09. Appraiser. Any individual, firm, partnership, or corporation that has contracted with the Department to express an opinion of value on surplus real property owned by the Department. (5-8-09)

011. -- 099. (RESERVED)

100. LIMITATIONS.

This rule shall not apply to office and maintenance yard sites regardless of value. (7-1-97)

101. -- 199. (RESERVED)

200. COVERED PROPERTY.

Based upon recommendations by the District Engineer and concurrence of the Materials, Planning, Highway Operations and Safety and/or interested headquarter sections, property no longer useful or usable for the needs of the Department is recommended for disposal. (3-30-07)

201. -- 299. (RESERVED)

300. TRADES.

The Department is authorized to exchange surplus real property for other parcels of real property. In exchanging real properties, both parcels will be appraised, and either the owner or the Department shall pay to the other the difference in value. The appraisal amount shall only establish the minimum amount the Department may seek for its property. (7-1-97)

301. METHOD OF SALE FOR PROPERTY.

Property shall first be offered to contiguous property owners. If more than one (1) contiguous property owner is interested in the property, a private auction will be held between those contiguous owners wishing to purchase the property. It shall be offered at an amount not less than the value estimate or appraisal. The sales price shall include any administrative fees established by the Department. Term sales of up to twenty (20) years (five (5) years if the property is purchased for less than ten thousand dollars (\$10,000)) may be offered at the discretion of the Department. If the property is not purchased by a contiguous owner, it shall be offered to public entities in the manner and in accordance with the priority set out in Section 302. (5-8-09)

302. SALE OR EXCHANGE OF PROPERTY TO TAX SUPPORTED ENTITIES AT THE APPRAISED VALUE.

As stated in Section 301, if not purchased by a contiguous owner, the Department shall then offer the property for sale or exchange at the appraised value to the following: state agencies, the county in which the property is located, the city in which the property is located, the highway district in which the property is located. State agencies are given first priority to acquire the property, county second, city third and highway district fourth. Other tax supported entities not enumerated will not specifically be notified, but will have the fifth priority to purchase the property. The sale price shall include any administrative fees established by the Department. (5-8-09)

303. SALE OR EXCHANGE OF PROPERTY TO TAX SUPPORTED ENTITIES FOR LESS THAN THE APPRAISED VALUE.

If none of the public agencies referenced in Section 302 wishes to purchase the property at the appraised value, the Department may negotiate a sale or exchange of the property at less than the fair market value to any tax-supported agency or political subdivision of the state of Idaho, excluding state agencies, in whose jurisdiction the property resides. The priority and process set out in Section 302 shall apply; except that the order of priorities shall not include state agencies. The first priority will be given to counties, the second to cities, the third to highway districts and fourth to other tax supported entities. If property is sold or exchanged for less than the fair market value it must be used exclusively and in perpetuity for a public purpose. The specific public use will be set out in the deed of transfer and if the use is violated or discontinued the property will revert to the ownership of the Department. If jurisdiction, value or use cannot be agreed upon between the Department and a public agency the property will be offered at a public sale in accordance with the provisions of Section 304. Any surplus Department property originally purchased using federal funds must receive the approval of the Federal Highway Administration prior to being sold or exchanged for less than the appraised value. (3-30-07)

304. METHOD OF SALE FOR PROPERTY NOT PURCHASED BY A PUBLIC ENTITY OR A CONTIGUOUS PROPERTY OWNER.

If no public agency purchases a property offered for sale, or if property is not purchased by a contiguous property owner, the surplus property will be offered at public sale for not less than the appraised price. The sales price shall include any administrative fees established by the Department. Term sales of up to twenty (20) years (five (5) years if the property is purchased for less than ten thousand dollars (\$10,000)) may be offered at the discretion of the Department. (5-8-09)

305. -- 399. (RESERVED)

400. MINIMUM VALUE.

All property regardless of the Surplus Property Valuation shall have a minimum value of five hundred dollars (\$500). This amount may be waived if justification is provided by the District requesting disposition. (7-1-97)

401. -- 499. (RESERVED)

500. PAYMENTS.

All payments will be made to the Department. (7-1-97)

501. -- 599. (RESERVED)

600. ISSUANCE OF DEEDS.

The Department's Director will execute the appropriate documents transferring ownership within thirty (30) days of the date of sale or upon clearance of all receipts of sale. (7-1-97)
