may be filed with the telephone company or the Commission, and that service will not be terminated on grounds relating to the dispute between the customer and telephone company before resolution of the complaint (the Commission's mailing address, Internet address, and telephone number must be given to the customer); (3-31-22)
- e. That the telephone company is willing to make payment arrangements (in a written notice this statement must be in bold print); and (3-31-22)
- f. What amount must be paid in order to avoid termination of local exchange service and that partial payments will be applied toward past due charges for local exchange service first. (3-31-22)

305. SERIOUS ILLNESS OR MEDICAL EMERGENCY (RULE 305).

01. Medical Certificate -- Postponement of Termination of Local Exchange or Long-Distance Services. A telephone company offering local exchange or long-distance service between a residential customer and the customer's nearest community providing necessary medical facilities or services must postpone termination of local exchange or long-distance service to a residential customer for thirty (30) calendar days from the date of receipt of a written certificate signed by a licensed physician or public health official with medical training. The certificate must contain the following information: (3-31-22)

- a. A statement that the customer, a member of the customer's family, or other permanent resident of the premises where service is provided, is seriously ill or has a medical emergency or will become seriously ill or may have a medical emergency because of termination of service; and that termination of local exchange service would adversely affect the health of that customer, member of the customer's family, or resident of the household. (3-31-22)
- b. If the customer requests that termination of long-distance service be postponed, a statement that termination of long-distance service would impair the customer's ability to communicate with necessary medical facilities or services. (3-31-22)
- c. The name of the person whose serious illness or medical emergency would be adversely affected by termination and the relationship to the customer. (3-31-22)
- d. The name, title, and signature of the person certifying the serious illness or medical emergency. (3-31-22)

02. Restoration of Service. If local exchange or long-distance service has already been terminated when the medical certificate is received, the appropriate service will be restored as soon as possible, but no later than twenty-four (24) hours after receipt. The customer will receive local exchange and necessary long-distance services

for thirty (30) calendar days from the telephone company's receipt of the certificate. (3-31-22)

03. Second Postponement. The telephone company may postpone termination of local exchange and necessary long-distance service for an additional thirty (30) days upon receipt of a second certificate stating that the serious illness or medical emergency still exists. (3-31-22)

04. Verification of Medical Certificate. The telephone company may verify the authenticity of the certificate and may refuse to delay termination of service if the certificate is a forgery or is otherwise fraudulent. (3-31-22)

05. Obligation to Pay. Nothing in this rule relieves the customer of the obligation to pay any undisputed bill. (3-31-22)

306. MEDICAL FACILITIES -- SHELTER CARE (RULE 306).

Where local exchange or long-distance services are provided to a customer known by the telephone company to be or identifying itself as a medical care facility, including a hospital, medical clinic with resident patients, nursing home, intermediate care facility or shelter care facility, notice of pending termination will be provided to the Commission as well as to the customer. Upon request from the Commission, a delay in termination of no less than seven (7) calendar days from the date of notice will be allowed so that action may be taken to protect the interests of the facility's residents. (3-31-22)

307. INSUFFICIENT GROUNDS FOR TERMINATION OF LOCAL EXCHANGE SERVICE (RULE 307).

01. Termination Prohibited. Telephone companies will not terminate service or provide notice of intent to terminate service if the unpaid bill cited as grounds for termination is: (3-31-22)

a. Less than thirty (\$30) dollars; (3-31-22)

b. For telephone service provided to any other customer or former customer (unless that customer has a legal obligation to pay the other bill) or for a class of service (business or residential) other than the one to which the customer currently subscribes; (3-31-22)

c. For MTS or other goods and services provided by the telephone company or for which the telephone company bills; (3-31-22)

d. For service provided four (4) or more years ago unless the customer made a payment on the bill within the past four (4) years, or the customer signed a written payment agreement and then failed to pay; (3-31-22)

e. The subject of an informal or formal complaint filed with the Commission; or (3-31-22)

f. Is at issue in a case pending before a court in the state of Idaho unless termination is authorized by court order. (3-31-22)

308. RESTRICTIONS ON TERMINATION OF LOCAL EXCHANGE SERVICE -- OPPORTUNITY TO AVOID TERMINATION OF LOCAL EXCHANGE SERVICE (RULE 308).

01. When Termination Not Allowed. Unless the customer affected has consented in writing, local exchange service will not be terminated on any Friday after twelve noon or on any Saturday, Sunday, legal holidays recognized by the state of Idaho, or after twelve noon on any day immediately before any legal holiday, or at any time when the telephone company's business offices are not open for business, except as authorized by Rules 302.01 and 302.02, or for non-residential customers, as authorized by any Subsection of Rule 302. Local exchange services may be terminated only between the hours of 8 a.m. and 4 p.m., except as authorized by Rules 302.01 and 302.02. (3-31-22)

02. Personnel to Authorize Reconnection. Each telephone company providing local exchange service will have personnel available after the time of termination who are authorized to reconnect service if the conditions

cited as grounds for termination are corrected to the telephone company's satisfaction. Customers may be asked to pay reconnection fees before restoration of service. (3-31-22)

03. Service to Persons Not Customers. If local exchange service is provided to a residence and the account is in the name of one who does not reside there, the telephone company, prior to termination, will notify the person(s) receiving service and afford the person(s) a reasonable opportunity to negotiate directly with the telephone company to purchase service in the resident's(s') own name(s). (3-31-22)

04. No Termination While Complaint Pending. Except as authorized by order of the Commission or of the Judiciary, local exchange service will not be terminated for failure to pay amounts in dispute while a complaint over that telephone service filed pursuant to Rule 401 is pending before this Commission or while a case placing at issue payment for that telephone service is pending before a court in the state of Idaho. (3-31-22)

309. PAYMENT ARRANGEMENTS (RULE 309).

01. Arrangements Allowed. When a customer cannot pay a bill in full, the telephone company may continue to serve the customer if the customer and the telephone company agree on a reasonable portion of the outstanding bill to be paid immediately, and the manner in which the balance of the outstanding bill will be paid. (3-31-22)

02. Reasonableness. In deciding on the reasonableness of a particular agreement, the telephone company will take into account the customer's ability to pay, the size of the unpaid balance, the customer's payment history and length of service, and the amount of time and reasons why the debt is outstanding. (3-31-22)

03. Application of Payment. Payments are to be applied first to the undisputed past due balance owed by the customer for local exchange services. In discussing or negotiating payment arrangements, the telephone company shall advise the customer what amount of payment the customer must allocate to local exchange service or to long-distance service or other goods and services in order to retain those goods and services. (3-31-22)

04. Second Arrangement. If a customer fails to make the payment by the agreed due date, the telephone company may, but is not obligated to, enter into a second arrangement. (3-31-22)

05. When Arrangement Not Binding. No payment arrangement binds a customer if it requires the customer to forego any right provided for in these rules. (3-31-22)

310. DENIAL, RESTRICTION, MODIFICATION, OR TERMINATION OF LONG-DISTANCE SERVICE OR OTHER SERVICES (RULE 310).

01. Compliance. Telephone companies providing long-distance services must provide reasonable notice before modifying a customer's existing service. (7-1-25)

02. Failure to Pay. A customer's failure to pay for undisputed long-distance charges billed by the local exchange company may result in loss of 0+ or 0- and 1+ dialing access to long-distance services until such time as the customer pays the undisputed charges and any applicable reconnection charges. (3-31-22)

03. Loss of Services. Customer failure to pay undisputed charges for other services may result in loss of those services. (3-31-22)

311. CESSATION OF SERVICE IN A SERVICE AREA (RULE 311).

01. Single Local Service Provider. A telephone company that intends to terminate a service regulated under Title 61, Idaho Code, and an eligible telecommunications carrier that intends to terminate its universal service obligation in an area where it is the only eligible telecommunications carrier, must comply with the following: (3-31-22)

a. Petition the Commission for authority to terminate the service at least ninety (90) days before the company intends to terminate the service. If the Commission does not deny the petition or set it for hearing within ninety (90) days after receiving the petition, it shall be deemed approved; (3-31-22)

b. Mail a notice to each affected customer and to each telecommunications provider affected by the proposed cessation no later than ten (10) days after filing its petition with the Commission. (3-31-22)

c. Include with its petition a copy of the notice to customers and the number of customers affected by the proposed cessation; (3-31-22)

d. Demonstrate that the termination will not deprive the public of necessary telephone services; (3-31-22)

e. Obtain Commission approval before transferring customers to other telecommunications providers. (3-31-22)

02. Competitive Local Service Provider. A local exchange company that intends to terminate local exchange service that is not subject to regulation under Title 61, Idaho Code, and an eligible telecommunications carrier that intends to terminate its universal service obligation in an area where it is not the only eligible telecommunications carrier, must comply with the following: (3-31-22)

a. Provide notice to the Commission and each affected customer at least forty-five (45) days prior to the proposed termination of service; (3-31-22)

b. Inform the Commission of the number of customers and the other providers affected by the proposed termination, and the company's plan to ensure that all customers served by the company will continue to be served; (3-31-22)

c. The telecommunications company may, after complying with this rule, transfer customers to another telecommunications provider without obtaining affirmative approval from affected customers if the following conditions are satisfied: (3-31-22)

i. The company terminating service has a written commitment from another provider to accept all of the exiting company's customers within the receiving company's service area; (3-31-22)

ii. All affected customers are notified at least forty-five (45) days in advance that they may apply to another telecommunications company for the service that is being terminated, and that if they do not obtain service from another provider, then the exiting company will automatically transfer them to the receiving company. (3-31-22)

iii. The receiving company may provide service to the terminating company's customers for up to forty-five (45) days without the affected customer applying for service from the receiving company. If the affected customers do not apply for service from or otherwise affirm an agreement to be served by the receiving company within forty-five (45) days, the receiving company may discontinue service.
